RED PERIL IMMINENT

Report Cites Danger From Aliens

Washington, — Senator Homer Ferguson (R., Mich.) today predicted that if subversive elements in the United States can be discovered and controlled, there need be no fear of a shooting war in America.

Senator Ferguson is the ranking Republican on the Senate Internal Security Subcommittee which has he pointed out, documented sixteen important phases of Communist penetration in the United States, since the Subcommittee was created by Congress two years ago.

He explained that he has devoted a great deal of time to the Subcommittee's work because he feels it is vital to the security of the nation.

"From everything I can learn, I believe," he said, "that the Red Army will never go to war with any nation until the Kremlin is satisfied that nation is sufficiently penetrated with Communists and other subversives who will function as an effective fifth column in the target country to weaken its internal strength and assure the success of the Red military forces."

It is for this reason, Senator Ferguson said, that he has given a great deal of time to the Subcommittee's work and that he plans to continue to give it close attention.

"Though it is obvious that further inquiry will be necessary as to some of the subjects we have opened, I believe the results of our work during the past two years has completely justified the Subcommittee's creation," he said in a statement. "I am certain that no more thorough or careful study has been made by any Senate committee of recent years."

Senator Ferguson referred to "the thousands" of commendatory letters and comments received by the Subcommittee and its members and the almost unheard-of demands for copies of the hearings and reports as indicated strong public support. To meet requests for hearings on the Institute of Pacific Relations alone it was necessary to ask Congress for 7,500 additional prints, he pointed out.

Ferguson, a member of the Senate Judiciary Committee, has been an exceedingly active member of the Subcommittee headed by Senator Pat McCarran, Judiciary Committee Chairman.

"Though newspaper and magazine publicity has seemed to center at times on individuals, this singling out of persons has not been the Subcommittee's objective," Ferguson said. "Rather, the hearings have been designed to uncover a situation that threatens the subversion of our government, the disruption of industry, the alignment of class against class, the perversion of our educational process, the weakening of our national defense and the obstruction of our courts and civil processes."

Baruch Appoints Eisenhower Cabinet

The newspapers of December 30th carried front page articles to the effect that Clarence D. Dillon will be appointed ambassador to France. This makes interesting reading but it becomes even more interesting when the reader knows certain features about this appointment. Features that newspapers which carry advertising do not dare publish.

It is generally known that Bernard Baruch, the unofficial president since Woodrow Wilson's time, has controlled the banking firm of Dillon, Read and Co., 46 William Street, New York City, for many years. The Mr. Dillon in question is Chairman of the Board. He was also chairman of the Eisenhower finance committee for New Jersey during the election campaign and is a graduate of the Communist Incubator—Harvard. This Mr. Dillon who is to be our ambassador to France is a student of Felix Frankfurter, who taught at Harvard. It is reported that Frankfurter placed more Communists in the New Deal than any other five Jews. Frankfurter today is the most powerful man behind Eisenhower with the exception of Bernard Baruch.

When Dillon's name was handed to Eisenhower he had no choice but to appoint him as ambassador. What is wrong with this?

BARUCH, CHURCHILL AND EISENHOWER

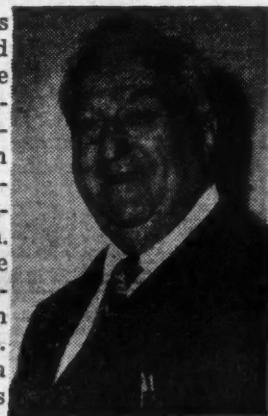

In a later issue we will comment on the significance of the meeting of these three.

Our Lord does not allow us to see fully into the future, but some of us have different qualifications than others and use our time and energy to become more informed on the conflict here on earth between the agents of Christ and the Devil. Not all people realize the extent of the Devil's power. Many here on earth have allowed the Devil to use them in his plan to extend his work. After 20 years intensive study of the Marxist plan, the writer fully realizes that the confusion and fear in the world today is due to the fact that the crisis is approaching—the day of decision between the forces of Christ and the Anti-Christ. Anti-Christ are now in triumph. They are to the average observer the forces of the to the forefront and more vocal.

McCarran Act Bars Spies

About three years have been consumed by a special Senate Sub-committee conducting an exhaustive investigation and study of our immigration and naturalization system. After these three years of study, Senator Pat McCarran and Cong. Francis E. Walter introduced a bill which, as far as is humanly possible,

handles all peoples Sen. Pat McCarran with justice and fairness in keeping with the safety of our country. The intent was to admit worthy people, but make entry difficult for those who are unwelcome and those who, we have learned from bitter experience, soon after their arrival, join forces with subversive groups agitating for the overthrow of our government and the setting up of a world government. After much deliberation and amending of the bill, it was passed by the Senate and the House and became a law on December 24th.

The representatives of the people, who were duly elected and sent to Washington to act for them, passed the bill. But the Jews refuse to accept it. They had their stooge "Peanut" Truman appoint a "Presidential Commission" to hold hearings and report to the President if this was a good law or not. Who was appointed on this commission to propagandize against this bill to defeat our elected representatives? None other than Philip B. Perlman, Chairman, a Jew of Baltimore who was former U. S. Solicitor General where he ran the Department of Justice with thirty thousand employees and Howard McGrath as a front. It was Perlman who advised Truman to take over the steel plants stating that Truman had the power to do so, regardless of Congress or the Supreme Court. Secretary of the Commission is Harry N. Rosenfield, Jew, member of the National Lawyers Guild, a Communist front. This law-wrecking committee held thirty hearings in 11 cities. The reader can well imagine who were called in to these hearings. Perlman now releases a 316 page report as part of the Marxist plan to repeal this law and allow the flood of undesirable trouble makers streaming in here since F. D. R., the traitor, opened the gates, to continue.

Does the quality of its citizens determine the future of our country? It is this group of greedy anti-Christians coming here for the last twenty years that is changing our wonderful country into a land of confusion and fear. These Marxists are

We have attempted to show how a 'cold war' operates—how an enemy government, without the use of armed forces, cause our citizens trouble and expense, alienate our friends, weaken our efforts for peace and our plans for aiding distressed peoples of other nations."

Senator Ferguson said that, now the Communist organization in the United States has gone underground, due to the restrictions established by Congress in the McCarran Act, there is no question but the "hard core" of Communist leadership is still active.

"Leaders may be jailed for a time and new leaders substituted; key figures may be forced out of government or labor or education but Communism will find others to replace them. A constant vigil is necessary and public exposure is the only successful means for alerting loyal citizens to their danger."

McCARRAN ACT?

Senator Ferguson (R-Mich.) today called for an effective enforcement of the new immigration law which became effective on December 24.

"Hearings before Senate Immigration Subcommittee and the Internal Security Subcommittee during the past three years have revealed distressing policy on the part of the State Department to allow known subversives to come into the United States and to remain here well-nigh indefinitely," the Michigan Senator declared.

He is a member of the Senate Judiciary Committee of which the two subcommittees are subordinates and has been particularly active in the Internal Security Subcommittee.

"The hearings that brought out the Immigration Bill," Senator Ferguson said, "showed us that some very dangerous aliens were entering the United States. Investigations and hearings by the Internal Security Subcommittee revealed that many of these people, whose records were well known to federal authorities, were continuing their nefarious practices in this country."

"We learned that the State Department has been very lenient in advising the Justice Department as to such cases as came within its purview and that the top echelon of the Justice Department accepted the State Department's view despite strong represents to the contrary by Immigration Service officials."

The Subcommittee published two volumes of testimony by Immigration officials showing the magnitude of the illegal alien problem and including a statement by the chief of the Immigration Service that he was satisfied the control and direction of the Communist movement in this country is centered in persons connected with the diplomatic service or of international agency staffs of the Communist nations.

"In addition," Senator Ferguson pointed out, "The Subcommittee learned that the United Nations has been used as a harbor for various aliens who were in danger of expulsion as undesirable persons. These including one identified as an espionage agent and another, posing as a journalist, whose record covered a long period of subversive activities abroad."

The Subcommittee made and published a study of espionage activities by the personnel of embassies and consulates under Soviet domination and one dealing with the huge amounts of foreign propaganda distributed in the United States and the methods utilized for its transportation and circulation.

It also published an examination of several persons who, despite known records of Communist activities, were issued passports to European nations which enabled them to attend meetings in Moscow and other Iron Curtain countries.

"The 'freedom' of which we are so proud," Senator Ferguson said, "is not freedom to commit crimes."

"Our freedom is guaranteed not only by the Constitution but by laws such as the Immigration Act, the Anti-Subversive Act and other statutes which protect us against the peace-wrecking tactics of spies and saboteurs sent here by an enemy government and from alien criminals of other types who

see in our country a fruitful field for their illegal operations.

"We cannot sit idly by and let alien subversives and their dupes teach and propagandize for an ideology which demands the privileges of our form of government but denies that government the right to demand obedience to the laws which support those privileges."

UNITED NATIONS

Senator Ferguson (R-Mich.) said today the Internal Security Subcommittee expects to have the full cooperation of the new administration in ousting Communistic influence from government.

"There is now no doubt," he said, "that the Communists have made every effort to get their prolelytes in positions of influence and strategic importance as a means towards wrecking the nation they desire to destroy."

"Some have been rooted out. The United Nations provided a lucrative and strategic refuge for many of them. Our investigations and the publicity attendant thereon, have resulted in the discharge of some of these disloyal people. We hope it will result in a complete housecleaning and that measures may be devised to close that door to employment of Americans who have perverted their citizenship to the advantage of a foreign power."

Senator Ferguson said the public often has been told that there are now no disloyal persons in government.

"But we have been refused access," he said, "to the security records of persons employed in government whose activities and associations indicate at least an affinity for Communist causes. This policy, I believe, has been soundly repudiated by the voters."

Senator Ferguson recalled that the Subcommittee's hearings on the Institute of Pacific Relations revealed an organized effort to place persons in government whose views coincided frequently with the Communist line. He declared that some of these persons still are on the federal payroll.

"Of course," said the Michigan Senator, "we cannot dictate to the United Nations whom it may employ but we can insist, by legislation if necessary, that any Americans charged to the employment quota assigned to this country shall be completely loyal to the United States."

"We should insist, also, that the headquarters agreement, under which aliens connected with the United Nations would be restricted to the area granted to that organization, except upon express permission of United States authorities. The United Nations plant must not be a spy center."

Senator Ferguson also proposed that the armed forces purge their rolls of any members known or suspected of subversive tendencies.

"The committee has evidence," he said, "that the Communists made a well organized effort to get their members into the armed forces at the beginning of World War II and encouraged them to conduct themselves so as to gain promotions. We are of the opinion, and have some knowledge that there are many Communists among the commissioned grades in active service and in the reserves."

"We are fighting a shooting war against Communists. There should be no enemy agent within our ranks."

EDUCATION

If there is any value in the education of our youth, we must be sure that the ideas implanted in their minds are sound, Senator Homer Ferguson (R-Mich.) said today.

Commenting on the work of the Senate Internal Security Subcommittee, in which he has taken a prominent part, Senator Ferguson referred to the many statements in Communist publications emphasizing the value of the proselytizing of youth.

"The clearest of these," Senator Ferguson said, "is the declaration of Lenin, which is still a part of Communist doctrine, that 'the youth will decide the issue of the whole struggle, the student youth and still more, the working class youth.'"

"We can all subscribe to that statement, but we must be sure that, when youth makes its decision, it is based on clear understanding, and not upon

determined to flood the U. S. with these plotters and revolutionists until they break us down, abolish our government, and set up World Government.

Our staff reads the leading Jewish papers which are crying for repeal of the McCarran-Walter Act. These papers object to the feature of this bill which requires aliens who have entered illegally to register. No wonder! When Tom Clark was head of the Department of Justice, he admitted there was an average of 2,000 illegal entries a day for years. It is safe to say 95% of these are Jews. Apparently it is feared the six million Jews Hitler is supposed to have killed will be found in the U. S. Jewish papers have a campaign on asking all they can influence or coerce to sign petitions, send telegrams and letters to intimidate Congress to repeal this law. Here is a challenge to real, honest-to-goodness Americans. Will you allow this Talmudic group to move in here and intimidate and destroy our safety and freedom? Write your Senators and Congressmen. If you belong to an organization

worth the protection of America, ask them to pass resolutions backing up the McCarran-Walter Act. Write letters to your newspapers, stand your ground, don't back down or be intimidated. These Marxists have had their day; let's stop them. If they don't like America, let them get out. Better take time to write letters and speak up now or you will fight for your life in the streets later on. We will have all we can do to save our country against the millions of disloyal aliens already here without permitting more.

Congressman John Rankin on August 29, 1950 stated on the floor of Congress that at least 75% of the Communists in the U. S. were Jews. He should know—he was an important member of the Congressional Un-American Activities Committee for years.

Following are the well organized forces who are in the front bringing pressure on Congress: Anti-Defamation League of B'nai Brith, American Jewish Congress, American Jewish Committee, Jewish Labor Committee, International Ladies' Garment Workers Union, Amalgamated Clothing Workers, Synagogue Council of America, National Council of Churches of Christ (Marxist controlled by Anti-Christians), also one or two Christian groups have been duped into helping the Marxists.

Let us Christian Americans who are informed stand shoulder to shoulder against the anti-Christ.

Baruch Churchill

—(Continued from Page 1)—

When we tell you that there are definite and convincing reasons for believing that the Anti-Christ is alive and about thirty-three years of age (the same age as Christ was when crucified by the Pharisees—the Talmudic Jews of today), some will think this too fantastic to believe, but those who are informed on this subject will understand. With reference to Baruch, Churchill and Eisenhower, we have been convinced for some time, that two of these are important tools of the Anti-Christ. Apparently early future developments will decide as to the other. Watch for our article on these three in issue 177.

RED HIGHLIGHTS

Attorney General James Patrick McGranery announced he would seek to strip citizenship from James J. Matles (Freedman), Communist official and U. E. director. Common Sense in its issue of July 21, 1946, was first to expose Matles as a leader of the Communist party. It wasn't popular in 1946 to expose Communism, and people thought Common Sense was radical. Now that it is popular to fight Communism, and Matles has done his dirty work, he is being exposed by popular critics of Communism. . . . Dr. Schacht, world famous financial genius, was called in as advisor on the economic problems of Persia. Norbert Muhlen's book "Hitler's Magician" says, "the Hitler press" in 1925 revealed his name as Hajom Schacht, a Budapest Jew. . . . Dr. Alan Nunn May (Jew), first convicted atom spy, has been freed from Wakefield Prison, London, after serving a few years. Compare this news item with the story of Robert Best in the last issue of Common Sense. . . . It has been the custom among our so-called leaders to take fast trips to the Korean battle front and return home with the good tidings that our boys' morale is high, they are happy, they have never had it so good, etc. These consoling messages our so-called leaders are bringing back to the States are not consistent with the information received by this writer from several Korea veterans. These boys who fought in Korea say the morale of the boys in Korea and in the Services in the U. S. is lower today than ever. . . . The Very Rev. Sylvester Juergens, Superior General of the 3,000 member Society of Mary, upon his arrival here December 6 stated that the Communist Soviet Union will drop the first atom bomb on the Vatican. . . . The United Jewish Appeal has just made a call upon all Jews in the United States to provide one hundred and forty-four and one-half million dollars for 1952, most of which will be used against all Americans in putting over their Jewish World Government. . . . All Americans should write their Congressmen and Senators and demand an investigation of the Anti-Defamation League of B'nai B'rith, the Non-Sectarian Anti-Nazi League, the American Jewish Congress, and the World Jewish Congress, all of which make up the private spy gestapo in America. . . . George Kaufman Jew, who was dropped from the television show "This Is show Business" for making the remark, "Let's make this one program on which no one sings 'Silent Night' was reinstated under a new sponsor. Although the American people registered their protest at the anti-Christian remark the powerful Jewish Invisible government showed contempt for the Christians by reinstating him on the network. On the same program is Clifton Fadiman (Jew), member of eight Communist fronts, and Sam Levenson. At this time we would like to quote from the New York Jewish newspaper "The Day" of December 14, 1935: "WE WANT ALL THIS CHRISTMAS PROPAGANDA STOPPED. THE MASSES OF JEWISH PEOPLE IN AMERICA HAVE A RIGHT TO DEMAND FROM THE EDUCATIONAL SYSTEM IN THE UNITED STATES THAT IT KEEP CHRISTMAS OUT OF THE PUBLIC SCHOOLS". . . .

Two months ago the "Daily Worker" (Communist newspaper) started a drive for funds and set the goal at \$50,000. They already passed the \$50,000 goal and are reaching the \$60,000 mark. It is little wonder why Communism is so successful. Common Sense started a similar drive at the same time and raised only a fraction of the funds needed badly to expose the devil's agents.

FAREWELL

A PATRIOT'S PARTING WORDS TO THE AMERICAN PEOPLE

By Congressman John T. Wood

Christmas and New Year season. May I take this opportunity of wishing all my patriotic friends in America a very happy commemoration of the birthday of the Prince of Peace?

If this season means little more to you than feasting and revelry, if you have fully subscribed to the modern commercialized idea of Christmas; you have your own reward, without my best wishes further to confuse you in your pagan celebration.

To those who still look upon it as a children's holy day, set apart for the worship of Him who loved little children, let me join in your rejoicing, and whatever we may jointly do in making it a very unique children's holiday.

May we adults take this week to rededicate ourselves to the principle of "Peace on earth, to men of goodwill," originating a new era in the world with the birth of the Christ Child, ushered to us by the shining Star of Bethlehem and the joyous songs of the angelic choir, but without the ministrations of a skilled obstetrician.

Within a very few days my term of office as Congressman from Idaho will have expired, and I shall resume the practice of medicine. I tried to do a good job during my term of office. I have kept the faith within the terms of my Oath of Office: "To support and maintain the Constitution of the United States against all enemies, from within or without this country." Within its term also I tried to be a good Republican.

The great un-Christian delusion of the United Nations is still strongly dominant within so many of the minds of a thoroughly confused and heavily propagandized people throughout the land. Upon the beginning of this New Year, still a Christian New Year, may I be permitted to leave this farewell message with you?

There is no hope for the survival of America as a free government, of the people, by the people, and for the people, unless we speedily do the following things:

1. Return to fully constitutional government.
2. Immediately withdraw from the un-Christian, un-godly Communist World Government within the United Nations.
3. Speedily work out a financial system based upon sound money, instead of the present system of financing debts with more debts.
4. Return to the worship of God according to the faith of the Founding Fathers.
5. Regain control of our means of communication.
6. Get rid of subversive elements and text-books within our free American Public School System.
7. Return to the basic principle that the best interests of America still lie in the inherent Spirit of Freedom, under God, within the minds and souls of the people of America, and not primarily within the federal government, which has unconstitutionally usurped many of the powers it now considers belong to it inherently.
8. The Sixteenth Amendment must be repealed, and some better way must be found to meet the proper and legitimate expenses of the federal government, which will not permit it to confiscate ALL your earnings in unjust thievery from a helpless citizenry.
9. A speedy return to the recognition that each of the States is sovereign in its domestic affairs, subject only to the limitations of invasion of the rights of other States, and to the federal government in its relations with foreign countries.
10. And finally we must return to the knowledge that Freedom is a gift of God; that it cannot be bought or sold; and that we must re-dedicate our lives to it every new day if we are to keep our beloved America free, and transmit its torch, still burning brightly, to our children's children.

May God bless and keep all of you safely. May He make us worthy to keep our America as the Founding Fathers bequeathed it to us—the last stand of free, Constitutional government in the world. So mote it BE! Amen!

After General Lucius Clay had rendered good service to the Jews as the first High Commissioner of Germany, Bernard Baruch rewarded the General by arranging for a desk in Dillon, Read and Co. at the paltry salary of \$20,000 a year. It would have appeared a little bold for a Jew to be in full charge of Germany after its surrender inasmuch as many people knew that the Jews had brought about the war on Germany. There is always a Gentile like Clay ready to front for the Jews knowing he will be well paid.

Below we give you some information on Mr. Dillon's father who is a resident of Far Hills, N. J.

Taken from "The Octopus"

Re: Clarence Dillon (Lapowski)

Clarence (Lapowski) Dillon lists himself as a Jew in "Who's Who in American Jewry, 1938-9" and as president of Dillon, Read & Company since 1921; also as one of the Baruch-Frankfurter Jewish group in power during World War I as assistant to Chairman Barney Baruch on the War Industries Board.

To quote "In Fact" (8/12), issued by Jewish George Seldes: "Clarence Dillon was born Clarence Lapowski, son of a storekeeper, Sam Lapowski, in Victoria, Texas. . . . Dillon got \$100,000,000 to reorganize Goodyear, outbid Morgan for control of Dodge Bros., wrote the famous \$146,000,000 check, became head of Dillon, Read."

"Biggest loans to German firms: \$70,000,000 Vereinigte Stahlwerke; \$48,000,000 Siemens u. Halske; \$25,000,000 Rheinische Union; \$15,000,000 Gelsenkirchen. . . .

"One of the biggest swindles in Italian history was the theft of \$30,000,000 by Belloni, podesta, or vice-dictator, of Milan. . . . the stench was so strong the Duce had to send Belloni to the penal islands. This \$30,000,000 was the proceeds of the Milan 7's floated in America by Dillon, Read & Company." (Quoted in the Arbitrator, 9/40.)

Westbrook Pegler, in his column of November 13, 1952, exposed the meeting of Eisenhower's brothers, Milton and Arthur, with Arthur J. Goldsmith in the Waldorf Hotel, New York. They met in Suite 30C which has been occupied for years by Goldsmith. Goldsmith is the mysterious source of Jewish money which is used to defeat candidates for Congress from such states as Montana, Idaho, Wisconsin, Indiana, and West Virginia. This meeting lasted from November 2nd to November 7th—election time.

Of further interest is Drew Pearson's column of November 14th, 1952 in which he states:

"Joseph M. Dodge, whom Gen. Eisenhower chose as his top financial adviser on budgetary matters, has been helping out Sen. McCarthy's arch enemy, Secretary of State Dean Acheson, since August 22. Three times a week, as consultant, he has been giving Mr. Acheson advice on economic and financial matters affecting Japan. Mr. Dodge even now has an office and a secretary in the new State Department building."

Not only that but Mr. Dodge once attended a Council of Foreign Ministers in London as deputy for the then Secretary of State, George C. Marshall, another of Sen. McCarthy's prime targets.

Furthermore, it seems that Mr. Dodge has also accepted employment from Mr. Truman, specifically in 1947 as U. S. delegate to the Austrian Treaty Commission and even now helps out the Department of the Army as financial consultant.

Those who are informed know that John Foster Dulles, along with Felix Frankfurter, has been the adviser and director of Dean Acheson, who would not turn his back on his pal, Alger Hiss. It was John Foster Dulles, in Seoul, Korea the night the war started, who touched off the bloody affair.

The overall picture gives the impression that Eisenhower is knowingly or unknowingly acting as a front for Baruch whom we have always known was the spokesman for World Jewry, for Churchill who now boasts of being a Zionist and for other One-Worlders.

Mark this down for reference in one year. Taxes under Eisenhower will not be lowered, but raised.

MONGRELIZATION EXPOSED!

The author of "Alien Minorities and Mongrelization," Marilyn R. Allen, does a splendid job of exposing the Zionist plot to mongrelize the White Christian race and destroy the integrity and intelligence of future generations.

One cannot understand, nor appreciate, such popular programs of tolerance, brotherly-love, fair employment, and Judo-Christian movements until he has gained the knowledge contained in this revealing plot to exterminate Christianity. 474 Pages. Price \$3.00.

lies and half-truths and innuendoes that Communists plant in the minds of their victims."

The Subcommittee has begun hearings into the educational process, it has made an intensive study, still incomplete, in the entertainment field, and it has examined several other phases of the Communist campaign to capture the minds of the younger generation.

Thus far, the public hearings on education have been confined to testimony regarding conditions in the New York area, particularly with respect to the Teachers' Union, but Senator Ferguson said other hearings are contemplated, following up leads developed from the New York testimony.

"We found evidence," Senator Ferguson said, "that the Union is dominated by Communists, that its program is organized among teachers in every phase from the elementary to the college level, that it has had as many as 1,500 members over the United States and that, through its publication, it has recommended many books and other publications by known Communists or party-followers and many activities sponsored by the Party or by Communist fronts."

"In one case we found a member of the Union acting as advisor to a college chapter of American Youth for Democracy, a Communist created, nation-wide organization for teenagers. Another was faculty advisor for the American Student Union in a New York high school."

"In our preliminary examination into other Communist efforts to capture youth we found the Communists using a great variety of organizations either created by the Party for the specific purpose of attracting youth or infiltrated and adapted to Communist purpose. These ranged from the new abandoned Young Pioneers which sought to overcome Boy Scout influence, through various clubs and organizations in high school and college, to professional organizations like the Association of Interns and Medical Students and the Independent Citizens Committee of the Arts, Sciences and Professions."

"We traced the efforts, often successful, of the Communists to dominate the entertainment field, which obviously offers a broad opportunity for propaganda and for financial gain. The testimony shows how young performers were used to embellish the rallies and meetings of Communist fronts with only the experience and the publicity as their rewards. It showed how a Communist group gained control of the Radio Writers Guild and revealed its efforts, perhaps successful, to penetrate the television field."

"Aside from the schools, radio and television certainly are the most potent influence on youth as a whole, today. They must not be used for propaganda."

SUMMARY

Senator Homer Ferguson (R-Mich.) today said the recent political campaign provided convincing evidence that the people of the United States are becoming increasingly alert to the dangers of Communism.

"There is general agreement," he said, "that a major factor in the Democratic party's defeat at the polls last month was the feeling of so many voters that the present administration has failed to sense the seriousness of the Communist threat and take adequate measures against it."

"During the past two years, the Senate Internal Security Subcommittee has torn the mask off pseudo leaders in many walks of life and displayed their Communist backgrounds. It has revealed a spectacle of subversive effort by foreign agents and their dupes that few persons even suspected. It has spotlighted scores of instances where the Communists have eased themselves or their puppets into positions of influence in government, in international agencies, in labor organizations, in the school system, and in the entertainment field."

Senator Ferguson is the ranking Republican member of the subcommittee of which Senator Pat McCarran (D-Nev.) is chairman. Other members are Senators James O. Eastland (D-Miss.), Herbert R. O'Connor (D-Md.), Willis Smith (D-N.C.), William E. Jenner (R-Ind.) and Arthur V. Watkins (R-Utah). All are members of the Judiciary Committee of which the Internal Security Subcommittee is a special unit.

"We have made every effort," Ferguson said, "to do our work thoroughly, sanely and without sensation, in such ways as to justify the confidence of the nation. We have sought facts, not gossip, and have endeavored to support those facts with every bit of evidence available. We have established and preserved a procedure and a hearing atmosphere compatible with the dignity of the Senate, the Judiciary Committee and of the legal profession, of which we are all members."

"That our hearings have sometimes made headlines in the newspapers has been due to the facts we have uncovered, not because of any efforts on our part to court publicity."

Senator Ferguson said the Subcommittee has a considerable file of matters for investigation to point up further the aims and accomplishments and methods of the Communist agents. He expressed confidence the inquiries will be continued and said he hopes the study will remain within the jurisdiction of the Judiciary Committee.

Senator Ferguson said the Subcommittee has a considerable backlog of work already charted.

"During the next two years, we should like to show how the Communist menace can be destroyed, how and why some Communist penetration efforts

THE STORY OF THE REVOLUTION TO COME

By

RENA M. VALE

\$1.00

THE RED COURT is written in the gripping form of a novel and once you start to read it, you will not lay it down until you have finished.

It is fiction based on historical facts of Communist methods and techniques and a thorough understanding of the mysterious powers operating in the background to create revolutionary situations with a view toward overthrowing organized governments throughout the world. It is a book of warning for all Americans and contains a promise for the future of our country if its citizens will take the time to learn, and awaken to the dangers besetting us, not far off in Russia, but right here within our own borders.

This is a hard-hitting book showing a thorough knowledge of the subject. No person who loves America should fail to value in sizing up our national situation read this story. It will be of inestimable and what to do about it before the midnight hour is struck.

The book contains 150 pages and is available in an inexpensive paper covered form for mass distribution at \$1.00

WHAT IS COMMUNISM?

Communism has reached its height in the world because of its deceptiveness and the fact that people do not understand it nor do they know who created Communism and who directs it. (Those who have been readers of COMMON SENSE know what Communism is.)

If Christians understood Judaism there would be no Communism. Communism springs from the Talmud which is violently anti-Christian and violates the civil and moral codes of every civilized country. Communism is a false face for Judaism. All so called Communist countries are ruled entirely by Jews, -COMMON SENSE published their names in issue No. 143.

Anti-Semitism is a coined word and used to intimidate those who have learned just who is behind Marxism. The public is afraid to even mention the word Jew with fear of being branded anti-semitic and are therefore led to believe that it is something holy. This word is used on all good patriots who try to stop Communism. They are not only referred to as being anti-semitic but are branded as being Fascists, Nazis and intolerant bigots whereas they are courageous Christians who have the backbone to stand up and defend their country against the international plotters who swarmed into the United States for the past several years. Tom Clark, while head of the Department of Justice, admitted there was an average of 2,000 illegal entries a day. This has gone on for years in addition to a large number of legal entries. It is estimated that at least 95 per cent of these entries are Jews.

There exists today an organized campaign by the Jewish papers to kill the McCarran-Walters Immigration Law which was passed after long deliberation and aimed at slowing down the swarm of revolutionists who have changed our country and have caused fear and bankruptcy.

Most people believe there is a Jewish race which is false. Some Christians defend something they know nothing about. Being a Jew is a condition of the mind. Jews have been behind all revolutionary movements because of their teachings from the Talmud and they spread part of this teaching to uninformed Christians thereby making recruits for Marxism. Lenin said: "for every Communist we have, ten others ready and able to do their work." Jews are a nation within a nation, the Kehilla being their secret Government which they must obey. They also have their own courts (Beth Din). The B'nai B'rith is the Invisible Government in the United States. Their plan is to promote and rule the World Government which will destroy all governments and this they expect to develop from the United Nations.

Are these statements true? Maybe we are just prejudiced, intolerant or don't know what we are talking about. Why doesn't a prominent Rabbi challenge us to stand beside him on a platform and prove this? We will be happy to prove more than this by their own writings exclusively.

Yes, we know all about the "Primer on Communism" published by the Anti-Defamation League of B'nai B'rith which is the backbone of the whole Marxist plan in the United States. We also know about all other efforts to confuse the public and throw off all suspicion, but the people are rapidly learning that Communism is Jewish.

Read and pass on!

nation of the propaganda field with a view to protecting it against use for subversion.

"The Subcommittee has made an excellent start. It has not been directed or impeded by political motives. It has established a sound operating procedure. It has produced results of immeasurable value. There is every reason to expect it will be as effective an agency of the new Congress as it has been of the present one."

NORWEGIAN REPORT INDICTS SEC. LIE

UN Head Named Key Figure in Red Plot Close Red Ties Cited

By George Thomas Adams

On January 29th, 1922, the General Staff of the Norwegian Intelligence Service wrote an official report to the then Norwegian Minister of Justice with the following revelations, which were the result of months of painstaking counterespionage work by their agents;

"1. The Norwegian Labor Party and the Soviet Union had signed a secret and binding agreement.

2. The Norwegian Labor Party placed itself at the disposal of a foreign power by unconditionally pledging to obey any order issued by the Politburo from Moscow. Thus, the Norwegian Labor Party and its members could henceforth be considered only as Soviet spies and Communist revolutionaries.

3. This agreement called for the establishment of an independent Soviet Republic in the Northern region of Norway, similar to the People's Republic of North Korea. This independent republic, of course, would be governed by Soviet Commissars who would not be responsible to the Norwegian inhabitants, but only to Moscow.

4. The Soviet Union officially pledged itself to support the Norwegian Labor Party with financial, political, and military aid. This aid was to be focused in the preparations for a Communist revolution and bloodbath in Norway."

Subsequent to this agreement, the Norwegian Labor Party organized an armed force of 11,600 men, equipped with the latest weapons and highly-trained in the newest techniques of sabotage and revolution. Five thousand of these men were stationed in Oslo, the capitol of Norway, 3,000 were stationed in Akerhus County, 2,000 men were in Trondhjem and the remaining 1,600 revolutionaries in Bergen.

This revolutionary army had unlimited funds placed at its disposal for its military operations. The money came from the same international Jewish bankers who sent Trotsky and Lenin across a war-torn world in 1917 to precipitate the wholesale slaughter of Russian Gentiles. The money for the Norwegian Labor Party's task force came from the Nya Banken in Stockholm, via Mr. Ashberg, the banking expert from Moscow who met Paul Warburg in Stockholm in July of 1917 to receive the funds

Time To Speak Plain

By Merwin K. Hart,

From Council Letter No. 300
President, National Economic Council

In the fall of 1928 several Americans were preparing to launch what later became the New York State Economic Council, now the National Economic Council, Inc.

At a dinner meeting at the Harvard Club in New York, attended by 15 or 18 business men, the plan for a state-wide organization was presented by me as the dinner host.

The purpose was to keep down public spending and taxes, and to discourage government regimentation of individuals and their business enterprises.

Immediately the plan had been outlined, Mr. Louis Marshall, distinguished Jewish lawyer, jumped to his feet and in an impassioned manner denounced the whole idea. One other prominent Jew joined in the denouncing.

The other guests, taken by surprise at the intensity of the attack, withheld the organizing resolutions which had been prepared, and the meeting broke up with nothing accomplished. It took another meeting a few months later, to which these two gentlemen were not invited, to launch the organization.

All of us wondered at the time why these two opposed it. When Robert Marshall, son of Louis Marshall, died some years ago, he left his entire fortune to a foundation much of whose income has since aided Communist causes.

Revenge on Germany In 1945

Robert H. Best, Patriot, Dies

Robert H. Best, a patriot and courageous, sterling American, died Tuesday, Dec. 16th, in the Federal Prison at Springfield, Missouri.

Mr. Best was known as a traitor by his enemies and the enemies of free America. He was known as a Paul Revere, a true Christian American by informed citizens who believe in America first, not last.

For twenty years Robert Best was United Press representative in Europe. John Gunther and William Shirer, Jewish journalists, were trained under Mr. Best in London. When the Jews instituted their world-wide propaganda for war on Germany in order to stop that nation in its campaign to free Europe of communism, Mr. Best, as one of the best informed Americans in Europe, named F. D. R. and the Jews as the principal forces in pushing the United States into war. This statement has been made by the editor of COMMON SENSE many times and this is now known and openly stated by all who are informed. But for these statements, Mr. Best and Mr. Douglas Chandler, both top journalists, incurred the wrath of the Jews who have had complete control of our Justice Department under the New Deal.

Mr. Best's life savings, consisting of twenty thousand dollars, as well as Douglas Chandler's savings, were confiscated. Both men were returned to this country; a farce of a trial was held in Boston and both sentenced to life imprisonment.

Mr. Best, having no funds, was assigned a Jew attorney by the New Deal Judge and it took ten months of constant protest to have a new attorney assigned to him. This new attorney offered a half-hearted defense.

The Jewish-ruled Justice Department, with unlimited funds, brought fifty-two witnesses from Germany to testify against him. They were brought by airplane and some of them were kept waiting for a year at the best hotels. In addition to having their hotel bills paid, they received

afterwards toward Germany is at last apparent. Part of the purpose of the Morgenthau Plan (that scheme to reduce Germany to a pastoral level, thereby rendering impotent the only force that could have served as a barrier between Communism and Western Europe) was to wreck vengeance on Germany for atrocities committed by the Hitler regime against Jews. This fury is understandable, although the cruelty that had been shown Jews was fully matched by that perpetrated on Gentiles. Whatever its motive the scheme has worked to strengthen Soviet Russia and to weaken the West. The Morgenthau Plan was inspired by Communist agencies, and likewise by prominent Jews.

The so-called October revolution in Russia in 1917 whereby Kerensky was thrown out and the Bolshevik government set up, was essentially a Jewish movement. A large part of its leaders were Jews of different countries. Some of them included New York Jews such as Trotsky. It has been widely stated, and we have not seen it denied that the revolution was financed heavily by certain New York Jewish bankers.

The Soviet Government throughout the 35 years of its existence has generally been favorable toward Jews. They were not only prominent in Soviet Russia proper, but in many cases, as that of Ana Pauker, the Soviet leader in Roumania, they were prominent in the satellite countries. At the present moment the Soviet purpose is served by persecuting Jews, particularly in Czechoslovakia; but the "line" could quickly change.

Roosevelt Aid to Stalin Throughout

World War II

When Hitler turned on his supposed ally, Soviet Russia, in June 1941, President Roosevelt, even though he had been maligned by American Communists, immediately went all out to aid Soviet Russia. He sent Harry Hopkins to Moscow to beg Stalin to permit the United States to send him unlimited "lend-lease" supplies. And before lend-lease expired in 1945, 11 billion dollars of material had been sent him. Nothing was asked of Soviet Russia in return. Never in history has the head of a great country been so precipitate in giving away the best of everything his country produced.

Major George Racey Jordan, lend-lease expeditor at the Great Falls, Montana air base, tells in his book *From Major Jordan's Diaries*, how, under Roosevelt's orders, materials were surreptitiously shipped out by plane: two large consignments of uranium chemicals, weighing many hundred pounds; literally tons of blueprints; vital secrets almost without limit! Soviet Russia was in fact given preference even above our own American troops on the firing line.

Why did Roosevelt do this?

Main Fleet To Singapore

Captain Russell Grenfell, R.N., Retired, distinguished British author and naval critic, published last January *Main Fleet to Singapore*. This book should be interesting reading to any American. It was brought out in America by Macmillan, though we first saw an English edition.

Captain Grenfell sketches the history of Britain's activities in the Far East from 1918 to the beginning of the Second World War. He then relates in detail (and this is his real subject) the attempt to defend Singapore and the loss of that British Far East stronghold in 1942. He states in substance that for many years the settled policy of the British Admiralty, in event

of general war, was to base the main British fleet on Singapore. Singapore was fortified only against attack from the sea. It seems never to have occurred to the Admiralty that attack might come, as it did, from the North.

After Pearl Harbor, and as the Japanese were making their way down the Malayan Peninsula, Captain Grenfell tells how the long-standing defense plan of the British fell through completely. First, the commanding officer at Singapore was notified that only a minor fleet could be sent. Eventually only two major ships, the Prince of Wales and the Repulse, arrived. The Singapore commander called for 556 planes. The British government replied that 336 would be sufficient. But even at the high point Singapore had only 141 planes, many of them obsolete. So Japanese planes quickly sank both British battleships, and a few days later Singapore fell.

Captain Grenfell's inquest on the Singapore disaster discloses that Mr. Churchill, who had failed to send the necessary ships and planes, was at the same time sending huge numbers of planes and tanks to Soviet Russia. In 1941 alone, 645 planes were sent Russia, together with munitions. Captain Grenfell thinks that, especially in view of the repeated promises of a huge fleet and plenty of planes, Britain's first duty was to her own vital post in Singapore—to her own officers and men in the Far East.

Why did Churchill fail Britain at this critical point?

The New York Times of April 30, 1952, said:

"Winston Churchill, as an early Zionist, sent greetings to last night's Carnegie Hall celebration of Israel's fourth year of independence."

Roosevelt's frenzied eagerness to send Soviet Russia everything she wanted ran parallel to Churchill's doing the same, even though Russia's strongest base in the Far East was sure to fall as a result.

The Forcible Partition of Palestine

"On November 29, after political log-rolling such as one might expect in a boss-ridden county convention, the Assembly adopted, by a vote of 33 to 13 (with 10 abstaining), the scheme to partition Palestine. It was adopted in the face of the bitterest opposition from all Arab countries....

"At a mass meeting at Manhattan Center, New York City, on December 2, 1947 Rabbi Abba Hillel Silver, Chairman of the American Section of the Jewish Agency for Palestine, 'told his audience,' according to *The New York Times* of December 3, 'that the decision of the United Nations was traceable to the everlasting will and determination of the Jewish people.'"

In other words, the UN was dominated, in this vital matter, by Zionists.

Drew Pearson, who claims to be on the inside of many things, asserted in his column of December 3, 1947 that President Truman had "cracked down harder on his State Department than ever before to swing UN votes for the partition of Palestine."

What caused Truman to do this?

As a result of the UN's action, which in fact was only a "recommendation," but which the Zionists successfully convinced the general public was a final decision, there followed a prolonged and bitter war during which the UN forces (meaning the Zionist) forcibly ejected nearly a million Arabs from Palestine. Many of these still homeless Arabs are Christians and most of their ancestors had lived in Palestine for 1500 years.

For over a hundred years or more American colleges like that in Beirut, as well as American missionaries and businessmen, had been building up a great aggregate of

good will toward America among the Arabs. After it became known that President Truman was a chief factor in forcing through this bloody partition, the good will of the Arabs was lost, perhaps irretrievably. There are upwards of 40 million Mohammedans scattered from Morocco across Northern Africa and eastward as far as the Pacific.

Before the partition of Palestine the United States might have depended upon the Arabs as allies in the event of war with Communist Russia. If they go over to Russia, they could tip the scale between victory and defeat.

The crime of the partition of Palestine was all the greater because, largely through the work of "Lawrence of Arabia," the Arabs abandoned the Turks with whom they were allied and came over to the side of England, France and the West in World War I—on the promise that the Arabs would become independent after the conclusion of the war. Britain's failure at Versailles to stand firmly by that promise broke Lawrence's heart. Had he lived to witness the further humiliation of the Arabs through their being driven out of Palestine, his protest would again be heard throughout the world.

Financing Israel

After the State of Israel was set up, the United States became the spearhead for financing the new State. A bond issue of 500 million dollars was authorized in 1950, though down to September 30, 1952, only 140 million dollars of these had been sold. These bonds are neither transferable nor redeemable, though in event of the death of a holder the State of Israel will take them back at par plus interest. After May, 1954, they will be exchangeable for bearer bonds.

The unit of Israeli currency is the pound, the par of which like the English pound is \$2.80. On November 20, 1952 the Israeli pound was quoted in New York at 45 cents.

Israel has also had the benefit of other financing. The Export-Import Bank granted it a loan of 100 million dollars and later a loan of 35 million. This is in addition to charitable funds estimated since 1948 to have been about 150 million dollars, raised by Zionists each year in this country. In their fund-raising it is obvious that every form of pressure has been brought to bear on Jews at nearly all economic levels, and likewise on many Gentiles, to contribute.

A few months ago in Europe we encountered an American who had spent much of the last two or three years in the Near East. He told us that Israel is not a nation but a contraption held together by funds received in one way or another from America; and he added that many of the Jews were getting rather tired of contributing.

One of many indications of financial strain in Israel was Israel's compulsory "loan" of ten per cent, announced on June 8, 1952. The government was to take ten per cent of all bank deposits and all currency except single pound and half-pound notes.

David Dubinsky, head of the Garment Workers Union, has loaned Israel one million dollars of his union's funds. On August 10, 1952 an agreement was signed in Jerusalem by which the United States is to guarantee American investors against loss in the agricultural and industrial development of Israel. This arrangement, made under Point 4 of President Truman's program, so long as it remains in effect, will enable Zionists and other Americans to invest in Israel and be sure to get their money back, regardless of the instability of the Israeli pound (now 45c). One more commitment of the savings of the American taxpayer.

for Lenin, according to the U. S. Naval Intelligence Report on Warburg. The rest of the funds for the Norwegian Labor Party came from the Jewish bankers Hambros Bank in Norway, whose headquarters are in London. It was these Jewish bankers who controlled Norway before the outbreak of the Second World War; a Hambro was Finance Minister of Norway until Hitler's occupation forces came into the country. The Hambros in London put so much pressure on their great friend and family relation whom they had placed in charge of wartime England, the Right, Hon. Winston Churchill, who vies with Roosevelt as the greatest war criminal in the history of the world, that Churchill sent the English task force to Norway which was beaten back with such stunning losses by the German forces.

With the conclusion of the Second World War, the international Jewish bankers resumed their game of Communism in Norway. The leader of the Norwegian Labor Party's armed forces was none other than the present Prime Minister of Norway, Oscar Torp. The negotiations for this secret agreement between the Norwegian Labor Party and the Soviet Government were found by the Norwegian Intelligence Service to be carried on by a man whom they had watched closely for many years. This was Trygve Lie, the present Secretary General of the United Nations world government in Jewish headquarters at New York.

Written evidence of this was produced by the Norwegian Intelligence Service, a receipt for funds as follows:

Received for Grepp Norw., Kronen 5,800,000; July 2, 1921. Signed Trygve Lie.

A great amount of evidence exists to bear out the close relationship between Trygve Lie and the Soviet Government. From time to time, he receives a perfunctory criticism in the Soviet press, in a laughable attempt to conceal the fact that he is Stalin's man. As Minister of Justice of Norway, Trygve Lie obeyed Stalin's injunction that his great rival, Leon Trotsky, be exiled from Norway after Stalin had chased him out of Russia. Trotsky, with his bevy of lisping Yiddish agitators, embarked for Mexico, after exposing Trygve Lie as a member of the Communist International.

As Foreign Secretary of the Norwegian Government with wartime headquarters in London, Trygve Lie went to Moscow and on April 9, 1945 signed an agreement with the Soviet government binding the Norwegian nation to let the Islands of Spitzbergen be defended jointly by Norwegian and

was the pushing through in early September 1952, under Zionist pressure, of a "reparations" agreement between the West German Government and the Government of Israel and World Jewish organizations, whereby Germany agreed to pay them over a period of 14 years the sum of 822 million dollars in goods. This "agreement" has still to be ratified by the West German Parliament.

Only a relatively small part of the Jews who are in Palestine came from Germany. The payment to the State of Israel therefore cannot compensate the Jews who have found refuge elsewhere. With all the indignities to which the conquered German people have been subjected, the Nuremberg trials, the dismantling of German plants (many of them sent to Soviet Russia), Germany has had about as much punishment as she can stand if Germany is to be strong enough to help in the defense of Europe.

\$10.00 a day. They were greatly obligated to the New Deal. In a similar trial it was exposed that German witnesses were told that if they failed to testify as expected they and their relatives in Germany would have food rations withdrawn. Mr. Best insisted on seventeen witnesses, including Cardinal Initzer from Austria, but the New Deal Justice Department refused. He had no witnesses nor was he given any opportunity in this hurried trial to defend himself. The strictest restraints were placed upon him. He was permitted no newspapers nor any mail. With the exception of a monthly visit from his wife, no visitors were allowed. He was moved from Boston to Danbury, Conn., then to Lewisburg, Pa., and finally to Springfield, Mo. Compare this treatment with that accorded Alger Hiss, who will not serve five years.

After he was railroaded in his trial at Boston, Robert Best had a brain hemorrhage and was placed in a hospital. The circumstances surrounding his removal and the lack of any privileges in following years points out the fact that he was deliberately and systematically murdered according to the instructions of the Jews in the Department of Justice. The criminals will be paid off with interest.

He died with a clear conscience, knowing that he had held firmly to his convictions when the U. S. had been lied into war by F. D. R., and the Marxist Jews were screaming to stop Germany. Robert Henry Best had the courage to say then what real anti-Communists say now.

This great patriot's wife is one of which he was justly proud. Somewhat younger than he, attractive, well educated and possessing a warm personality, Mrs. Best was prevented for two years from coming from Austria to be with her husband in Boston. She eventually arrived as he was being moved to Connecticut and then followed him to Pennsylvania and from there to Missouri. Mrs. Best stands out as a strong Christian character. She visited him at every possible opportunity and followed him to the burial in South Carolina.

Mr. Best's sisters and brothers, who are held in high esteem in their community, may well be proud in having such a brother. His courage may be compared to that of the early patriots who gave their lives because they loved their country so dearly. Fearlessly he exposed F. D. R. and the communists who surrounded him as the real traitors to America, Christianity and civilization. F. D. R. turned millions over to communist slavery in Poland, Hungary, Czechoslovakia, East Germany, Manchuria and Korea and nearly succeeded in putting the United States under Red domination. South Carolina may well be proud of Robert H. Best.

The son of a Methodist minister, Robert Best lived a good, Christian life. His record is clean. He refused to compromise at a time when it was extremely unpopular to hold out against the communist New Deal which was willing to sacrifice our Christian youth to save the communist Soviet Union.

Such Marxist fronts as the Anti-Defamation League have often tried to smear COMMON SENSE for our defense of Mr. Best. We are proud of what little we have done in years past to show our trust and confidence in this great individual. I love Robert H. Best, the American patriot, who loved his country so much that he defied the Marxist Plotters even though he knew he would pay a severe price.

May I ask our friends of freedom to offer up their prayers for this silenced hero who gave his life so that we may be better informed.

Maxwell M. Rabb, Zionist Jew, to be special assistant in the White House to take David Niles' place as B'nai B'rith informer. Rabb and Niles were very close friends . . . Ruth Montgomery, in her column in the New York News of December 13th, 1952 stated that Anna M. Rosenberg wanted to hold her job in the Pentagon. The next day on "Meet the Press" television program, Anna Rosenberg, when asked the question by Lawrence Spivak, Jew replied that she was through after January 20th. Anna was apparently rushed on the television show to announce her retirement before Charles Wilson announced she was out. Otherwise it would have embarrassed Eisenhower . . . Jewish leaders throughout the world have given the word to start the drums rolling for World III as they did prior to World War II. From now on we will hear that the Communists are persecuting the Jews. The Jews will have to sacrifice some of their own before the third and last great war will be fought. When the battle is over, you will see Zionists standing in their "glory" over the bodies of American and Russian Christians who died because of stupidity or for fear of being anti-Semitic . . . The American people have indicted Owen Lattimore as they did Alger Hiss. The next one on the agenda should be the Hungarian Jewess Anna M. Rosenberg who lied under oath before the Senate Armed Service Committee when she said there was another Anna Rosenberg. The other Anna Rosenberg the F. B. I. found would have been only 13 years at the time Anna M. Rosenberg was in the Communist Party. Now we know why the other Anna Rosenberg was not produced for the public . . . Remember that John Foster Dulles, the next Secretary of State, belongs to the same Institute of Pacific Relations to which Alger Hiss and Owen Lattimore belong. In fact, Dulles has been one of the guiding lights for the present New Deal State Department for years, and top for the Rockefeller dynasty . . . In the recent issue of the Jewish Examiner, the Loft Candies ad made the following statement: "All Loft's candies have been under Rabbinical supervision since 1936 and are certified kosher by Rabbi J. M. Charlop and Rabbi S. Reichman . . . We often hear the remark from the intelligentsia, as well as Communists and Zionists, that the way McCarthy and Common Sense fight Communism is not the right approach. What we would like to know is: what is the RIGHT way to fight an enemy that believes in mass slaughter, treason, and hypocrisy? . . . Walter Reuther, the new President of the C. I. O., attended the Lenin University in Moscow with his brother, Victor, and has been an advocate for Communism . . . Bernard Baruch, the man who has advised every President from Wilson to Truman, and directed the country from behind the scenes for three decades, is now mapping out Eisenhower's rule. As usual, it will not be Eisenhower running the government from the White House, but Baruch running the country from a park bench. Incidentally Baruch prefers the park bench since it is difficult to place a tape recorder in the trees . . . One of the greatest little books to be printed in modern times is "The Nameless War" by Capt. A. H. M. Ramsay of England which sells for \$2.00 . . . It is apparent that those who dictate the policies of the "America" Magazine (run by Jesuits) are knowingly or unknowingly helping Marxism . . . It reads like the B'nai B'rith Messenger or the Daily Worker at times. It attacks Senator McCarthy, attacks the McCarran-Walter Immigration Law, and supports the Marxist New Deal.

Below is a letter written by Mr Best.

July 10, 1950

President Harry S. Truman,
Washington, D. C.

Dear Mr. President,

As one who has been battling against Soviet Communism unremittently for almost thirty years with every possible means, and often at the peril of life itself, I beg herewith to offer my services in any desired capacity to you as our Chief Executive in general and as ex-officio Commander-in-Chief of our armed forces in particular.

To me questions of rank, risk, and-or rate of compensation, are of no importance whatever. For Christ and Country Against Soviet Communism as Civilization's Enemy Number One For More Than Three Decades—such has been not only one of the most important of my life mottoes but also the motivation of my most important programs of action for almost a quarter-century.

That God, in His Grace, and in His Omniscience, would ultimately lead you to a timely realization of the many errors in your past estimation of Soviet Communism's menacing potentialities and schemes has long been my hope and my prayer. And, now that the Korean action of The Comintern, alias Cominform, has at last awakened you to at least a partial appreciation of the fact that The Soviet Union has been a war-to-the-death enemy of our country since the day of its creation in 1917, Mr. President, may you never again "backslide" into the errors of misunderstanding such fiends as Stalin, and-or of misinterpreting him and his machinations to our fellow citizens.

And, insofar as possible, please try to do something to help our news men and radio commentators to cease identifying the enslaved inhabitants of The Soviet Union with the U-S-S-R itself. It is not "Russia" anymore; nor does it claim to be. It is improper and incorrect, therefore, to speak of "Russia" and "Russians" when one really means the Soviet Union and-or Soviet citizens.

On Marxism in general, and on The Soviet-Communism in particular, I am a rather highly qualified expert; and these qualifications are yours to command. In the fight against this world-menacing conspiracy I have never considered any risk too great or any sacrifice too dear.

Faithfully and respectfully yours,

Robert H. Best.

Dear Mr. McGinley:

I hold no grudge with respect to the circumstances of my conviction; and, as ever, am ready to risk my all if I can but help destroy The Marxist Monster, Soviet Communism. . . .

Editors Note:

Cardinal Mindzenty in the hands of Communist Jews was tried as a traitor—so it was with Mr Best a Pulitzer winntr. Had we listened to Mr. Best when he urged us to stay out of war and allow Germany to clean up Communism in Europe we would have saved a million casualties and today not living in fear For a healthy Patriotic America we need more "traitors" like Robert Best.

MERRY CHRISTMAS AND A HAPPY NEW YEAR

Another year has slipped by and we again celebrate the birthday of our Lord and Saviour, Jesus Christ.

My staff joins with me in wishing all our readers a Blessed Merry Christmas, Good Health, Peace and Contentment in the coming year.

I am very grateful to our Lord for my good health and grateful to those who trust in me and are a part of this crusade for Christ and Country.

Russian forces. These islands are part of Norwegian territory. Why should Russia defend them, and against whom? In April of 1945, Germany was already defeated. Russia and the Jews were looking forward to the Third World War, which would bring to a successful conclusion their fifty-year-old campaign against the Christian nations which opposed the Jewish Anti-Christ of Communism. Now we have a binding military treaty with Norway, as a co-signer of the North Atlantic Treaty defense pact, according to which we are spending millions of dollars to arm those islands of Spitzbergen which Norway is bound to let Russia defend. This is only one more instance of Jewish treachery, by which the American people are being taxed beyond sufferance in order to re-arm Russia to attack the United States. This is being done through the Marshall Plan, by Point Four which Truman claims but which was actually authored by Earl Browder in his book "Teheran, Road to Peace or War", and by the Economic Co-operation Administration, which functioned so well under Milton Katz in Europe that whole power plants went through West Germany to the Russian Zone and straight into Russia, all paid for by American taxpayers. Mr. Katz was rewarded by being made a director of the Ford Foundation which is headed by the self-proclaimed revolutionary Robert Hutchins, who has \$500,000,000 to spend to promote his revolution in the United States.

How much of this information is known to the Federal Bureau of Investigation? Probably all of it. Their files on United Nations officials, of whom at least 60 percent are publicly recognized as members of the Communist espionage apparatus, have hundreds of pages of material bearing out these points, but their hands are tied. They have no jurisdiction over the United Nations, which is an armed camp of revolutionaries encamped on hallowed ground in New York City, with their own armed military force on their bit of international territory. American laws do not bind these determined revolutionaries. We have no power over them, until that day when the American people will cry out with one voice, "Get out, you scum!" and these scroungy misfits, the outcasts and ne'er-do-wells from every part of the world will go back to rag-picking outside the wailing walls of their respective nations, if they can get back in.

Many of them will take the easy way out, as Abraham Feller did, when he either leaped from his apartment in New York to his death, or was pushed. Who else was in the apartment has not been determined. Many high Communist officials have gone out of windows "suicides" such as the late Laurence Duggan because dead men tell no tales to Congressional Committees. Abraham Feller was a happy, successful Jew in the Jewish hierarchy of the United Nations, earning \$18,000 a year, which is considerably more than we pay our own government department heads in Washington. Feller was legal counsel to Trygve Lie and the person who knew more about the big Lie than anybody else in New York. Feller was due to be interrogated by the Senate Subcommittee on Internal Security. If he had been so questioned, what might have slipped out about Trygve Lie?

Abraham Feller, suicide or not, is dead, and Trygve Lie is still head of the United Nations, a living insult to every American citizen who believes in the American Republic. From his plush offices he issues his sneering communiques from "World Government Headquarters" and waits for the day when the Americans will be lying in their own blood in the streets of our cities. This is the only purpose of the Jewnited Nations.

BEN FREEDMAN, PATRIOT

There are many unknown heroes who are quietly doing valuable work to save our country from slavery under Marxism. Some of these Patriots will never be known — they help in keeping us on the front line in good health and supplied with ammunition—others help in various ways. The only pay they ever receive is the satisfaction in their own conscience knowing they have helped on the right side in this battle so that their loved ones may enjoy freedom.

Mr. Ben Freedman is one who is known to the enemy and has been smeared, attacked and persecuted and called a traitor to the Jewish people. No more trustworthy patriot ever lived in America, where he was born, and for which he has sacrificed so much.

Years ago he began watching Communism worming itself like a slimy snake through the educational and government institutions like a giant termite. Mr. Freedman did not wait until the house was nearly burned down to oppose it with his money and energy. He spent his fortune—all he could lay hands on—to awaken the sleeping public.

Not many men in the U. S. have sacrificed more in trying to save our country. He is a man who cannot be bought or intimidated. A real American who stands against Marxism in all forms, and is the best informed man living on several phases of Marxism.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. BARUCH DIRECTS CZECH PURGE NOT WORLD PLOT ANTI-SEMITIC

To any one who is informed on past history where the United States has been inveigled into two bloody wars in which our youth and resources were wasted, a look at this picture of Baruch, Churchill and Eisenhower brings a vision of the same picture before World War II when F. D. R. sat in Ike's seat and betrayed our country. At that time Churchill was threatening F. D. R. that if we did not give England 50 destroyers, England would surrender their fleet to Germany. Baruch pressured Roosevelt to agree. When Roosevelt asked Churchill in the event of surrender, to first turn the English fleet over to the U. S. in exchange for the destroyers, Churchill was highly insulted that we would presume to dictate what they should do in case of defeat and refused to do so.

During World War II cablegrams between Churchill and F.D.R. passed through Bernard Baruch's apartment at the Waldorf where Eleanor spent much of her time.

The late William Randolph Hearst, during 1941, outlined Churchill's accomplishments beginning with his activities in Africa and also in the Dardanelles, and sized them all up as "goose eggs", but gave him credit for being the best salesman who was able to twist our so-called statesmen around his little finger. In estimating salesmanship, we must keep in mind that on three public occasions—at a London dinner, at Fulton Missouri and on his last trip to New York—he boasted that he was a Zionist. We therefore see that in his salesmanship he had the valuable assistance of Baruch and the Zionists in the U.S. In other words, Churchill is a Zionist agent. Baruch and Churchill who could not fight two minutes if they had to, are preparing to send our sons into another blood bath—the worst in history. Beginning with the Woodrow Wilson administration, Baruch has been the unofficial President and called the elder statesman, but in fact he is the head of the Invisible Government which has led this country into two major wars and now the war in Korea; raised the national debt from one billion to 300 billion dollars, and opened the government doors to Communism from which we now find in ourselves in fear, confusion and bankruptcy. We are embroiled in trouble all over the world and our country is flooded with disloyal people.

But now, before the inauguration of a new President, the important meetings are held in Bernard Baruch's house. He calls in our leading Senators and Congressmen to give them orders. When Churchill arrives in the U.S., he must first get his instructions from Baruch. Eisenhower, during his campaign, stated in a speech at Los Angeles that for many years he sat at the feet of Bernard Baruch and listened to his words of wisdom. These were words of wisdom for the Invisible Government and international Jewish bankers, but they meant words of blood, debt and fear to the American family.

To any one who has the courage to look into the facts, it becomes apparent that this man who has never been elected to office is really the President under all administrations. Our duly elected officials mean little for they dare not oppose the plan of the Invisible Government as dictated by Baruch, backed up by such Zionists as Felix Frankfurter, Herbert Lehman and the Warburgs. It is Baruch who really makes the appointments for the President's cabinet and other important posts. Baruch is regarded as the most powerful

GANGSTER FIGHT BETWEEN ZIONIST AND COMMUNIST JEW OVERLORDS OF MARXISM

By KENNETH GOFF

Both Truman and Eisenhower have condemned the Czechoslovakian trial of Rudolph Slansky and his comrades as an anti-semitic purge. The irony of these condemnations is that prior to 1949 when Slansky and his comrades were the Red rulers of Czechoslovakia and Christians were being slaughtered by the thousands not one word was spoken out against these atrocities by either Eisenhower or Truman. Slansky and his gang are responsible for the death of Jan Masaryk and Edward Benes. The Slansky gang turned the city of Prague into a human slaughter house. Christians were dragged from their beds, tortured and killed. Some were sliced to pieces, bit by bit, or branded with hot irons, even poking out their eyes to produce untold pain. Others were placed in boxes with only their heads, hands and legs sticking out. Then hungry rats would be placed in the boxes to gnaw upon their bodies. Some were nailed to the ceiling by their fingers or their feet and left hanging until they died of exhaustion. Others were chained to the floor and hot lead would be poured into their mouths. Many were tied to horses and dragged through the streets of the city while the mob pommelled them with rocks and kicked them to death. Mothers were taken to the public square and there their little babes would be snatched from their arms. A Red would take one of the babies and hold it by the leg, head downward, as he would demand that the Christian mother would recant and deny Christ. When she would not, he tossed the baby into the air as another member of the mob would rush forward to catch it on the end of the bayonet as it fell. As the baby screamed in death throes the other mothers would be given a chance to recant. Dresses would be ripped from the women and the men of the mob would subject them to mass rape and other sexual atrocities. Hundreds were misused so many times that they died on the spot

Confidential Report Reveals Phase Of Invisible Government

Editor's Note: The following confidential report has been made available to COMMON SENSE for publication. Upon receiving this confidential report we submitted it to some of the foremost authorities on the subject who have agreed with the contents of the report in its entirety. We realize that this information is not only revealing but also shocking and difficult to believe. COMMON SENSE is not in the position to vouch for the authenticity of this report. However, we believe that it fits into the plans of the atheistic plotters for world government.

As you read the following, keep in mind that Westbrook Pegler, while at Chicago during the Republican Convention, during which time Eisenhower was being forced on us, wrote that he visited Winthrop Aldrich twice in his hotel room and Aldrich had brought two suit cases from New York packed with currency.

Dewey and Aldrich made a good team to steam roller all opposition to Ike. It is generally understood that the power behind Dewey, the so-called Republican, is Senator Herbert Lehman, the so-called Democrat, who controls every Jew vote in New York. It is Lehman who keeps Dewey in office.

THE FOLLOWING IS THE REPORT AS RECEIVED BY COMMON SENSE

Preparation of this interim report has been speeded due to the early appointment or selection of cabinet members by President Elect Eisenhower. As anticipated, the majority of the cabinet appointments and key positions in government have been allotted to members of the international banking group who, in the past, and currently have been connected with or engaged in the business of financing revolutionary activities.

A case in point is the selection of Winthrop Aldrich as the next ambassador to England.

Aldrich, as head of the Chase National Bank of New York has represented, and now represents Amtorg and the Soviet Union. Contrary to popular opinion, Amtorg is not only engaged in trading activities on behalf of the Soviet Union, but is the direct arm of the Soviet Government in all branches including the MVD or secret police. Amtorg's representation includes that of:

The Politbureau	Secret Police (MVD)
Komintern	Commissariat for War
Commissariat of Foreign Affairs	
Supreme Economic Council	
Press Bureau	Commissariat of Commerce

The association of Aldrich and the Chase National as above outlined dates back to the year

1932—previous to the recognition of Russia by Roosevelt—or the protests of the American people . . . and has continued without interruption to the present time.

Is Mr. Aldrich a fit subject to represent the United States as ambassador to England and as a cog in the wheel in the spending of America's billions to protect ourselves and Europe from attacks by the Soviet Union . . . whose agent he has been for twenty years . . . and still is? Where does his primary loyalty lay?

The answer to that question can be answered by where his loyalty has been placed in the past. It was Wiggins and Aldrich as directing heads of the Chase National who sparkplugged the efforts here that resulted in the recognition of Russia by FDR.

Employed by Chase National, and paid off in current funds for their efforts, according to the evidence, were Senators and Congressmen . . . as evidenced by the copies of letters, cables and memoranda that follow, this being placed in our hands by patriotic members of the armed services.

The copies of the presented documentation are believed by us to be authentic in every respect. The matter of establishing proof that will stand up under a court of law is as difficult as was that of securing the kind of proof that was needed to convict Hiss or the 11 convicted leaders last year. Documentation alone is not sufficient, even though that documentation was proven to have been directly secured by agents of the FBI. Witnesses to the act seem necessary.

Our research organization has no power to compel anyone to take the stand and to testify, to impound copies of cables, or perform any similar act which is needed to verify the reports. That power is in the hands of government and they alone must take action to prove or disprove the charges.

The fact that Aldrich as head of the Chase National represents Amtorg—is common knowledge. Photostats of dividend payments from co-operatives in the Soviet Union, made payable to a citizen here, through Chase National are in our possession.

Interesting in this connection is also the fact that, after Senator Borah died, his safety deposit box was opened and in it was found the sum of \$100,000.00 in bills. This his widow refused to accept and it is our understanding that it was turned in to the U.S. Treasury. Documents seized in the Bridgman raid on communists show backing for Borah for President at that time—a time at which all passports to Russia needed to be indorsed by Borah before they became valid for travel there.

This move to appoint Aldrich as British Ambassador is, we shall show later, quite in keeping with the complete change of propaganda front by communist forces the world over, a change by which the leadership of the frustrated elite in intellectual circles is being replaced by the international banking group who have previously operated in the background . . . as sleepers.

Letter from the AMTORG CORPORATION, 261 Fifth Avenue, New York.

Confidential letter to Winthrop W. Aldrich, President, The Chase National Bank, New York City.

Dear Mr. Aldrich:

As per cablegram, request is hereby made for five million dollars (\$5,000,000) American gold which your Mr. Wiggin promised Molotov and Eschba in Germany in December. Shipment should go at once via France in the usual manner and form. You will please communicate with Senators W and B as per our telephone conversation today.

Very truly yours,
(signed) V. Grejoroff (Spelling slightly uncertain. See same signature on letter of Dec. 21, 1931)

The date of this letter was not obtained from the original.

The names of individuals mentioned were decoded and put in this copy correctly.

Eschba, mentioned, is the Russian member of the Amtorg at Moscow.

It is not known whether the Senator B mentioned above refers to Borah or Brookhart as there was no record of the telephone conversation.

New York City, N. Y.

Dear Mr. Wiggin:—

Referring to our conversation of recent date in regard to the activities of Wagon and Bear (Borah) it is necessary that we try for immediate recognition of the U.S.S.R. I wish you would have them as their agent at the earliest possible moment. If the matter of compensation is involved, please arrange in the usual way. I have been instructed by Comrade Molotov to stop at nothing to attain our ends. At this time,

we personally need your cooperation and friendly activities on behalf of our cause.

I beg to remain,
Respectfully yours,
Kimiski

FINANCING OF THE RUSSIAN REVOLUTION

It is quite common knowledge of course that the international banking group financed Trotsky to bring about the Russian revolution. Such arrangements, financial and otherwise, were concluded through the use of diplomatic cables, of which the following is an example.

Letter written by J. Furstenberg to Raphael Scholan (Schaumann)

Sept. 21st, 1917

Dear Comrade:

The office of the banking house M. Warburg has opened in accordance with the telegram from the president of the Westphalian Rhineland Syndicate an account for the undertaking of comrade Trotsky. The attorney (agent) purchased arms and has organized their transportation and delivery to Lulea and Vardo. Name to the office of Hasen & Co. in Lulea, receivers, and a person authorized to receive the money demanded by Comrade Trotsky.

J. Furstenberg

Although this is but several examples of the international banking houses fostering and financing Revolution a complete report as far as Russia is concerned can be secured from the United States Secret Service Report (2nd Army Bureau—communicated to all of the embassies of the allied powers. Section VIII of that report names the banking houses involved in placing the sum of 26 millions of dollars at the disposal of Trotsky . . . through the banking house of "Nye Banken" in Stockholm.

The banking houses involved were, among others — Kuehn-Loeb, the Westphalian-Rhineland Syndicate, Lazarre Brothers, Gunsburg of Tokio and Perograd, Jacob Speyer, National City Bank of New York and the Warburgs. After the successful revolution, the Chase National Bank of New York took on the job of handling the finances of the newly formed government of the Soviets.

SAMUEL GOMPERS

Samuel Gompers of the American Federation of Labor was not at all misled by this combined operation of international finance and the Bolsheviks—as per his statement published in the N. Y. Times, May 7th, 1922:

"I am mindful of the newly adopted policy of the American-Anglo-German Banking Group, which perhaps constitutes the most dangerous element in the whole chain of pro-bolshevist effort in America, because it has its hands on the most power.

The truth is that predatory interests—international finance has its appetite up and believes that it sees loot in Russia.

I know of nothing more cynical than the attitude of European statesmen and financiers towards the Russian muddle. Essentially it is their purpose, as laid down at Genoa, to place Russia in economic vassalage and give political recognition in exchange. American business is asked to join in that helpless, that miserable and contemptible business, THE LOOTING OF THAT VAST DOMAIN, and to facilitate its efforts, certain American Bankers engaged in mortgaging the world are willing to sew among their own people the fiendish, anti-democratic propaganda of Bolshevism . . . buying, intimidating, cajoling."

"There are splendid and notable exceptions but the great powers of the American-Anglo-German financing combinations have set their faces towards the prize displayed by a people on their knees.

Most important is the espousal of the Bolshevik cause by a group of international financiers to conceal and dignify their true function and limitation.

Specifically, the most important banker in this group and speaking for this group, born in Germany as it happens, has issued his orders to friends and associates that all must work now for Soviet recognition.

Gompers also stated in the N. Y. Times, Dec. 31st, 1923 . . .

"International finance is also accurately represented in the hopes placed in and the moral backing given to the British Labor Party and the revolutionary socialism of which it is a member. The 100 percent socialism of that party in home affairs seems unimportant in view of the international program . . . ideal from the view of these cosmopolitan bankers.

Gompers' testimony is exceedingly important as presenting the personal viewpoint of a leading Jew who refused to participate in the looting of Russia and to lead his American Federation down a path of communist revolution—at the behest of Jacob Schiff and Max Warburg—fellow Jews. It is that backbone which is basic in the AFL currently.

REVOLUTIONARY FINANCING IN NORWAY

The international banking groups previously mentioned were not satisfied with underwriting the terror in Russia, but accordingly financed the Norwegian Labour Party to arm and equip 11,600 men for sabotage and revolution in that country to force the establishment of an independent Soviet Republic in the Northern region of Norway similar to the People's Republic in North Korea.

This deal was made under a secret treaty

arrangement carried on between Soviet Russia and the Norwegian Labor Party by none other than the present Secretary-General of the United Nations World Government... Trygve Lie.

Authority for the above is the report of the General Staff of the Norwegian Intelligence Service, dated Jan. 26th 1921.

WORLD REVOLUTION AT OUR DOORSTEP? WHAT IS UP?

Due to the fact that there seems to be an attempt to have all of Eisenhower's appointments approved in blank—and without the usual investigation and confirmation by the Senate, this report is being considerably shortened and rushed through—to get it in the hands of the Senate this week.

Twenty years ago, at a critical moment, an election was going on—an election resulting in a complete change of the previous trend of government. That change, known as the New Deal—was cooked up in the office of Barney Baruch; and the same thing is being done again this 8th day of Jan. 1953. And it is being done by the same group of international bankers, for whom Baruch is the planner and prime spokesman. Churchill is present to see that his government is out in on the deal.

This time, however, it definitely appears that these financial groups are planning world upheaval... one that will force world government on the American Republic—starting in 1953 and whether we like it or not.

The signs are already appearing over the horizon.

1. The communist intellectuals and frustrated elite are dropping leadership and the international banking groups are taking over the front positions... as stated by Gompers in 1922.
2. Stalin has instructed the government of East Germany not to make any deals with the West German Government for several months, as they anticipate a change of policy.
3. Churchill is refusing to go along with anything that will win the war in Korea—and interfere with British trade.
4. The government of Israel has moved its ministries from Tel Aviv to Jerusalem—in spite of the protests made by the Syrian Delegations to the United Nations.
5. Underground rumblings are now being heard in the U. N. to move the headquarters from New York to Jerusalem—as the location for World Government. The excuse that this is because of persecution by our government agencies is convenient—but a cloak for their real intentions.
6. Eisenhower's cabinet and key positions are practically all from the Federal Reserve banking groups... ready to serve international bolshevism.
7. The Soviet Union has instituted a phony purge of Jews, although Stalin is currently married to a Jewess as is his daughter who is the wife of Kaganovich's son—the most powerful man in the Soviet Union. This is a coverup to take the heat off the international financiers, the majority of which are Jews.
10. A dozen U.S. cities or more have, within the past 18 months, been taken over by U.S. Army groups, the Mayor arrested, the Chiefs of Police jailed—and the towns put under martial law. The army posted proclamations which read that this was being done on behalf of... the armies of the United Nations. Severe penalties were promised all who resisted. The army denies knowledge of who is responsible—and for what purpose it has been done.
11. McCloy has been returned to the United States and the head of the Chase National Bank—in place of Aldrich. McCloy's wife and Adenauer's wife are either sisters or cousins—as is the wife of Lew Douglas... their maiden names all being Zinser. Rather a handy arrangement.
12. Stassen has been appointed head of the Mutual Security Agency, to handle the billion being sent to Europe.

Stassen is not this man's real name, although it is understood that he concedes this. Also that he is not a Swede or a Norwegian but a Slav. A cash reward has been offered to anyone who will come up with his real name and background—so developments are expected shortly.

This rather smooth hatchetman has been spending money like water the past decade—money which he did not have personally and which he must be under obligation to repay in some manner. As far as we can discover—his financing has been advanced by "Jock" Whitney of the Morgan Group, Joe Davies of Mission to Moscow fame, and the Schiff's of New York. He is very pally with the Chase Bank Crowd.

Last Sunday night Walter Winchell made the crack that—"What is being talked about in New York"—is that Western Germany is now a branch of Chase National. During his campaign for President—his Sheraton Hotel office in New York was under the management of the

notorious Anna Rosenberg, communist front Assistant Secretary of Defense... and also on the Board of Columbia University who placed Ike in the position.

Should Stassen be confirmed by the Senate until they find out who his financial backers have been all these years and to whom he is under obligation? That would be a terrible thing to happen.

13. The millionaire foundations, including the Carnegie Fund, Ford Fund, the Rockefeller Foundation—all of them with but a few real exceptions have placed and are placing their millions in the hands of people and agencies that wish to bring about World Government and to destroy this Republic. Not a dime will be given to preserve it.
14. The National Council of Churches have been swung into line to put across the new standard version of the Bible—that which denies the Virgin Birth, as the first universal step to bring about atheism in the Churches... and its membership.

All the accumulated evidence and the experience in 20 years of research of the various members of our organization—sense something that smells to high heaven. It looks like the beginning of Armageddon.

The international banking groups that looted Russia are out to loot the world... with a World Government that will control the world from a single headquarters. They have their appetites up for 1953.

Our salvation may be in the fact that Stalin is jealous and does not wish to lose control of this world movement. He is kicking over the traces personally. The question is not that we will have a World Government—but whether its headquarters will be in Jerusalem or in Moscow. It is our belief that this is going to be put

WINTHROP ALDRICH, SPOKESMAN FOR BANKER BOLSHEVIK COMBINE

over on us, even if the use of the army has to be employed. Why else should the Army be making "dry runs"—taking over cities and towns in the United States... in the name of the United Nations. Only that they wish to gauge the reaction of the people, the press, radio, and other agencies of publicity. So far—they have won hands down—as only the local press made any note of these actions.

WHAT CAN THE SENATE DO?

The Senate of the United States has the opportunity now to make a thorough investigation immediately and refuse to confirm cabinet appointments from this international banking group—and bring the whole matter out in the open. A start can be made with Stassen and Aldrich—and from this they will glean sufficient information to get to the bottom of it before it is too late. If that is not done... God Help Us

Czech Purge

—(Continued from Page 1)—

or were mentally and physically incapacitated for the rest of their lives. Pregnant Christian women were chained to trees and their unborn babes cut out of them. Many of the Christians were forced to dig their own graves, then were slowly buried alive. Many atrocities that took place are too shocking to relate, especially the sadistic acts performed upon little children. It was reported that in most villages every Christian woman between the ages of eight and eighty was subjected to rape by the Slansky gang.

Now that another group of Reds have turned on Slansky and his comrades the cry has gone up that the Communists have become anti-semitic. This is pure bunk. I served in the Communist Party for years and the one thing I was always conscious of was that Communism is the product of the Jewish mind. The Jews control the Communist Party. If the Communists were to go anti-semitic they would have

to kill Stalin's wife and son-in-law. They would have to kill Beria, the international head of the N.K.V.D. They would have to kill Lazar Kaganovitch, father-in-law of Joseph Stalin and Commissar of Soviet Industries. They would have to liquidate two-thirds of the central committee of the Communist Internationale. Soviet Russia, and her satellites would have to revoke their laws which forbid anti-semitism and make it a crime punishable by death. To prove this so-called anti-Jewish purge as a hoax and as a means of plunging us into war to destroy Christian civilization, let us go to the inside sources and see what the Jewish leaders on the scene have to say concerning this so-called purge.

Here is what Czechoslovakia's Chief Rabbi, Dr. Gustav Sichl, has to say about the purge. "I want to make it clear that there is no such thing as oppression on the Jewish religion in Czechoslovakia. There is not a single question in this connection about which I have had the slightest complaint. As far as the trial is concerned, I would just point out that criminals can be of Jewish origin as well as non-Jews. For the first time in our history there is a definite law in Czechoslovakia forbidding anti-semitism and declaring anti-semitism a crime."

Emil Newman, Chairman of the Jewish Communal Council of Czechoslovakia, and Doctor Rudolph Iltis, Editor of the Jewish paper VESTNIK RADY ZNO. Both laughed at the idea of persecution and stated that they were both born and raised there in Czechoslovakia and had never felt oppression or anti-semitism. Newman further stated in no uncertain terms, "and as for anti-semitism, I as a Jew, know that if anyone would make an anti-semitic remark I would have the full support of the State Security Police in taking action against them, which is more than any Jew in Britain or America can say."

Here is what Rabbi Abba Silver, one of the Jewish leaders in America, had to say in speaking before 600 persons at the Broadwood Hotel in Philadelphia. "It is hard to believe that Czechoslovakia our best friend, and the Soviet Union, the first to speak up in the United Nations for a State of Israel, are becoming anti-semitic."

Recently the New York Times claimed to have discovered a documentary and anti-semitic word for Jew in a Soviet cartoon. It turned out that the word was "gide", the name of a non-Jewish French writer. Similarly, a couple of years ago, an anti-semitic purge was seen when the name of Lazar Kaganovich did not appear on a list of Politburo members. It turned out his name had been omitted in an error of transmission by a United States wire service.

The question now arises, What was Randolph Slansky and his gang executed for? There are today in Russia 2 million Jews; in Poland 65 thousand; in Hungary 160 thousand; in Roumania 335 thousand. Soviet Russia is desirous that these Jews remain loyal to their Jewish comrades who control the Communist Internationale. In Communism there can be no dual loyalty. Since Israel has been made a State by the United Nations there have been clashes in Jewish communities all over the world over whether their capitol should be Moscow or Tel Aviv. Last year this was a major issue in the Israeli elections. The trial in Czechoslovakia was one in which the Jewish Communist leaders were exposed for allowing Jewish capitalists to remove large quantities of the nation's wealth to Israeli. This was also true of the Roumanian Jewish Communist leaders. In America this would have been overlooked by the Administration as good business but not so in a Communist controlled country. No one knows the Jews better than themselves and so what really is occurring is a struggle between the nationalist Communist Jew and the Zionist Communist Jew.

It is an old trick of the Anti-Defamation League in America to pretend to mistake opposition to Zionism, which is a political movement, for anti-semitism. It has always been the policy of the United States to come to the defense of any religious community in the world which was openly being attacked for its religious faith. But it should never be our policy to take sides in a struggle between two groups of Communists. Communist Zionism and Communist nationalism are both enemies of Christ and America. A Communist is a Communist no matter what handle he adds to his name. To involve us in a war to establish a capitol for the Jews, either at Moscow or Tel Aviv, would be treason in its highest sense.

For the last 38 years we have watered the nations of the world with the blood of our Christian sons. We have pitted Christian against Christian nation in a bloody conflict under the guise of saving the world for Democracy; and out of it all the Communist Jew and the Zionist Jew have been the winners. Let's not be duped again.

In the next Congress these issues will hold a prominent position but will be disguised by other names; such as, a fight against the McCarran-Walter Bill, the F.E.P.C. Bill, and Aide to Israel. It is our duty to be alert to these matters that we be not led blindly to our own destruction. For so often the children of this world are wiser than the children of light.

man on earth. Many students of theology believe that he is the representative of the Anti-Christ here in America.

At a meeting at the Waldorf Astoria Hotel, New York, on January 6 and 7, at which plans for handling Eisenhower's administration were arranged, the following were present: Bernard Baruch, Winston Churchill, the Eisenhower, John Foster Dulles, Arthur Hays Sulzberger, Adler, Herbert Bayerd Swope (press agent for Baruch), Governor Thomas Dewey (front for Herbert Lehman), Henry Luce, Editor of Life and Time and Harold Stassen, ADL front. All these are vigorous supporters of World Government and completely under the thumb of Baruch. Why not dissolve Congress and let this group run our Government in the open?

We are reminded of the statement made by James Warburg before a Congressional body who said: 'You are going to have World Government whether you want it or not.'

LETTER FOUND ON A COLLEGE CAMPUS IN A SOUTHERN STATE:

Note: - Moishie is a Jewish term of affection and may not be the first name of the recipient of this document.

Little Moishie:

Please do not be downhearted because they refused to let you in their fraternity. I am doubling your allowance. We have as much money as any of them, but please remember not to waste it. Let them have their day. Ours will come. Eventually you will hold a high place in the world government, but you should understand our methods now. Make friends with the gentiles, don't let them see how disappointed you are, you must work with them until the day when you can work openly against them. Someday they will pay in blood for the political ideologies. Particularly Socialism and Communism are steps toward our race's assumption of power over every people in the world. You must realize that although it is a great problem to attain power, it is a greater problem to hold it. That is why our race has been so patient about gaining power, why we work so slowly even as today, when we have everything in our favor. We do not want power until we are able to keep it for a thousand years. We sit back and let the Hitlers and the Mussolinis strut for a while. They are only good for one generation. What affect do they have upon history? They increase confusion and help to break down the old order. All this works to deliver the gentile cattle into our hands.

The gentile is unhappy and nervous in this over-developed civilization. We will solve all of his problems for him by fulfilling the Talmud and returning him to the status of the beast in the field. Only we Jews are capable of appreciating civilization. We are the aristocrats who will live by the sweat of the gentile cattle. They will be happiest when they have no decisions to make no family responsibilities, no thought of the future. That is where they will be when the last resistance to the authority of our world government is eliminated, after the Third World War. No power will be able to challenge the hand of Israel.

Then our world government will move rapidly to secure absolute power over every part of the gentile cattle's life. His children will be taught what we want them to know, he will work where we want him to work, we will pay him what we want him to have. Within the space of one generation the gentiles will become beasts. Their present family life will be forgotten. Picture this for yourself, Moishie. At the end of the day the gentile men and women will be herded in from the fields and factories by our guards, stripped and shoved into stockades for the night. Their food will be given them in tubs and troughs, we will give them plenty of liquor to ease their aches, and they will eat and copulate as animals, without knowing each other. In the morning, back to the job! Their children will be taken from them at birth, brought up as nameless workers, all this we can do in a few years. Let them strut now, Moishie, we'll prove how close they

AN URGENT APPEAL

Our efforts are continually to accomplish three times as much as is possible with the funds and personnel with which we have to work. Projects are laid in our lap which cannot be disclosed in COMMON SENSE—these are important in trying to save our country. Much has to go undone primarily due to lack of funds. We have grown tremendously and reach all corners of the U. S. and many countries, but with no advertising and a low subscription rate, designedly kept low to reach large numbers of readers, we come under the group known as crusaders and have to be subsidized.

It is best we do not make public how effective our work has been. National matters are at a most critical stage. Our only hope is a crusading paper to expose the evil forces so they dare not carry out their plans to abolish our government and take away our liberties.

At present, COMMON SENSE is faced with three projects of vast importance to a free America. We are about to make an important move which cannot be made public at the moment. In two months or so, Our Lord being willing, and with your liberal help, we will be able to pass this along to our readers, and we are confident you will be proud that you helped us. We also need money quickly to purchase ten tons of paper. Trust in us. Send us the best contribution you can. Surely our Lord will reward you for helping to expose his enemies. We either stand up and fight now with courage and effectively, or we will find ourselves embroiled in the worst war in history. Get into this fight against our enemies within our borders. Every cent goes into the fight. Extend your subscription; get new subscribers. Help us stay on the front line. We need nine thousand dollars before February 10th. If you want to get a large amount to us, there is always a way.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

RED HIGHLIGHTS

Michigan State Senator Alpheus Decker stated on Dec. 18 that he would sponsor a bill banning the sale of the Revised Standard Version of the Bible in Michigan. He added that he agreed with protesting clergymen that the revision was "devil-inspired", Anti-Christ and Communist inspired. Mr. Decker is convinced the new Bible is part of a fulfillment of Old Testament prophecy that numerous Anti-Christ movements would be started on the final days of the earth, he declared. Another UN official, David Zablodowsky, Jew, handed in his resignation recently after being exposed as being a former member of the Red underground. Isn't it odd that the majority of Reds and Communists are Jews? The day before Zablodowsky resigned, David Weintraub, Jew, resigned. Bernard Baruch said that he would accept a government job in the Eisenhower Administration. This would be similar to the president of a bank accepting a position as a cashier. Owen Lattimore, who was recently indicted by the Federal Grand Jury, and named by Senator Joseph McCarthy as the top Soviet agent, has for his attorney, Abe Fortas, Jew. Coincidence? Sidney Weinberg, Jew, is one of Eisenhower's close advisers. Oscar Chapman and Joel Wolfsohn, Jew, an assistant in the Interior Dept. to set up law practice together in Washington. Dec. 21, 1952, the Roman Catholic Bishops were criticized by 250 leaders of the American Jewish Congress for advocating more direct religious instructions in public schools. The Bishops should not feel too badly towards these innocent leaders. Remember the Brotherly love and tolerance that they have been teaching you. "But take heed to yourselves, lest your hearts be overburdened with self-indulgence and the cares of this life, and that day come upon earth suddenly as a snare. For come it will upon all who dwell on the face of the earth. Watch, then, praying at all times, that you may be accounted worthy to escape all these things that are to be, and to stand before the Son of God." (St. Luke 21:34).

... WORLD WAR 3 seems fast approaching. Only the grace of God we pray for is likely to prevent it. The destructive power of modern weapons of war, warrant the belief that more Americans are likely to be killed in such a war, than died in the seven wars our country fought, prior to the war now going on in Korea. U. S. Veterans Administration figures show that 934,000 Americans were killed in previous wars. The figures are:

	Participants	Deaths
Revolutionary War	395,000	4,000
War of 1812	536,000	2,000
Mexican War	130,000	13,000
Spanish-American War	392,000	11,000
Civil War	2,192,000	364,000
World War I	4,744,000	131,000
World War II	16,535,000	409,000
World War III	?	?

JESUS NOT A "JEW"!

CONSPIRATORS CAPITALIZING CHRISTIAN CONFUSION

Red-led, anti-Christ, world-wide, creeping-conquest winning cold-war with strategy based on confusion of free-world

Jesus was not a "Jew"!

The "Big Lie" to the contrary is the pivotal point about which rotate the anti-Christ forces so energetically exerted throughout the world for the total destruction of Christianity and all it represents.

Countless devious methods are subtly employed for this purpose by the anti-Christ conspirators. The multiplicity of the schemes employed for this purpose, by the anti-Christ conspirators in their war against Christianity sounds incredible, but not to Christians who have investigated the subject to the extent justified.

The anti-Christ conspirators are making capital of the "Big Lie" that Jesus was a "Jew" as the catalyst with which to transform their age-old dream into stark reality. Their aim for centuries was focused upon erasing Christianity from the mind of man and eradicating from the face of the earth every spiritual and cultural Christian landmark, without any exceptions.

The anti-Christ conspirators are dedicating their lives and material resources to the achievement of their ambition. Their policies and programs in every walk in life are committed to accomplishing that aim, and at the first opportunity within their power to do so.

The desecration and the ultimate destruction of the milestones in the march of Christianity is the purpose closest to the hearts of the anti-Christ conspirators. They justify the sacrifices they make as contributions towards the early attainment of their unholy aspiration.

The anti-Christ conspirators appear to be winning the war they are waging against Christianity. Christians appear unaware of the danger which hovers over them. Christianity does not appear able to withstand the disintegrating action of this corrosive influence. How long before it is too late to thwart their plan?

Christians must institute at once a more intensive and aggressive ideological counter-offensive. The feeble but courageous defense by the few Christians making the attempt invites defeat. The trend must not only be arrested, it must also be reversed. Progress in the wrong direction must end, before it ends Christianity.

The anti-Christ conspirators are the master-minds and the main-springs of the critical developments throughout the world which portend such disaster for all mankind, excepting only themselves. The similar pattern of each one serves only to confirm the common origin of all. There can no longer be any mistake about that.

The anti-Christ conspirators are now feeding the fuel to the flames which now threaten to consume all mankind's progress since the birth of Christ. Under their rule the liberty,

freedom and dignity of the human individual is destined to disappear from the face of the earth. A society of slaves to the state will replace our Christian civilization founded upon the God-given inherent and inalienable rights of mankind.

The subtle methods employed by the anti-Christ conspirators are so cleverly camouflaged that Christians today are totally ignorant of what is actually taking place in the world. Unless Christians wake up soon it may shortly be too late to avert the fate which is being arranged for them by the anti-Christ conspirators as per a very positive program and a definite time-table.

The Christian clergy, at the high and low levels, and Christian laymen occupying positions of great strategic importance in political, social and economic circles, have long sensed the existence of this anti-Christ conspiracy. They appear to be well supplied with the facts which disprove the "Big Lie" that Jesus was a "Jew".

It is now growing very late. Christians still have time to speak up in the defense of Christianity, if they elect to do so soon. The shadows which coming events cast before them make it look as though this will be their last opportunity to do so. This opportunity may soon disappear, never to ever make its reappearance.

Abraham Lincoln uttered words of great wisdom when he said that those who remain silent when they should speak are cowards. The fate of Christianity must not be allowed to remain exclusively in the hands of cowards. The fear of political, social or economic sacrifice must be removed as the psychological road-block which now threatens the survival of Christianity.

To a far greater extent than realized, the Christian clergy has become the hostage of the anti-Christ conspirators. The Christian clergy fear the renewed smear of Christianity. They know their penalty for publicly airing the "Big Lie" that Jesus was a "Jew". Their fears are founded on fact. Public discussion by Christian clergy of the "Big Lie" that Jesus was a "Jew" would automatically set into motion a renewed smear campaign against all Christianity.

The anti-Christ conspirators have in fact decreed a "taboo" on discussion of the "Big Lie" that Jesus was a "Jew". This prohibition inhibits Christian clergy with the force of an edict by the church hierarchies. From a practical point of view, their discretion may display better judgment than valor might at this moment.

The facts which follow are the result of the lifetime research by the world's most competent authorities on this subject. The facts which are stated here may be disputed, they may also be denied, but they can never be disproved. The following facts are all accepted universally without question by every leading historian, theologian, archeologist, philologist, and anthropologist today, as self-evident truths.

The facts which follow will disprove the "Big Lie" that Jesus was a "Jew". These same facts are the foundation upon which Christianity erected the structure which has exerted the most vital civilizing force ever to impress its influence upon mankind. Christian civilization is the application of the teachings of Jesus to all. Modern civilization dates from the advent of Jesus.

Christians search their souls in vain to find the answer why the anti-Christ conspirators insist that Jesus was a "Jew" in the sense upon which they lay so much stress. Christians have queried themselves without success to discover the answer. The answer will be found in an understanding of their sinister conspiracy.

The anti-Christ conspirators have come to the conclusion that the "Big Lie" that Jesus was a "Jew" is their most effective secret-weapon in the war they are waging to destroy Christianity. This fact is confirmed by an abundance of evidence. Their attitudes and activities supply the proof which establishes their guilt.

Jesus was not a "Jew." Jesus was a Judean. During the lifetime of Jesus here on earth, there were never persons described as "Jews" anywhere. That fact is supported by theology, history, and science. That fact is incontestable. "Jews", by any name, did not exist.

The distinction and the difference between Judean and "Jew" may not be apparent or evident at first glance. But the distinction and the difference are very important. In the time of Jesus, it is certain that "Jews" did not exist anywhere, either in the sense that "Jew" is now applied to the period at that time, or in the sense that "Jew" is now applied to persons who have conspired to style themselves "Jews".

Jesus dwelt in Judea. At that time in its hectic history, Judea was a province of the Roman Empire. During the five preceding centuries, Judea had been, first a province of the Babylonian Empire, and thereafter a like province in the Persian Empire. During this 500 year period, the persons who made Judea their domicile were correctly called Judeans. "Jews" were neither a sect nor a cult in Judea.

During the five hundred years prior to the birth of Christ, Judeans were not described, or referred to as "Jews". This applied to the entire population of Judea, and to all the sects and cults in Judea in this period in its history. Contemporary literature offers proof of the fact Judeans saw not nor heard the word "Jew".

Contrary to the traditions and to the legends believed by all Christians, with a few exceptions, at the time Jesus made His home in Judea, Judea was not the "homeland" of the ancestors of the persons throughout the world today who style themselves "Jews". That myth existed for centuries. It has been completely exposed and exploded in recent years. The ancestors of the persons who today style themselves "Jews" never set a foot in Judea. They existed at that time deep in the heart of Asia, their "homeland", and were known as Khazars.

Read and pass on!

—(Continued on Page 2)—

JESUS NOT A "JEW"!

—(Continued from Page 1)—

This historic fact applies also to Judea prior to the time when Jesus dwelt there. None of the provinces of the same name which occupied that area under the rule of other empires, nor any of the kingdoms or sovereign states which occupied that area before it became a province of the Babylonian Empire, including the short-lived kingdom of Judah, were the "homeland" of the ancestors of those persons throughout the world who style themselves "Jews" today, only to camouflage their conspiracy.

Jesus was a Judean. Like all others who dwelt in Judea, Jesus was also a Judean. Through the ages, "Judean" has always, explicitly and implicitly, been a geographic or topographic term. By the wildest stretch of the imagination, the term Judean could never signify racial origin or form of religious worship. It could only designate one thing, geographic place of residence.

Exactly as the term Texan signifies a person making his home in Texas, the term Judean signifies a person making his home in Judea. Like the term Texan, the term Judean is a geographic or topographic term. There can be no doubt of it in the mind of a sane person.

There are Texans in Texas today of all leading religious beliefs, and all principal racial origins. The designation "Texan" signifies neither the racial origin nor the religious belief of any Texan. Besides being a Texan however, every Texan is also a member of an organized religious belief, or an atheist, and a Caucasian, Redskin Indian, Negro, or a Mongolian, racially.

When Jesus dwelt in Judea, the term Judean then was as exclusively geographic and topographic as the term Texan is today for those who dwell in Texas. Racial origin or form of religious worship was not insinuated then by the term "Judean", nor now by the term "Texan".

The racial origin and the form of religious worship practiced by Jesus can be established just as definitely as His Judean nationality is established. But beyond the peradventure of any doubt, Jesus in Judea was not a member of the "race", the "religion" or the "nation" of the ancestors of those persons throughout the world who today style themselves "Jews", and thereby claim a kinship with Jesus.

The manuscripts of the literature which today forms the New Testament, were written in the Greek language. In these original manuscripts of the New Testament Jesus is described and referred to exclusively as a Judean. Scripts of the New Testament were written by contemporaries of Jesus. They spoke and wrote of Jesus as a Judean, never once as a "Jew".

In the 4th Century the New Testament was translated from the Greek into the Latin by Saint Jerome, for the first time. This version of the New Testament in Latin is referred to as the Vulgate Edition. This version of the New Testament was adopted by the Christian Church as its official version. In the Vulgate Edition of the New Testament Jesus is likewise described and referred to exclusively as a Judean.

In neither the manuscripts of the original New Testament in the Greek language, written by the contemporaries of Jesus, nor in the translation into Latin by Saint Jerome, adopted by the Christian Church as its official version, was Jesus described or referred to as a "Jew". Jesus was a Judean to them, never a "Jew".

In all the recorded history of mankind prior to that period, there is no record of a race, religion or nationality described or referred to by the word "Jew". In spite of the powerful propaganda effort to prove otherwise, self-styled "Jews" were not able to do this.

In the year 1380 a translation of the New Testament from the Latin appeared for the first time in the English language. That translation is known today as the Wycliff Edition. In the year 1554 another translation into the English language appeared, known today as the Tyndal Edition. In them Jesus is not a "Jew".

In the year 1539 another translation into the English language appeared, known today as the Cranmer Edition. In the year 1557 another translation into the English language known today as the Geneva Edition appeared, followed in the year 1582 by the Rheims Edition, and then in 1611 by the Authorized Edition.

These translations into the English language were made from the translation into Latin by Saint Jerome in the 4th Century. In these first translations into the English language, in each instance, the editors used the word then in current use in the English language for the word indicating Judean in Latin in the Vulgate Edition of the New Testament. But in no case did any of them use the word "Jew", which as a consequence, does not appear in any of these first translations ever to be made of the New Testament into the English language, as noted.

In the more recent versions of the New Testament in the English language, the word "Jew" was substituted for the first time for the versions previously used in the English language for the word "Judean". Jesus was described and referred to then as a "Jew" for the first time. The first use of the word "Jew" in this manner only occurred in the 17th Century.

The word "Jew" was first coined in the 17th Century. Prior to that late century, "Jew" did not exist in the English language. William Shakespeare never used the word "Jew" in any of his works, contrary to what is otherwise understood. William Shakespeare never saw or heard the word "Jew". It was coined after he had gone to another world; strange but true.

The introduction of the word "Jew" into the English vocabulary demands and deserves an explanation. The word "Jew" in the English language came into existence as a contracted and corrupted form for the earlier Old English word "Iudeas". "Iudeas" was the earliest form of the word in the English language to convey the meaning of the corresponding word in Latin, in the Vulgate Edition, for "Judean".

The Latin "Iudeus" comes from the Greek "Ioudaios". The Greek "Ioudaios" also means Judean. Over a period of many centuries the early Old English "Iudeas" developed into the 17th Century "Jew", a long road as will now be seen, from Greek "Ioudaios" to English "Jew".

From the "Iudeas" in early Old English to the 17th Century "Jew" of modern English, many other versions of the word came into use and were discarded. For "Jew", there came into use successively Gyu, Ghu, Gyu, Iu, Iuu, Iuw, Ieu, Ieuu, Iwe, Iwe, Iue, Iue, Iue, Iue, Iew, and then finally in the 17th Century, Jew. For "Jews", there came into use successively Giwis, Giws, Gius, Gyues, Gywes, Giwes, Geus, Iuys, Iows, Iouis, Iews, and finally in the 17th Century, Jews, with no changes after that date.

The vocabulary of the English language reveals many other words which the English language has acquired from foreign languages by the same process. The English language creates its own shortened form, or its more easily pronounced form, or a form which is both, for foreign words which are long and difficult to pronounce in their foreign spelling. The English vocabulary was expanded from less than 1,000 words to more than 26,000 words in this manner. "Jew" thus became an English word.

The facts set forth here explain how it came to pass that in the 17th Century, for the first time, Jesus was described and referred to as a "Jew". Then with the use of the new printing press in the 17th Century, the version of the New Testament in the English language was widely introduced among the English-speaking homes, for the first time in history. And so to the English-speaking people, Jesus became a "Jew". Self-styled "Jews" then adopted the word.

Since the 17th Century, the word "Jew" has been given a few misleading secondary meanings as the result of powerful propaganda. These misleading secondary meanings for the word "Jew" are totally inconsistent with the original intent and correct meaning of the word. These uses did not occur as a matter of accident. They were the product of the most powerful propaganda effort in all modern history.

This powerful propaganda effort had a single and simple purpose. It aimed to associate in the minds of Christians a common origin for persons throughout the world who styled themselves "Jews", and Jesus Christ whom they also styled a "Jew". That became their theme song.

The powerful propaganda effort of self-styled "Jews" throughout the world today is directed towards creating the belief in the minds of Christians that, (1) self-styled "Jews" throughout the world are members of a "race" and "nation" which worships according to an ancient religious belief common to all "Jews", and (2) Jesus Christ was a member of the same "race" and "nation", known today as "Jews", and that Jesus also practiced that same religious worship.

A by-product of the powerful propaganda efforts of self-styled "Jews" throughout the world is the belief, generally held by Christians, of an alleged historic connection with Palestine, in ancient history, of the ancestors of self-styled "Jews" today. All credible evidence points to the fact that the ancestors of self-styled "Jews" today were not a "race" which occupied Palestine as a "nation" in ancient history, and while temporarily resident there, created a new "religion", unknown to any before them.

The anti-Christ conspirators swarming over the world today, aiming at the total destruction of Christianity, overlook no opportunity to circulate the "Big Lie" that Jesus was a "Jew". As stated, they also aim to convince Christians that Jesus was a member of the same "race", the same "nation", and the same "religion" from which self-styled "Jews" today claim common origin for every self-styled "Jew" since.

Self-styled "Jews" today are trigger-happy with their secret-weapon. They never hesitate an instant to use it upon Christians to

"remind" them that, "Jesus was a Jew too", or "Jesus was one of our race", or "You made a Jew your God", or "You worship a Jew in your church", or any of the many other standardized similar senseless statements. Why do self-styled "Jews" today make such statements when they know the facts to be otherwise? Ask them, why?

Self-styled "Jews" today find no difficulty in silencing Christians with their secret-weapon, "the 'Big Lie' that Jesus was a 'Jew'". It acts as a most effective gag when one is desired. As a consequence, Christians find it difficult to discuss with self-styled "Jews" today many topics of the greatest importance to our world peace. Self-styled "Jews" appear offended when the topic of communism brings in religion.

At the first hint of any intention to discuss a subject which has been declared "taboo" by self-styled "Jews", they quickly trot out the "Big Lie" that Jesus was a "Jew". Christians are immediately "reminded" that "Jesus was a Jew too", and etc., etc., etc., ad nauseum. Unless Christians refrain from further discussion of the subject, just as sure as night follows day, they find themselves targets for vicious smears.

Regardless of which way a Christian turns today, he is reminded constantly that Jesus was a "Jew". Christians read it, see it, and hear it nowadays wherever they go. It sounds incredible but it is nevertheless true. Christians are the target for this sinister propaganda from Christian leaders, as well as from self-styled "Jews". Self-styled "Jews" today subsidize two leading Christian organizations for this work.

Is it any wonder that today Christians swallow the "Big Lie", Jesus was a "Jew"? Where is the source of this unseen power which secretly underwrites Christian effort to infect Christian thinking with this un-Christian, non-Christian, and anti-Christian satanic untruth?

Because the "Big Lie" that Jesus was a "Jew" is fraught with danger to Christianity, Christian leaders should tell Christians the truth, the whole truth, and nothing but the truth on this subject in all haste. The following are a few examples of what is taking place. If space permitted, thousands of other examples are available. This would only serve to multiply untruth.

The "holy of holies" of the Christian publications, of the Protestant churches, is "Episcopal Church News". It is the oldest and most respected of Protestant publications. It was founded in the year 1835. When its editors express an opinion on any topic, their utterances are regarded, as the "facts of life" on that subject by one of the largest and most important segments of Christianity in the United States, and maybe the world. The editorial comments of its renowned editors, the Reverends C. Edward Berger, W. Leigh Ribble and Chad Walsh, are the signposts indicating the direction of Christian thinking on any topic in the year 1953.

The Reverends Berger, Ribble, and Walsh, in the December 28, 1952 issue of "Episcopal Church News" featured an editorial under the title, "The Circumcision of Christ". Those three eminent Reverends can hardly be charged with ignorance of the facts stated in this publication, or with indifference to the truth. Every fact stated here is Gospel truth with which they must be familiar, and with which they can neither express doubt nor disagreement. But in spite of all proof to the contrary, this statement appeared in the aforementioned recent editorial:

"CHRIST WAS A JEW . . . IN A VERY REAL SENSE ALL CHRISTIANS ARE JEWS."

The very eminent Reverends, John Haynes Holmes, Minister Emeritus, and Donald Harrington, the present Minister of the Community Church in New York City, are two outstanding Protestant Churchmen, with a large nation-wide acceptance for their points of view.

The New York Times, of December 22, 1952, gives prominence, as a news item, to the eighth "Christmas-Hanukah" celebration held jointly by the Reverends Holmes and Harrington, in Community Church on December 21, 1952. This highly publicized annual event attracts a large attendance, and is given very effective publicity from coast-to-coast by self-styled "Jews".

Consistent with the pattern of the propaganda effort of Christian clergymen today, Reverend Holmes stressed the point that "Jesus was a Jew", as he so often does in his public statements. The New York Times confirms Reverend Holmes' emphasis on the "Big Lie" that Jesus was a "Jew" with the following reference to his remarks to that effect, at the celebration:

JESUS NOT A "JEW"!

—(Continued from Page 2)—

"CITING THE FACT THAT JESUS WAS A JEW, HE (Reverend Holmes) SAID . . ."

The sermon delivered in the Holy Name Cathedral in Chicago, by the Reverend Thomas A. Meehan, editor of "The New World", Chicago archdiocese newspaper, was quoted and commented upon in the May 24, 1952 issue of "The Parish Calendar", a periodical published by Saint Stephens Church in Philadelphia, Penn.

The entire back-page of "The Parish Calendar" was devoted to quotations from that sermon, and comments of the editor. Space here will only permit a short extract from it. The entire page is filled throughout with sentiments like the following out of that sermon:

"REV. THOMAS A. MEEHAN . . . REMIND-ED (HIS CONGREGATION) THAT THE 'DEAREST AND MOST INTIMATE FRIEND OF EVERY TRUE CATHOLIC IS A JEW—AND HIS NAME IS JESUS CHRIST' . . . AND 'IF IT WASN'T FOR THE JEWS WE WOULD NOT HAVE JESUS CHRIST SINCE IN A SENSE THEY GAVE HIM TO US' . . ."

What defense can they plead for giving "aid and comfort to the enemy?", as they are doing. It is rightfully said, "half the truth is more dangerous than a lie". If they know only half the truth, it behooves them to reserve making public utterances until they know all the facts, regardless of the subject. The world expects from them "the truth, the whole truth, and nothing but the truth", but does not get it.

When questioned in private, Reverend Birkhead acknowledges that Jesus was not a "Jew". But in his "column" in a December issue of "Expose", Reverend Birkhead's first line is the direct opposite of what he knows to be the truth:

"JESUS WAS A JEW. CHRISTIANS GO TO CHURCH EVERY SUNDAY AND WORSHIP JESUS THE JEW."

The Christians who accept Reverend Birkhead as a Christian minister will be surprised to learn that Reverend Birkhead has for many years been an undercover propagandist for the anti-Christ conspirators. The anti-Christ conspirators have contributed millions of dollars to Reverend Birkhead's anti-Christ organization called, "Friends of Democracy", which is in fact one of the many "fronts" for the anti-Christ B'nai B'rith's Anti-defamation League "gestapo".

To an equal degree with other deceptions, the anti-Christ conspirators succeeded in deceiving Christians concerning the form of religious worship practiced by Jesus. The anti-Christ conspirators knowingly, wilfully and maliciously represent "Judaism" as the form of religious worship practiced and approved by Jesus.

Christians at grass-root levels understand neither the origin of, nor the ideology of, "Judaism". What Christians today know concerning "Judaism" is the product of powerful propaganda. It is not a true picture of its origin or ideology. Christians are told about "Judaism" only what self-styled "Jews" today wish them to believe. Other facts are kept from Christians.

However, the Christian clergy know the "facts of life" concerning "Judaism". That subject is thoroughly aired in Christian theological seminaries. The Christian clergy cannot with grace plead ignorance like the Christian layman.

Self-styled "Jews" now exert a form of ideological duress upon Christians. They have decreed a "taboo" upon public discussion of the alleged confraternity of Jesus and "Judaism". A prohibition by self-styled "Jews" inhibits the Christian clergy or laity from public discussion of what Jesus thought and said about "Judaism".

The Christian hierarchies realize that violation of this "taboo" by them will invite a smear campaign against them. They have witnessed, and in many cases tasted, the havoc wrought by the smear campaigns of the anti-Christ conspirators. They are not unaware of the countless mediums owned or controlled by them, and in constant readiness to go to work on Christians who dare to ignore their "taboos".

The fear of this smear is the factor which operates to keep this subject "under wraps". Will the fear of this smear keep this subject "under wraps" forever? It is often true that discretion is the better part of valor. Under the circumstances it may be wiser to display a little more valor and a little less discretion.

The anti-Christ conspirators have nothing to fear but the truth. They can vanquish anything but the truth. Truth is indivisible and indestructible. They are powerless against it. They fear the truth worse than the devil fears holy water. The truth must be told!

The anti-Christ conspirators will stop at nothing to prevent Christians from learning the truth about Jesus and His alleged confraternity with "Judaism". When Christians learn the truth about that form of religious worship self-styled "Jews" today refer to as "Judaism" in the time of Jesus, they will not believe the fiction of an alleged confraternity between Jesus and "Judaism". The truth will end all doubt.

Different origins distinguish "Jew" and "Judaism". They sound alike to the ear, but that is all. "Jew" sounds like the first syllable of "Judaism". But it is not. Christians have been an easy prey for self-styled "Jews" because "Jew" and "Judaism" have similar sounds. But this synthetic confusion must not eclipse truth.

The powerful propaganda effort of self-styled "Jews" in modern history has taken two totally unrelated words and made them mean almost the same thing. Christians must leave no stone unturned to find out the facts about "Judaism". Is it to be a case of "too little and too late" in the case of Christianity also?

This is "the truth, the whole truth, and nothing but the truth" about the origin and theological content of "Judaism". The facts recited here upon this subject could not be more authentic. The authority for any fact stated here is reliable. The sources of information are the most highly regarded textbooks on the subject by the most respected authorities among self-styled "Jews", specialists in this very subject.

For many centuries, Christians have been fed powerful propaganda reiterating that in the time of Jesus in Judea a form of religious worship was practiced there known as "Judaism". This powerful propaganda also alleged that "Judaism" was the form of religious worship practiced by Jesus, and by His family, prior to His birth. They call the Holy Mother a "Jewess".

Christians for centuries have assumed Judeans were really "Jews" and that that "Judaism" was the form of religious worship practiced by Jesus. Christians for centuries have also assumed that Judeans were "Jews" and that "Judaism" was the form of religious worship practiced by "Jews" wherever they happened to exist, or drift, during the past 2,000 year period.

However, "Judaism" was not a form of religious worship practiced in Judea in the time of Jesus. "Judaism" was not a form of religious worship practiced in Judea at that time. Then, or prior to that time, "Judaism" was unknown in Judea to the sect whom self-styled "Jews" today refer to as the "Jews" in Judea, in the time of Jesus. There was no "Judaism" then.

The word "Judaism" did not yet exist in the time of Jesus. The word "Judaism" was only coined after the Crucifixion. And when the word "Judaism" was coined it did not refer to a form of religious worship. It referred to the civilization of Judea, meaning its language, poetry, art, science, manners, customs, and its institutions among which were widely differing forms of religious worship practiced in Judea at that time.

Flavius Josephus, a historian writing in the Greek language, coined the word "Judaism". Flavius Josephus, searching in the Greek language for the Greek word to express Judean civilization, found no such word in the Greek language. Flavius Josephus was seeking a word for the civilization, not for any religion.

Flavius Josephus was writing for the instruction of the Greeks and Romans at the time. Flavius Josephus sought in vain for the word which indicated the civilization of Judea, to be able to contrast it in his writings then with the civilization of Greece, or "Hellenism" as it was known. Necessity for such a word compelled Flavius Josephus to coin one. "Judaism" is the word Flavius Josephus thereupon coined to describe the civilization of Judea. There was no corresponding word in any other language to specifically identify the civilization of Judea.

"Judaism" was not the name of a form of religious worship practiced anywhere on the face of this earth in the time of Jesus. How could "Judaism" then have been the form of religious worship practiced by Jesus in Judea? None of the many religious sects in Judea in the time of Jesus practiced a form of religious worship known as "Judaism", including the sect whom self-styled "Jews" today refer to as "Jews".

During his lifetime, Flavius Josephus was regarded as a "traitor to his race" by the sect in Judea referred to by self-styled "Jews" today as "Jews" then, but he was not that at all. His historical works accurately exposed and explained the part played in the politics of the nation by this sect conspiring to become its rulers.

The religious sect in Judea, in the time of Jesus, which all self-styled "Jews" today refer to as "Jews" then, was the religious sect known as "Pharisees". "Judaism" today and the "Pharisaism" in the time of Jesus are the same.

The "Pharisees", the sect in Judea in the time of Jesus, referred to by self-styled "Jews" today as "Jews" in Judea, in the time of Jesus, were forbidden under severe penalties from reading any of the works of Flavius Josephus, or from adopting any of his theological, prac-

tical, or historical ideas. Hence, the term "Judaism" remained absolutely unknown to them all.

It was only in comparatively recent times, after self-styled "Jews" in modern history became familiar with Christian literature, that they began to name their form of religious worship "Judaism". It is a modern innovation that confuses Christians who are not told the facts.

The Christian writers had seized upon the name "Judaism" to distinguish Christianity from all other forms of religious worship practiced prior to Christianity. Christian writers preserved the word "Judaism" by mere accident, and, it was only in comparatively recent times that self-styled "Jews" discovered the word in Christian literature, and commenced to use it as the name for their form of religious worship.

The word in the Greek language coined by Flavius Josephus to describe the civilization of Judea was "Ioudaismos". From the Greek "Ioudaismos" came the Latin "Judaismus". From the Latin "Judaismus" came the English "Judaism", now the official title for the form of religious worship of self-styled "Jews" today.

The first appearance in the English language of a word from the Latin "Judaismus" appeared in the year 1494. That word was "Judaisme". The first recorded appearance in the English language of the word "Judaism" was in the year 1725. It is of modern vintage.

The English used the word "Judaism" in its most limited sense. They used it to describe the form of religious worship practiced by self-styled "Jews". As explained earlier, the Christian writers had seized upon the word "Judaism" for that purpose only very recently.

In the time of Jesus there were no words in any of the Semitic languages corresponding with the Greek "Ioudaismos". If such a word did exist in any of the nineteen Semitic languages, it would have appeared in Aramaic or Syriac, the two Semitic languages then chiefly spoken in that area in the time of Jesus. There was no word for the civilization of Judea in any language, requiring that such a word be coined.

The form of religious worship practiced in Judea in the time of Jesus, referred to by self-styled "Jews" today as "Judaism", was known at that time to the people in Judea as "The Traditions of the Pharisees". Historians and theologians have shortened it to "Pharisaism", the discarded ancient name for "Judaism".

The religious form of worship in Judea in the day of Jesus, known as "Pharisaism", has emerged in modern history under its new name, "Judaism". The world's outstanding authority on the subject is Professor Louis Finkelstein of The Jewish Theological Seminary of America, who supplies proof of this fact.

Professor Finkelstein, in his classic work on the subject, "The Pharisees, The Sociological Background of Their Faith", published in 1946 by The Jewish Publication Society of America, in Philadelphia, states his findings thus:

"Pharisaism became Talmudism, Talmudism became . . . Modern Rabbinitism . . . But throughout these changes in name . . . the spirit of the ancient Pharisee survives unaltered . . . When the Jew studies the Talmud, he is accurately repeating the arguments used in the Palestinian academies . . . from Palestine to Babylon; from Babylonia to North Africa, Italy, Spain, France, Germany; from these to Poland, Russian and eastern Europe generally. ancient Pharisaism has wandered . . . eighteenth and nineteenth centuries produced spirited and diverse types, yet united in their loyalty to their ancient teaching . . . As recently as the latter half of the nineteenth century, there were rabbis who . . . were the equals of the greatest of the Pharisaic or Talmudic sages . . . demonstrates the enduring importance which attaches to Pharisaism as a religious movement".

Self-styled "Jews" today, throughout the world, regard Michael L. Rodkinson as the best qualified expert in all history on the

origin of self-styled "Jews", and their form of religious worship, called "Judaism". An international conference of his co-religionists unanimously selected Rodkinson to make the "official" translation of the Talmud into English from its original texts in the languages they call Hebrew.

Rodkinson's translation of the Talmud into English appeared under the title, "New Edition of the Babylonian Talmud". Rodkinson's translation of the Talmud is recognized and accepted by foremost theologians of all leading religious beliefs throughout the world as the most authoritative translation of the original text of the Talmud. Its reliability is never questioned.

Rodkinson's "New Edition of the Babylonian Talmud" is today the "official" text of self-styled "Jews", and their religious leaders. As stated on its title page, The Reverend Isaac M. Wise, the famous president of The Hebrew Union College of Cincinnati, Ohio, "revised and corrected" the first edition, with his endorsement.

In the Editor's Preface, in Volume I, of Rodkinson's "New Edition of the Babylonian Talmud", in the chapters under the title, "The History of the Talmud", appears this very significant statement, which tells the whole story:

"THE MODERN JEW IS THE PRODUCT OF THE TALMUD."

In LOOK Magazine for June 17, 1952, a feature appeared under the title, "What Is a Jew?". This propaganda was put into LOOK Magazine by its sponsors because it has a circulation of over 4,500,000 copies, a very virile medium for powerful propaganda. But this propaganda is reacting against them like a boomerang.

The author's name of "What Is a Jew?" appears as Rabbi Morris N. Kertzer. Rabbi Kertzer is represented as the president of the "Jewish Chaplains Association of the Armed Forces", and "director of Interreligious Activities for the American Jewish Committee". Rabbi Kertzer has distinguished himself among his co-religionists, and Christians, as an outstanding authority on the subject about which this article however does not at all present a true picture.

The article, "What Is a Jew?", consists of questions asked of Rabbi Kertzer, and his answers to the questions. The question with the most important implications is the question, "What is the Talmud?". Rabbi Kertzer, the "noted authority", as LOOK Magazine describes him, gives the following answer to that question, to "help set the record straight", as LOOK Magazine describes Rabbi Kertzer's explanation:

"The Talmud consists of 63 books of legal, ethical, and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. IT IS THE LEGAL CODE WHICH FORMS THE BASIS OF JEWISH RELIGIOUS LAW AND IS THE TEXTBOOK USED IN THE TRAINING OF RABBIS."

As stated by Professor Finkelstein, in "The Pharisees, The Sociological Background of Their Faith", quoted earlier, and confirmed by every leading authority among self-styled "Jews", and Christians, the form of religious worship practiced by self-styled "Jews" today under the name "Judaism", is the 20th Century version of "Pharisaism", under its different name.

Self-styled "Jews" leave no choice to Christians. Christians henceforth must regard "Judaism" as the new name for the ancient form of religious worship practiced in the time of Jesus under the name "Pharisaism". Christians must try to learn the answers to these two questions. Firstly, what composed the theological content of "Pharisaism", and secondly, what was the attitude of Jesus towards the beliefs and the practices of the Pharisees, as He told it.

Jesus despised, detested, and denounced the beliefs and practices of the "Pharisees" with all the vehemence and vigor He could command. As that "great warrior", the Honorable Alfred E. Smith, said, if in doubt "take a look at the record". The New Testament is the best evidence that Jesus was the implacable enemy of the theological tenets and civic concept of the "Pharisees". The New Testament is the most authentic source of evidence on this.

The attitude of Jesus and His followers, towards the Talmud, has never been a mystery to self-styled "Jews". Referring to "the persecutors" of the Talmud, "during twenty centuries", Rodkinson in his "History of the Talmud" confirms the belligerence of Jesus towards the Talmud, with a fact which dispels any doubt:

"THE PERSECUTORS OF THE TALMUD (were) . . . THE FOLLOWERS OF JESUS"

Rabbi Kertzer, in the article "What Is a Jew?", bearing his name, explains that the Talmud contains, "thousands of wonderful parables, biographical sketches, historical notes, humorous anecdotes, and epigrams". Rabbi Kert-

zer failed to mention that the Talmud also contains statements, of a very different character, far in excess of the number of "moral maxims" in Rabbi Kertzer's remark. Was it only oversight?

Rabbi Kertzer emphasizes the "moral maxims of the Talmud", and supplies as examples, "Give every man the benefit of the doubt, 'An ignorant man cannot be a pious one', and, 'Don't look at the flask but at what it contains'". Accepting the timely invitation extended by the spirit expressed in the "moral maxim", cited above by Rabbi Kertzer, to take a "look" at what the "flask" contains, it will not be out of place to take a "look" into the Talmud, to see what it "contains", which might enlighten Christians about what the Talmud says of them.

Rabbi Kertzer omitted from the "moral maxims" quoted by him, in "What Is a Jew?", any reference to the passages in the Talmud which refer to Christians, Christianity or to Jesus Christ. Rabbi Kertzer completely omits any "moral maxims" of the Talmud on those three topics, although the Talmud abounds with them. The omission may have been intentional or accidental. The references in the Talmud to these three topics symbolize the pattern of the anti-Christ conspiracy. The mouthings of self-styled "Jews" on the subject of "brotherhood" are a mockery of the word while the Talmud remains the "textbook" used to "train rabbis".

Translations from the original texts of the Talmud by Hebraist scholars reveals the following references in the Talmud to Christians, Christianity, and to Jesus Christ; the one object of all the actions and prayers of the Jews should be to destroy the Christian religion; Jews must never leave Christians in peace; Jews must never submit to Christians; all Christians, including the best, are to be killed; those who kill Christians shall have a high place in heaven; no festival, no matter how solemn, must prevent the beheading of a Christian; in their prayers the Jews sigh for the coming of a revengeful Messiah; a Jew who kills a Christian commits no sin, but offers an acceptable sacrifice to God; the only sacrifice necessary is the extermination of the Christians; Christians are to be killed because they are tyrants; baptized Jews are to be put to death; a Christian who is found studying the Talmud merits death; Jews are obliged to unite together to destroy traitors amongst them; a Christian in danger of death must not be helped; a sick Christian must not be aided; a Christian woman in childbirth must not be helped; a Jew must always try to deceive Christians; a Jew may lie and perjure himself to condemn a Christian; a Jew is allowed to practice perjury on Christians; Christians may be defrauded; lost property of Christians must not be returned to them; Christians must not be told if they pay too much to a Jew; a Jew is forbidden to teach a trade to Christians; a Jew is forbidden to sell his farm to Christians; Christian "idols" must be spoken of with contempt; a Jew is not allowed to mention the things which Christians use for their idolatrous worship; it is not permitted to praise a Christian; good is not to be done to Christians; avoid Christians as nurses; avoid Christians as teachers; avoid Christians as doctors; avoid Christians as barbers; avoid Christians as obstetricians; avoid Christians because they are idolators; a Christian cannot be used as a witness; a Jew must not go before a Christian judge; the souls of Christians are unclean; Christians propagate like beasts; Christians are worse than animals; Christians differ only in form from beasts; Jesus Christ was illegitimate, and was conceived during menstruation; Jesus Christ had the soul of Esau; Jesus Christ was a fool, a conjurer, a seducer; Jesus Christ was crucified, buried in hell, and set up as an idol ever since by His followers.

The Talmud contains very complete data on such subjects as, sodomy with children; cohabitation with children three years of age; unnatural intercourse; incest; uses of semen; seduction; rape; sexual intercourse between mother and son; puberty; bestiality; virginity; menstruation; bridal obligation; intercourse on Sabbath days; conjugal duty according to class; compensation for various forms of violation; contraceptives; sex relations with animals; adultery; coition; and many more subjects too vile to mention here and now. Its obscenity is too degenerate.

In view of the startling information given here, much of it for the first time, serious doubt may arise whether the Talmud in use by self-styled "Jews" today, and the Talmud of the "Pharisees", contain the same material. The great authority on that subject, Michael L. Rodkinson, answers that question in his, "The Talmud at Stake" in which he states as follows:

"AT THE BEGINNING OF THE TWENTIETH CENTURY . . . THE TALMUD . . . WAS SO SAVED THAT NOT EVEN A SINGLE LETTER IS MISSING; AND NOW IT IS FLOURISHING TO SUCH A DEGREE AS CANNOT BE FOUND IN ITS PAST HISTORY, AS WILL BE SEEN FURTHER ON". (emphasis supplied)

The unchanging texts of the Talmud over a period of 2000 years, and its influence upon self-styled "Jews" throughout the world,

is best expressed by the eminent Rodkinson in his "Introduction" to his "The History of the Talmud", wherein he further states as follows:

"DURING THE TWENTY CENTURIES OF ITS EXISTENCE . . . IT SURVIVED IN ITS ENTIRETY, AND NOT ONLY HAS THE POWER OF ITS FOES FAILED TO DESTROY EVEN A SINGLE LINE, BUT IT HAS NOT BEEN ABLE MATERIALLY TO WEAKEN ITS INFLUENCE FOR ANY LENGTH OF TIME. IT DOMINATES THE MINDS OF A WHOLE PEOPLE, WHO VENERATE ITS CONTENTS AS THE DIVINE TRUTH". (emphasis supplied)

Self-styled "Jews" now, as for ages, concentrate upon deceiving Christians into the belief that self-styled "Jews" today, throughout the world, are rightly claiming a common origin with Jesus. This fraudulent allegation can now be exposed and exploded by enlightened history.

Self-styled "Jews" are a very mixed group of races and nationalities, whose ancestors were converted to "Judaism", over long spans of time, exactly as Christians, Moslems, Hindus, and other mixed racial and national groups, in remote areas of the world, were also converted, during this same span of time, to other leading religious beliefs. Self-styled "Jews" today are not members of a "race" which gave Jesus to us.

Self-styled "Jews" who profess "Judaism" should not be called "Jews" by Christians. Self-styled "Jews", to be correctly described, are "Judaists". "Judaist" is the correct term. Those who profess "Judaism" are "Judaists" by the same rule which applies to Catholics, Protestants, or any other religious group. The names of religious beliefs, and those who profess these beliefs, are derived from the names of the religious belief.

Self-styled "Jews" reject "Judaist", and insist upon "Jew", since Jesus is called "Jew" in English translations of the New Testament. The extent of the fraud is apparent, at once, when the fact is revealed that "Jew", as applied to Jesus in the English translation of the New Testament, actually was intended to signify "Judean". Surely the self-styled "Jews" throughout the world, do not claim that they are "Jews", in the sense that they are Judeans, or even the descendants of Judeans. Or do they?

"Jew" and "Judaism" only sound alike. That is the only basis upon which their claim of common origin rests. There is no more basis for alleged common origin of "Jew" and "Judaism" than there is for "rub" and "rubbish", for "fan" and "fanatic", for "sum" or "summer", or for any two words, only because they sound alike. The word "Jew" is not a part of "Judaism".

"Jewish" is also a much misused, and a little understood word. What is really meant by "Jewish", is "Judaic". Self-styled "Jews" prefer "Jewish" to "Judaic", because "Jewish" ties them up a little closer with Jesus, whom they always call "Jew". Wherever "Jewish" is used, "Judaic" is the correct word to use, and it should be used as the correct substitute for "Jewish", always, without fear of contradiction.

Finally, Jesus was not a "Jew", and "Judaism" was not the form of religious worship practiced by Jesus. Let him who can prove otherwise hasten to come forward with the proof.

"BROTHERHOOD" - Jew Trap For Christianity

By ELIZABETH DILLING

At this time, when so many worthy efforts are being made to promote brotherly relations between the Christians and the Jews, a basic approach is being ignored. A Brotherhood Dinner was held in Chicago, Dec. 2, 1952, attended by some sixteen hundred prominent folk who pledged \$128,566 to carry on this work. A Christian, Henry Townley Heald, and a Jew, Leonard S. Florsheim, were given honorary awards for their "Brotherhood" work. Benson Ford, the main speaker, is vice-president of the Ford Motor Company, and one of the three national co-chairmen of the National Conference of Christians and Jews, which sponsored the dinner. He said: "Brotherhood can be realized only when a great many people work at it day in and day out, year in and year out." Chicago Tribune, Dec. 3, 1952).

Ross D. Siragusa, a Catholic, was general chairman of the dinner, "which he organized with the assistance of co-chairmen Merrill C. Meigs, B. E. Bensinger and W. McNeil Kennedy. Joel Goldblatt headed an executive committee which contacted firms and individuals for special gifts." (Chicago Herald-American, Dec. 2, 1952.) Mr. Siragusa is head of the Admiral Corporation. Mr. Meigs is vice-president of the Hearst Corporation, Chicago. Mr. Bensinger is vice-president of the Brunswick-Balke-Collender Co. and is Jewish. Mr. Kennedy is an attorney. "Music was furnished by the Notre Dame Glee Club."

Since Protestant and Catholic Christians head two of the three divisions of the National Conference of Christians and Jews, which stages award dinners like this, and sponsors radio broadcasts and Brotherhood Week affairs from coast to coast, it would seem proper that two-thirds of the efforts towards Brotherhood between Christians and Jews should be exerted by Christians. They do not do their part, except financially.

The Foundation Stone

Christians ignore the foundation stone of Brotherhood. Mutual aims, ideals, and ethics are this foundation stone. Whereas the aims, ideals, and ethics of the Christian religion are well understood by those of the Jewish faith, the aims, ideals, and ethics of the Jewish faith are a complete mystery to the Christian. The terrific Papal Bulls and writings of men like Martin Luther, down the centuries, exhorting the criminality of the Talmudic religion, are now, apparently, forgotten. Even the basic Tashlich, Kapparoth, Shemoneh Esreh, Alenu, Cabala and Talmud are mere words to the Christian.

To promote a real getting-together of followers of the Christian and Jewish faiths, it behooves the Christian, therefore, to acquaint himself with the "pearls of wisdom" of the Sages, whose aims, ideals, and ethics, make up the supreme "Scriptures" of the Jewish religion, the written form of the Tradition of the Pharisees, the BABYLONIAN TALMUD. Differences between Orthodox, Conservative and Reform branches of Judaism are as inconsequential as those between Baptists, Methodists and Presbyterians. The founder of Reform Judaism in this country edited the first English translation of the BABYLONIAN TALMUD. To achieve true Brotherhood in aims,

ideals, and ethics, Christians must not only know the tenets of the Jewish faith, but also seek to put them into practice in their homes, schools and lives, as well as into law.

If the Christian is unwilling entirely to abandon his own faith, he must be tolerant and accept without resentment the basic doctrine of Judaism. This is that all non-Talmudists rank as non-human, and have no legal rights under any code, Mosaic or otherwise. They are "the people that are like an ass—slaves who are considered the property of the master—the Talmudist. The Jewish Encyclopedia, under "Gentiles", cites with Talmudic documentation the reasons why this remains now as always, the governing doctrine of Judaism at all times, except when the obvious practice of it jeopardizes the standing or fortunes of Jews, generally. Then, it must be concealed or denied, even elaborate protestations of "Brotherhood" made. Otherwise, a non-Talmudist may be deceived, lied to, cheated, raped, killed, or otherwise utilized like an ass, hen, or cow. In great detail, the Talmudic "Mishna'im" or laws, set this forth. Now, for the first time in history you may check this for yourself.

It Is All in the Aim

Indeed, as one Talmud Mishna teaches, the aim to kill a non-Talmudist is so worthy, so exalted, that if one kills a Jew in the attempt to kill a non-Jew, he is exempt. The aim of killing a non-Jew blots out the murder of a Talmudist, or human being. The explanatory Gemara points out that if one heaves a lethal rock at a group of people, only half of whom are non-Jews, and a Jew is killed, judgment must be lenient since it is possible that the killer's aim was to kill a non-Jew. But, the Talmud "Sages" tell us, if one aims to kill one Jew and kills another Jew in that attempt, he gets the death penalty since he sought to take the life of a human being, or Jew.

The Mishna and explanatory Gemara on this basic doctrine occupy two pages in the Talmud book of "SANHEDRIN", called "the chief repository of the criminal law of the Talmud". These pages appear in my compilation of 299 photostats of authoritative Jewish works. They are numbered as Exhibits 91, 92, and the title page of "Sanhedrin" as Exhibit 42. The title page of the multi-volume BABYLONIAN TALMUD and of the Talmud book of "Baba Kamma" in which it appears, seven pages of the introductory "Foreword" of endorsement and praise of this Soncino English translation of the Talmud, by the late Chief Rabbi of Great Britain, J. H. Hertz (1935-36), are numbered as Exhibits 28-37.

Rabbi Hertz was one of the 120 Jews chosen by the Kehillas of the world in 1937 as the outstanding living torchbearers of Judaism. Rabbi Louis Finklestein, head of the Jewish Theological Seminary of New York, Chicago, and Los Angeles, Commissar Litvinov (Finklestein) of Russia, Felix Frankfurter of the U. S. A. Supreme Court, and his British Red friend, Harold Laski, were others.

The first three Exhibits in my photostatic compilation, "THE PLOT AGAINST CHRISTIANITY", are from Rabbi Finklestein's 1945 work, "THE PHARISEES". His words, coupled with those of

ZIONISTS THREATEN RUSSIA WITH WAR

By Eustace Mullins

On January 19, 1953, the 150-man National Administrative Council of the Zionist Organization of America warned Russia to halt its present anti-Semitic policy before it causes a "major catastrophe". This was reported by Joseph P. Lash in a feature article in the New York Post of that date. The only "major catastrophe" which the Jews could cause Soviet Russia at the present time is the Third World War, which they would do by forcing the United States, or, more properly, the United Nations, to declare war on Russia for "persecuting the Jews". It has already been announced that the Jews will try to do this on February 24, 1953, when the General Assembly of the United Nations reconvenes. Meanwhile, the Jewish Press will whip up the Americans into a rage against Russia for these "persecutions".

What are the facts? Not a single Gentile newspaperman was allowed to cover the Prague trials, which convicted twelve Jewish Communists of plotting against the state. We have nothing but the flimsiest of circumstantial evidence that Jews are being punished behind the Iron Curtain. The Zionist Organization of America has demanded that Moscow release the reputed 2,500,000 Jews behind the Iron Curtain for travel to Palestine, or they will bring a "major catastrophe" upon Russia. Our newspapers are filled with headlines about these persecutions of the Jews, which are based solely upon official press releases of the Soviet Government. What we are being fed as persecution stories is the official Communist Party line, nor is it surprising that those Jewish papers which feature this propaganda are the ones which most closely followed the party line. The feature story on the threat against Russia was written in the New York Post by Joseph P. Lash, a Jew whom Westbrook Pegler denounced for years for his Communist affiliations. Lash was a youth leader who was the White House favorite of Eleanor Roosevelt. The New York Post is owned by Dorothy Schiff, granddaughter of Jacob Schiff, who financed the Bolshevik Revolution in Russia. It is edited by former Communist James Wechsler, and features ex-Communist Murray Kempton real name unknown, as well as the column of Boris Yaroslav, known to his public as Barry Gray, all are Jews.

Despite the lack of any proof that Jews are suffering or being oppressed in the Communist countries, where they have ruled undisputed for 35 years, our new President, Dwight Eisenhower, has already gone on record that he believes every word of this propaganda and that he will obey the decisions of the Jewish leaders. The New York Times on December 22, 1952, carried a speech of Eisenhower's before the Jewish Labor Committee at Manhattan Center, in which Eisenhower denounced the Prague trials as follows:

"This particular political act was designed to unloose a campaign of rabid anti-Semitism throughout Soviet Russia and the satellite nations of Eastern Europe. I am honored to take my stand with American Jewry . . . to show the world the indignation all America feels at the outrages perpetrated by the Soviets against the sacred principles of our civilization."

Earlier, Eisenhower said he was proud to range himself on the side of world Jewry in this crisis. He does not tell us how he knew that the Prague trials would unloose a campaign of rabid anti-Semitism. Presumably he has an inside line on Communist secret long-range strategy, which is probably true. It was known in London during World War II, when he had two Warburgs and a Schiff on his personal staff, that he was destined for great things. When he and General Clay

BROTHERHOOD — JEWS PLOT

(Continued from Page 1)

Rabbi Hertz in his "Foreword", plus the Jewish Encyclopedia articles on "Pharisees", therein, leave no doubt in the readers' mind that the religion known today as "Judaism" is the anti-Biblical religion of the Pharisees. All Jewish authorities claim that it is.

Jesus Christ, the Most Rabid Anti-Pharisee

Since "Jews" were a mixed race from the beginning, the term "Semites" applied to them, admittedly, is silly. "Anti-Semitism", actually, means "Anti-Pharisaism". The Christian who realizes this can well understand the hatred borne for Christ by modern Pharisees. Christ's excommunications of Pharisaism and all that it stands for, in terms of liquid fire, are unequalled by any philippic in history. One familiar with Matthew 23, John 8:37-44, etc., can realize that the Pharisees were justified in having such a fiery Opponent Crucified, for every doctrine, every aim and ethical ideal He taught, is the exact opposite of every principle of Pharisaic Judaism. As Christ's teachings spread, it is not strange that Talmud "Sages" came to decree that He deserved not ONE death but FIVE deaths and an eternity in hell. They incorporated this in the Talmud which was declared complete about 500 A. D. in Babylon. Those five deaths are taught in every Talmud-Torah, Yeshiva, and synagogue in the world today.

As the Old Testament Prophet Amos wrote: "Can two walk together, except they be agreed?" (Amos 3:3). The Christian who seeks Brotherhood with Jewry must, therefore, discard all intolerance towards current Talmudic teachings about Christ. Christ is declared to be a fool, liar, seducer of women, one who practiced bestiality, the bastard son of a whore and adulteress, a "Balaam" who set up churches as whorehouses, with old women at the doors and young women inside to get customers drunk until they disrobe, as in Baal worship and commit the sex perversions Balaam recommended to pervert the people. It must not be resented that Christians are standardly referred to in the "sacred Talmud" not only as harlots, but much lower.

The "Sages" teach us that if a woman's lightest sin be incest, her heaviest sin must be "minuth", or Christianity. One who commits incest has a future life but the Christians must all serve eternally in hell where "boiling excrement" is their punishment and where Christ's punishment is "boiling semen". For His five deaths, He is sunken "in dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down his pried-open mouth. This does not sate the sadistic hatred felt for Him. He is stoned to death. He is decapitated. He is Crucified as a "blasphemer" of the beautiful religion of Pharisaism—TODAY.

Our Laws Must Be Changed

If "group tensions" between Christian and Jew are to disappear and make way for Brotherhood, then bigoted and reactionary Christian laws must be rescinded. The Reunited Nations International Tribunal may be the agency for this. How can unity be attained while Christian laws forbid raping babies, committing sodomy, incest, perjury, theft and murder—regardless of whether the victims be Talmudists or not?

The standard law thruout the Talmud is that a grown man incurs no guilt by raping baby girls UNDER THREE YEARS OLD. He may always do this, and may commit sodomy with baby girls, with little boys under "nine years and one day", with neighbors wives, with dead bodies, or with a hopelessly sick person, a "trefah", and the latter may also be killed even tho he is a human being, or Talmudist. A mother's incestuous relations with her young son, her lewd relations with little boys, generally and bestiality—these do not mar her "purity". The act of returning a lost article to a non-Jew is unforgivable, say the Sages, unless keeping the article might expose the Jewish religion for what it is—then it is a crime NOT to return it. Feeding a prisoner barley and no water until his bowels burst open is a favorite Talmudic punishment. Reversing and making obscene meanings out of Scripture is the systematic fundamental practice of the Talmud. One may still burn one's babies to Moloch for black power according to the "sacred" Talmud.

What is the Messiah? The Messiah is, according to the Talmud "without metaphor the Jewish people". The reign of the Messiah is the reign of the Talmudists over the whole earth. "We have a tradition that Babylon will not witness the sufferings—or travail—frequent in Christian books (this) is fictitious. . . . These are the throes of mother Zion which is in labor to bring forth the Messiah—without metaphor the Jewish people" (Kethuboth 111a, Exh. 147). Korea is just one of these "throes". It is indeed logical if the Babylonian Talmudists, the self styled "Jewish people" are earth's only human beings, that they should eventually have complete rule over the "people" that are like an ass—slaves who are considered the property of the master"—the Talmudist (Exh. 148). And, as the Jewish Encyclopedia states: "The Pharisees . . . held that only Israelites are men" (Exh. 268).

Repeal Laws on Children

And so, if we are to serve as tranquil "asses",

to avoid "group tensions", we must readjust our aims, ethics, and ideals, our "human relations", so as to achieve true Brotherhood between "Man" (the Jew) and "Beast" (the non-Jew). Bigoted Christian laws now protect the baby girl in her carriage from the man who wishes to rape her. The little boy's life and person is respected in the Spirit of Him who put a little child in the midst of them and said "of such is the kingdom of heaven". But, according to the "wisdom of the Sages", this was but the ranting of an ignorant carpenter to his fishermen followers, men so devoid of Talmudic "scholarship" and "learning" as to be despised "Am-har-arez" peasants, only to be spurned.

All for Brotherhood

Nearly half the earth's population has now been enslaved under the Red Hammer and Sickle herd-rule of Marxism, which, in every particular, carries out the aims, ideals, and ethics of Pharisaic Talmudic Judaism. An Anti-Marxist Jew, or Talmudist, is one of those theories like supposing that hens have teeth. Negroes are whites, and that there are Christian atheists. It is a self-contradiction for use on the uniformed "goy", just as "Brotherhood" is. Study the aims, ideals, and ethics of Judaism at first hand, then decide if you really want Brotherhood with these—with Pharisaism.

The last photostatic Exhibit in my compilation, "THE PLOT AGAINST CHRISTIANITY" is the reproduction of an American Hebrew article by Rabbi Leon Spitz, entitled: "GLAMOUROUS PURIM FORMULA—Exterminate Anti-Semitic Termites As Our Ancestors Did 2,500 Years Ago". It closes with this: "We must fill our insane asylums with anti-Semitic lunatics, we must combat every alien Jew-hater, we must harass and prosecute our Jew-baiters to the extreme limits of the laws, we must humble and shame our anti-Semitic hoodlums to such an extent that none will wish to dare to become 'fellow-travelers'".

"THE PLOT AGAINST CHRISTIANITY" (\$1.25 postpaid) is available from "Common Sense", Union, New Jersey, until such time as the Jewish War Veterans, who have already attacked the editor and bombed his plant, may carry out their announced determination to kill him for his truth-telling. My book THE OCTOPUS invoked 3 indictments over a period of five years and a farcical Washington "trial" of eight months, until a dismissal of all counts and a terrific denunciation by two Federal judges ended that phase of Jewish persecution for truth-telling. THE PLOT AGAINST CHRISTIANITY, however, is in the hands of leaders from coast to coast in this country and in ten foreign countries. No matter how many Christians are framed jailed, or assassinated, the TRUTH will go marching on! We know that CHRIST AND HIS DIVINE GOSPEL WILL EVENTUALLY REIGN. The Pharisees of His time could not keep Him in the grave. They cannot do so NOW. Meantime: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial or what part hath he that believeth with an infidel?" (II Cor. 6:14-5).

Warning!

"Behold", said Christ, "I send you forth as sheep in the midst of wolves; be ye therefore wise as serpents, and harmless as doves" (Mat. 10:16).

Stalinist Communism is a secondary Talmudic tactic, now that the Stalinist block of nations in the Jerusalem World Government is almost complete. It will be used largely in "Point Four" backward countries as a baiting team to hew out the rest of the component parts of the Anti-Christ World Dictatorship, if the Jewish Gomborg map of 1941 continues to be carried out as meticulously as it has been to date, in conformity with the ten sovereign kingdoms foretold by Christ (Rev. 17, etc.). The Talmudists' principal role for Stalinism in Europe and America, now, is an excuse to regiment the world "to contain Communism". This is the reason why anti-Communism is now permitted, is even popular. That the same conspiratorial international Talmudic power which set up Russia as its first base, and now continues to sustain all of the Iron curtain countries, now uses the cry against Communism in order to finish the job of Communising the world, is a little too much for the innocent Christian to comprehend.

The "ANTI-COMMUNIST JEW", not the Stalinist, is the danger now. He knows that the Rockefeller, like the Carnegies and Morges, have been hooked by the conspirators, and their wealth is being used by them. Henry Ford never changed his mind about Jewry, but now his whole family are at the beck and call of the Talmudists, getting Jewish "awards" in return for their vast wealth.

GEORGE SOKOLSKY is an even more subtle actor. Like Ivory Soap, 99 and 44-100 of his writ-

ings are "pure", that is soundly anti-Marxian, which puts him in the best possible position to praise, from time to time, as the world's first citizen, the arch-Marxian Talmudic conspirator in this nation's history—Barney Baruch—who spent \$10,000 to bring the Communist Party's church-burners home from their Christ-hating job in Spain, Israel Regenstein, alias "John Gates", the convicted editor of the Daily Worker, being one of them ("Time" magazine 1-2-39). Sokolsky also systematically praises his Talmudic religion, portrays it as the enemy of Communism and lauds his "saintly rabbi", Jonah Bondi Wise, son of Isaac M. Wise, father of Reform Judaism in this country and editor of the first English translation of the foul Babylonian Talmud (Exh. 4). The "Reform" was largely a matter of details such as cutting off the side curls, letting women sit with their men in the synagogue, mixing with "goy" to influence them, etc. Sokolsky likes to boast of his synagogue connection, knowing that Christians are ignorant of the obscene criminality and bigoted anti-human conspiracy that Talmudic Judaism is. Its total disregard for human life, the classification of all non-Talmudists as non-human animals, the advocacy of perjury, theft, enslavement and murder for the advancement of the Talmudic World Pack—all of this is the philosophy of Communism. COMMUNISM IS MERELY TALMUDISM IN ACTION. Sokolsky claims to have quit his former Anarchism and Communism but he does not claim to have deserted the author of these—Talmudic Judaism—rather the reverse.

RABBI SCHULTZ, with his American League Against Communism, is also doing an efficient job. His letter which appeared in the Chicago Tribune, recently, stated that no true Jew could be a Communist. He gets away with this because people do not know the truth. He is smoke-screening nicely for his Talmudic brethren.

The Talmud is for the "scholar", and the Talmud reverses every moral law in the Old Testament and reviles and libels Old Testament characters from Adam, Noah, and Moses on down.

The test of a really anti-Communist Jew is a Jew who is anxious that the source of Communism—the Talmudic religion—be exposed in order that mankind, thereby, may be saved. The Bible and the Talmud mention the same acts: sodomy, incest, rape, murder, theft, perjury, burning children to Moloch. The difference is that the BIBLE DENOUNCES WHILE THE TALMUD TEACHES THESE CRIMES. I asked the friend of a sincerely anti-Communist Jew, who supports an anti-Communist paper: "Do you suppose he would be angry if he knew I am going to expose the Jewish religion?" The answer was: "He would be offended if you did NOT expose it". That is the test of a sincerely anti-Communist Jew.

Christ, and Daniel, to whom He referred (Matt. 24; Mark 13), foresaw the temporary enslavement of mankind and current persecution of Christians by these Babylonian Pharisaic pagans which "say they are Jews and are not" (Matt. 23:31; Rev. 18:24; Rev. 2:9; 3:9). They likewise foretold the quick fall to hell of the Babylonian Pharisaic World Government its Anti-Christ head, and of all of its commercial and political power (Rev. 17, 18, etc.). Christians shall overcome "him by the blood of the Lamb, and by the word of their testimony" and shall love not their lives unto the death (Rev. 12:11).

Read and pass on!

Millions of dollars are being spent yearly in America by Talmudists to anesthetize their Christian victims into aiding them to gain their age-long Pharaonic goal of World Power.

The Conspiracy Goes On

One of the ten volumes of the first English translation of the BABYLONIAN TALMUD, much abridged and deleted (Boston, 1903), is the "History of the Talmud", by its translator, the authoritative Talmudist, M. Levi Frumkin, who took the name of "Michael Rodkinson". Of the Talmud he states:

"During the 20 centuries of its existence not one of them has passed without great and powerful enemies . . . exhausting every effort to destroy it . . . not only has the power of its foes failed to destroy even a single line . . . IT STILL DOMINATES THE MINDS OF A WHOLE PEOPLE". (Exh. 9.)

"The Talmud was burned at the stake in nearly every century . . . in Italy, France, Germany, Spain, and many other countries . . . in Poland by the Frankists, by Bishop Dembrowski, where copies were dragged thru the streets of the city, tied to horses' tails and then . . . burned at the stake, in Kamenetz, Lemnitz, Brody, and elsewhere . . . Still what has been the result? The Talmud exists today, and not one letter in it is missing." (Exh. 11). The Roman Emperor Hadrian (76-138 A. D.), to further quote: "was intent also on the destruction of the Talmud . . . Because HE VERY WELL KNEW THAT AS LONG AS THE TALMUD EXISTED THERE WAS LITTLE HOPE FOR THE ASSIMILATION OF THE JEWS WITH OTHER NATIONS." (Exh. 14-15.)

The American press continually reports the construction of new Talmud-Torahs costing millions of dollars. With the rising power of Jewry, the teaching of the BABYLONIAN TALMUD, today, is on a more colossal scale than ever before in history.

JEWS THREATEN WAR

—(Continued from Page 1)—

went to Moscow and were feted by Stalin in 1945, Eisenhower became the first foreigner to be allowed to stand beside Stalin on Lenin's tomb during the review of the Annual Sports Parade. Not even Franklin D. Roosevelt was ever so honored by his Communist friends. It is difficult for Americans to realize the profound significance which Eisenhower's privilege meant to Russia and to the Communists all over the world. Lenin's tomb is the most sacred spot in all Communist territory, and the positions next to Stalin on top of the tomb during a review means that the person next to him is slated to rule after Stalin's death. The fact that Eisenhower was placed beside Stalin on Lenin's tomb was an open indication to every

Communist in the world. As soon as Eisenhower returned to the United States, the Jewish pressure groups, particularly B'nai B'rith, began a tremendous drive to get him in the White House. He was given a \$650,000 write-off on the profits of his book, "Crusade in Europe", which was ghost-written for him by ex-Communist Joseph Barnes, and distributed as a Book-of-the-Month Club selection by Harry Scherman. His book was televised in a series of programs paid for by Time Magazine, whose staff of foreign correspondents, as Whittaker Chambers reminds us, was dominated by Communists, and he was given the post of President of Columbia University in New York City, which is one of the chief training-grounds for the Communist bureaucracy in America. Now he is going to lead us in a crusade against Communism, a crusade to save the helpless Jews behind the Iron Curtain.

For the third time in thirty-five years, American boys, known to the Jews as "Gentile cattle who will be driven out to profitable slaughter", are being herded out to the slaughter-pits for the benefit of the Jews. Meanwhile, the Communist propaganda that they are persecuting the Jews is designed to condemn all anti-Communists in the United States, who can be hounded up and placed in concentration camps or executed as Communists. Because anti-Communist forces in America have pointed out that Communism is anti-Christian, atheistic, and quoted the Jewish Press that 85 percent of Communists are Jews, those anti-Communists are now to be silenced. Moscow is anti-Semitic, the anti-Communists are anti-Semitic, therefore the anti-Communists are Communists. This is the reasoning which has already appeared in the Jewish Press. The New York Post printed a vicious editorial denouncing Congressman Francis E. Walter as having adopted the new Communist party line overnight. Walter is co-author of the McCarran-Walter Act, which makes an attempt to prevent criminals and traitors from entering the United States.

What are the facts, as Bernard Baruch always says. Is Moscow anti-Semitic? The facts show that Communist leadership is even more Jewish than Common Sense ever dreamed of. The New York Post on January 19, 1953 observed that "West Berlin observers are watching carefully the developments of the Red purge as it might affect two top leaders of the Eastern regime. One is Hilde Benjamin, acid-tongued boss of the Supreme Court who has dealt out stiff sentences to people convicted of being anti-Communist and anti-State. A Jewess, her power is immense in the Russian zone. The other leader is Rudolf Herrnstadt, editor of the party's official newspaper, Neues Deutschland."

It is quite possible that the hundreds of Jews who hold top posts in the satellite governments are engaged in a struggle with each other for

absolute power, but when one Jew executes another, is that anti-Semitism? The names of the prosecutor and judges of the Prague trials were not given in the thousands of words describing those trials which were featured in our Jewish press. It might have given the show away if those names had been quoted.

In a press release which is designed to keep the Jews from swallowing their own propaganda about anti-Semitism in the Soviet Union, Rabbi Solomon Schiffer, chief rabbi of Moscow, pointed out that Jews were still active in all phases of Soviet life, and that many Jews received the famed Stalin prizes for their achievements last year. At the height of Jewish propaganda about this persecution, the New York Times pulled something of a boner in its Sunday issue of December 28, 1952, when Lewis Funke, in his weekly theatre column, wrote that "There is an Estonian playwright named Jacobson who should be quite the boy these days among his comrades of the Kremlin. He has just had a play published that fits the current party line perfectly. His play is called 'Jackals' and Pravda, the official organ of the Communist party, calls it 'a sharply satirical production showing how fascism is getting a hold in the United States'. According to Pravda, M. Jacobson has shown up 'the daily deeds of the warmongers!'"

This shows how the Jews still control the intellectual life behind the Iron Curtain. Jew Ilya Ehrenberg is still the chief of Soviet propaganda, Kaganovich is still head of heavy industry, and, as the New York Post reminded us, Molotov's wife is Jewish. In his column in the Daily Mirror of December 29, 1952, Victor Riesel wrote about Miss Elinor Kahn, who represents the Soviet Federation of Trade Unions at the United Nations and directs Communist propaganda in labor organizations. The anti-Semitism of the Soviet Union is not apparent at the United Nations.

Every American should be asking himself, "What are our masters planning to do to us?" In the January 19, 1953 issue of the New York Post, there is a headline that "Mrs. Rosenberg Urges Bigger Draft Levies". Anna Rosenberg was identified before a Congressional Committee as a Communist, after which our loyal Senators confirmed her as Assistant Secretary of Defense. She immediately set about hiring thousands of mysterious people for Civil Defense. Anna Rosenberg has left her defense post, after having staffed the Civil Defense program with a motley crew of persons who are not known and cannot be trusted by the American people.

All of this hysteria about Jewish persecution in Russia ignores the fact that thirty million Christians have been slaughtered by the Jewish-dominated Communist regime since 1917. Eleven thousand bishops, priests, and nuns have been

AN APPEAL FOR NEW HEADQUARTERS

NOW IS THE TIME FOR ALL GOOD AMERICANS TO COME TO THE AID OF COMMON SENSE

COMMON SENSE is forced to move — The Chosen People HAVE BOUGHT THE BUILDING OUT FROM UNDER US.

During the seven years of publication, some severe blows have been dealt us by the Marxists who have failed to challenge one paragraph we have ever printed, but use cunning methods to stop us. A few of these are as follows: intimidated eleven printers into discontinuing the printing of COMMON SENSE; forced us to purchase our own press and equipment; smashed in the front end of our building twice; placed three bombs on the side of our building; intimidated the owners of halls where we have had speaking engagements; attempted to prevent COMMON SENSE from using the mail and at one time caused an issue to be held in the Post Office ten days until after election day. Through clever scheming four Jews—two lawyers and two deputies—caught the Editor alone in his office, dragged him off to jail, and later had him in jail another night.

But thanks to our friends, who are instruments in the hands of our Lord, COMMON SENSE has become stronger from every attack. We now plan to buy a permanent home, headquarters for printing "NEWS KEPT OUT OF PRINT." We have paid \$8,000 in rent with nothing to show for it. Now we have an opportunity to purchase a two-story building in the business district — just what we need — for \$20,000 plus \$3,000 to put the building in condition.

If we could finance the deal ourselves, you would not hear of this, but the Editor has put over \$13,000 into this crusade as well as seven years without any remuneration whatever. During this time he has not asked for money unless it was absolutely necessary. To each person who contributes to our Building Fund, we will send a picture of our new headquarters and staff, also a copy of the "Protocols of the Learned Elders of Zion", with valuable appendix. To those who have money they will not use for two years and who have confidence in us and our ability to pay, may we ask them to take our note with either low or no interest rate. The editor has a way to personally repay all money we accept. This is not a business proposition, but a safe and practical way to help equip a group of people who are dedicating their lives to exposing those who would bring us to a lower level than exists in Europe. We now have twenty-three people engaged in publishing COMMON SENSE, some of whom are volunteers. Marxist forces have many well-equipped publishing concerns. Surely our side needs a newspaper strong enough to properly back up courageous men in Congress.

HELP STRENGTHEN US SO THAT WE CAN BE IN A POSITION TO REACH MORE PEOPLE WITH THE TRUTH.

May we have your co-operation?

RED HIGHLIGHTS

The great patriot and fighting American Senator McCarthy is in for a political lynching by the powerful Invisible Government for all past deeds. Since the fighting Irishman couldn't be liquidated by means of propaganda, smear, and intimidation, the enemy has moved in with the Trojan horse. Inside the Trojan horse we see Roy Cohen "Jew", G. David Sching, "Jew", and Julius Gahn "Jew", newly appointed consultants and supervising investigators. . . . Following was taken from the Zionist Quarterly, Summer 1951: "To allow Christians to be subordinate to Jews", (Page) Gregory VII admonished the King of Castile in 1081, "and to be subject to their juridical rulings, is the same as to oppose God's Church and to exalt the synagogue of Satan". . . . When 26 members of the U. S. Senate walk out of the Senate room and allow a man like Bryant Conant to be confirmed as High Commissioner of Germany then we know there is little hope for Christianity. They said, "Let's give the President a chance". We say, "Let's give Jesus Christ a chance for a change". There are too many atheistic, anti-Christian internationally-minded pro-Communists in key positions now. If the members of Congress and religious hierarchies are afraid to speak up for Christianity then its high time the laity took the initiative. Christ wants fighters not spineless egomaniacs to carry on His religion. . . . Why do the Hisses and Remingtons go to prison and the Rosenbergs, Coplans, Rubinsteins, and Eislers go free after being convicted? Your guess is as good as ours. The answer is in the Talmud. . . . Emmanuel Celler introduced a bill in the House of Representatives to allow 328,000 more "Jews" in the U. S. in the next three years. . . . Former Governor Stevenson received the 1952 Decalogue Society of Lawyers award. One thousand and six hundred lawyers of the "Jewish" organization honored Stevenson for his distinguished services to American democracy. . . . One of Eisenhower's new administrative procedures is designed to implement Federal regulations banning discrimination in hiring by private firms working on government contracts. In other words, if one doesn't hire the trash the government wants you to, no contracts. A very neat bit of totalitarianism tied up in red, white, and blue ribbon. . . . The United Jewish Welfare Fund Cash Campaign closed with \$1,026,500 in actual cash. . . . The Jews drove a million Arabs out of their homes and into the desert and now they are asking the U. S. and Western powers to cease sending shipments of arms to the Arabs. . . . The "Jews" in Austria appealed to Pope Pious to remove from the churches in Tyrolean tablets depicting Jewish ritual murders of the fifteenth century. The Bishop rejected the appeal in a letter in which he said that the "Jews" have not yet proved that they never did such things. . . . The recent expose of spies include Otto Verber, "Jew", Kurt Ponger, "Jew", Ernest Thelowitz, "Jew", and Walter Lauber, "Jew". . . . The latest literature addition to the library of Common Sense is "My Night", by Ida M. Darden, which sells for \$1.00. . . . The persecution of the Jews in Europe is a dog-fight between National Communist "Jews" and Zionist Communist "Jews". Both are out for the same power but quarrel over the loot. . . . Rene Mayer, the new French Premier, stems from prominent Jewish families both on his maternal and paternal sides. His father was Chief Rabbi of Paris, and his mother was a descendant of the Rothschild family. B.B. Messenger Jan. 16, 1953). . . . On Wednesday afternoon, January 21, 1953, 54 children from six Union schools witnessed a movie at the Jefferson School in Vauxhall, N. J., on the peaceful and harmonious system of World Government. The movie depicted everyone singing "One World" and love towards "Jews" and Christians alike. The film was made available through the Anti-Defamation League of the B'nai B'rith. Parents, indifferent to this overt act of hypocrisy and poisonous influence upon their children's minds, will have no right to complain under a Zionist Communist dictatorship. . . . One main reason why the "Jews" demand that the Walter-McCarran Act be repealed is that Section 238-A of the Act requires that each visa applicant state his race and ethnic classification. This proves difficult to the "Jew" because before the Walter-McCarran Act the German "Jews", French "Jews", English "Jews", Dutch "Jews", and Indian "Jews", etc., would only be required to state their respective origins. . . . A recent confidential report from Europe reveals that there is a back-out on all news from Germany. The U. S. State Department has turned all business, industry, and finances over to the "Jews". Germans cannot borrow money and everything is selling at a fraction of its value to the "Jews" who have the money.

READ PRO-AMERICAN LITERATURE

Some of the most valuable books are very difficult to secure from bookstores because Marxists are active in suppressing them. Good writers work hard to produce a book and then find it difficult to get to the public because of the Marxist controlled channels of distribution or their intimidation of merchants.

An informed America means a free America. Encourage the distribution of patriotic literature.

JEW'S THREATEN WAR

murdered by the Soviet Government, but this receives no attention in our press, because, according to Jewish Talmudic principles of government, Christians are expendable cattle, and need not be mourned. The death of a single Jew calls for screaming black headlines, while these millions of Christians rot away forgotten and unavenged in their mass graves in the Soviet Union.

Will America fall for the Jewish propaganda that Moscow is persecuting Jews? Will we be led into a Third World War which will leave Israel the master of the world? Not only is it important to massacre the individualistic, free-thinking America youths in a world war, but our government can also round up and execute the American middle class. In the interests of "national security in wartime", ministers, schoolteachers, and independent business men can be slaughtered in tried-and-true Communist methods. This will be the job of Civil Defense units, who have already made "trial runs" in a number of American cities. America faces today a bloodbath of her white Christian population, which can be averted only by the firm stand of her people against a Third World War.

JEW'S ARE PERSECUTING JEWS!

"It is a very important theme in Central Europe—that of Jews and anti-Semitism. What makes it especially vicious in Hungary is the ironic fact that the new Keresztes policy of anti-Semitism is being carried out by a Hungarian re-

game whose principal leaders are themselves of Jewish origin." From the column of Max Lerner, a Jew, in the New York Post, January 21, 1953.

Lerner also tells us that the spies arrested by American authorities in Vienna are Austrian Jews who came to the United States, got American citizenship, and went back to Europe as important officials in the Nuremberg War Crimes Trials. They were Communists all the while, as was a large percentage of the so-called American legal staff at those illegal trials. On all sides we find the Jew, in the midst of espionage and counter-espionage. The penalty for the spy who is caught has usually been death, except in America where we put our Alger Hiss to teaching the other prisoners Communism. The Soviet Union's Jewish officials are executing Jewish spies who owed loyalty to Zionism and were working for the state of Israel. Is it anti-Semitism to execute these spies? Our Jewish Press describes such executions as a hysterical wave of pogroms and anti-Semitic excesses by the Soviet Government. It has always been so in Europe. Millions of Christians can be slaughtered without the Jewish Press paying the slightest attention, but let one hair on a Jew's head be harmed, even by his fellow Jews, and our newspapers unanimously scream "ANTI-SEMITISM!" Churchill and Eisenhower gather at mastermind Bernard Baruch's home to plot another war for the benefit of the Jews and to fulfill the Protocols of Zion in a sea of Christian blood. Will the Gentile cattle balk at another trip to the slaughter-pits, or will they be pushed docilely along to be killed in the Jewish ritual manner? Americans do not have much time to decide.

SHOCKING WASTE AND MIS-MANAGEMENT IN AMERICAN OCCUPIED GERMANY

By John Whitney
European Correspondent

Berlin: From all the information and from what I've been able to observe over here it looks very much to me as though our country is approaching the same situation which resulted in the Twenties and early Thirties which resulted in the German revolt against Jewish domination. But it took the awful suffering of inflation to awaken the Germans to their danger and the result was revolution. Let us hope such an awful development can be avoided over home.

This morning the AFN (American Forces Network) broadcast report President Eisenhower's briefing of Congress as "a pretty grim picture" of what our country faces. What was not mentioned was the fact "this grim picture" was painted by the Jewish controlled Democratic Administration who betrayed the United States by corrupting the State Department with communists, fellow-travelers and incompetents. Eisenhower, himself, helped to paint this dismal picture by surrendering so much of Eastern Europe, especially Eastern Germany and Austria, to the Communists. To his credit it must be said that he is the only figure in the great conspiracy who had the courage to admit his mistakes for in 1951 he said, in shaking hands with two German Generals for the first time, "Gentlemen, I was wrong in 1945."

Eisenhower's attempt to rectify his mistakes through the formation of a European Defense Force is now on the verge of collapse. France wants to obtain enough American billions and support to enable her to run Europe. For this task she is unfitted for she is too corrupt morally, spiritually and economically to dominate Europe.

Today, almost 8 years after the Potsdam Armistice, Germany is still being governed as a joint American-British-French colony. The armed forces of these occupation forces are not poised to fight, they are poised to retreat and

DAVID NILES

Jewish Communist Traitor Forced Christian Seamen To Become Communists

Former Congressman Fred Bradley told his colleagues in the House of Representatives why the National Maritime Union was controlled by Communists in a startling speech delivered on May 13, 1940, page 6011, of the Congressional Record. Harry Hopkins put his Jewish brother-in-law David Niles (Neyhus) in charge of the maritime policies of the United States Government, and Niles used the power of our Government to force our seamen into the hands of Jew Harry Bridges, the notorious Communist organizer.

Bradley said, "Three weeks after Harry Hopkins assumed the office of Secretary of Commerce — back in January 23, 1939 — a conference was held in his office. At this conference three men were present Mr. Hopkins himself; Mr. Joseph Curran president of the National Maritime Union of the C. I. O. and still chairman of Mr. John L. Lewis's maritime commission, and the third man was Mr. Ralph Emerson, the legislative representative for the maritime unions within the C. I. O. The better part of this particular afternoon was spent in discussing the future policy to be pursued by the Department of Commerce for maritime labor. When Mr. Hopkins had been the boss of the Works Progress Administration his right-hand man was one David K. Niles (Neyhaus), his brother-in-law, who conducted the rad-

Herbert Hoover in his book, "The Problems of Lasting Peace", deplores the blockade of Germany, which was continued for five months after the signing of the Armistice on November 11, 1918, until late in March, 1919. One of the most brutal war crimes in history, this continued blockade by the British fleet directly caused the death of 250,000 German children from starvation during that period, and malnutrition crippled millions of others for life. This excessive brutality came from secret orders given the British Admiralty by the Privy Council to the King of England, a body which exercised full power over the British Empire. It was composed at that time of three Jews, Sir Herbert Samuel, Rufus Isaacs who, under the name of Lord Reading, was then Lord Chief Justice of England, and Lord Alfred de Rothschild, acting head of the House of Rothschild. The orders continuing the blockade were countersigned and approved by the then Secretary of War for Great Britain, Winston Churchill, who boasts he is a Zionist, former First Lord of the Admiralty. Sir William Wiseman (Jew) was liaison officer between the British and American Governments and is presently a partner in Kuhn, Loeb & Company. It is of interest to note that Bernard Baruch was the power behind the U. S. during World War I. Churchill's name on this infamous document condemns him in the eyes of humanity as the murderer of German children. He also was notorious for his switching the British fleet in 1915 from coal to oil burning ships. Then First Lord of the Admiralty, Churchill's action was a blow at the coal fortunes of some of Britain's oldest Aryan peers, and he thus put millions of dollars of profit into the pockets of his family relation, the owner of the Royal Dutch Shell Oil Company, Sir Herbert Samuel, of the Biblical family.

Do You Want The Truth

We say glibly that we want facts—that we want the truth and nothing but the truth. But do we? How many of us have the courage to face all facts that concern us? In his long experience as a physician, Dr. Martin Gumpert says few patients want facts. Most of them want relief from fear, want reassurance, consolation, removal of discomfort, want more and better illusions. That explains why so many millions of human beings pay for the support of organizations that deal in providing illusions. Better illusions are what politicians use to sway the minds and win the votes of many followers. How many prefer prejudices to truth!

JEWISH GESTAPO'S RED ANTI-CHRISTIAN RECORD BARED!

By George Thomas Adams

Pre-revolutionary Russia was a seething hotbed of Jewish Communist revolutionaries. Many of them were desperate fanatics, sworn to murder to accomplish their objectives. Others saw no harm in playing both sides of the fence, one day killing a Czarist official and the next day turning in a comrade as the murderer for a sizable police reward. Pinhas Rutenberg was a combination of these two groups. His agent, Yevno Azeff, was head of the terrorist section of the Social Revolutionary Party and at the same time the chief spy in their ranks. He betrayed both sides as a matter of course. His career is given in detail in *The Spectator*, Feb. 6, 1909. His chief rival was a man known as Father Gapon. To eliminate the threat to his agent Azeff, Pinhas Rutenberg himself carried out the important mission of murdering Father Gapon, according to the *Spectator*, and other sources to be given.

In *The New Palestine* of January 9, 1942, Nathan Tannen writes an obituary of "Pinhas Rutenberg—Man of Action." He says "Rutenberg was active in the ranks of the Social Revolutionary Party in Russia. He visited America during the days of World War I, and threw himself into the organization work of the American Jewish Congress. Returning to Russia, he became one of the key figures in Kerensky's Provisional Government, everywhere in Palestine his name is synonymous with electricity."

G. R. Trevirinus, in "Revolutions in Russia," Harper & Bros., page 13, says, "The executioner of Father Gapon was a young student, Rutenberg. He lived to become the pioneer of hydro-power in Palestine."

He was a "pioneer" because Churchill and other Zionists in the British Colonial office illegally conspired to throw out concessions granted to earlier pioneers, as was proved by the Hague Court.

Bertram Wolfe, in "Three Who Made a Revolution", writes on page 304.

"It was revealed that Rutenberg had Gapon killed. One need only add that Rutenberg's subsequent career included an official post under Kerensky, prison under the Bolsheviks, voluntary exile, service with British business interests in Palestine, finally a number of years as a leading Zionist."

Rutenberg, the assassin of Gapon, came to America in 1915 and set up the American Jewish Congress, hurried back to Russia after the Communist Revolution to accept a leading post with the blood-

FACTS and PROPHECY

By An Anonymous Reader

Communism is like a jigsaw puzzle. It has many names, parts and organization set up to promote them. Every piece fits when they are properly placed. Often we must wait, sometimes years, to find where certain pieces fit. When at last we do find them, then they're usually so fantastic it strains our imagination to believe them. As a result, our people are frightened, divided and confused. Many sense danger, but are unable to fit the hundreds of pieces together sufficiently for more than more confusion.

The following statements concerning the outcome or fitting the pieces together are based upon already established facts which are a matter of record and divine inspiration, the same type of divine knowledge from which our Holy Bible was written.

They are part:

We gave the helpless Chinese to the Communists.

Then we send our helpless American soldiers to kill and be killed by these victims.

The American Taxpayers pay the bill for the material used by both sides.

Our ships are ordered (from Washington) not to fire upon enemy ships carrying war material to our enemy.

BLESSED ARE THE LITTLE ONES

For some reason, known only to Almighty God, the small minority of patriotic Americans who are seriously fighting the evils of Communism are generally the poor, downtrodden souls who have very little to give, and very little to lose.

The loyal members of the staff of COMMON SENSE and supporters are included in this category. However, it is not for us to walk in the limelight, but rather, those great Americans who are struggling through life under extreme handicaps such as old age, pensions, sickness, loneliness, and poverty. These are the people who are carrying on the fight for you, your family, and your country.

As you sit in the security and comfort of your home reading this article try and visualize some of the great things that are being accomplished by the tremendous sacrifice of others.

COMMON SENSE receives many letters daily from these people (?) that sometimes make us feel ashamed and embarrassed. For instance we receive letters such as the following: "Dear Sir, I am 80 years old and crippled and have no money but I want to help you in your great work. Enclosed please find \$1.00." Another type of letter that comes in the mails reads: "Gentlemen, I enclose a dollar for the fight. I am 70 years old and living on a pension and cannot give too much. I wish I could give more."

A few months ago a 72 year old man walked into the office of COMMON SENSE and handed us \$20.00 and said, "I want to help." This month he made the same visit and gave the same amount. Later he told us a little about his life, which follows: He is a night-watchman who works 7 nights a week and lives alone in a small hotel. He has two sons who were in the last war and who are now in separate hospitals for the rest of their lives. The one son is completely paralyzed except for one foot which he barely moves. He is so pathetically incapacitated that the old man said that he did not want to see him anymore. Some times his head drops off of the bed or wheelchair and hangs there for hours before someone comes along and places it back up. All the boy can do is to stare into space. He cannot hear or speak.

The old man's other boy is also laying in another veterans hospital with his whole leg and side torn to pieces. There is no hope of him ever walking again.

After hearing this man's story we felt so sorry for him that we refused to take any thing from him, but he insisted the least he could do was to give part of his money to the cause for America.

Here is one of those beautiful characters who has given everything for Christ and country. Many other similar cases come to COMMON SENSE with similar stories—and all of them want to help. Now we know what Christ meant when he said, that it was harder for a rich man to go to heaven than for a camel to go through the eye of a needle.

Yes, these people are suffering. They don't eat as well, nor sleep as well, nor enjoy life as well as you do. But woe be unto you for your love of luxuries, and indifference towards this fight for Christ and America. MAY GOD HAVE MERCY ON YOU!

FACTS AND PROPHECY

General MacArthur was ordered (from Washington) not to fight to win. General Ridgeway told H. V. Kaltenborn before he left Korea, he too was ordered (from Washington) not to fight to win.

We fight communism in Korea, protect and promote communism in other countries, including America. In the meantime we are sending thousands of our boys to Europe, where the communists are well infiltrated and organized in every Government. Experts agree that the communists can take all of Europe in a matter of weeks anytime they want it. What will happen to our boys then? They will be killed of course.

The Communists will attack the southern states of America first. For years they have taught hate through the N.A.A.C.P. to our negroes (read the newspapers). The Communists have promised the negroes (the leaders) they would be Masters of the South. They have also taught the black man in Africa to hate the White Race, through the U. N. and will bring these African Black Men to America.

The goal of the Communists, or the Anti-Christ, is for every Christian (white or black) to be killed or become a slave; every Anti-Christ a King or Queen.

The Anti-Christ is the beast told of in Rev. 13, 17 and 18. They will brand every one with the number 666 in their right hand or forehead, and no one, rich or poor, will be able to buy or sell unless he has the mark of the beast in his right hand or forehead. The Anti-Christ will unmercifully rule every kindred tongue and people for forty and two months or three and one-half years. At the end of the forty and two months, their sweet victories will become as bitter gall in the bellies of the Beast, the whores and their followers and all who receive the mark of the Beast. So great will be their pain they will gnaw their own flesh. After the forty and two months, Christ and His followers will be victorious over the Beast and peace will reign for 1,000 years. The great Pyramids in Egypt prophesied that on August 20th, 1953, a world shaking event will take place. This is the last prediction of the Pyramids.

Bismark And The Jews

PRINCE von BISMARCK in his address about the Jewish Question in the Prussian Diet in June 1847 declared:

"In those parts of the country where the Edict of 1812 is valid the Jews are lacking, as far as I can recall, no other rights except those of occupying top offices. These rights are now demanding and are requesting to become heads of some administration, such as generals, ministers, yea even ministers of public affairs. I admit that I am full of prejudices which I have absorbed, so to speak, with my mother milk and I cannot succeed in talking them out of me. But to imagine to think a Jew as representative of His Majesty whom I owe obedience, I must confess that I would feel deeply humiliated and depressed, and this to such a degree that the joy and the sincere sense of honour with which I now am anxiously fulfilling my duties toward the state would leave me. I share these sentiments with the masses of the lower classes of the population and I am not ashamed of their company."

As quoted from Anti-Semitism and Anti-Germanism by Wilhelm Stapel, Hamburg 1928, P. 28

"THE CROSS"

By DALE CROCKFORTH

(All rights reserved by the author)

Each time I look upon THE CROSS

I think of Christ, my King;

For all my faith I place in Him,

And to this faith I'm clinging.

I love THE CROSS, the simple Cross;

It means so much to me;

For on the Cross my Saviour hung,

And there He died for me.

Upon His throne, My Lord Divine,

Who rules the earth and sky.

Has asked of me to follow Him.

And dwell with Him on high.

My final hour of life on earth

Will bring no fear of loss;

I'll fondly say my prayers.

And gaze upon THE CROSS.

RED HIGHLIGHTS

Boris Yaroslav alias Barry Gray, "Jew" writer for the "Jewish" owned Red New York Post and A D L. spokesman attacked the editor of this paper again this week (March 7th). This makes the 12th time that Yaroslav has taken the radio time to smear Mr. McGinley. We thank this A. D. L. henchman for stating to his audience that Common Sense has 300,000 subscribers. However this was a very bad guess by Mr. Yaroslav and the A. D. L. Apparently the reason for this exaggerated figure was made to scare the "Jews" into putting more pressure on Common Sense. Barry Gray (Boris Yaroslav) also stated that when laws are passed against anti-semitism McGinley will be taken care of.

The death of Joseph Stalin will make little if any difference upon the conditions of the world since the Jewish Invisible Government (Sanhedrin) runs Russia. In an interview with a leader of the Russian Underground who has only been in the United States a year we learned that it is still a criminal offence to be anti-semitic in Russia. The Underground leader stated that if anyone is heard using the word "GID" (meaning Jew) in Russia he is immediately shot. He also stated that every phase of Christianity has been wiped out in Russia although, there has not been one synagogue destroyed nor one Rabbi harmed since 1917. The "Jews" can practice their "religion" and attend their synagogues but the Christians may not. These are the laws that Barry Gray (Yaroslav) mentioned above that would be passed to stop the printing of Common Sense. (More of this interview with the Russian underground will be given to the readers of Common Sense in subsequent issues) Archduke Otto of Hapsburg stated in Los Angeles recently that "Spain is perhaps the greatest ally the Western powers have on the European continent." The Spanish people—victims of one of the world's most vicious propaganda campaigns—are strong, united against communism to the man, and hold a key position in Europe."

Leaders of American Jewish groups had a private meeting with the new High Commissioner for Germany, Prof. James B. Conant, prior to his departure for Germany. Considering the speed in which he left Prof. Conant received his orders willingly Some of the figures for the 1953 United Jewish Appeal are as follows: Cleveland \$4,860,000; Pittsburg \$2,130,000; Miami \$580,000 etc. The "Jews are expecting to raise a billion dollars in 1953 for World War III propaganda . . The Kol Nidre oath (which the "Jews" take each year and which nullifies all other oaths that they have to take during the following year) is a thousand years old. (Jewish Voice 2-13-53) The B'nai B'rith has a new organizational trap for Christians. The Christians Friends of The Anti Defamation League, headed by Rabbi Rosenbaum.

Now that the election is over, the draft calls are getting larger. The national call for February was fixed at 53,000, the highest since January 1951. The U. S. government has 85 million pounds of butter on its hands, purchased over the past year at a cost of 57 million dollars to the American taxpayers. This is one that tops them all: Voice Policy Director Edward Kretzmann stated the Voice of America Religious Director did not believe in God Lyons testified later and said "I am not atheist-I believe in God." He said that although he has a "Jewish" background he does not belong to "any affiliated church or organization" and does not attend religious services regularly. He said that he last attended church "about a month ago."

AMERICAN JEWISH CONGRESS

—(Continued from Page 1)—

stained victors, went on to Palestine to organize the Jewish terrorist army there with Vladimir Jabotinsky, and swindled his way to complete monopoly of electricity in Palestine. This is a career which any young Jew can envy!

Congress Weekly, official publication of the American Jewish Congress, mourned the passing of their founder with an article "Rutenberg's Mission to America", in their issue of January 16, 1942. We quote:

"His role in the birth of the American Jewish Congress was immense The young Russian intellectual, in other word revolutionist, soon made his influence felt in the underground councils of the Social Revolutionary Party. Rutenberg was the man who in 1905 piloted the revolutionary activities of the notorious Father Gapon and then sat in judgment and brought about his execution. In Italy during the First World War he got in touch with Vladimir Jabotinsky, founder of the Jewish Legion. In New York in 1915 he got in touch with the representatives of the Social Revolutionary Party there, Dr. Chaim Zitlowsky and Dr. Samuel Ellsberg, who were now interested in the Poale Zion Party, Palestine, and Jewish rights."

The fact is that the AMERICAN JEWISH CONGRESS was founded by Jewish refugee revolutionists who had been run out of Russia, who were NOT American citizens, and who could hardly speak the American language. The NEW YORK TIMES on April 27, 1917, commenting on one of their meetings at Cooper Union described "Pein-chas Rutenberg", as "a leader of militant Zionists and prominent in the history of the revolution Dr. Chaim Zitlowsky, a socialist and one of the leaders of Poale Zion, Scholem Ash, David Ben-Gurion and Dr. Nahum Syrkin also spoke. All of the speeches were in Yiddish."

These organizers of this "American" group all spoke in Yiddish. Moreover, Poale-Zion, the revolutionary arm of Zionism, was characterized by Elie Eberlin in his book, "The Jew of today," published in Paris in 1928 as follows: "Poale-Zionism goes on with its task in Russia, Palestine, and elsewhere. In this very hour it appears as the unique International Proletarian Party. One of its factions joins the Communist International, the other joins the Socialist International."

No wonder Dr. David Goldstein, present head of the American Jewish Congress, (not to be confused with the famous Catholic convert Dr. David Goldstein) denounced prayer in schools as being of no moral value, according to the report in the New York Times. The American Jewish Congress is true to the godless revolutionaries who mouthed their doctrines of hate in their own tongue while meeting in our republic, where we had given them refuge from punishment for their crimes.

The Poale Zion Party is identified by Avraham Yarmolinsky, Russian scholar and himself a Jew, as the Jewish Communist Party. This same article tells us that in addition to the assassin Rutenberg and these Social Revolutionary leaders in New York City, another leader in founding the American Jewish Congress was the head of the Poale Zion Party, Dr. Nahum Syrkin. A scholar whose authoritative writing provided much of the inspiration for the government structure of Russia under Communism and America under Roosevelt Socialism, and which set up the present government of Israel, Syrkin's works are little known outside the select area of Jewish Communism. In his definitive work, "Essays on Socialist Zionism", 1898, Syrkin's foreword says,

"To Syrkin, Socialism and Zionism were two aspects of the same thing—Jewish Nationalism."

The history of the twentieth century bears out this statement. On Page 15, Syrkin warns all those who would oppose the coming Jewish world state.

"At least one part of Ludwig Berne's famous saying that the anti-Semites will in the future be candidates either for the workhouse or the insane asylum has been realized."

This has been the intent of the Jewish science of psychiatry, which analyzes opponents of Zionism as hopeless and hysterical neurotics who must be confined in damp dark insane asylums for their own safety. Thus, all critics of the new world force, Zionism, can be ignored because they are crazy. Those opponents of Zionism who saved themselves from being locked up in an insane asylum could be prevented from getting a job and earning a living and sent to the workhouse. Such has been the fate of patriots in many countries. However, Zionists have been content to lock up or starve their opponents, and still dream of the day when they evacuate them openly, under the "genocide" provisions of the United Nations.

Syrkin is very explicit in the part the Jews must play in the new world order. He tells them, in the book,

"The Jew must become the vanguard of Socialism. The Socialism of the Jew must become a truly Jewish Socialism Zionism is a creative work of the Jew, and is not in contradiction with the class struggle. Zionism must of necessity fuse with Socialism. Fusing can be raised to a great national passion."

This explains much of the work of the American Jewish Congress in this country. Particularly their always greatly exaggerated screams of "anti-Semitism" have more than fund-raising in mind. It is a matter of policy, as Syrkin says on page 15. He explains why they must raise an ever-louder cry of "anti-Semitism" because:

"Anti-Semitism helps the Jews maintain their national solidarity."

While Syrkin was laying down the party line for the American Jewish Congress, Rutenberg threw his extraordinary powers of organization into getting the group off to a good start. Congress Weekly says he raised the money and financed the paper in 1916, The Jewish Congress, and as soon as it was on a sound basis, he left for Russia to become an important official of the Keresky Communist regime.

Characteristically, Rutenberg during these few months in the United States was carrying on several projects. One of them was to gain a monopoly on hydroelectric power in Palestine and to attain this end he set about raising funds for a Jewish Army which would wrest Palestine from its Arab inhabitants. Rufus Lears, in his book, "Fulfillment: The Epic Story of Zionism", World Publishing Co. writes on pages 203-204:

"Rutenberg went to America, where he applied his energy towards two aims. One was to create an over-all organization of American Jewry on a democratic basis and thus deprive the anti-Zionist notables of the right to speak in the name of the American Jewish community. The other was to promote the formation of American units for the Jewish Legion."

Rutenberg like many other Zionist leaders, traveled back and forth between the warring nations from 1915 to 1918, supremely contemptuous of the Gentile slaughter which he and others had worked to precipitate. They bargained alike with the Germans and the Allies until they were sure which would win, then they concentrated on Great Britain and exacted many concessions in Palestine, despite the fact that the British Colonial Office had on file a claim of years standing by M. Euripides Mavromattis a Greek contractor.

While Rutenberg was in America, Jabotinsky, known as the "Father of Terrorism", was in London. He had met Rutenberg in Italy in 1915 and they had laid out their plans; now he was going around the slums of Whitechapel recruiting Jewish criminals avowedly the most ruthless he could find, for his Jewish Legion.

The Jewish Legion's operations in Palestine are a record of atrocities over a period of thirty years, beginning with the wholesale slaughter of Arab civilians in their villages in Palestine, and culminating with the bombing of the King David Hotel in Palestine and that the brutal assassination of Count Folke Bernadotte, United Nations mediator, so that he could be replaced by the Negro Ralph Bunche. Jabotinsky openly boasted that the purpose of the Jewish Legion was to "create embarrassing situations in Palestine" so that the British would eventually have to give in and withdraw their Mandated Government. Menachem Begin, leader of the terrorist Irgun Zvai Leumi, an outgrowth of the Jewish Legion, in his autobiography which was distributed by the Jewish Book Guild of America in 1951, said that they hanged some British soldiers, put out the eyes of others and dumped them in front of the British barracks in Tel Aviv.

The American Hebrew of June 30, 1922, reported a dinner held on June 21 at the Hotel Pennsylvania in New York at which Judge Mack presided. Seated beside him were the guests of honor, Pinhas Rutenberg, Supreme Court Justice Brandeis, and Rabbi Abba Hillel Silver. They were there to subscribe funds for Rutenberg's concession in Palestine, and raised more than a million dollars on the spot. Much of the money, however, was spent to keep the Jewish Legion going, while the hydroelectric concession remained undeveloped, and while the Colonial Office in London stalled off the angry protests of Mavromattis.

A debate in the House of Commons on July 4, 1922 brought forth criticism of the Rutenberg affair. Most of this is reported from the most exhaustive study of the Zionists in Palestine, J. M. N. Jeffries' scholarly work, "Palestine: The Reality", published by Longmans Green in Great Britain in 1939, which has disappeared from New York libraries. During this debate, Lord Brentford commented as follows:

"I have some experience of contracts in the City, but the Rutenberg tract contains the most astounding concessions I have ever read or seen in my life. The contract gives over the development of the whole country of Palestine to Mr. Rutenberg."

In April of 1920, Mr. L. C. Amery, Secretary for Colonies, stated in the House of Commons:

"The Secretary of State for the Colonies is considering . . . permission to entertain applications for concessions Provided that (1) The terms of the draft Mandate for Palestine are strictly observed, and (2) the concessions are not in conflict with any existing concession with which it may be necessary to deal under Article 311 of the treaty of Sevres."

Thus, the Secretary was proposing to adopt a policy which neither he, nor his proxy, Sir Herbert Samuel, had any right to advance. They had no power to grant concessions so long as no legal mandatory power had been created. Secondly, Mavromattis held a prior concession, in any case

rendering further concessions illegal.

At the close of the war a British engineer named Bicknall applied for permission to develop electrical power in Palestine and was told that the Government was powerless to grant any concessions. However, the Mavromattis priority was not brought up. Consequently, in April of 1920, Mr. Bicknall, believing that the Turkish Treaty was about to be concluded and that the new Administration under the mandate would be able to grant concessions, sent in another application. The Foreign Office replied: "Pending a settlement of the future status of that country (Palestine) at the conclusion of a Treaty of Peace with Turkey no concession can be made."

This letter was dispatched to Mr. Bicknall over three weeks before Sir Herbert Samuel, a Jew, was installed in Jerusalem representing the BRITISH Government. Through that year and the next the Treaty with Turkey remained uncompleted. Yet Mr. Winston Churchill with the approval and instigation of the Prime Minister had the daring to set about granting concessions to Zionists in April of 1921. Agreements giving them concessions in principle were signed in autumn of 1921. The first of these, for harnessing the waters of the Auja Basin, was signed on September 12. The agreement for large-scale concessions for the utilization of the waters of the Jordan and the Yarmouk was signed by the Crown Agents for the Colonies and delivered to Rutenberg on the 21st. Thus the Lloyd George Government aided by Winston Churchill, committed one of the worst frauds on record.

Rutenberg was granted amazing powers. So long as he existed, no other concessions were to be granted in Palestine. Also, "any land, property, buildings or easement, which the company might desire to have expropriated either for use as building sites, or communication routes or for the mere convenience of the concession were to be duly expropriated." For seventy years Rutenberg was to be the electrical master of Palestine, with hundreds of clauses of privileges and exemptions. Meanwhile, Mavromattis found the entire British Government arrayed against him in his battle for justice.

Before the First World War, Mavromattis had obtained from the Turkish Government concessions for irrigation works and general agricultural development in the Jordan Valley, for electrical power on the Auja River, and electrical power at Jaffa and Jerusalem. The French Bank Perier had advanced credits to Mavromattis for the development of these concessions to the sum of 200,000 British pounds, then about one million dollars. With the outbreak of the War, Mavromattis was forced to let his concessions lie idle. Meanwhile, Rutenberg and the Zionists went to the Colonial Office in Great Britain to file their claims. They found the Mavromattis claims, which were being honored, predating them by several years. Nevertheless, Winston Churchill publicly lied in July of 1922 that no other claims were in the files of the Colonial Office, which he then headed. At the same time, M. Edmond de Rothschild, chief investor in Palestine, offered to back Rutenberg to the exact amount the Bank Perier had offered Mavromattis, proving the identity of the two plans for development. After years of treachery and double-dealing by Churchill's office, the Mavromattis case came before the Hague Court in 1924. The Court unanimously declared that the British Government had violated its own obligations in granting the Rutenberg concessions while the Mavromattis papers lay in the Colonial Office.

Nevertheless, the British Government continued to stall Mavromattis, and refused to let him proceed with his work without the slightest moral or legal justification. At the same time, Rutenberg and Jabotinsky were so busy with their terrorist activities that they had done nothing to help the concession either. Lord Arnold complain in the House of Commons in 1924 that no work had been commenced in the Jordan Valley and that the Arab inhabitants of several cities who had desired to set up their own power systems had been refused permission to do so, while Rutenberg maintained a stranglehold on hydroelectric power for the benefit of his master, Baron Edmond de Rothschild of Paris.

In 1927, after many angry exchanges between the Greek and British Governments concerning the obvious fraud in the Zionist concession, the matter was again presented before the Hague International Court. This time the Court bowed to international influences, decided that the entire affair was an affair for the Palestine courts, an internal disagreement, and left poor Mavromattis with nothing but a huge legal bill. This is how an assassin and swindler founded the American Jewish Congress and became the Emperor of Electricity in Palestine.

RIGHT OR WRONG

Right is right. Wrong is wrong. As Christ said: "He that is not with me is against me." He who is not for our Country is against it. He who does not abide by our Constitution is against it. Our Constitution is THE LAW. A law-breaker is a criminal. A President, a Cabinet Officer, a Congressman who takes a solemn Christian Oath to uphold our Constitution, and then not only does not defend it, but defies it—is the worst kind of criminal—a TRAITOR!

ed Ford Hall Forum in Boston. So it was but natural that he turn this complex problem over to Mr. Niles. Now Niles is reported to be somewhat of a left-wing Progressive and has always been quite popular in the inner New Deal circles. As a matter of fact, he should be, for it was he who is reported to have inveigled John L. Lewis into contributing some \$450,000 to the New Deal campaign fund in 1936. So when it was decided that Mr. Niles was thereafter to become the boss of the maritime industry — particularly the maritime labor policies — Mr. Hopkins boldly assured the other two conferees — Mr. Curran and Mr. Emerson — that 'from now on on things would be different' — and they were.

"In a remarkably short time," continued Congressman Bradley, "Mr. Niles was established in a large suite of offices in the Commerce Building. There were no nameplates on these doors to signify what titles the occupants bore. In fact it was some months later before Mr. Niles was officially designated as Director of Personnel for the Department of Commerce. This man Niles was a man of action. He no more than settled himself in his chair than he began to assume a great deal of authority over the entire Department of Commerce. Various bureau chiefs were called in and told that from now on they would get their instructions from his office on certain matters of policy. Some of the assistant secretaries to Mr. Hopkins, who had been key men under the Roper administration, were relegated to the background or, as in the case of Mr. Bell, of the Bureau of Fisheries, find it convenient to resign. Hence, it was natural for all those in any minor capacity to realize that they had a new boss from whom to take orders — or else. . . . Now, Mr. Speaker, from reams and reams of testimony before the Dies Committee, we have been told that the National Maritime Union of the C. I. O. is controlled by the Communist Party. . . . The policies advocated by the leaders of the National Maritime Union and by the Maritime Federation of the Pacific, controlled by Harry Bridges, were immediately put into effect by Niles and are still being carried out."

Congressman Bradley went on to tell in great detail how Niles forbade the use of government buildings for hiring halls, forcing all American seamen to use the National Maritime Union Halls and join the Communist controlled union. As Director of Personnel, the simpering Niles, whose fluttering wrist was conspicuous even in Washington, naturally gave preference to Communists and homosexuals, and the Department of Commerce rapidly degenerated. Niles, who moved into the White House during the occupancy of Harry Truman as liaison officer for minority groups, meaning Jewish Communists, has a sister in Israel who is important in Israeli Intelligence. Both Niles and Hopkins have since become fertilizer, but the damage that they have done to the American Republic lives on after them. The Department of Commerce should be subjected to a ruthless re-examination, and every person hired by Niles and Hopkins, must have his record carefully scrutinized, in order to restore this bureau to proper standards of loyalty, moral conduct, and efficiency.

Dr. Maurice L. Perzweig, Director of the International Affairs Department of the World Jewish Congress, said the Soviet leaders, in embarking on a policy of anti-Semitism, would do well to remember that they have challenged forces which lie beyond the control of any government.

WE THANK OUR FRIENDS

There is no way we have of thanking our contributors who, for some reason or other prefer to remain anonymous. However, we are deeply grateful for the many contributions both large and small, that we receive from all over the country from many unknown friends. During the past month or so we have received contributions from:

Milwaukee, Wisc.	Chicago, Ill.
Cambridge, Mass.	Sacramento, Calif.
Tyler, Texas	Albany, N. Y.
Springfield, N. J.	Riverside, Calif.
Jacksonville, Fla.	Washington, D.C.
Union, N. J.	New York, N. Y.
Los Angeles, Calif.	Newark, N. J.
	San Francisco, Calif.

We also thank the friend who slipped a ten dollar bill under our office door, and also "St. Anthony" who also mailed us a donation recently.

Dear friends, we try to acknowledge all contributions received. However, sometimes there may be unreasonable delays, or we may inadvertently neglect to write altogether due to pressure from all sides. We are suffering severely from "growing pains" but doing our best to keep the paper going out with our limited equipment, help and funds. We are trying to do the impossible, and as you know, that takes a little time.

A REPORT FROM GERMANY

—(Continued from Page 1)—

to accomplish as much destruction of Germany as possible in the limited time before the Russians chase them across the Rhein and further.

But America is beginning to realize that if Germany is lost, then Europe is lost AND AMERICA IS ALSO LOST. Therefore Eisenhower and pro-Americans want to see Germany armed as strongly and as quickly as possible. James P. Warburg's plan to neutralize a disarmed Germany fits in very nicely with French and British aspirations. Today there is a strong propaganda campaign in progress to revive hatred and mistrust of Germany in the United States. The amount of news unfavorable to Germany, neo-Nazi provocations, Oradour trial in France, gains headlines in the American press and helps the Jews, France and England to sabotage the information of a real fighting force in Europe.

Since today not a single Allied contingent now stationed in Germany could be depended upon to stand and fight the Russians upon German soil the best immediate solution would be to stringently cut arms aid to France, Belgium, Italy and England and use these saved billions to organize and form AN AMERICAN FOREIGN LEGION. Let it consist of volunteers for there would be plenty. Let the Germans, Austrians, all the youth of Western European nations be eligible. Let the language of command be American. Let the avowed purpose of this European legion be the liberation of nations and territories now under Communist rule. Make it plain to these youth that national liberation is only a prelude to the formation of the Federated European Nations. The youth of Europe today HATES NATIONAL FRONTIERS which Europe's corrupt politicians defend.

Most important, the formation of such an American Foreign Legion, or American European Legion, should be entrusted to the American Marine Corps staff. For our luxury-loving, guinea-pig army is too incompetent here to handle this task. The formation of such a force would be just the medicine the American, British, French and other national contingents need to buck up their morale, promote healthy rivalry and put some pep into the present military set-up over here.

Furthermore, if we Americans want to be respected and liked in Germany, France and England, we had better turn over a new leaf. Bring back home the four hundred thousand odd dependents and civilians who are blackmarketing, cheating and exploiting the United States government for all they are worth. They are leeches and locusts and are a disgrace to our country.

Instead of digging underground establishments and supply bases in France which are costing hundreds of millions and which are absolutely certain to be captured during the first few days of any hostilities we had much better plan and organize for attack instead of defense. What can the Germans think of us when they see us constructing explosion chambers in their hundreds of bridges to blow them up in the face of danger. Marking out factories for destruction, getting ready to destroy and retreat instead of preparing to fight and advance.

The abandoned "containment policy" towards Russia was really a policy of appeasement and cowardice. Eisenhower and Dulles seem determined to replace this appeasement and cowardice, but their first step should be directed towards rearming Germany for only Germany can supply the backbone for the NATO Eunuch Armies in Europe.

Yes, today there is not only German demoralization, French swindling, English intrigue, there is also very widespread American demoralization and indifference to the debacle which is bound to occur unless we radically change our policy towards Germany which is the only country in Europe for which Communist Russia has the slightest respect and fear.

At home the ultra-cautious attitude of both the former and present administrations has been due to the incompetence and breakdown of our diplomacy and intelligence services who have been, and still are, feeding our higher-ups with false information much of which is supplied by communist and Jewish sources which, since 1918, have worked together.

And John Dulles should keep his promise and clean out the degenerate, incompetent, traitor-infested State Department. What has happened to those traitors who negotiated the Yalta and Potsdam treaties, especially the later, which President Truman admitted publicly he signed without even reading this document? Who were those traitors who drew up the Potsdam treaty and laid it before him to sign. They are still in the State Department. Their names have never been mentioned. They are still traitors. So out with them.

Many American employees defraud their Government by selling their coffee, tea, cocoa, cigarette rations on the black market.

God forgive us! God help us! Even though it offends seems we do not deserve His mercy and His love.

Signed, John Whitney

One of the most amazing and interesting stories ever to be revealed to the American people has recently been written by Major Racey Jordan, U.S.A., Ret. During World War II Major Racey Jordan was in charge of Lend Lease supplies to the Russians and when he first noticed the Russians taking valuable cargoes he started his diary with names, dates, and supplies.

Major Jordan does a splendid job in mixing humor with facts in exposing one of the greatest swindels ever to be perpetrated on the American taxpayer. He relates his personal day by day contacts with Colonel Kotikov and the Russian staff of Lend Lease thieves while working at Newark, New Jersey Army Air Base and the Great Falls Montana Air Base.

READ how Communists had top priority over all U. S. Military services in securing guns, ammunition, planes, and supplies, while our boys were dying on the battle fields in World War II from lack of badly needed ammunition and supplies.

READ how the Russians with the full consent of the White House flew thousands of pounds of Uranium and other valuable atomic energy chemicals out of the country.

READ how the Russian planes landed on our air fields with hundreds of Russians who would run across the airfields, jump fences, and ride off in taxi cabs to designated places.

READ how all American Military personnel were subjected to the supervision and direction of one Russian Colonel.

You can read all of these horrifying facts and hundreds of other appalling stories in "FROM MAJOR JORDAN'S DIARIES." Rush a check or money order for \$3.50 to COMMON SENSE, Union, N. J., sent post-paid.

LOVE

"Lord, make me an instrument of your peace, where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood, as to understand; to be loved as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life."

CLERGYMAN REVIEWS PAST
RECORD OF N. C. C.

By Rev. Harvey Taylor

State Senator Alpheus Decker of Deckersville, Mich., has branded the Revised Standard Version of the Bible, sponsored by the National Council of Churches of Christ as "devil-inspired", anti-Christ and Communist-inspired. Shocking that the very Word of God be used or rather misused, to further the work of anti-Christian forces? Not to those who are aware of the Satanic workings of the Communist mind. It is a known fact that in order to achieve their nefarious purposes—the destruction of Christianity and world enslavement, the Communist must infiltrate every segment of society. Religion is no exception. Rather, it is one of their most effective fronts. J. Edgar Hoover, a man in a position to know a great deal about subversive groups has said: "I confess to a real

apprehension so long as Communists are able to secure ministers of the gospel to promote their evil work."

NCC a Marxist Front

To better understand the implications of this brazen attempt to undermine the basic beliefs of Christianity some background material is necessary. The Revised Standard Version of the Bible which was presented to the public with much fanfare on Sept. 30, 1952 was "authorized" by the NCC. Now, even if this version of the Bible were found to be without error, the fact that it was the work of the National Council would cause much speculation. The record of this organization, its members in the higher echelons and its activities under its former name reads like a page out of the Daily Worker. In exposing the National Council of Churches, we wish to point out that nothing in this article is meant to be a reflection on the many God-fearing Christians who unknowingly, are a part of this organization. Our objective is to unmask the traitors who use religion as a front, to uncover the terrifying significance of their blasphemous Bible and to urge those whose churches are affiliated with the Council to take the necessary action.

FCC Aided Atheistic Communism

The Federal Council of Churches of Christ in America, the original title of the organization now known as the National Council of Churches, followed the Red line to such an extent that the Military Intelligence Association (May 12, 1927) reported the following: "We charge that the Federal Council of Churches of Christ meddles loosely in international questions and that it plays either wittingly or unwittingly squarely into the hands of the Communist Internationale—The World Revolutionists." MAY GOD AND THE TRUTH INSPIRE CONGRESS TO SAVE AMERICA

BARNEY BARUCH was never elected by the American people to any position—not even as dogcatcher.

BARUCH is the "elder SPOKESMAN" for a ZIONIST WORLD EMPIRE and nullification of American sovereignty.

If BARUCH'S warmongering for, and American regimentation during, World War I, was not a conspiratorial choice, World War I, it was a traitorous failure. America's atomic secrets were given to our enemies by masses of planted, unimpeded SPIES.

BARUCH—whose orders you are supposed to respect—spent \$10,000 to bring home the Communist Party's church-burners and clergy-torturers from Christian Spain.

One of these beneficiaries of BARUCH was Israel Regenstrief alias JOHN GATES (TIME, 1/2/39), the convicted editor of the Communist Party's Daily Worker.

NOW

American blood is being shed in an unauthorized "police action" in Korea, to also bleed white this most Christianized Asiatic country, prevent their independence, then turn in the long American-trained Chinese troops from Formosa to subjugate Korea and China under another Zionist-run dictatorship.

WITHIN SIXTY DAYS WAR?

A quick war, with or without the consent of CONGRESS, is reportedly planned within 60 days. The Zionists are now ready to supplant their Soviet brethren. There is no difference between Palestinian Socialism and Russian Socialism. Palestine is soldly MARXIST in leadership, in political parties, in rule, aim, and objective. BARUCH'S only authority is his own bold arrogance, his conviction that altho he has advised America into mass death and astronomical debt A-GAIN and A-GAIN and A-GAIN, that you will kneel to his will and sacrifice your country!

In the name of God and justice to the American people DO NOT SET UP BARUCH'S MOBILIZATION ORDER to regiment men, women and their YOUNG to serve and die in another PLANNED UNITED NATIONS WAR!

WRITE! WIRE!

PROTEST TO YOUR REPRESENTATIVES TODAY!

The enclosed went to every Congressman today March 24th, 1953.

Perhaps you saw BARNEY BARUCH over TV, or heard him on radio telling Congress what to do?

Before every fresh holocaust BARNEY comes before Congress for legislation in preparation for harnessing and slaughtering "the people who are like an ass-slaves who are considered the property of the master"—the Talmudists (Keth. 111a), as we are called.

Are we "asses", we "slaves" to be harnessed and slaughtered AGAIN without protest? Let CONGRESS KNOW THE SENTIMENT OF THE COUNTRY ON ANOTHER ZIONIST WAR FROM YOUR SECTION! It is unfair to assume they will not heed the real VOICE OF AMERICA unless we make some effort to be heard.

You and your neighbor's 19 year old boy is scheduled to be drafted for GLOBAL ZIONISM this next month in 41 states. Our blood and treasure are being strewn across the earth with little complaint from us "slaves who are considered the property of the MASTER."

Dulles - Red International Conspirator

By Arthur L. Andrews

John Foster Dulles is thought by some to be a Communist because of his long association with the Federal Council of Churches of Christ, a Communist-front group which has been cited many times for its Red activities and to which he has been legal counsel and mastermind. He is thought by others to be a Nazi, because he was involved in the Hitler seizure of power in Germany and later represented the Nazi cartels in the United States during the 1930s.

John Foster Dulles is neither a Communist nor a Nazi. He is, however, one of the most sinister figures in America. He received his training in international intrigue from a man who was publicly denounced by Congressman Henry T. Rainey as the most dangerous man in America, William Nelson Cromwell. Dulles' brother, Allen W. Dulles has an equally sinister background. As President of the Council on Foreign Relations, the central group for the leading Communist-front and pro-Red organizations in America, Allen Dulles had guided our Central Intelligence Agency for the past five years, and has now been named head of it. The Central Intelligence Agency, believed by many to be a tool of the Zionists, was denounced in 1950 because it was

sending information on Arab troop strength to the Israeli Intelligence, of which it has been called a branch. Allen Dulles was a director of the J. Henry Schroeder Banking House during

—(Continued on Page 2)—

the 1930s, while that bank was personal banker to Adolf Hitler and the financier of his success. Later, by his own admission, Allen Dulles masterminded the nearly successful attempt on Hitler's life on July 20, 1944.

While still a schoolboy, John Foster Dulles got his first taste of international conspiracy when he accompanied his grandfather, former Secretary of State John W. Foster, to the Hague Conference in 1907. In 1919, both Allen and John Foster Dulles accompanied their uncle, Robert Lansing, who was then Secretary of State to Woodrow Wilson, to the Paris Peace Conference of 1919. Allen Dulles held the title of legal adviser to our State Department. John Foster Dulles was for a while secretary to his uncle, who was publicly thanked by Rabbi Wise in Wise's autobiography "Challenging Years", for his distinguished service to Zionism at the Peace Conference. Here the Dulles brothers found that the road to success in American politics demanded lip-service to Zionism. They were happy to oblige. Allen Dulles became head of the Division of Near Eastern Affairs including Palestine in the State Department, which he resigned in 1926 to join his brother in the law firm of Sullivan and Cromwell, with Eustace Seligman, scion of the international Jewish banking family.

John Foster Dulles made even better connections at the Paris Peace conference. He became a member of the Supreme Economic Council with Bernard Baruch when his uncle went home and Baruch put him up as the first American member of the American Reparations Commission. This gave Dulles a position of enormous power in Germany, which he continued to hold through both the Weimar Republic and the Hitler regime. When the tide changed, his brother plotted to assassinate Hitler.

During the 1930s, John Foster Dulles was a director of International Nickel Corporation, which has virtually a monopoly on the world's trade in nickel. This company is controlled by Sir Alfred Mond, Jew, who controlled the Imperial Chemical Ltd. of England. Imperial Chemical is one of the big four in world chemicals, and Dulles's tie-up with them through International Nickel, as well as the fact that he was legal representative of the giant chemical combine, I. G. Farben of Germany, which was controlled by the Warburg family, shows how he has been the tool for such Jewish multi-millionaires as Warburg, Mond, and Eugene Meyer, Jew, who controls Allied Chemical and Dye Corp., another one of the big four in world chemicals. Eugene Meyer owns the Washington Post which is regarded as the Washington edition of the Daily Worker.

A member of the Rockefeller family through his marriage with Janet Avery, John Foster Dulles is the senior partner of the highest-priced international law firm in the world. Sullivan and Cromwell despite its dignified exterior, has a rather shabby reputation. We quote from the U. S. House Hearings on Panama, 1913, page 206, which reprints the legal brief and the staggering fees which William Nelson Cromwell demanded from the Panama Canal Company for his successful revolution. Cromwell describes his firm as follows:

"As far as the business of the great corporations is concerned in the United States the general counsel is, as a rule, the guiding spirit and has control. The law firm of Sullivan and Cromwell occupies a recognized position among the great legal corps of the nation. In the course of a very active thirty years, the firm of Sullivan and Cromwell has found itself placed in intimate relations, susceptible of being used to advantage, with men possessing power and influence everywhere in the United States; they have also come to know, and be in a position to influence, a considerable number of men in political life, in financial circles, and on the press, and all these influences and relations were of great utility in their performance of their duties in the Panama matter. Public opinion demanded the Nicaragua Canal. The daily press and the magazines of this country were entirely favorable to the Nicaragua Canal, and it was only by the greatest special personal efforts that it was possible to get them to take interest in Panama."

This is William Nelson Cromwell the mentor of John Foster Dulles, who stands condemned as a briber and revolutionist. His special personal efforts consisted of signing checks, which were mailed out to the press to get them to print his propaganda in favor of Panama.

We quote at such length because to understand John Foster Dulles you must understand William Nelson Cromwell, who taught Dulles his mastery of international conspiracy, subterfuge, fraud, revolution, and war. To continue from the New York World's revelations.

"On October 4, 1906, the World printed a story that Cromwell had the run of the White House and the War Department after the sale of the Panama Canal to the United States. Mr. Cromwell took an active part in promoting the

revolution on the Isthmus which took the canal territory from Colombia and created the Republic of Panama and that the Roosevelt Administration had advance knowledge of the manufactured revolution and took steps to make it a success by having warships at hand. The revolution occurred at the time set. On May 9, 1904, Secretary of the Treasury Shaw signed the \$40 million warrant, the largest ever drawn by the department, in payment for the canal property. What Mr. Cromwell got out of this has always been conjectural. He was to get a 5 per cent commission and pay all the expenses himself. Five per cent of \$40 million is \$2 million, but it costs something to manufacture a revolution. On January 2 last a cablegram from Paris to the New York newspapers stated that Mr. Cromwell's bill to the Panama Canal Co. was \$742,167.77. The bill was finally arbitrated at \$125,000. The arbitrators in lopping \$300,000 from Cromwell's bill took into consideration that for nine and a half years the Canal Co. had paid him an annual retainer of \$10,000.

The World carried a story on Oct. 19, 1908, "That Mr. Cromwell contributed funds to the revolutionary party in Panama was admitted by Mr. Cromwell himself in the presence of Secretary Taft. This admission was made at a banquet given in the Isthmus in December, 1904. In his speech Cromwell referred to a provision of the Constitution of Panama which gave all financial contributors to the revolution the right of citizenship. Cromwell declared that he had contributed largely to the revolutionists treasury and was therefore entitled to citizenship. Forty thousand dollars was given to the son of the President of Panama, \$35,000 in silver to the Admiral in charge of the Columbian garrison."

In the Congressional Hearings on Panama 1913, we find on page 402.

"Bribes were paid through drafts on J. P. Morgan Co. through Isaac Brandon Bros., Columbian officers received in bribes \$1,270,000 through this Panama banking house."

On page 29 of the Hearings,

"The story of Mr. Cromwell's encouragement of the revolutionists and then of his cold-bloodedly abandoning them to their fate was told in detail by Jose Ajustin Arango in a pamphlet entitled 'Datos historicos para la Independencia del Istmo', dated November 28, 1905. It is partly accurate in all the details."

On page 53, Congressman Rainey says,

"The declaration of independence which was promulgated in Panama on the 3rd of November of 1903 was prepared in the office of William Cromwell of New York. Our State Department was a party to the agreement that a revolution should occur on that date, the 3rd of November, 1903, and that day was selected for the reason the papers of the United States would be filled with election news and would not give much attention to news from Panama."

This reminds us of the similar appointment of Anna Rosenberg to be Assistant Secretary of Defense which was also done in an election news period so that patriots might overlook the appointment of a rabid Red-fronter alien Communist Jew to be in charge of sending our boys to the slaughter-pits of Korea.

The final statement on William Nelson Cromwell, the tutor of John Foster Dulles, was made by Congressman Rainey on page 61 of these Hearings, as follows:

"The revolutionists were in the pay of the Panama Railroad and Steamship Co., a New Jersey Corporation. The representative of that corporation was William Cromwell. He was the revolutionist who promoted and made possible the revolution on the Isthmus of Panama. At that time he was a shareholder in the railroad and its general counsel. William Cromwell—the most dangerous man this country has produced since the days of Aaron Burr—is a professional revolutionist."

Has John Foster Dulles inherited Cromwell's title of "the most dangerous man in America? Or does his brother Allen Dulles hold the title? At any rate, William Cromwell would have been proud of his pupil and protege in June of 1950, when John Foster Dulles spent several interesting days on the 38th parallel in Korea the week before the shooting started, and then wired for American boys to be sent to the slaughter.

Former Ambassador to Germany William Dodd makes many references to John Foster Dulles in "Ambassador Dodd's Diary" Harcourt Brace 1941. He mentions Dulles as the representative of many American banks including the Chase and the National City banks, which at that time

held more than \$100,000,000 in German bonds. Kuhn, Loeb Co held more than \$600,000,000 of German short-term credits, and Dulles represented Americans holding one billion and five hundred millions of dollars in German bonds. These Americans knew they couldn't get all of that money, but they wanted some of it. Under the Socialistic Weimer Republic, the Marxist Jews who controlled the German trade unions had gotten so powerful that the corporations weren't making any profit. Even worse, the trade unions had cut productions down so low that the factories were ready to close, Germany would collapse, and these Americans would lose everything. Obviously steps must be taken at once, and it was John Foster Dulles' mission to see that they were taken.

The historian Otto Lehmann-Russeldt, in his book, "Aggression", Hutchinson Co. London, 1942, says on page 44,

"Hitler was invited to a meeting at the Schroder Bank on January 4, 1933. He promised to break the power of the trade unions."

Senator Pepper, in the New York Times of Oct. 11, 1944, charged that John Foster Dulles, Kurt von Papen, and Baron von Schroder met in at that meeting in the Cologne branch of the Schroder Bank on Jan. 4, 1933, and the Nazis were assured of plenty of funds for their program at that meeting. To bear this out, it should be remembered that John Foster Dulles became the American representative of the German cartels, and that this brother, Allen Dulles, now head of our Central Intelligence Agency, became a director of the Schroder Bank, which held Hitler's personal account. Baron Kurt von Schroder became a Lieutenant General in the S.S. Corps. During the war, these men turned on Hitler and tried to assassinate him.

Who were the "Americans" who sent John Foster Dulles to Germany to pull their chestnuts out of the fire? One was Paul Warburg, who feared for his family holdings in the giant I. G. Farben Corporation, as well as his firm of Kuhn Loeb Co.'s loans to the German Republic. Another was Bernard Baruch, who controlled the German Electrical Trust, A. E. G., of which his stooge, Gerard Swope, a Jew remained a director throughout the Hitler regime until the outbreak of the war. Swope lists himself as a director of A. E. G. in Who's Who in American Jewry, 1938-39, which raises doubts as to Hitler's anti-Semitism. Baruch also controlled the firm of Dillon, Read, (Dillon was born Lapowitz) which put up the money for reorganizing the German steel trust in 1924 through Fritz Thyssen, who was later called the Man Behind Hitler. The Man Behind Thyssen was Dillon, and the Man Behind Dillon was Barney Baruch. Many millions of dollars were at stake in these corporations, and Hitler was the only man who could prevent the Jewish Marxists from taking over these properties. That is why John Foster Dulles went to Germany, and came back as lawyer for the German cartels during the Hitler regime.

The Dulles-Hitler honeymoon cracked up during the war. For one thing, Hitler decided that the Jews were a danger to Germany while she was fighting the armies of American and English Jewry, and locked them up. Therefore, Allen W. Dulles was sent to Switzerland as European director of the Office of Strategic Services, and the Vice-President of the J. Henry Schroder Banking Co. of which Allen Dulles was director, V. Lada-Mocarski, was sent to Switzerland as Vice-Consul. James Stewart Martin, on page 106 of his book, "All Honorable Men" says that Allen Dulles maintained steady contacts with German business men from his post in Switzerland. Allen Dulles himself, in his book, "Germany's Underground" Macmillan Co. 1947, says on page 125,

"I reached Switzerland as the tide of war turned in November of 1942. I was the last American to reach Switzerland legally before the German invasion of France cut the Swiss off completely . . . German officials and businessmen who had a legitimate reason to travel were able to come and go with some freedom . . . Various clues led me to Hans Gisevius and through him I was able at a relatively early date to make contact with the conspirators who planned and carried out the July 20, 1944 plot."

Allen Dulles also gave credit to the Jewish banking family Wallenberg of Sweden for doing much to help carry out the attempted assassination of Hitler.

The Dulles family maintains its interests in Germany. Thus Eleanor Dulles, sister of these two patriots, arrived in Berlin Jan. 8, 1953, according to an AP dispatch, for a study of West Berlin's economic situation. She is Assistant for Economic Affairs to James W. Riddleberger, the director of the State Department's German affairs Bureau.

John Foster Dulles had already accepted the post of Secretary of State in Dewey's Cabinet in 1948, when that worthy snatched defeat from the jaws of victory. Dulles, however, was not to be tapped by the votes of the American people. He became Secretary of State anyway, the mastermind of the Zionist puppet Dean Acheson. With the odd title of "Republican Adviser to the Secretary of State," John Foster Dulles hurried off to Korea, and a war was born. Dulles' role in inaugurating this wholesale slaughter of American boys cannot be overemphasized. Beverly

given concerning the Federal Council's support of the Communist movement in China.

In the Congressional Record for 1935, the following statement appears, made by the United States Naval Intelligence with reference to the Federal Council: "... which while not openly advocating the 'force and violence' principles of the Communist party give aid and comfort to the Communist movement and party. ... It is a large and pacifist organization and probably represent 20,000,000 Protestants in the United States. However, its leadership consists of a small radical group which dictates its policies. It is always extremely active in any matters against national defense."

Past Record of FCC

In the past, the Council has gone on record in favor of the League of Nations, World Court, and disarmament and it has opposed such measures as the Naval Bill, the Un-American Activities Committee, and (in cooperation with the Red American Civil Liberties Union) has objected to the deportation or exclusion of alien reds. The Federal Council's attacks on free enterprise, capitalism and the American way of life and its endorsements of socialism are numerous. In 1932, the Council stated in an official report: "The Christian ideal calls for hearty support of a planned economic system. It demands that cooperation shall replace competition as a fundamental method." Also in 1932, they adopted the following: "The churches should stand for social planning and control of the credit and monetary systems and the economic processes."

Illicit Sex Relations

The communist plan for the breakdown of morality was followed to perfection by the FCC's issuance of a disgusting sex pamphlet, "Young People's Relationships," prepared by Benjamin S. Winchester who was secretary of the Council at the time. The booklet "Sugar Coating Communism," by Gen. Amos Fries calls this manual, "A crowning achievement of the Federal Council controlling group along the line of preparing the way for atheistic communism." In the second printing of the pamphlet, possibly because of Gen. Fries' exposure, the reference to FCC sponsorship was cleverly deleted.

For additional facts which certainly leave no doubt regarding the activities of the Federal Council let us consider the case of Dr. Toyohiko Kagawa, Socialist from Japan. In 1935, Kagawa, through the influence of the Council, was permitted entry into the U. S. for a seven months' visit. While here, he toured the country delivering lectures under the sponsorship of the Federal Council. In order to give a clearer picture of Kagawa's beliefs and opinions it must be noted here that his was the first name listed as being one of the corresponding editors for the bulletin, "Economic Justice," a publication issued by the National Religion and Labor Foundation (a pro-Soviet organization to which several members of the FCC belonged). The Nov. 1932 issue of "Economic Justice" flagrantly displayed a blasphemous cartoon of Christ by Art Young of the staff of the Communist atheist "New Masses". The Federal Council again showed its true colors by its complete acceptance and sponsorship of a man of such caliber.

FCC Leader Views on Communism

Not only do we have the above mentioned activities as unassailable proof of the Red record of the Council but the leaders themselves have issued statements about Communism and Socialism that make their stand unmistakably clear. Do the following quotations coincide with your beliefs?

"Is it not probable that the greatest event of the 20th Century thus far is the Soviet Revolution and all it has meant to human welfare?" (Prof. Jerome Davis, long time member of the Federal Council inner circle)

"When the Western world was flourishing in an unjust and competitive order. . . . God reached out and put his hand on the Russian communists to produce a juster order and to show recumbent church what it has missed in its own gospel." (E. Stanley Jones, Federal Council-sponsored preacher and speaker.)

"Denominationally I am a Presbyterian; religiously a Unitarian; and politically, I'm a Communist. I'm not preaching to make people good or anything of the sort. I'm in the church because I can reach people easier that way and get them organized for Communism." (Rev. Claude C. Williams, a confessed Communist Party member, Director of People's Institute of Applied Religion and long-time intimate of prominent Federal Council personalities.)

"God for us cannot be . . . an . . . avenging Being who because of Adam's sin must have his Shylockian pound of flesh. No wonder the honest boy in justifiable repugnance could say, 'dirty bully'." (Bishop G. Bromley Oxnam, FCC President, 1944-46, "Preaching in a Revolutionary Age", page 79).

Red Bishop Oxnam

The reference to Bishop Oxnam is a reminder that no account of the Federal Council of Churches could be considered complete without a few words on the subject of one of their most

radical presidents. It is inconceivable that an organization interested in furthering the ideals of Americanism and Christianity would allow such a man to act in the capacity of president. The fact that they have done so is irrefutable proof of their activities.

The Knoxville Journal (Aug. 16, 1946) carried a front page article protesting the East Tennessee Education Association's invitation to G. Bromley Oxnam to address them on Nov. 1, 1946. The article stated that Oxnam was not a member of the Communist Party, so far as is known but added "A story of his record, however, reveals a remarkable affinity between his activities as churchman and political causes directly or indirectly moving towards objectives espoused by American Reds and world Communism."

Oxnam and A. C. L. U.

Bishop Oxnam's affiliations and activities constituted sufficient basis for concern on the part of the editors of the above mentioned newspaper. In 1940, Oxnam became national committeeman of the American Civil Liberties Union. Despite the altruistic motives that may be suggested by its title, the Congressional Committee to Investigate Communism had the following to say: "The A. C. L. U. is closely affiliated with the communist movement in the United States, and fully 90 per cent of its efforts are on behalf of Communists who have come into conflict with the law. It claims to stand for free speech, free press, and free assembly, but it is quite apparent that the main function of the A. C. L. U. is to attempt to protect the communists in their advocacy of force and violence to overthrow the government."

The Dies Committee cited the following connections of Bishop Oxnam: editorial advisor of the "Protestant"; his membership in "American Round Table on India" (whose secretary was Robert Norton, well-known member of the Communist party); his sponsorship of the National Council of American-Soviet Friendship. Also in evidence was his membership on the Communist Party's National Reception Committee to the Russian Delegation.

In 1928, Oxnam was executive secretary of the Methodist Federation for Social Service and later became its vice-president. Concerning this organization, the California Committee on Un-American Activities reported: "Among the more conspicuous fronts for Communist activity in the field of relief assistance, and welfare work, a statement in their Social Service Bulletin No. 8, 1932 admits co-operation with the Communists."

The Red record of Bishop Oxnam which could adequately fill pages more, has been presented with limitations. However, it is sufficient indication not only of his personal tendencies but also indisputable evidence of the policies of the organization of which he was president - the Federal Council.

RED AFFILIATIONS OF OTHER FCC LEADERS

To complete the history of the organization which later became known as the National Council of Churches, we list just a few of the hundreds of officers, leaders and prominent members of the FCC who have aided and abetted atheistic, un-American organizations:

Henry A. Atkinson - American Committee to Save Refugees, American Round Table on India, American Youth Congress, League of American Writers, Signer of "World of Tomorrow" Poll.

Henry Emerson Fosdick - American Civil Liberties Union, Emergency Peace Mobilization, Fellowship of Reconciliation.

L. O. Hartman - American Friends of Spanish Democracy, American League for Peace and Democracy, Methodist Federation for Social Action, National Negro Congress.

Halford E. Luccock - Committee on Militarism in Education, Conference on Constitutional Liberties in America, Socialist Party, Washington Committee to Lift the Spanish Embargo.

Reinhold Niebuhr - Consumers' National Federation, League for Industrial Democracy, National Religion and Labor Foundation.

Harry F. Ward - American Committee for Protection of Foreign Born, American Fund for Public League Against War and Fascism, Civil Rights Congress, Conference on Pan-American Democracy.

(A far more complete record of Federal Council members may be obtained by writing COMMON SENSE for the pamphlet, "How Red is the National (Federal) Council of Churches" published by the American Council of Christian Laymen. Single copy - \$.15)

It is a matter of record that Communist organizations, in order to destroy opposition and more effectively carry on their work, have "disbanded", only to re-appear under a new name, retaining their original aims and purposes. Similarly, at a Constituting Convention in Cleveland, Ohio (Nov. 28 to Dec. 1, 1950) the FCC "went underground" by merging with other interdenominational organizations under the name, National Council of Churches of Christ in the U. S. A.

(In our next issue, we will deal with the NCC and its leaders with particular emphasis on the records of the men who dared to set themselves up as authorities on the translation of the Bible.)

Velde On Red Clerics

The controversial statement of Representative Velde that Red infiltration into religion might be investigated was based on an official document showing 150 clerics affiliated with Communist fronts. Representative Velde has in his possession a dossier completed from the committee files, citing 85 ministers linked with Red fronts, and they include names from all denominations. Reports on some individuals cover 4 or 5 pages and not a few of these clerics have been members of the Communist party.

Communist fronts are now opening up their meetings with prayer. This is to get people to believe that religion is a part of Communism. And it has been accurately timed by the Reds to put the House Committee on Un-American Activities in an awkward position.

Let's back up patriot Velde, and demand that he be given a green light on the church investigation.

BRICKER RESOLUTION

One of the most important matters to come up before this session of Congress is the Bricker Resolution.

This Resolution would amend the Constitution to prohibit any treaty made by the Chief Executive which infringes on the Constitution or subjects American citizens to the jurisdiction of foreign courts in matters which it is their right to settle in the domestic courts of their own country. In view of the character of the Convention Against Genocide and the Proposed Covenant on Human Rights before the UN, it is important the rights of American citizens be protected and not infringed upon by these or other proposed amendments. The adoption of either of the latter two proposals would just about end individual freedom as we know it today. **WRITE YOUR CONGRESSMAN IMMEDIATELY AND DEMAND THAT THE BRICKER RESOLUTION BE BROUGHT BEFORE CONGRESS IMMEDIATELY, SO THAT A SUITABLE AMENDMENT MAY BE ADOPTED AND SUBMITTED TO THE STATES FOR RATIFICATION.**

Yankee Doodle blew his top,
Said we didn't need 'em
Throw the whole damn business out
And give us back our freedom.

Men were there from all the world,
Some of them were British,
Some were Russian, some were Dutch,

Negative or Positive We Still Fight For Christianity

The editor and staff of COMMON SENSE have been so pressed for time and constantly under fire by the enemy that many important facts are overlooked. Because of the shortage of time, money and facilities we have been unable to give the American people more than a fraction of the news and information available.

Because of this some new readers to COMMON SENSE hesitate to be convinced of the facts contained therein. They remark the paper has a "negative approach" and should be handled in a positive and constructive manner.

No one realizes this better than the editor and staff of Common Sense. We fully realize our approach is negative in a manner of speaking. However, there are many good reasons for retaining this so-called "negative approach".

The positive approach and the one we consider the most important, is the religious or spiritual build-up of Christianity. This method of education would be sufficient if the majority of the Christians were not indifferent to the Commandments of God, and if the enemy did not have control of the reins of the positive educational system.

Common Sense, being a national movement of all Christian denominations, cannot with prudence or effectiveness deal with the religious and spiritual education of Christians with the positive approach as the ONLY means of education.

Common Sense is alive today, through the grace of Almighty God, for one main reason: TO THROW A SPOTLIGHT ON THE ENEMY IN DARK CORNERS OF THE EARTH, TO TAKE THE LAMB'S WOOL OFF THE WOLF, AND TO SEND UP A RED DANGER SIGNAL TO THOSE WHO FOLLOW THE POSITIVE APPROACH BLINDLY.

The negative and positive approaches go hand in hand when dealing with any type of diabolical force. They cannot be separated. Our Lord and Master, to whom we look for guidance taught us this with His example on earth. He exposed His enemies and at the same time prayed to God the Father in Heaven. Any firm believer in Jesus Christ knows this and acts accordingly. Our trouble today is that we have too many people who claim to be followers of Christ but hesitate to imitate Him when it appears that he or she is going to suffer as a result. They will not point a finger at His enemy if their financial or social position is jeopardized. No, they will not run the risk of being persecuted and deprived of their luxuries. They are followers of Jesus Christ so long as it doesn't hurt, but if it hurts they turn their back on His teachings and example and race madly through their consciences for an escape. Yes, it was all right for Christ to go to His agony and death on the cross for the truth, but too many of our modern-day Christians postpone any inconvenience to their comfortable mode of living until it is forced upon them. Siberia is full of these Christians and, unfortunately, so is the United States of America.

John Foster Dulles

Smith, in "Why We Went To War in Korea," in the Saturday Evening Post of November 10, 1950, quotes the telegram which Dulles sent to the State Department on June 25, 1950,

"If it appears that the South Koreans cannot repulse the attack, then we believe that United States forces should be used."

Just who "we" could be, in this instance, is not disclosed. Probably he meant himself and Barney Baruch.

Besides the credit for the Korean War, John Foster Dulles can also claim full credit for appointing the Communist spy Alger Hiss as President of the Carnegie Endowment for International Peace. John W. Davis, a famous lawyer and Democratic candidate for President in 1924, told a House committee on Dec. 10, 1952 that John Foster Dulles was the first person to recommend Hiss for the job. Why not? Hiss was an old friend of the Dulles boys and Ike Eisenhower in the council on Foreign Relations. If Chambers had not exposed him, there is not the slightest doubt that Hiss would now be an Assistant Secretary of State under Dulles, instead of being locked up as a traitor to America. When Dulles put him up for his job, he was besieged with warnings of Hiss' Communist background. Not only did he pooch-pooch these charges, which were made by responsible people, but he refused to look at the evidence. Perhaps this evidence could have endangered Dulles' own appointment, for he was named Chairman of the Carnegie fund the same day Hiss was appointed President. Dulles and Hiss were on the best of terms, worked together very closely, and it seems impossible that a man of Dulles' wide connections in intelligence work could have failed to know of Hiss' Communist espionage. The question is: Did he deliberately dismiss evidence of Hiss' treason? Alfred Kohlberg testified before the House Committee on Dec. 17, 1952 that he personally called on Dulles in December, 1946 to warn him of Hiss' Communism. Dulles replied, "Oh yes, I've heard several times that he was a sort of fellow traveler, but I don't condemn a man without first-hand proof."

Nevertheless, Dulles refused to look at any proof. The New York Times of Dec. 18, 1948, carried on an inside page the story of the prominent Detroit lawyer, Larry S. Davidow, who had two years earlier told Dulles that Alger Hiss had a provable Communist record, in a letter written to Dulles on Dec. 23, 1946 in an effort to head off Hiss' appointment to the Carnegie post. Dulles replied by letter on Dec. 26, 1946, that Hiss had already been named to the position and that Hiss' loyalty was above suspicion. Fulton Lewis read both letters over the radio on Dec. 17, 1948. In response to the evidence that Dulles had been the collaborator of Alger Hiss, Dulles refused to appear and testify before a special House Committee on Dec. 27, 1952. The Committee offered John Foster Dulles the privilege of appearing any day which suited him but no day suited Mr. Dulles. No doubt he remembered that a perjury conviction from testimony before just such a committee had put his friend Alger Hiss in prison.

With the able assistance of Alger Hiss, John Foster Dulles guided the United Nations through its first trying months. Dulles has never been reticent about his determination to destroy the American Republic, wipe out the liberty and sovereignty of this nation under God, and place us at the mercy of a handful of professional internationalists as ruthless and cunning as himself. On October 22, 1949, he wrote the Secretary Mr. Moore, of the Atlantic Union Committee as follows: "As a Senator I shall vote for the Atlantic Union Resolution (S. Reg. 57)". On November 22, 1952, John Foster Dulles sent a telegram to Mr. Henry, Chairman of the Buffalo Atlantic Union Committee, affirming his support of their treasonable activities. On October 28, 1953, the Atlantic Union Committee met with the United World Federalist in Cleveland, Ohio, and decided that "To implement these policies the Assembly adopted five major objectives for the coming year, the first of which was to work for the passage of a Congressional resolution which would call for a declaration by the United States Government that the development of the United Nations into a world federation is the fundamental objective of the American foreign policy."

That this is Secretary of State John Foster Dulles' present course is revealed by his speech before the National Council of Churches of Christ in Denver on December 10, 1952, in which he laid down the program he would follow as Secretary of State in the Eisenhower Cabinet. First he said that he would strengthen the powers of the United Nations. Second, he would put an end to discrimination at home. Third, he would increase the amount of money which America is giving away abroad.

The National Council of Churches of Christ under its former name, the Federal Council of Churches of Christ was cited for its Communist-front activities in Government documents at least six times, while Dulles was legal counsel for it. It is indicative of his allegiances that he chose this group to deliver his definitive statement on his plans as Secretary of State.

IS COMMUNISM Anti-Semitic?

Dear Mr. McGinley:

Just as back in the 1930's, there were certain interests propagandizing Britons and Americans, thru all possible channels, to go to war with Germany because of an alleged persecution, and finally the alleged killing of 6,000,000 Jews by the Nazis, now practically the same interests are building up in America an excuse for USA to go to war with Russia. They claim that the 3,000,000 Jews behind the Iron Curtain are being persecuted and a small number being killed. In the mouth of the man who nominated General Eisenhower, Gov. of Md. Theo R. McKeldin in his speech Dec. 4 1952, the "they" or "we" threaten Russia:

"WE SHALL NOT LET the current revelation of COMMUNIST ANTI-SEMITISM become a passing issue as similar revelations in the past. THE SOFT DEAL FOR COMMUNISTS IS NEARING ITS END."

The press claims that no American attended the Prague "purge trials", nor saw any of them liquidated. Fact that it is publicized that 11 of the 14 Czechoslovakian leaders "purged", were Jews, proves the control that Red Jews exercised in that country; but what is not equally publicized is the fact that there are still seven Jews running that country. Future history will probably disclose the above "persecution" to be the same kind of hoax and "big lie" that Hitler's alleged killing of 6,000,000 Jews proved to be.

"United Nations World" for DEC., 1952, page 6, says: "In 1925, when the last pre-Hitler census was taken, there were 584,579 Jews living in the German Reich".

"Must Men Hate?", by Sigmund Livingston, founder, and for 30 years Chairman of the Anti-Defamation League of the B'nai B'rith (certainly must be considered an authentic Jewish source), Copyright 1944 by Harper & Brothers, published by The World Publishing Co., 2231 West 110th Street, Cleveland 2, Ohio. Forum Books Division, First Printing, SEPTEMBER, 1945, states on page 148: "Before the Nazi regime the German Jew constituted LESS THAN 1 PER CENT of the German population." Repeated on pages 62, 91, 126, 127, 128 and pages 205 and 206 the following statement first voiced on pages 62: "... there were then (1932) only 550,000 JEWS IN ALL GERMANY, including men, women and children."

Out of the mouth of official Jewry, above is positive proof that Hitler could not have killed 600,000 Jews, let alone 6,000,000. Statistics show that from 1832 on up to 1939, the outbreak of World II, most of the 550,000 Jews had fled to the USA and other parts of the world. Congress must not permit the current alleged "persecution of Russian Jews" to be juggled into a reason, as was done in the 1930s and early 1940s for the USA going to war against Russia. Being forewarned is being forearmed.

For Christ and Country;

CHARLES B. HUDSON

First, he will increase the power of alien officials of the United Nations, including Soviet officials, over American citizens. Second he will stop "discrimination." This could only be done by clamping down an iron dictatorship on the thoughts, speeches, and writings of free American citizens. Third, he will intensify the giveaway program which has done so much to weaken us in the face of Russian aggression.

Significantly, he said nothing about stopping the Korean War in which he played such a prominent role in the beginning. He is only concerned with the civil rights of minorities, and to ensure those civil rights, he will take away all of the civil rights of the majority of white Americans. Can he carry out his insane program of reducing our people to helpless robots who await the Jewish Communist onslaught? Or will Americans once more assert their right to bear arms in the defense of their homes and families against alien aggressors? That is the issue at stake, and John Foster Dulles, the Aaron Burr of today, regardless of his Nazi affiliations or his Communist affiliations, has shown time and again where he stands in respect to the constitutional rights of free-born American citizens. The challenge has been thrown down to us. Will we silently watch our liberties stripped from us one by one or will we make the protest which decency demands of us? Let us leave to our children at least a few of the rights and privileges of American citizenship to which we were born and which our forefathers fought to secure for us.

Will Dulles be more subversive than his understudy, Dean Acheson, was?

**OFFICER OF AMERICAN JEWISH CONGRESS FILES
Suit Against Harassed Persecuted Defender
of Christianity and Americanism**

By **ELIZABETH DILLING**
(Box 659, Chicago, Ill.)

If you know Conde McGinley, personally, you know that he is an unassuming, even humble and devout Christian. He does not trumpet his Christian faith, he has put his all, his life and funds into practical service of Christ and His faith.

If you know anything about the Communist-Socialist movement, which has enslaved about half of the world's population through deceptive lies and promises, then by force and terrorism, you know that COMMON SENSE is doing the most far-reaching and most effective job against this Satanic movement.

THE AMERICAN JEWISH CONGRESS and its millionaire allies know this.

If you have made any study of mis-named "JUDAISM", thru my writings and photostats, you know that the "TRADITION of the PHARISEES", in written form, is the BABYLONIAN TALMUD. The TALMUD, which is a careful blasphemy and reversal of every moral law in the OLD TESTAMENT, is the criminal and anti-human law of so-called "JUDAISM."

Its principles are the veritable sewer which Christ likened to whited sepulchres, full of dead men's bones and all uncleanness. Hypocrites, liars, devourers of widows' substance, worthy of the damnation of hell—are a few of the exhortations Christ directed against Pharisaism. If Christ was a libeling character-assassin in thus designating all who held to Pharisaism, then He should have been sued, as Conde is being sued for LIBEL!

EITHER CHRIST LIBELED PHARISAISM OR HE WAS DIVINELY RIGHT:

But, the PHARISEES did not SUE JESUS CHRIST. They boast TODAY not only that they tried and convicted CHRIST before their Sanhedrin and connived to have Him CRUCIFIED, they teach TODAY in their TALMUD that He was worthy of FIVE deaths: they sink Him "in dung to the armpits" and strangle HIM; they sink HIM "in dung to the armpits" and pour boiling lead down His pried-open mouth; they stone HIM to death; they cut off His dear head; then they CRUCIFY HIM as a "blasphemer" of their Pharisee religion.

REVISED BIBLE A MARXIST FRAUD

(This is the second of a series of three articles on the National Council of Churches)

By Rev. Harvey Taylor

An organization such as the National Council of Churches of Christ, which claims to represent 28,000,000 Protestants can be a tremendously effective instrument for either good or evil. In the last issue of COMMON SENSE, we exposed the atheistic, un-American activities of its parent organization, the Federal Council of Churches. At this time, we would like to point out the workings of the NCC and the caliber of the leaders who are representing (2) millions of unsuspecting Christians.

In "The Religious Newsweekly" (Jan. 26, 1953), NCC publication, we find an item concerning a recent conference on current affairs, held at New York's Grosvenor Hotel sponsored by the Council's Department of United Church Women. One of the topics under discussion was the current investigation of public schools. Miss Esther Stamats, director of Christian Social Relations for UCW, stated that the present attacks on public schools "strike at the heart of freedom and democracy." (Just as a reminder—the Communists, who are avowed enemies of freedom and democracy, ironically enough, are constantly rearing their ugly heads loudly protesting that these ideals are being tampered with. The reason is quite clear. Freedom and democracy provide clever shields behind which they can operate successfully.)

To return to the opposition of the NCC to the school investigations, it sheds an unfavorable pink light on their attitude toward Red elements in education. For the past few years informed parents, educators and anti-Communists have watched with growing apprehension the increased infiltration into our schools. Subtly these radical teachers have been inculcating Communist ideology into the minds of their students. It is, and has been, an extremely grave threat to our nation's security. There is no doubt but that the poisonous teachings which have been allowed to seep into our educational system must be checked immediately. But, the National Council feels that it is more dangerous to tamper with the freedom of these educators than to permit them to continue until they eventually destroy the freedom of all. (!)

In the same issue of the "Newsweekly", a report on a luncheon in honor of Dr. F. Ernest Johnson listed as one of the speakers, DR. SAMUEL MCCREA CAVERT, general secretary of the National Council. Dr. Cavert has been affiliated with the following subversive organizations: Fellowship of Reconciliation, North American Committee to Aid Spanish Democracy, "The Protestant", (cited as a communist publication by the California Committee on Un-American Activities) and War Resisters League.

HOW MANY WARS?

The following was broadcast on the radio by John T. Flynn, noted author and lecturer.

We have been hearing a great deal about graft in the United States. I think it is true that there has never been so much graft in American politics as there is at the present time. I also think it is quite proper for General Eisenhower to deplore the graft and the corruption. But strange as it might seem, I venture the opinion that the graft itself is a minor issue. We will never be bankrupt by graft in Washington. The graft doesn't add more than a few pennies to your taxes. The worst thing about the graft is not the money that it costs us, but the fact that grafters are governing us. It is a bad thing to have a corrupt man holding high office. He may make a few dollars out of it or a few hundred or a million through his graft. But the real injury he does us is not the dollars we lose but the fact that we have a corrupt mind ordering the affairs of a great city or a great state or a powerful bureau of the government.

General Eisenhower talks about the graft as something that is bankrupting the nation. The federal government has got enough money from taxes and loans to spend six or seven billion dollars a month. The amount of graft in that will be trivial—five thousand here, a couple of hundred there, ten thousand to some other grafter, a hundred thousand to some other grafting group—but all put together it doesn't amount to much. The graft is a bad thing because it is corrupt and is corrupting us and enables corrupt men to control and shape our destiny. But the thing that is slowly and now more rapidly taking us toward bankruptcy is the insane international policies of the present government. We are spending hundreds and hundreds and thousands of millions of dollars on these vast world programs of Washington. And that's what's taking us to bankruptcy.

When is all this going to stop? And who is there around that is really interested in stopping it? Now I bring this up because I read part of a speech made by General George Marshall in France recently. General Marshall was invited over there to speak at some memorial exercises commemorating the heroic sacrifices of a hundred and four thousand American boys buried in Europe. In the course of this speech he assured the people of Europe and the world that in the future the United States would be in every war that might be fought in Europe. Now I want you to get the full meaning of that. General Marshall pledged

—(Continued on Page 2)—

HOW MANY WARS?

(Continued from Page 1)—

to the people of Europe that this country would be in every war that's fought in Europe in the future. And General Marshall represents a body of military men and politicians in this country, along with some business men, who are committed to that appalling program.

If you want to know what will bankrupt the United States, this is it—just one more European war. And that may not be necessary. All the grafters in all the administrations since the beginning of the country—including all the grafters in all the states and cities—all put together for a hundred and fifty years haven't stolen as much money as this wild international globalism of General Marshall and his military and political associates have cost us in this one year.

You know, I get a little fed up when I hear these men talking about our allies in Europe. In these wars which General Marshall is talking about, what side are we going to be on? Who are going to be our allies, and what are we going to be fighting for? These alliances are built on pie-crust. In the First World War, Germany, Austria and Italy were allies, bound together by the most sacred commitments. But when the war started, Italy tore up the contract and went in on the side of the allies. After the First World War, we began to hear for the first time on a large scale about this thing called collective security. France decided she would build a wall of allies around Germany. Germany—prostrate, torn by socialist revolution—was to be contained, as they say. France provided her military allies with equipment and loans. She went into debt to do so.

Now the United States is building collective security in Europe. Collective security for whom? Not for the United States, but collective security for Europe. Now it so happens that our newspapers and magazines maintain representatives in Europe and the pages of our papers and magazines are filled with their dispatches telling what's going on in Europe. Following them, I concede, is quite a chore. But one thing is clear from these reports, and that is that we have no allies in Europe. We have set goals for their military program. The goals are actually trivial. But not one of these countries shows any signs of meeting these goals in military preparation even though the United States is pouring out billions over there and providing them with the equipment.

In France, the interest now is to get the United States to stop giving them military equipment and give them money instead. Our administration is producing prosperity in this country by manufacturing military equipment and giving it to Europe. But the Frenchman says we want to make this equipment ourselves so as to put our people to work instead of the Americans; So give us the money and let us start the arms factories going over here. But of course our government won't do that. Our government wants to keep the arms factories going here—that's what is producing the jobs and making the prosperity in America. And the only interest the French have in this war business is to get us to give them the money instead of the arms so they can make jobs in the French factories.

Now I do not say this wholly in criticism of France or of Western Europe generally. France was in a hole. She's busted. Two wars and fifty years of creeping socialism have ruined her. She wants no more war and her statesmen know that if Russia wished to invade France and conquer France, Russia could do it in a few weeks time. Why doesn't Russia do it? Well, why should she. The Russian statesmen are students of socialist economics. They know that England, France, Italy—all the coun-

Yeshiva—wherever the so-called "Jewish" religion is taught, Christians are cursed and libeled as being lower than prostitutes, lower than those who breed incestuous offspring, lower than anything that lives.

BUT THIS LIBEL IS PERMITTED

TODAY, everywhere the so-called "Jewish" religion is taught, Christians are ALL consigned to everlasting HELL along with CHRIST.

BUT THIS LIBEL IS PERMITTED!

Why do the Pharisees, past and present, hate Christianity so sadistically? Because every teaching of Christianity is directly opposite to every teaching of so-called "Judaism". According to the teachings of the Talmud: A so-called "Jew" may always lie to, cheat, or kill a non-Jew.

According to the teachings of the supreme code of Pharisaism, the Talmud, grown men may always rape or commit sodomy with baby girls under three, may commit sodomy with little boys, with neighbors' wives.

THIS CRIMINAL TEACHING IS PERMITTED IN "CHRISTIAN AMERICA"!!!

Christ's teachings about little children, about everything, are like a red rag to a bull in the eyes of Pharisee rabbis.

CHRISTIANITY IS BEING SUED!

The suit against Conde McGinley and his militantly pro-Christian, pro-American paper is not against this humble man.

This suit is against every Christian.

It is aimed to prevent Christians from knowing the truth. And, as they know, and as Christ said, only the TRUTH can make us FREE (John 8:32).

As long as Christians can be duped into thinking that the conglomeration of demonism and criminal paganism which has been dressed up with the stolen name of "Judaism" is the parent of Christianity, so long will the Christian world continue its march to the liquidation camp, the torture prison, slave labor and the grave.

Christianity never sprang from the sewer of the baby-raping, lying, anti-human Satanism of the Pharisees!

Communism And "Judaism"

The ethics of Communism and Pharisaism are in all respects identical. Both advocate attractive approaches and promises to intended victims, followed by the iron clamp of dictatorship. Both blaspheme the Bible and utterly destroy its teachings. Both stand for the enslavement of mankind.

Communism conceals the fact that this enslavement is to be, as it has been everywhere and always, under the self-styled "Jew". This is ap-

parties of Europe—are destroying their so-called free system. This suicidal tragedy is taking place before our eyes. They are all tumbling headlong into the abyss of socialism. In the government of France, those who are not socialists are either Communists or Fascists for the most part, though they may not call themselves Fascists. There is not a corporal's guard in the parliaments of any of these countries who is interested in this so-called free world that our demagogues talk about.

In the last few months in the United States, we have been hearing not only from some of our military leaders and some of our pink foundations, but from some of our strange political leaders about plans for enlarging American spendings all over the world. General Marshall pledges the people of Europe that they can count on us being in any war that is fought over there, though I am sure General Marshall has not the faintest idea of the kind of wars that will be fought in Europe, how Europe will line up or what we may be fighting for. We have in Europe a thing called NATO—the North Atlantic Treaty Organization state in the making. It has its army and its flag and its navy and we are paying most of the bills for that. It includes fourteen nations of Western Europe, the United States and Canada. But there are powerful interests and powerful leaders in both our parties running for office now who say that NATO is not big enough, hasn't got enough power and ought to spread all over the world, instead of the twelve nations of Western Europe. Do these men ever pause to think what this is doing to the United States—our inflation, our dislocations in labor, the eating away of our insurance and savings through inflation, the disturbance of our whole economic system, the piling up of a debt that will destroy us—and endless wars all over the world?

parently after the iron clamp has been locked on.

Communism carries out the Pharisee doctrine: "The Pharisee . . . held that only Israelites are men". This article in the Jewish Encyclopedia is reproduced in my compilation of 299 photostats as Exhibit 268. "Gentiles they classified not as men" (ibid). All non-Pharisees are: "People that are like an ass—slaves who are considered the property of the master"—the human beings or Pharisee "Jews" (Exh. 148) in the PLOT AGAINST CHRISTIANITY photostats.—(Order from COMMON SENSE, now \$2.00).

WORLD RULE by self-styled "Jews" is the goal sought. The Chad Gadyan-Passover song celebrates the time when one nation has devoured another until only "Israel" (meaning the false, phony "Israel" of Pharisaism) is left. The necessary forces for this purpose: "These are the throes of mother Zion which is in labor to bring forth the MESSIAH—WITHOUT METAPHOR THE JEWISH PEOPLE" (Exh. 147, ibid).

Any conspiracy which seeks to disenfranchise, despoil, enslave, kill if desirable, the bulk of the population of the world and of this country would ordinarily be closed up as a criminal affair. All through the centuries this has occurred periodically. Yet, you and I have been told and are continually told the lie that this was "Persecution of the Jews".

Will you help persecuted Christianity today?

The lie-drugged Christians of Europe have let their Cardinal Mindzerties and Archbishop Stepanics, their thousands of Protestant and Catholic clergy go to the torture, the prisons and the graves of Pharisaic Communism.

BUT WHAT ARE YOU GOING TO DO ABOUT OUR OWN BRAVE CHAMPION CONDE MCGINLEY?

The National Jewish Post (March 27, 1953) quotes Rabbi Joachim Prinz, the American Jewish Congress official who is suing Mr. McGinley as stating: "It's about time this scurrilous sheet was put out of business!"

ARE YOU GOING TO LET THEM FOLD UP the leading anti-Communist Voice of Truth working for YOUR liberty, for YOUR country, fighting YOUR battle? THAT IS THE PURPOSE OF THIS LAW SUIT.

Just a year ago, Mr. McGinley finally made public the third attempt on his life by JEWRY. The May 1, 1952, edition of COMMON SENSE was headed:

"ASSASSINATION ATTEMPT ON EDITOR BY REDS — JEWS ANSWER TO CRITICISM — COMMON SENSE ATTACKED FOR THIRD TIME, TWO UNION BOYS BEATEN IN BRUTAL ASSAULT — Windows Smashed; Editor Escapes With His Life. As Jew Terrorists Strike! Jews Say They'll Kill McGinley and O'Brien, If One More Issue of Common Sense Published!"

This issue told of the two men, taken to be himself and his assistant, who were followed from his plant. They threw a rock through the windshield of the car, and beat the supposed COMMON SENSE principals with fists and skid chains, leaving them bloody and ready for the hospital. The smashings of the COMMON SENSE plate glass windows, the death threats by telephone and otherwise—if you have not read this issue, send for a copy!

Four bombs had been set off at the COMMON SENSE plant Oct. 31, 1951. The plant was attacked again March 4 and again June 3, 1952.

Eleven printers have been intimidated by organized Jewry. Next: Jews bought the COMMON SENSE building, and they were forced to move into new headquarters. To secure a long lease they were compelled to spend several thousand dollars to put the building into usable condition.

"A Free World" For Jews To Persecute

"Oh, yes. This is a 'FREE WORLD.'" Our sons are being conscripted to fight all over the world to "contain Communism" under the lash of Judaism! What is free about a country where Christianity cannot be defended from organized wealth and political power of the Pharisees? What is "free" about a country where a man can be bombed, threatened with death, his printers intimidated—a giant CONSPIRACY, A CRIME—then, instead of the perpetrators being brought to justice, they add SUIT to injury and calumny?

Matthew 10:38: "Take Up Your Cross"

I for one do not believe that justice is entirely dead in America. I believe that once you and others understand, that intimidated lawyers and courts will stand up, as the former did in the infamous Jewish "sedition trial", and show their gallant colors. THE BEST POSSIBLE ATTORNEYS MUST BE SOUGHT AND HIRED.

There must be money to bring WITNESSES; to pay for expensive court reporting; and all the tremendous costs which at least are absolutely impossible for MCGINLEY to meet at this time, of all times. He is tired, impoverished, but within him glows the EVERLASTING LIGHT, the LIGHT OF CHRISTIAN FAITH. He believes that, somehow, servants of Christ will be inspired to help him fight their battle. I know his "SECRET WEAPON". Give him your prayers in this ordeal. I saw what the power of PRAYER could do in the "sedition trial". It transformed the lawyers—Believe it or not!

"YOU WILL HAVE TO APPEAL FOR FUNDS," I told McGinley, "I had to do it or the 'sedition trial' would have been lost and with it everyone's liberty to be an American opposed to Com-

Cooperating with the perpetrators of one of the biggest frauds in modern history (the so-called Communist purge of Jews in Europe), the NCC through its "Newsweekly" (Feb. 2, 1953) violently denounced "anti-semitism" in Europe. The informed public knows only too well that this "purge" is but one of the many smokescreens used by the enemy to cause confusion and to enable them to carry out their atheistic plans. In any event, it is not surprising that the Council has taken this stand. Some of their biggest contributions come from Jewish and non-Christian sources. Much of its income remains anonymous but the Federal Council report in 1944 listed donations from the following Jewish funds: Edward L. Bernays Award, \$1,000; Edward A. Filene Fund, Inc., \$1,500; Anti-Defamation League \$500 each year; Nathan Fluegelman Memorial Fund, Inc.; Julius Rosenwald Fund \$2,000; Benjamin J. Rosenthal Foundation, etc.

Another item, not to be overlooked, in the Feb. 2nd issue of "Newsweekly" is the notice of the re-election of DR. RALPH W. SOCKMAN as president of the Protestant Council of the City of New York. Dr. Sockman is minister of Christ Church (Methodist), New York City. This man's un-American affiliations have included: American Youth Congress, Emergency Peace Mobilization and Fellowship of Reconciliation. He was also one of the signers of the "World of Tomorrow" poll—a vote in favor of socialism, increased inheritance and income taxes, and a "cooperative commonwealth" instead of capitalism.

Imagine the power behind a tremendous organization which has set itself up to represent millions of Protestants (although the great majority of these members have nothing to say fe-

garding its main issues and activities), while at the same time, it has diabolically and cleverly followed red trends, placed communist-minded men in top positions and finally has brazenly presented a distorted version of the Bible to the world.

NCC Influence Strengthened

Significant of even additional influence which the NCC will be able to exert is the fact that two of its biggest supporters now hold important government positions—John Foster Dulles, Secretary of State, and Henry Cabot Lodge, U. S. representative to the United Nations. Time Magazine (March 16, 1942) carried an article with reference to the FCC which included statements made by Dulles, then chairman of the Council's Commission to Study the Bases of a Just and Durable Peace. One of the more enlightening quotes by Mr. Dulles was the following: "The natural wealth of the world is not evenly distributed. Accordingly the possession of such natural resources . . . is a trust to be discharged in the general interest. This calls for more than an offer to sell to all on equal terms."

A more recent connection of John Foster Dulles with the National Council was shown when his speech was presented to a Denver meeting of the NCC a few months ago. Also on the platform was Henry Cabot Lodge and the Rev. James Robinson. As a missionary under the Presbyterian Church, U.S.A., Mr. Robinson has made a number of pro-communist speeches attacking the U. S. for its policy in China. It was during this meeting that Mr. Robinson was requested by the Department of State to turn in his passport.

Red Record of Translators

The records of the men who are responsible for the Revised Standard Version show them to be absolutely incapable and thoroughly unfit to deal with sacred writings. Six of them, LUTHER A. WEIGLE, chairman of the group which prepared

the translation, JULIUS BEWER, JAMES MOFFATT, WALTER R. BOWIE, FREDERICK C. GRANT and JAMES MULLENBURG are of the Union Theological Seminary, a well-known hotbed of radicalism.

WEIGLE has an impressive list of subversive affiliations to his credit of which we list a few: Committee on Militarism in Education, Co-ordinating Committee to Lift the (Spanish) Embargo, National Religion and Labor Foundation, and War Resisters League.

WALTER RUSSELL BOWIE'S connections leave no doubt as to where his sympathies lie: American Committee for Protection of Foreign Born, American Committee to Save Refugees, Church League for Industrial Democracy, Citizen's committee to Free Earl Browder, and others too numerous to mention. (These organizations have been cited as communist or communist-front outfits).

GEORGE DAHL, another "translator," was a sponsor of the Communist inspired so-called "Peace Rally" in Chicago, 1950, and signer of "Abolish the Dies Committee". Another of his co-workers on the Bible was LEROY WATERMAN, a sponsor of the National Council of American-Soviet Friendship and a member of "The American Committee for Democracy and Intellectual Freedom." FREDERICK C. GRANT—Citizens Committee for Harry Bridges. JAMES MOFFATT: Editorial Adviser of "The Protestant" (communist publication.) HENRY J. CADBURY: sponsor of American Rescue Ship Mission, called a "Communist Enterprise" by the House Un-American Activities Committee.

Space does not permit a more lengthy account of these men and their various Red affiliations. However the data furnished above is concrete evidence of their opinions and attitudes on things Christian and American.

Anti-Christian Writings

Some of the other books written by members of the Revision group reveal their complete disregard for the sacred truths which form the groundwork of Christianity.

EDGAR J. GODSPEED, in his book, "How to Read the Bible" (p. 147) has the following to say concerning Job: "We must think of the books of the Bible which are fiction, that is, short stories." How can we entrust the translation of the Bible to one who does not believe in its authenticity? Even more shocking is the statement made by MILLAR BURROWS in his book, "Founders of Great Religions (p. 217) concerning Jesus: "It is by no means certain that he considered himself the Messiah." To such a man, Christianity must certainly be a farce if he believes that its founder, Jesus Christ, was not even sure of the purpose of His life, sufferings, and bloody death on the cross!

On page 8 of "Jesus, What Manner of Man?" by HENRY C. CADBURY, doubts concerning the sanity of our beloved Saviour are blasphemously proclaimed: "Much of the most appreciative writing about Him (Jesus) runs the risk of putting him into the introvert class. Indeed, as is well known, the emphasis of orthodoxy upon his messianic claims and messianic consciousness led some psychiatrists to doubt his sanity."

If the record of the NCC was completely without blemish, the fact that they have sponsored a translation of the Bible by men of such convictions is proof enough of their anti-Christian aims and purposes.

(In our concluding article which will appear in the next issue of COMMON SENSE, we will show the drastic mutilations which have been made on the King James Version of the Holy Bible).

Eisenhower appointments have shown consistently that he is following directions from the International "Jewish" Sanhedrin, commonly referred to as the Invisible Government. With Conant, Bohlen, Luce, Stassen, Dulles, Warren, Aldrich, etc., as fronts for the Federal Reserve-Kuhn, Loeb-Lehman-Rothchild-Rockefeller Wall Street regime, the stage has been partially set. However, the stars just appearing are: Lewis L. Strauss, "Jew", White House atomic-liaison assistant, and Geo. Marshall.

In 1953 All America Will Be Reading

SENATOR JACK B. TENNEY'S

ZION'S FIFTH COLUMN

In this book of 80 pages, Senator Tenney has introduced factual story that many thought and talked about, but few have ever had any documented proof to support their claims. Senator Tenney, with his many years of experience ferreting out communists, communist sympathizers and other subversives, places before the public an undeniable expose that every real American should read.

After you have read the "ZION FIFTH COLUMN" then you will have a better understanding of what goes on in American political circles. Your knowledge of the design for world government will be on unbiased truth. In this book, Senator Tenney turns the spotlight of investigation upon a well-knit hierarchy that plagues the political structure of our nation.

Ike Appoints 2 Jews To Top Positions

By George Thomas Adams

The New York Times announced on Mar. 10, 1953, that Eisenhower had appointed Rear Admiral Lewis L. Strauss as special assistant to serve as "liaison officer on atomic energy matters. Strauss, a partner of Kuhn, Loeb Co., the New York banking house which financed the Bolshevik Revolution in Russia in 1917, is one of those Jews who have controlled the United States atomic energy program since its inception. He was on the Interim Committee in 1945, one of the first appointees to the U. S. Atomic Energy Commission in 1946, on which he served until 1950, and he has been the most important behind-the-scenes influence in the atomic program since then.

Rarely have the Jews flaunted their control of American life as they have in the atomic energy program. Dr. Alechsander Sachs of Russia, economic adviser to Lehman Brothers, the family banking house of Senator Herbert Lehman, headed the personnel program of the atomic energy program during the Second World War. Bernard Baruch was delegate to the United Nations Atomic Energy Commission. His alternate was John Hancock, partner of Lehman Brothers. The first head of the U. S. Atomic Energy Commission was David Lilienthal, who finally resigned after long Congressional inquiries into Communist affiliations. Lilienthal is now with Eugene Meyer's family banking house of Lazard Freres.

One by one Eisenhower is sneaking his old Jewish friends of London into important posts. As head of the American armies in Europe, he had with him in London James Paul Warburg, Captain Edward M. Warburg, and John Schiff, all related to or partners of Kuhn, Loeb Co. His selection of Strauss to be beside him was inevitable. He has already sent Dillon (Lapowski) of Dillon, Read banking house to France as our Ambassador. Since his Secretary of State, John Foster Dulles, actually has been the mastermind of Dean Acheson for the past four years, in his capacity as "Republican adviser to the Secretary of State," Dulles can be expected to continue the suicidal policies which he persuaded Acheson to initiate.

In some manner, Strauss became a Rear Admiral during the war, and was awarded

the Legion of Merit for his courage in Washington. Now he is president of the Institute for Advanced Study in Princeton, a comfortable set-up for such prominent Jews as Albert Einstein and Emmanuel Goldenweiser. The New York Times tells us that Strauss will take leave of his present position as consultant and financial adviser to the Rockefeller interests. He is a director of Rockefeller Brothers, Inc., and International Basic Economy Corporation, which Nelson Rockefeller founded with his staff from the Department of State. Now Nelson Rockefeller is to be the President's civilian adviser on defense, while his business pal Strauss advises Ike on atomic energy. The partnership between Kuhn, Loeb and the Rockefellers is not new. It goes back to the founding of the Rockefeller fortunes, when old John D. Rockefeller made the crooked deals with Jacob Schiff to get rebates on his oil, which was carried on railroads controlled by Kuhn, Loeb Co. This was the beginning of a happy and profitable marriage. Schiff guided John D. Rockefeller into a monopoly on the oil resources and distribution in America. The Rockefeller boys today are reminded of the debt they owe to Kuhn, Loeb Co., and so they call in Strauss to advise them on their affairs.

What can Americans look forward to when Eisenhower surrounds himself with such dangerous people? Every indication is that the Ike Administration is preparing to lead us full-tilt into a bloody and destructive world war which will make its two predecessors look like a picnic.

On March, 7, 1953, the New York Times announced that President Eisenhower was beginning to reconstitute the Council of Economic Advisers by appointing Arthur F. Burns, Professor of Economics at Columbia University, as a member and future head of that agency. Burns will replace Truman's head of the Council, a Jew named Leon Keyserling, whose wife was denounced on the floor of the Senate by Senator Joseph McCarthy for her Communist affiliations. The New York Times and President Eisenhower failed to let the American people know that a Jew was being replaced by a Jew. Arthur Burns, a Jewish radical from Columbia University, was born in Stanislaw, Austria according to Who's Who In America of 1952-53, son of Nathan and Sarah Burns, which was probably Bernstein. Arthur Burns married Helen Bernstein, and has two sons, David and Joseph.

He is on the editorial and advisory board of the American-Palestine Institute and has been very prominent in Zionist affairs. He was a close friend of Harold Stein, the first Communist to be fired from the United Nations. Stein also was an economist, a field which became the chosen profession for such radicals as Senator Paul Douglas and his close friend and colleague from the University of Chicago, Oscar Lange, now Ambassador to the United Nations from Communist Poland. When the Communists took over Poland, Lange renounced his American citizenship and joined the Polish Communists. Apparently this did not affect his relations with Senator Douglas.

In one week Eisenhower appoints two dangerous Jews as his personal advisers, Burns and Kuhn, Loeb partner L. L. Strauss. When will the American people wake up?

A Word To The Wise

Informed citizens who truly love their country and appreciate the great value of the Constitution of the United States are doing what they can to insure that we continue to enjoy Freedom under this Constitution.

Our Lord may call any of us any day, hence is it not proper and wise to provide in a will so that after we are gone this work will not suffer? The younger people do not realize the full importance of freedom. Wisdom comes with age. Few things are more important than providing advantages for the young ones until they are informed and aware of the enemies of freedom.

COMMON SENSE has dedicated itself to exposing and fighting the enemies of America for everyone regardless of race or religion. Funds are needed to reach more people with the truth.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

RHODES SCHOLARS - BRITISH STOOGES

WORLD-WIDE SECRET BRITISH SOCIETY NUMBERS 1,200 "COUNTERFEIT" AMERICANS IN KEY POSITIONS THROUGHOUT UNITED STATES

By MARTA BESSEN

(Republished from "The Leader",
San Francisco, Calif.)

The annual competition to select 12 young American collegians who will attend Oxford University as Rhodes Scholars was held during "Rhodes Scholars Week"—week of Dec. 8, 1952. The number of young "hopefuls," we were told, had been reduced to 400 in a preliminary competition.

Four men were to be chosen by each district committee to go to Oxford in October, 1953, for two years of study "in any field and toward any degree offered by the university. These selection committees are composed of former Rhodes Scholars with the exception of the chairman, who shall be a distinguished educator or individual.

Rhodes Scholarships were established by empire builder Cecil Rhodes (born in an English parsonage, 1855), who amassed a huge fortune in the diamond fields and gold mines of South Africa.

Seven wills were written by Cecil Rhodes—the first one in 1877. Originals may be found in Rhodes House at Oxford. The first five wills had to do with a world-wide secret society to promote the British empire. The sixth, dated 1895, made the first provisions for scholarships for "young collegians". The final will, drawn in 1899 and made public in 1902 following Rhodes's death, offered scholarships to American collegians.

Aimed To Anglicize America

In 1877 Rhodes wrote a document titled "Confession of Faith" and in it we find the following: "I have felt that at the present day when we are actually limiting our children and perhaps bringing into the world half the human beings we might, owing to the lack of country for them to inhabit, if we had retained America, there would at the present time, be many millions more of English living.

"I contend that we are the finest race in the world and that the more of the world we inhabit, the better it is for the human race."

The first Oxford secretary to the Rhodes trustees was Sir Francis Wylie, who filled that post for 28 years from 1903. After resigning, he lived in retirement near Oxford University. His death at the age of 87 was announced Nov. 3, 1952.

In the "American Oxonian" (official publication of the Association for American Rhodes Scholars) for January, 1945, English Knight Wylie quoted from a letter written by the Rhodes Trustees solicitor-or legal adviser, Francis Bouchier Hawksley, in which he stated that he did not regard the Rhodes will as an educational one. Wylie commented: "Hawksley was right. This is not an educational endowment as ordinarily understood. Its purpose is not to give anybody an education he could not otherwise afford; not to promote learning; but to encourage in the rising generation of English speaking people a particular outlook on the problems of the world

HOW RED IS RABBI HILLEL SILVER?

By Elizabeth Dilling

The tragedy of America, the heartbreaking event of 1953, to those who know, is to see the Nation being armed to the teeth to allegedly "contain Communism", while at the same time individuals and newspapers from coast to coast, which have fought World Government and Communist-Socialist collectivist dictatorship, are honoring one of the Reddest advocates of world government that walks—RABBI ABBA HILLEL SILVER.

As foretold in the Jewish press, months before the Party Conventions of 1952, Silver—destined to be the most powerful individual in America, as a Republican administration was expected—made his bow at the Republican ceremonies which inaugurated Ike with a "prayer". Lots of prayers featured that Christless convention.

Silver has long been a leader of the Zionist Organization of America and the world which, by many ruses, is building a JEWUNITED NATIONS WORLD under Talmudic rule. To date, he does not hesitate to aid the Stalinist end of this endeavor.

Silver is currently and constantly in Moscow's

SEN. COMMITTEE ON REDS IN EDUCATION

FROM THE SENATE INTERNAL SECURITY SUBCOMMITTEE

Washington—Senator William E. Jenner today made available for public distribution the first printed volume of public hearings by the Senate Internal Security Subcommittee under his chairmanship.

The Subcommittee currently is inquiring into subversive influences in the Educational Process. "I hope Educators will study the record of these hearings carefully and that they will keep the Subcommittee's objectives in mind," Senator Jenner said.

"I should like to reiterate the assurances in my statement of February 24, that the Subcommittee is not concerned with telling the universities and colleges what to teach or how to teach. It is anxious that the principle of academic freedom be fully protected, both from without and from within.

"Official statements of leaders of the Communist conspiracy describe youth as a prime objective of their efforts at subversion and emphasize the high value placed on 'the professionals,' including educators, as party agents in this campaign.

"The Subcommittee has overwhelming evidence that there is a small but dangerous group of teachers in our schools and colleges who are thus serving as active agents of the Communist conspiracy. The Subcommittee, as an agent of the federal government, has certain powers that are not available to school authorities or local bodies.

—to give them, in fact, a political bias. The idea of using scholarships as instruments of a 'political bias' purpose had come to Rhodes seven years earlier and had taken shape in the will of 1895 (the one establishing scholarships for 'young colonists')."

The American secretary to the Rhodes trustees—a post created in 1918—has been Rhodes Scholar and World Federalist Dr. Frank Aydelotte, known as the "dean" of Rhodes Scholars. He has recently resigned the post, after 35 years service in favor of Rhodes Scholar Courtney C. Smith, associate professor of English at Princeton University, who had assisted Dr. Aydelotte for several years. Dr. Aydelotte remains as trustee of the Institute for Advanced Studies at Princeton and is also chairman of the Guggenheim Foundation, trustee of Swarthmore College and the Carnegie Foundation.

It has been estimated there are something like 1,200 living American Rhodes Scholars and that more than one-third of them are to be found in educational fields, mostly at Harvard and other Eastern universities. They are also to be found in key government positions and are scattered around the globe in American embassies and consulates.

Comes the question, what influence do these hand-picked men exercise on our foreign policy when placed in key positions, since, admittedly, as stated above, their study at Oxford was not to "promote learning" but to encourage "a particular outlook on the problems of the world—to give them, in fact, a political bias"? It has been said that American Rhodes Scholars have dominated this country's policy in the Far East for two decades at least.

To list a few of these "politically biased" men, for instance, in our state department:

Stanley K. Hornbeck, chief of division for Far Eastern affairs in the 30's. Later, political adviser on the Far East and then Ambassador to the Netherlands. In the state department, one of his assistants was Alger Hiss, now in federal prison. Hornbeck was a character witness in favor of Hiss during his trials for perjury.

W. Walton Butterworth, who came up from the ranks, as adviser to General George Marshall during his postwar mission to China when it was proposed to include Communists in the national cabinet of China. Butterworth was also ambassador to Sweden.

Dean Rusk, assistant secretary of state in charge of Far Eastern affairs. Now president of the Rockefeller Foundation.

George C. McGhee, in charge of Near Eastern, Asian and African affairs. Also representative to the Near East on the Palestine refugee problems. A millionaire oil man from Texas, McGhee, it will be recalled, journeyed to Iran—entirely on his own, it was said—to confer on the proposed nationalization of the Anglo-Iranian Oil Co.

Other American Rhodes Scholars in the state department: Louis E. Frechtling, division of research for Near East and Africa; S. Shepard Jones, Near East, South Asian and African affairs—also a member of the American Council of the Institute of Pacific Relations; H. H. Sargeant, assistant secretary of state—married to film star Myrna Loy and both are now associated with UNESCO (United Nations Educational, Scientific and Cultural Organization; Marshall I. Wolfe, social affairs department; Conrad E. Snow, assistant legal adviser; Bryton Barron, assistant for treaty affairs; Carol Foster, foreign service office; Walter O. Chudson, economic affairs; G. B. Noble, division of historical research policy; B. H. Hulley, northern European affairs.

Many in the United States

In the United Nations we find: Ernest A. Gross, former assistant secretary of state, now deputy United States delegate (often chief acting delegate).

Charles G. Bolte, special adviser to the American representatives to the United Nations Security Council. Bolte was graduated from Dartmouth College in 1941, joined the British Royal Rifles and served in Africa under Field Marshal Viscount Montgomery. Lost a leg at Alamein, then joined the U. S. office of war information as a writer. Bolte founded the American Veterans Committee (AMVETS) although he never served with the American forces. After a postwar appointment to Oxford, he returned to this country in 1949 and was placed in the U.N. post.

Also in the United Nations, Rhodes Scholar C. B. Wicart, chief of tax section bureau of finance. Wicart obtained exemption for the United Nations from retail sales tax, hotel occupancy tax and other such levies in New York City; S. M. Keeny, Far Eastern director of the U. N. international children's emergency fund. Also, at one time director of the Italian program for the U. N. relief and rehabilitation administration.

In the field of "fund dispensing" in foreign areas (UNRRA, ECA, MDA, etc.).

George C. McGhee, coordinator for the 400 million dollar aid to Greece and Turkey. It was said that McGhee at one time had answerable to him 53 foreign service stations, of which 14 were embassies, and a vast territory embracing 700 million people; Harlan Cleveland, chief of

UNRRA mission to China and director of ECA's China program; Carl Spaeth, UNRRA; John M. Sasseis, director of research for ECA mission to London; Lincoln Gordon, ECA, Paris office—later joined the staff of the U. S. atomic energy delegation to the U. N.; Wilfred Kluss, ECA, Paris office, and also special adviser to President Truman and to W. Averell Harriman; A. B. Daspi, ECA, Paris office; Felix A. Shafner, chief economist ECA, Washington office; A. J. Hyning, Jr., ECA, Washington office; B. E. L. Timmons, ECA director—also listed in the U. S. treasury department; Lieutenant-Colonel H. Bonesteel III, executive director, European coordinating commission for mutual defense administration, London office. Two other Rhodes Scholars, H. L. Merillat and H. S. Arms, shared Bonesteel's office in London.

Other departments and commissions in which American Rhodes Scholars have been channeled are: agriculture, labor, interstate commerce, bureau of the budget, U. S. tariff commission, NLRB, national housing agency, defense home corporation, economic warfare, war production board, the old OPA, the old OSS, and even the allied high commission in Germany, where the posts of presiding judge of the U. S. court and the general counsel were filled with American Rhodes Scholars.

Among prominent Rhodes Scholars not in government posts may be mentioned Edwin Canham, editor, the Christian Science Monitor; Harlan Debaun Logan, formerly editor of Look magazine; Howard Kingsbury Smith, chief foreign correspondent International News Service, and Charles Collingwood, CBS commentator.

World Government Is Aim

In his book "The American Rhodes Scholarships, a Review of the First Forty Years," World Federalist Dr. Frank Aydelotte wrote:

ERNEST GROSS

"Important in his (Rhodes) plan is the recovery of the United States not as a subject people, but as a free member of a federated empire. His views look beyond the expansion of the British empire, and the recovery of America, to the government of the whole world and the establishment of enduring peace."

Little wonder, then, that we find American Rhodes Scholars among the most active World Federalists whose objective is a world state. Such a one is Clarence Kirshman Streit, author of "Union Now" and "Union Now With Britain," who set up Federal Union, Inc., in 1939, financed through grants from the Carnegie Endowment for International Peace.

Ten years later, Federal Union set up the Atlantic Union Committee with former Supreme Court Justice Owen Roberts as president; U. S. Senator William Fulbright (Arkansas), active in International Student Exchange project and ever alert in and out of the Congress in behalf of World Government; Robert Lee Humber, who promoted that first action by any legislative body declaring "that all peoples of the earth should now be united in a commonwealth of nations."

This resolution was adopted by the North Carolina legislature in 1941 when Humber had just returned to this country after 16 years in Europe engaged in the oil business there. It was also adopted in other states but later rescinded by most of them. Humber's attempt to bring about its adoption in Massachusetts failed miserably.

Lord Lothian, who was British Ambassador to the United States (found dead in his hotel room in Washington) was for a considerable period Oxford secretary to the Rhodes trustees. As indicated in his writing and speaking, Lothian was an ardent advocate of a World State.

Dr. Vernon Nash (former British army officer), author of a number of booklets in favor of World Government, claims to have made more than 1,500 speeches on the subject.

In one booklet, Dr. Nash wrote: "... any limited World Government whose powers are long

Rabbi Denounces Prayer In Schools

"JEWISH LEADER DENOUNCES PRAYER IN SCHOOLS—HEAD OF AMERICAN JEWISH CONGRESS SAYS "NO MORAL VALUE IN PRAYER"

Christians will be interested to know that one of the most prominent Jewish leaders in the United States has announced that there is no moral value in prayer. The New York Times on February 13, 1953, ran a story with the headline:

SCHOOL PRAYER HELD OF NO MORAL VALUE

Rabbi Dr. Israel Goldstein, president of the American Jewish Congress declared yesterday that this use of prayer in the schools had no influence on the moral development of children. At the twenty-sixth annual luncheon of the Jewish Teachers Association at the Waldorf-Astoria Hotel Dr. Goldstein said that if there was an ulterior motive behind the advocacy of opening prayers 'of securing an entering wedge for religion to be brought more fully in the public schools then it is to be resisted by all to whom the American principle of separation between church and state is a must'."

This is an open invitation to subversive forces to join in the fight against prayer and Christian principles. It is an avowedly frank expression of atheism, opposed to any religious instruction whatsoever. The two outstanding persons whose writings in the United States urge complete separation of church and state are: Mrs. Franklin D. Roosevelt and Lenin. Mrs. Roosevelt never misses a chance to put anti-religious propaganda into her syndicated column, and Lenin, in his collected essays on the subject, "Religion", translated by J. Fineberg and published by International Publishers, declares that a cardinal principle for the success of Communism is the complete separation of church and state. Mrs. Roosevelt for many years has used her influence to help enemy alien Jewish Communists get into the United States, as witness her two letters to Under Secretary of State Sumner Wells to get Communist Hans Eisler a visa of entry, which are reprinted in the New York Times of September 25, 1947. On Feb. 18, 1953, Senator Joseph McCarthy told his Senate investigations Committee that Mrs. Roosevelt helped to arrange government circulation of the writings of the most outstanding Communist writer in America, Howard Fast.

The American Jewish Congress has an even more interesting history. It was founded by a group of Russian Jewish revolutionaries in New York City, according to their own publication, Congress Weekly, issue of January 16, 1942, in an obituary of the assassin Rutenberg, murderer of the Russian priest, Father. Gapon. Congress Weekly says:

"Rutenberg's role in the birth of American Jewish Congress was immense . . . The young Russian intellectual, in other words revolutionist, soon made his influence felt in the underground councils of the Social Revolutionary Party. Rutenberg was the man who . . . sat in judgment and brought about his (Father Gapon's) execution. In New York in 1915 he (Rutenberg) got in touch with the representatives of the Social Revolutionary Party there, Dr. Chaim Zitlowski and Dr. Samuel Ellsberg."

This was the nucleus of the American Jewish Congress, a group of Yiddish-speaking Zionists who were not even citizens of the United States and who had been run out of Russia for their subversive activities. No wonder the present head of the American Jewish Congress denounces prayer as of no moral value! Rabbi Joachim Prinz, active Vice President of the American Jewish Congress, is suing the editor of COMMON SENSE for \$250,000.

confined to the control of armaments alone must prove unworkable."

Stringfellow Barr, former president of St. John's College (Maryland), is president of the Foundation for World Government and member of the executive council of United World Federalists.

In conclusion, another quotation from Dr. Frank Aydelotte's book, "The American Rhodes Scholarships," page 8: "In 1888 Rhodes made his third will, equally brief, leaving everything to Lord Rothschild, with an accompanying letter enclosing 'the written matter discussed between.' This consisted of the first will and the 'Confession of Faith' since in the postscript Rhodes says "In considering questions suggested—take the Constitution of the Jesuits, if obtainable, and insert 'English Empire' for 'Roman Catholic Religion.'"

Surely, Cecil John Rhodes would feel that his dream, which he said might take a century to realize, has, in less than a half-century, made great strides politically, militarily, and economically.

HOW RED IS SILVER?

—(Continued from Page 1)—

own American organ, the Daily Worker, favorably cited for his support of Red "peace" meetings and as a petitioner for the Soviet Jewish spies, the Rosenbergs (Ethel and Julius).

Silver, addressing a Communist "peace meeting," said: "We must get used to the idea that we have to live with Communism," as the Communist Party "Jewish Life" reported 4-52, p. 4, admiringly.

The Yiddish Socialist "Forward", the largest Socialist paper in the world, called Silver the "darling of the Communist press", one who "follows the Moscow line of propaganda" (Jewish Sentinel of Chicago, 4-5-51). The Sentinel is the pro-Red paper which paid me last year to settle my libel action against them, rather than have me air their Red record and their nauseous Talmudic "Jewish" religion again in court.

Silver, according to the record, for more than 25 years, as at present, has been on the National Committee of the notorious American Civil Liberties Union, which has been denounced by Congressional and other investigating agencies for its aid to the Red Revolutionary movement. Silver's National Committee is currently chaired by Roger Baldwin, long its active director, who wrote of his work for this outfit: "Communism is the Goal" (Harvard Class Book, April, 1935).

Silver in his A.C.L.U. capacity is a powerhouse in this organization which has gone to bat with its Jewish National lawyers, Ernst and Hays, for every phase of the Anti-Christ Red movement: atheism, obscenity, Communist strikes, rioters and murderers, with its affiliated committees operating in 16 communities of the Nation, with local lawyers doing the same work.

Silver was one of the Communist Party's North American Committee to Aid Spanish Democracy appealing against the "crime of Guernica" ("I Am Too Young to Die" pamphlet), a theatrical flamboyant lie aimed to enlist sympathy for the Communist church-burners and clergy-torturers in Spain. It stated that Franco had bombed the innocent town of non-combatants, women and children of Guernica, Spain. I went to Guernica in 1938, shortly after the Reds had been driven from the town by Franco. Not a pavement had been marred. The houses were gutted by being fired from within. The townspeople told me how the "Rojos" had gone from house to house when they knew they were to be beaten, and with "dynamitos" and "petrol" had destroyed the homes, one after another. They were living in the wreckage. No one can bomb a town from the air and not hit a sidewalk or street.

World Government

Silver, knowingly, stated that the League of Nations, established after World War I, to achieve "collective security" (as guaranteed by penitentiaries), and protection of "minorities" (guess whom?) would in one form or another be reconstructed. Then there would be "enduring peace" (the "peace" his Red pals have given so many millions they have put in graves). This article appeared in the magazine of pro-Red anti-Christian B'nai B'rith (4-39, p. 256). B'nai B'rith busies itself in behalf of its 350,000 members in opposing Christmas carols, Passion Plays, release time for religious worship and through its Anti-Defamation League frames and prosecutes truth-tellers like me, steals mail, according to a Washington investigator, and honors its Christian Judases. B'nai B'rith ran the infamous "sedition trial" from the Department of Justice, which blew up as the Moscow Purge Trial farce that it was. I know. I was a defendant in it.

The photograph of himself, which appears in Silver's article in B'nai B'rith magazine, is evidently his favorite, for it appears again and again currently. It shows the glaring, staring, glowing eyes of one who might be a Cabalistic demon-invoker, a Baal Shem, or mesmerist, favorite arts in Talmudic Judaism.

When Silver withdrew from the Cleveland Chamber of Commerce, he wrote a letter to the president of it at the time, socialist Newton D. Baker asking: "Why was the Chamber silent during the Steel Strike of 1919?" (Communist Party's Federated Press, May 3, 1923). The 1919 Steel strike was led by the Communist leader, William Z. Foster. In August, 1923, speaking at the Harding memorial services, he pleaded for a world court.

In the Daily Worker 9-23-27 an article is captioned: "Rabbi Silver for Recognition of Soviet Russia," with his praises for that slaughterhouse for Christians. Silver won recognition for his Pro-Red activities and was made National Committeeman of the Communist-aiding Civil Liberties Union at that time. Then, as now, he was the "darling of the Communist press".

"Prayer service for Palestine and the United Nations by the Rabbinate of New York" is part of the bold notice of this meeting in the pro-Communist "PM" run by Marshall Field until it folded. This was the 3-30-48 issue, and announced "Dr. Abba Hillel Silver" as speaker.

Silver's "Tolerance"

Despite the teachings of his own Talmudic religion, which classes all non-Talmudists as "the people who are like an ass—slaves who are considered the property of the master"—the Tal-

mundist (Keth. 111a)—Silver goes about denouncing those "who would break up the American life into hostile racial or religious groups (as) 'the deadliest foes of the American people'" (Boston Herald 10-10-39). How about his Talmud which gives Christ FIVE deaths today in all "Jewish" educational centers; strangling, and also killing Christ by boiling lead, while sunken in "dung to the armpits" for these two killings, and decapitating Him, stoning Him to death, and crucifying Him as a "blasphemer" of this noxious religion of Pharisaism, now called Babylonian Talmudism or "Judaism"? No one can conceive of such deadly hatred as "Judaism" teaches.

Silver organized with Samuel Untermyer the anti-Nazi boycott in the U.S.A. (Universal Jewish Encyclopedia). Silver sponsored "Untermyer's 'Non-Sectarian Anti-Nazi League' headed by 'Professor James H. Sheldon' (Shippiro). They employed 'Major Richard Rollins' Isadore Rothberg) who boasts of the way he stole private papers from private offices and homes in his book 'I Find Treason', for the Untermyer outfit. Phony documents were prepared by which anti-Jewish Germans were denaturalized all over the country. They were introduced in the phony 'sedition trial' and I ran them down to their spurious end. They were intended for anti-Communists like me also.

The "Non-Sectarian Anti-Nazi League" director, Shappiro, alias "Professor James H. Sheldon," as cited by the Dies Committee as a member of the American Committee for Struggle Against War, which nationally organized the most treasonable Moscow organization on record: The American League Against War and Fascism, which changed its name in 1937 to the American League for Peace and Democracy. The national vice chairman was Earl Browder. It advocated mutiny and sabotage in the armed forces of the U.S.A. to cause Red Revolution and the setting up of a Soviet Government here.

Silver was announced as speaker for the broadcasts sponsored by the American League for Peace and Democracy over CKLW, Detroit (Civil Rights News, 5-39, p. 4).

Silver was a member of the Sponsoring Committee celebrating the 60th birthday of the virulently atheistic, communistic, Albert Einstein (Jewish Frontier, 6-39, page 2).

Silver has six Communist-front organization listings in the Dies Report (Vol. 17, 1944). His "active fellow-travelers in Communist front organizations" are cited under: the American Committee for Anti-Nazi Literature (page 321-2); and Russian War Relief (pages 475-7; in communist Films for Democracy (p. 729; chapter, pp. 719-38); in the "Greater Boston Reception Committee of the Russian Delegation (Communist Jews, Michaels and Feffer), Silver, Monsky, (then head of B'nai B'rith), Sholem Asch (of socialist Forward and communist Freiheit), were fellow co-chairmen, and Einstein, Honorary Chairman, (1943, Dies Vol. 17, page 1302). Silver, Paul Robeson, Negro communist, Einstein, etc., sponsored the North American Committee to Aid Spanish Democracy (page 1611), as my own records show; on the Communist-front American Round Table on India, Philip Jaffe of spy-quiz fame and other Reds appear with Silver (page 1772).

Silver has much more of the same in his record to this moment. The sad state of the entire nation is illustrated by the fact that all Chicago newspaper publishers are honoring Silver, March 24th, following such honors in New York, Boston, Los Angeles and San Francisco. Baruch is old. Is Silver our new Anti-Christ boss, as foretold for 1953?

LETTERS TO THE EDITOR

Wisconsin

Dear Sir:

To your appeal for new headquarters in COMMON SENSE I won't say "Oh, if I had riches, would I help!" But my husband was paralyzed for 30 years, even though my Heavenly Father gave me strength so that I could work and do, still I have not enough to live on, but have a nice home. So please accept my small donation and if I can again work in the Cannery this year (I'll be 75 years old), I will send a little more. With my best wishes, I am

Mrs. O. T.

SEN. COMMITTEE ON REDS

—(Continued from Page 1)—

Its purpose is to put these powers to use in aiding the schools and state authorities in meeting the threat of subversion, and we welcome their cooperation and support.

"The hearings made available today are brief but they provide thought-provoking contrast in views and an interesting study of the efforts of certain witnesses to evade an answer to questions regarding possible communist affiliations."

The volume contains the testimony of Dr. William H. Withers, Professor of Economics and contemporary civilization at Queens College, an educator whose thoughtful observations on his long fight against communist elements in the schools gave the Subcommittee, Jenner said, a valuable contribution toward the Subcommittee's study.

There also is testimony of seven university faculty members, all of whom refused on the ground of possible self-incrimination, to say whether or not they ever had been members of the Communist party. They are Oscar Shaftel, then an assistant professor of English at Queens College; Joseph Bressler, then an assistant professor of health and physical education at Brooklyn College; Hyman Gold and Richard F. Austin, then employees of the Registrar's office at City College; Elton Gustafson, then teacher of health and physical education at Brooklyn College; Murray Young, then instructor of English at Brooklyn College, and Tina Ludins, a former teacher at Evander Childs High School in New York City.

Other hearings will be published as soon as possible.

Senator William E. Jenner on April 20 released for public distribution the printed testimony of Dr. Bella V. Dodd, one-time professor at Hunter College, New York, later a high official of the Communist Party concerned primarily with education, youth, women and labor.

"Dr. Dodd told us," Senator Jenner said, "that teachers and professors are regarded by the Communist Party as an important element of the Soviet conspiracy when they have been thoroughly trained in the Communist principles."

"She pointed out that the greatest care is exercised to select, as party members, only those teachers who are thoroughly indoctrinated and have proven their willingness to accept Communist discipline."

Dr. Dodd testified that to her knowledge during the term of her Communist service there were never more than 1,500 teachers and professors in the United States who were Communist Party members but she warned that the strength of the Communists must be measured not alone in numbers but by the intensity with which they believe and the intensity with which they are trained and educated to carry on a campaign.

"No Communist who knows he is a Communist can be a free agent," Dr. Dodd said. She remarked that it is well known that scientists and teachers in the Soviet Union must accept the Communist Party's definition of what is the truth and that there are any number of instances in this country where professors and writers have been called before the Party's disciplinary organization because they have written, or spoken or done something contrary to the Marxist-Leninist philosophy.

The Party, she said, values teachers particularly because of their varied abilities and uses them not only to recruit other teachers and students for the party but to lead meetings, write letters and pamphlets, become delegates to conventions, to infiltrate and influence professional supporting Communist programs, and, during the war, to propagandize the Armed Forces. Many, she said, went into the educational branches of the armed services during the war, and were leaders of the movement to disband the overseas forces, the "bring the boys home" campaign.

Senator Jenner reiterated the Subcommittee's stand that it cannot assume major responsibility for eliminating Communists from the schools but can only sketch the pattern of Communist activities for the guidance of school administrators.

"Primarily our Subcommittee," he explained, "feels that the academic community must solve the problem. The Subcommittee believes its hearings are contributing to the eradication of a plague that is besetting the educational process. It has no desire to interfere with the orderly processes of administrative responsibility but it does the duty of revealing the dangerous element and the pattern of its operation and of extending any further cooperation desired by the school executives and within its powers."

Other members of the Subcommittee are Senators Watkins (R., Utah), Hendrickson (R., N. J.), Welker (R., Idaho), Butler (R., Md.), McCarran (D., Nev.), Eastland (D., Miss.), Smith (D., N. C.), and Johnston (D., S. C.).

NEW BIBLE A MARXIST FRAUD

By Rev. Harvey Taylor

(This is the third in a series of articles on the
National Council of Churches)

Commercializing the Word of God is an affront to every sincere Christian and yet the National Council of Churches of Christ in America, by copyrighting the New Bible, have done just this. According to copyright laws, anyone using this Bible for mimeographed Sunday School papers, or in the pulpit will be paying a royalty to the NCC. The copyright law permits the National Council to sue anyone at any time for using portions of it in printed matter. So here we have the situation of a church Council having complete control of a Bible translation and its use.

In the past two issues of COMMON SENSE we have exposed the Red activities of the Federal Council of Churches and the similar tactics of the same organization which now uses the name, National Council of Churches of Christ. We now come to a discussion of the product of this organization, a viciously anti-Christian translation of the Bible, the Revised Standard Version. The main objective of this project appears to be the absolute denial of the divinity of Christ!

The King James Version presents the prophecy of Isaiah concerning the birth of Christ as follows: "Therefore the Lord himself shall give you a sign; Behold a virgin shall conceive, and bear a son, and shall call his name Immanuel" (Isaiah 7:14). The RSV gives the following treatment to this verse: "... Behold a young woman (emphasis ours) shall conceive ..." The implications of such a translation are only too clear. Destroy the divinity and virgin birth of Our Lord and you destroy the basic beliefs of Christianity.

The substitution of "young woman" for "virgin" is in direct contradiction to the beginning of the verse, "Therefore the Lord himself shall give you a sign." The birth of a child to a young woman would certainly not be so out of the ordinary as to be construed as a "sign" or "miracle". A virgin conceiving and bearing a child would, of course, be a miraculous occurrence. In an attempt to justify this blasphemous alteration, the translators have tried to give the impression that the Hebrew word "almah" can be correctly translated "young woman". Both Young's Analytical Concordance and Strong's Concordance give the meaning of "almah" as virgin, or unmarried female. The only word that could be considered to mean "young woman" would be the word, "naarah". Furthermore, Dr. Robert Wilson of Princeton Seminary, a learned scholar who was thoroughly familiar with forty oriental languages, had this to say: "There is absolutely no evidence in Babylonian, Arabic, Aramaic, Syriac or Hebrew for the use of 'almah' in the sense of a young married woman. I have sought in vain for such usage in the Hebrew and its equivalent in the cognate languages."

Joseph, Father of Jesus

Continuing in their denial of the divine origin of Christ, the New Bible gives this translation for Luke 2:33, "And his father (emphasis ours) and his mother marvelled at what was said about him." The King James Version reads, "And Joseph and his mother marvelled at those things which were spoken of him." The first chapter and sixteenth verse in Matthew's Gospel which deals with the genealogy of Christ is presented as follows: "And Jacob the father of Joseph the husband of Mary of whom Jesus was born who was called Christ." (R. S. V.). The footnote on this verse says: "Other ancient authorities read: Joseph to whom was betrothed the virgin Mary was the father (emphasis ours) of Jesus who is called Christ." This outrageous implication that Christ was merely the son of a poor carpenter might well be expected from atheistic writers but never in a Holy Bible! The fact that the above quotation is a footnote should not lessen the reader's justifiable anger. Luther A. Weigle, in an interview with the Washington Post on Oct. 1, 1952, said: "We wouldn't put anything in a footnote that was remote from the truth."

Still another instance of the denial of Christ's deity is shown in the use of "Thee" and "Thou". It was announced that the translators would use the words, "you", "yours" and so on in all instances EXCEPT where the Deity was being addressed. The New Version of Matthew 14:28 reads: "And Peter answered him, Lord if it is you, bid me come to you on the water. He said, 'Come. So Peter got out of the boat and walked on the water and came to Jesus.'" Following their rules regarding the pronouns, we must assume that inasmuch as Peter says "... if it is YOU", that he did not recognize Christ as being Divine. There is but ONE instance in the New Bible where Christ is referred to in which "THOU" is used. In all other cases "you", "yours" and the like are used when Our Lord is being addressed. The only conclusion at which we can arrive is that again the divinity of Jesus Christ is boldly denied.

Another practice of these translators in their scheme to deprive Christ of His Sonship has been to substitute "a son of God" where originally it read, "the Son of God". For example, "Now when the centurion, and they that were with him watching Jesus, saw the earthquake, and those things that were done, they feared greatly, saying Truly this was the Son of God". (Matt. 27:54). The Revised Version has altered this to read: "a son of God." We can all be considered "a son of God" whereas a reference to "THE Son of God" would be unmistakably clear. Too clear, perhaps, for the Modernists who translated this version.

One of the most forceful passages in the Bible concerning the Deity of Christ has been omitted in the Revised Standard Version. In the King James Version, Acts 8:37, it reads: "And Philip said, If thou believest with all thine heart, thou mayest. And he answered and said, I believe that Jesus Christ is the Son of God." This is a convincing testimony regarding Christ's Divine origin, but, naturally, it would not coincide with the general impression the translators obviously mean to impart to the reader and so it had to be deleted.

Bodily Resurrection Denied

The resurrection of the body and Christ's bloody atonement have also been targets for their attack. The 19th chapter of Job promises bodily resurrection: "And though after my skin worms destroy this body, yet in my flesh shall I see God." The New Bible offers an absolutely contradictory translation: "And after my skin has been thus destroyed, then without my flesh I shall see God." Concerning the bloody atonement, the King James Version reads: "In whom we have redemption through His blood, even the forgiveness of sins." (Col. 1:14). The Revised Version omits the blood entirely and we have: "In whom we have redemption, the forgiveness of sins." Perhaps this omission was influenced by one of their leaders who, in a book regarding the shedding of Christ's blood for our redemption, said: "As an intellectual construction this theory arouses only an amused pity today". May God forgive those who look upon His horrible death on the cross with amusement!

One of the most tender passages in the Bible, that which deals with the Adulteress who was brought to Jesus, has also been deleted. This is a story that reveals His mercy, His kindness and forgiveness. We find comfort in the knowledge that no sin is too great to be forgiven. Obviously, this was not in accord with the translators' viewpoint and so they have presumptuously omitted it.

There are hundreds of additional omissions and changes but space will not permit our pointing out all of them. The above mentioned alterations should certainly leave no doubt as to the subtle attack that the NCC, through the Revised Standard Version of the Bible, has made on the basic tenets of our Christian faith. The successful undermining of religion is of paramount importance to the Communist. The National Council has provided an extremely effective method. How stable and enduring can belief in Christ and His teachings be if we can no longer consider Him a divine Being—the Son of God?

Jews Acclaim NCC Bible

If additional proof is needed to show the anti-Christian elements of the Revised Standard Version, the fact that the New Bible has been acclaimed by Jewish rabbis, and writers should be conclusive in itself. Of course, the fact that one of the translators of the Old Testament of the RSV was Harry M. Orlinsky, of the Jewish Institute of Religion, New York City, may account, in small measure, for their praise of the New Bible. But this fact alone could never be wholly responsible. It is not difficult to understand their enthusiasm about a so-called Christian translation of the Bible which reduces Christ to what the Jews have maintained all along — a mere human. It is certainly common knowledge that the Jewish viewpoint is in absolute contradiction to the Christian viewpoint. Christians have always regarded Christ as the Messiah while the Jews have always rejected Him. To follow this thought to a definite conclusion, we must infer that the Jewish people could not accept, nor acclaim, a religious work furthering Christian ideology because, of course, such a work would be exactly opposite to their beliefs. And yet, David Schwartz, commenting on the RSV in the Philadelphia Jewish Exponent stated: "The new Protestant translation of the Bible is in accord with the Jewish point of view."

There has been much controversy over the new translation and the National Council Bible has been rejected by the Moody Bible Institute as well as by clergymen and church groups throughout the country. Several Southern ministers were so enraged by the NCC Bible that they burned copies of the Revised Standard Version in public. Bishop W. C. Martin, president of the NCC, answered the critics of the Bible in typical Communist fashion. Instead of replying to the charges in an intelligent manner, or defending the Revised Version, he called the opponents of the New Bible, "Religious Racketeers". (Sounds familiar — The Reds never answer a charge but rather resort to their favorite practices, smearing and name-calling.)

Although there have been criticisms of the New Bible throughout the country, and demonstrations in protest of it, the "powers behind the throne", of the NCCC have made use of unlimited funds to publicize the RSV in glowing terms with the result that millions of copies have already been sold to the unsuspecting public. As Americans and as Christians, we must not allow this outrageous insult to continue without protest. In view of the evidence presented we must take a definite stand. Either the above facts concerning the National (Federal) Council of Churches and the records of the men who have given us the new translation are true or they are false. If there is any doubt regarding the authenticity of our expose, then let the reader prove otherwise. If the facts are true, then every Protestant is bound in conscience to take up the fight in favor of Christianity and to reject not only this shocking translation but also the NCC which has made such an outrage possible. In all fairness to the millions of children who will grow up reading a Bible that pictures Christ as a "good man who performed many kind acts", instead of as the Divine Son of God who redeemed us through His bloody death on the cross, we must take immediate and positive action.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY to THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Council For Judaism Attacks Zionism

SAN FRANCISCO — Dr. Monroe E. Deutsch, vice-president and provost-emeritus of the University of California, asserted here today that because of the financial aid this country had given to Israel the Washington Government had the right to make certain demands on the young state. One of these demands, he said, was that Israel "must cease to lure young Americans" from the United States.

Speaking at the tenth anniversary conference of the American Council for Judaism, which has a strong anti-Zionist policy, Dr. Deutsch also held that the United States must demand of Israel that it repudiate the notion that Jews outside of its borders were "living in exile," and that Israel must take care of the Arab refugees and resettle them in the new nation.

Among the other demands Dr. Deutsch suggested the United States make on Israel was one relating to the liberalization of Israeli citizenship laws.

These statutes, he said, should not "treat all those born as Jews and presently in Israel as automatically citizens of Israel and at the same time stigmatize as aliens Arabs born in Palestine and descendants of those who have long resided there."

Dr. Deutsch made particular reference to Zionist appeals to Jewish youth in the United States to immigrate to Israel, saying:

"The claim that Americans whose religion is Judaism have a duty to leave this land of ours is a piece of insolence."

Dr. Morris S. Lazaron of New York, a founder of the council, related the background sketched in by Mr. Levison to the American scene. He expressed concern that Zionism might be undermining the right of Jews to speak "with moral authority."

"It is bad enough," he said, "that we are in danger of being considered a political bloc and that the nationalists are dominant in our community affairs, but most tragic of all is that we Jews and our Judaism are in danger of losing the right to speak with moral authority for we have poured our effort and our energies into Zionist channels."

"Have we lost our capacity for indignation at wrong? Shall we demand justice for Jews alone? What Jewish organization has lifted its voice in behalf of the Arab refugees numbering some 800,000 people? Does Jewish nationalism crowd out every feeling of sympathy for any other group than Jews?"

RED FLAGS FLY IN ISRAEL SCHOOLS

Jerusalem, May 25 — A government crisis threatened Israel today when four Cabinet ministers resigned to protest the display of the Communist hammer-and-sickle flag and the singing of the "Internationale" in public schools.

The ministers, all members of the rightist General Zionist Party quit after the central committee of the Labor Party (Mapai), which Premier David Ben-Gurion heads, approved display of the Communist flag and singing of the song in schools where the majority of parents approved.

Ben-Gurion accepted the resignation of Transport Minister Joseph Sapir, Health Minister Joseph Serlin, Commerce and Industry Minister Perets Bernstein and Interior Minister Israel Rokach.

PROPHECIES

By Rt. Rev. Msgr. William C. McGrath

The following is taken from his book, "Fatima or World Suicide". World events are heading inexorably towards an apocalyptic climax. Two ideological worlds, whose objectives can never be reconciled, are moving towards a head-on collision, whose resounding impact may well mean the end of the thing we call civilization. Two world wars have driven the little people almost to the point of despair, and a third could mean the extermination of the greater part of the human race. In spite of the patent hypocrisies of diplomatic parlance, it becomes increasingly obvious that the "objective" of one world is the end of Christianity—the complete, utter destruction of everything and, if necessary, every person standing in the way of the realization of the plan. The challenge of an anti-Christ has been hurled in the face of the Christian world and that challenge will never be met by the force of arms.

Is America geared to meet this challenge? It can be met only by a return to God; and it is idle to pretend in the few years that may be left us, before the final madness, we may expect a widespread sincere return to the Christian way of life. There will be a soul-searching, intensive, sincere return on the part of enlightened few. The others will not change their ways until they are forced by fearful war, or heaven-sent disaster.

Constitutional limitations upon Congress have been wiped out; Congress now has—through taxing—and powers derived from five fields of U. N. Charter—omnipotent power to control and regulate: (1) All education; (2) All types of commerce, inter-and-intrastate; (3) All public health; All civil rights (Lesinski Bill); (5); All telephone communications; (6) All public power, rates and services; (7) Production of foods on farms and in factories.

Only by the Bricker Amendment can the historic constitutional limitations be re-established. In short, American citizens, without their knowledge or assent, have already been stripped of the safeguards of the Bill of Rights and the Constitution, by internationalist forces that have undermined the basic rights of American citizens through treaty power overriding the Constitution.

If you are awake—if you want to save all you hold dear—do your utmost to let Senators know that we want the Bricker Amendment passed.

A Senator who votes against the Bricker Amendment is violating his oath of office.

PROPHETS AND PROPHECIES

—(Continued from Page 1)—

It is senseless to wring our hands over the bland folly of politicians and diplomats while we, ourselves, are sinning against the light. Too many empty-souled Christians, serenely oblivious of eternity, are evaluating life in terms of things material. But God will not be forgotten—when love fails to win the hearts of men today, then God will make use of other means to bring wayward, stiff-necked humanity to its senses. Yet—in the sinister shadow of apocalyptic destruction, the leaders of nations continue to assemble and the diplomatic game of "make believe" goes on.

America is morally sick unto death, and not all the atom bombs or supersonic planes will avail to save her if men do not turn back to God. The mother of Jesus hurries around the world, warning against the current deluge of impurity. There are millions in America who are habitually guilty of abominations that would bring a blush of shame to the cheek of an honest pagan.

One cannot but be impressed by the disquieting unanimity of prophetic warnings concerning the days that lie before us. Pope Pius XII, now reigning, not given to melodramatic statement, describes OUR TIMES AS THE DARKEST DAYS SINCE THE DELUGE, and speaks of punishment such as humankind has never known. He said: "The hour has struck—the battle, the most widespread and ferocious the world has ever known, has been joined. It must be fought to a finish."

The middle of this century has been singled out in literally hundreds of prophecies as the time when the forces of anti-Christ will rage. Are all such prophecies to be thrown aside because the sophisticates of this "enlightened" age have such supreme contempt for THE PEOPLE OF SIMPLE FAITH WHO TAKE THEM SERIOUSLY? Shall we be saved now by the "careful" approach of the research director, or the professor or, for that matter, the theologian?

BISH. FULTON SHEEN 1950

"The two great forces of the Mystical Body of Christ and the Mystical Body of the Antichrist are beginning to draw up their battle lines for the catastrophic combat. Communism is the Mystical Body of the Antichrist; its visible head is Stalin; its invisible head is the Devil; its members are not merely those who deny God, but those who challenge God, its Peter and Paul are Marx and Lenin; its Bible is Das Kapital; and its temporal city is the Kremlin."

"Why can't the modern mind see there is nothing new in Communism? It is the logical development of a civilization which for the last 400 years has been forgetting God. From now on the struggle will be not for colonies and national rights, but for the souls of men. The Antichrist will not be so called, otherwise he would have no followers. He will wear no red tights nor vomit sulphur. . . HE WILL COME DISGUISED AS THE GREAT HUMANITARIAN; he will talk peace, prosperity and plenty. . . He will foster science, but only to have armament makers use one marvel of science to destroy another. . . He will even speak of Christ and say that he was the greatest man who ever lived. . . In the midst of all his seeming love for humanity and his glib talk of freedom and equality he will have one great secret which he will tell to no one: he will not believe in God. "We are living the days of the Apocalypse—the last days of our era."

At a large meeting for Catholic foreign missionaries held in the State of Illinois during the month of October, 1951, which was presided over by His Excellency Bishop Fulton Sheen, a very important and pointed question was asked the Bishop in open meeting, by a religious:

Q. Bishop Sheen, do you believe that Antichrist is alive and, if so, may he soon come into his reign?

A. Yes, it is my personal opinion that Antichrist is alive and in the world today.

Read and pass on!

JENNER VS ATTLEE

Ex-Premier Clement Attlee has told us he does not approve of the American constitution. Attlee insists that President Eisenhower shall attend a personal conference of the executive heads of the Big Powers, and that he shall come with full authority, unimpeded by the powers the American Constitution has given to Congress.

WILLIAM E. JENNER

Americans have chosen limited government. Mr. Attlee prefers a government in which the executive has unlimited power.

Perhaps we can better understand Mr. Attlee's criticisms of the United States, and those of his party when we see clearly his political ideology.

Admiral Leahy in his book, "I Was There", quotes a letter he wrote to President Roosevelt on January 25, 1942, with a report that "Mr. Churchill will in the near future be replaced as Prime Minister by Major Attlee who is the only person in England acceptable to the Soviet and to British Labor."

Perhaps that explains why Major Attlee is ready now to bring Red China into the UN and the Security Council, even while the blood of American soldiers is being spilled today in Korea. Churchill did not oppose the sell-out to Red China. He said only that we should wait until we have an armistice first, but he would put the Chinese Reds on the governing board of the UN over our forces in Korea and Japan.

This is the thanks we get for the billions we have given to Britain. Twice we saved her from defeat. Again and again we have saved her from bankruptcy. Now we are told to come to terms with Britain's friend and our deadly enemy, even if we must by-pass the Constitution to sell our country.

Stalin's Last Purge

By Our European Correspondent

Is there going to be a purge of the Jews from their dominating positions in the Communist government of Russia? Very likely a purge that will remove the Jews from Russian life just as decisively and thoroughly as they were removed from German life by the German National Socialist revolution against their control and domination of German culture and government which the Jews attained by mass immigration into Germany from the East after World War 1.

Stalin's greatest purge was directed against the Kulaks, all those Russian peasants who owned more than one horse. These farmers were the well-to-do of the agricultural class in Russia. They rented their spare horses, or horse, to smaller land owners to cultivate their crops. For this service they collected a percentage of the harvest.

These Kulaks were liquidated as a class. Those not massacred in local revolts, which were numerous, were banned to the Far North to die in slave timber camps or colonized on the Siberian tundra in the greatest concentration camp the world has ever known. Others were used to dig canals and extend railroads.

prevent interference with the brazenly open sale of its bonds in the U. S., something no other country is permitted to do or would dare to attempt. Israel's agents also syphon off billions of dollars from the U. S. through constant drives for money. Thousands of young Jewish men from the U. S. have been taken to serve in the Israeli army and participate in the slaughter of the Arab people. These young Jews still retain their American citizenship while they are killing Arabs who are merely trying to protect the homeland they occupied uninterruptedly for 1,300 years. These young Jews have dual citizenship which is allowed to no other people. It is the American Jewish Congress, through its control of F. D. R. and Truman, that influenced our Government to make money and arms available to these Jewish invaders of the Arabs' homeland.

Nine hundred thousand Arabs,—men, women and children,—have been barely existing and many are dying on the desert sand after being driven from their homes by the Jews. By making it possible for the Jews to dispossess the Arabs, the U. S. has alienated the friendship of more than 400 million Moslems and are driving them into the arms of the Communist Soviet Union.

Here in the United States, the American Jewish Congress fights the Un-American Activities Committee and the McCarran-Walters Immigration law, and promotes Marxist movements and anti-Christian, anti-Catholic attacks.

For the first three years of publication of COMMON SENSE, the Jewish phase of Communism was not exposed, but Jews were the ones who attacked us. We have the same situation today with the Un-American Activities Committee, Senators Joseph McCarthy and Pat McCarran being smeared by the American Jewish Congress.

This is the Marxist outfit which has been using underhanded methods against COMMON SENSE since we started publication seven years ago. Eleven printers were forced to discontinue the paper due to intimidation. The editor was dragged out of his office in handcuffs through the manipulation of Jews who used Robert Dvorin, Attorney and President of the Zionists in Linden and Roselle, N. J., when four Zionists entered the office of COMMON SENSE and started a fight. After we were able to make arrangements to print our own paper, the Jews conspired and prevented jobbers of newsprint from selling us paper. These and many other attacks have caused COMMON SENSE to grow until the enemy recognized in the COMMON SENSE following a formidable, courageous, informed group who stand with outstretched arms blocking the march of these Marxist plotters in their plot to break down our Government and bring ruin to our beloved country as they have done in Europe. Now this Zionist outfit, with unlimited funds, apparently have gone all out to close COMMON SENSE as their major move to stop all publications which dare expose their ruthless world plot.

And so COMMON SENSE is locked in a legal battle, the results of which will decide if criticism of these evil forces must end as it has in all Europe. Our cause—your cause—is in God's hands. Three courageous attorneys are active in our interest.

On Friday, May 15th, at a pre-trial examination, Mr. McGinley was grilled for four hours by Jew lawyer, Jerome C. Eisenberg, Newark, assisted by two additional Jewish lawyers, Will Maslow, 319 Hamilton Ave., Hewlett, New York and Philip Baum, 7610 - 34th Ave., Jackson Heights, New York. They explored his life for the past 25 years in an effort to locate a weak spot through which they could attack. During this inquisition, upon advice from Council, Mr. McGinley refused to answer a number of questions. The Jewish attorneys will ask the Judge to order these questions to be answered. The pre-trial examination will be continued on June 12th, with more insults to be taken and more prying questions to be answered.

We are very grateful to our friends who are coming forward to back us up with the ammunition (money) that will make it possible for us to stand up in this battle unafraid and to defray the cost of lawyers, additional expense incident to moving, and continuance with many other projects we have in mind.

Let us win this important test for Christianity and freedom!

The penalty good men pay for indifference to public affairs, is to be ruled by evil men.

OUR BRITISH ALLIES

By Colonel E. N. Sanctuary

Although buried under an avalanche of headlines such as: "McCarthy Assails 'Comrade' Attlee", "British Chagrined by Attitude in U. S.", "Churchill Calls for Big Four Parley" the real truth behind the current conflict of policy between the United States and Great Britain has at last crept partially into view. This, of course, is the issue of Jewish-British trade with Red China and Soviet Russia.

McCarthy's stubbornness has apparently broken through the propaganda barrier in that the pro-British State Department was forced to confirm on May 28th not only the fact that Britain has increased her trade with Red China, but that two British ships transported Communist troops along the Red China coast in 1951 and 1952.

British policy vis-a-vis the United States in the Korean War is propagandized as being one of cooperation and alliance against Red China. This fable at least has been destroyed.

Additional evidence of British venality in her relations with the U. S. would fill a small library, so only a few outstanding although little publicized examples of British perfidy of action and statement can be given here.

'Comrade' Attlee has stated: "The Constitution was framed at a time when the conception of the United States in relation to the rest of the world was 'isolationist'." Let us examine that period of history.

In 1819 "An Appeal From the Judgements of Great Britain Respecting the United States of America", by Robert Walsh, Jr., was published and endorsed by John Adams, Thomas Jefferson and James Madison as an historic indictment against Britain's tyranny.

On page 29 Walsh quotes from England's *Critical Review* of 1809: "The Americans are modern Jews, possessing all the qualities of the ancient, under different masks. They pervade every country on the face of the earth, and with the phrases of liberty, morality, and religion, they deceive the most wary, and the most hypocritical."

On page 161: "America is the fountain of our wealth, the nerve of our strength, the basis of our power." (Chatham-before 1776).

Sir Richard Sutton said in the House of Commons, on April 22, 1774, "If you ask an American—who is his master, he will tell you none; nor any governor but Jesus Christ!" (p. 175)

Lord George Germain, in May 1777, House of Commons informed the British that they would soon be successful in overcoming the rebels: "that he had formed his opinion from the circumstances of the Congress having given up the government, confessing themselves unequal to it, and created Mr. Washington dictator of America." (P. 186)

Benjamin Franklin, in his *Memoirs* states: "A little before I left London in 1775, being at the House of Lords . . . I was much disgusted . . . by many base reflections on American courage, religion, understanding in which we were treated with the utmost contempt as the lowest of mankind and almost of a different species from the English of Britain; . . . the lords . . . asserted that we were all knaves." (P. 189)

"It is not in Europe only that the prosperity of Russia is likely to be advantageous to the British monarchy . . . Already we hear the Americans, boasting that the whole continent must be their own; . . . They will find certain bearded men with green jackets and bayonets, whose flag is already triumphant over the coast from California to the straits of Anian, . . . whose frontier is more likely to meet theirs in Louisiana, than theirs is to extend to the Pacific. These are not very distinct expectations, and they are not unfavourable to England. (April 1818) (p. 253).

From these brief excerpts from Walsh's book, a volume of over 500 damning pages, it should be apparent what England's policy has been towards America even before our War of Independence.

The role England took in supplying privateers in the War Between the States, in maneuvering us into World War I, World War II, and lastly into the Korean War, has been amply documented.

There are, however, certain almost suppressed matters not widely known, such as an article in *Scribner's Commentator* of February, 1941, in which Churchill is quoted in an interview he gave to William Griffin, editor of the *New York Enquirer*, in London in August 1936.

When Churchill was asked whether he thought England should repay the five billion dollars she owed the United States he replied that he thought England should be allowed to deduct four

billion nine hundred million dollars plus interest for the cost of the ammunition she had fired at the Germans while waiting for the United States to physically enter the war after the initial declaration of war. In other words that WE OWED ENGLAND MONEY.

He stated further: "America should have minded her own business and stayed out of the World War. If you hadn't entered the war the Allies would have made peace with Germany in the Spring of 1917." And: ". . . the situation will be different when the next war starts in Europe. You may want to stay out of it, but . . . the United States will be dragged in."

Later, in 1939, when Churchill was again at his pariah's task of swindling money by propaganda from the United States just before World War II, he indirectly issued a denial of this interview, but when sued for \$1,000,000 by Griffin would not state directly that he had not said these words, thus confirming their validity.

"Propaganda in the Next War," by Sidney Rogerson, published in 1938 in London, before all copies were bought up, fell into the hands of Senator Nye, who inserted a speech concerning it in the Congressional Record, April 25, 1939, wherein he said: ". . . a large portion (of this book) is given over to a description of just how they are going to manage their propaganda upon the United States."

The author, Sidney Rogerson, was publicity manager of Imperial Chemical Industries, the vast British-Jewish dye and explosives trust and past counsel for the Federation of British Industries, composed of 90 per cent of the manufacturers in England. (See *War Guilt and Warmongers*, by Col. E. N. Sanctuary.)

In the book itself on page 148 a fantastic forecast of what was then being arranged was made: "Though we are not unfavourably placed, we shall require to do much propaganda to keep the United States benevolently neutral. . . . It will need a definite threat to America, a threat moreover, which will have to be brought home by propaganda to every citizen, before the republic will again take arms in an external quarrel. The position will naturally be considerably eased IF JAPAN WERE INVOLVED and this might and probably would bring America in without further ado. (emphasis ours). At any rate, it would be a natural and obvious object of our propagandists to achieve this, just as during the World War they succeeded in embroiling the United States with Germany."

Fortunately with America our propaganda is on firm ground. We can be entirely sincere, as our main plank will be the old democratic one. . . . Our minor propaganda will aim at attaching the support of important sections, such as the Jews, probably by the declaration of a clear-cut policy on Palestine and our intention if victorious to put an end to anti-Semitic persecution; and of the Roman Catholic community in similar terms. These should not be difficult to pursue, nor to put over on the American public."

There is more, much, much more in this fantastic book, but this excerpt is indicative of the contents.

We shall end with the statement Henry Ford made on Nov. 21, 1940, printed in the *New York Times*: "Mr. Ford contends the present war could not have gone as far as it has, if the people of Europe had not allowed themselves to be 'duped' by those who profit out of war—the greedy financial groups, seeking to extend their domination over people and lustful for power in every branch of human endeavor!"

THIS IS A REPUBLIC

"Our government is not a Democracy. It has never been a Democracy. The government of the United States is a Republic. And a Republic is a very different thing, indeed, from a Democracy."

"Every Democracy in the history of the world has crumbled and fallen apart."

"In a Democracy the organized have always out-shouted and out-pressed the unorganized, resulting in what President Madison called the 'inevitable spectacle of turbulence and contention which have caused all Democrats to be as short in their lives as they have been violent in their deaths.'"

"One of the most elementary facts of life is that when everybody is responsible in any enterprise, nobody is responsible."

"When everybody's judgment prevails, nobody's better judgment has a chance. When the only rule of wisdom is majority rule, the ship founders on the reef of short-sightedness and greed."

"There are always forces at work against the success of this Republic—influences that never sleep and which are creating a substitute government."

"I don't know if the time is now, or if events are merely coming to a head, but soon there must come someone, some John Marshall in the forum, who will sound a trumpet call and rally us to the defense of the Republic."

(From a broadcast by Henry J. Taylor, May 17, 1946).

RED HIGHLIGHTS

For the first time in 35 years Bernard Baruch made a statement against the Communists. He asked the Russians to free their own people. . . . Winston Churchill recently stated that we (England) must make sympathetic and patient examination of the Korean conflict. Like Baruch, Winston Churchill is an avid follower of the Talmud and Zionist leader. . . . The president of Guatemala is Jacobo Arbenz Guzman, "Jew". Needless to say that this government is as RED as your grandmother's underwear. . . . Word has passed down the ranks from the anti-Christian "Jewish" leaders for all out support of the U.N. The plan is for the United Nations to abolish all other governments. . . . From all appearances ILA president Joseph P. Ryan is being set up for the kill by the Zionist Communists. . . . What the American people thought to be a ridiculous peace proposal by the Communists was accepted by Gen. Mark Clark and the U. N. ("Jew" controlled) high command.

O—O

The intelligent American does not have to be a reader of *Common Sense* to understand who is behind Communism in the United States. The names brought out before the Un-American Activities Committee reads like a record of attendance at a Synagogue festival. . . . Recently this mentioned the case in Washington where one Jacob S. Hymes, "Jew", was doing the printing for the Soviet, Romanian, Hungarian and Czechoslovakian embassies, the local Communist party, and also the United States government. We failed to report that Hymes's brother, a rabbi, was also implicated. . . . Communist agents in Canada have been ordered to pose as devout Catholics. . . . This brings up the question as to who determines the policy of the Jesuit magazine "America". Sincere Catholics cannot understand why this Catholic magazine makes it a practice to attack lay Catholic leaders such as Sen. McCarthy and Sen. McCarran, who have dedicated their lives to fighting of evil, and carrying on campaigns in the name of Jesus Christ. Although this "Catholic" magazine is allowed to be sold in Catholic churches it expresses the liberal pro-Communist propaganda that one usually finds in the dark alleys of New York City.

O—O

We sincerely urge all Christians to pray to Almighty God to inspire our President with the necessary graces and courage to withstand the tremendous pressure that will be brought on him. . . . Why is it that the "Daily Worker", "People's World" and other Communist publications attack the same American leaders, at the same time, and with the same labels, as the "B'nai B'rith Messenger", "Jewish Voice" and other "Jewish" publications? For instance, both groups are presently attacking Senator McCarthy, Senator McCarran and Senator Velde. . . . From the office of Robert H. Williams comes the warning to the American people that the International, anti-Christian, Zionist cabal is pushing for Hawaiian statehood so as to allow thousands of Asiatic Communists and saboteurs in the United States. One other thing brewing in Washington which smells like a conspiracy against the American people. It seems that a "deal" is in the making which will leave the McCarran Immigration Act unchanged. In exchange, Eisenhower will propose—and Congress will accept—the admission of 300,000 refugees from outside the Immigration quota. Awake Americans and write your Congressmen. Pray and fight. God is with us.

Washington's New - New Deal Dictators

By Arthur Legation Andrews

Congressman James E. Van Zandt, past Commander of the Veterans of Foreign Wars, and Congressman Paul Shafer of Michigan have issued strong warnings and protest against Eisenhower's new Politburo, which is ready to supersede and replace representative government in America. Acting upon a crisis which can be manufactured on an hour's notice, with the explosion of an atomic bomb on our Eastern coast, this Politburo will take over, and our elected government will step aside, according to present plans. This Politburo is called the Presidential Study Committee to the joint Chief of Staff. It is composed of the most dangerous men in America, namely, Nelson Rockefeller, Ike's brother, Milton Eisenhower, Vannevar Bush, a member of the committee which recommended to President Truman that the atomic bomb be dropped upon Japanese women and children as a terror weapon, and a Russian Jew named David Sarnoff, who is the dictator of American radio. As head of Radio Corporation of America, David Sarnoff manufactured a radio transmitter and sent it to Russia, a transmitter which, according to Admiral Ellis, former head of Naval Intelligence, is five times more powerful than any radio transmitter in the United States. This transmitter easily jam our Voice of America broadcasts and makes them useless.

Two new members of this Politburo are the Austrian Jew Dr. Arthur F. Burns, President Eisenhower's Economic Advisor, and the sinister Jew Lewis L. Strauss, Presidential Advisor on Atomic Energy. Strauss is a partner of the international Jewish banking house of Kuhn, Loeb Co., which financed the Communist Revolution in Russia. Robert L. Johnson, head of the pharmaceutical firm Johnson and Johnson, as well as Congressmen Van Zandt and Shafer, have warned that this group will set up a Prussian-type military plan for America, that is, a Politburo which will make all the decisions and exercise absolute power. Now we can see why Eisenhower was elected instead of the simpering Stevenson, who would not have had the guts to order mass execution of patriotic American citizens.

With this Committee, Eisenhower activates a genuine corporate state, with the leaders of heavy industry actually ruling the country openly, instead of behind the scenes as they did with the gangsters' hero Harry Truman. The international Jewish bankers who seized American heavy industry after the Crash of 1929 (Lehman Brothers, Senator Herbert Lehman's family banking house, holds 117 controlling directorships in America's biggest corporations, such as Studebaker, United Air Lines, Climax Molybdenum, Kroger Food Co. etc. according to Poor's Directory of Directors, 1952.) now will assume absolute control over the American people and their resources. The power of alien gold has destroyed the American Republic.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

STALIN'S LAST PURGE

—(Continued from Page 2)—

ed some 2,000,000,000-odd peasant families throughout Russia. It was another of the dead dictator's beastially cruel actions in establishing his tyrant's rule of terror in the USSR.

Stalin's Last Purge developed from the thousand-year-old conflict between the Slav and the Jew. The Jews obtained their first great victory when they aided Japan to win the Russo-Japanese war. Thousands of Russians who were war prisoners of the Japanese received revolutionary instructions from the Jews who in turn, were financed by the Jewish millionaires in New York. This is a matter of record. These indoctrinated Russians returned to Russia and led the ill-fated revolution of 1905. World War I enabled the Jews to complete their revolution in Russia at the cost of some 10,000,000 lives. In 1918 the Jews established firmly their domination over Russia.

Although Stalin soon terminated his allegiance with Zinoviev and Kamenev, the Jewish rulers of Leningrad and Moscow, after he exiled War Commissar Trotzki in 1923 after the death of Lenin and had both Zinoviev and Kamenev executed still the Jews succeeded in maintaining their power in Russia until the outbreak of World War II. It was then Stalin had to call upon the inherent patriotism of the Russians to defend Russia and preserve his dictatorship.

Stalin had foreseen World War II when Hitler obtained power in Germany. So in 1937 he staged another purge which, very nearly, was fatal for the revolution. Besides liquidating Marshals Tuchachevski, Jegorov and more than 10,000 Red Army officers above the rank of Major Stalin also liquidated a number of Jews. This multiple-mass-murder was carried out by Beria, the fifth Jewish chief of the Cheka-OGPU-NKVD-MVD—the terrorist police whose name Stalin changed three times in an attempt to fool the world into believing that his reign of terror was being ameliorated.

None knew better than Stalin that the Jews, with their dipsomaniac thirst for power, their Mongolian nomad inheritance of restlessness, their keen intelligence which, in Communist Jews, is uninhibited by religion, and their international and potential connections, are a subversive element in all countries, including Russia.

Stalin made excellent use of the Jews in both Europe and the United States. He saw how thoroughly they betrayed the United States into Russia's hands during World War II when, largely through Jewish intrigue and influence, Russia obtained some thirteen billion dollars worth of Lend and Lease supplies AND ALL OF THE SECRETS OF THE AMERICAN STATE DEPARTMENT THAT RUSSIA REQUIRED TOGETHER WITH THE SECRETS OF THE ATOM BOMB.

Stalin also saw how the Jewish minorities in Estonia, Latvia, Lithuania, Poland, Czechoslovakia, Hungary, Romania, Bulgaria and Albania betrayed these countries into Communist control, massacred the elite of their populations and made them satellite Soviet states.

Therefore, how could Stalin not suspect the Jews, perhaps not of actually plotting, but merely being capable of plotting, against his power. Stalin's success as a terrorist ruler was due to his ruthlessness in liquidating not only plotters, but potential plotters. Stalin also saw how the recent election in the United States strengthened Jewish power there and how the influence and power of the Jews in America continues to increase until today some observers believe they are on the verge of attaining complete domination of America.

So Stalin picked a thread to start a general purge like the one of 15 years ago for he knew that the only people inside Russia susceptible to American influence and capable of plotting the overthrow of his regime are the Jews. He found the end of the thread in Czechoslovakia and Slanski and the other alleged conspirators met the fate of other tested and tried revolutionists whom Stalin liquidated in the past purges.

From Prague the thread led to Moscow, straight into the Kremlin itself, where some Jewish doctors were accused of conspiring to kill Communist leaders by violating their Hippocratic oath.

The charges voiced by the communist prosecutors in Prague and the accusers in Moscow are so fantastic as to be unbelievable—even for residents behind the Iron Curtain. In order to get them accepted and believed by the Great Unwashed they had to be served up with an acceptable sauce. And that sauce was Anti-Semitism.

Any anti-Jewish action is immensely popular in Russia; among all classes of Russians and especially among the military. The new purge of the revolutionary Jews is also popular in the satellite countries and will be welcomed and applauded by some groups in other countries as well.

Consequently the result of this new Communist Jewish pogrom will be a strengthening, instead of a weakening, of Communist power within Russia. Stalin intended it to strengthen his own position which no dictator ever believes is really secure enough.

It has already been announced from the Kremlin that Stalin's policies and pronouncements will be followed. Malenkov has already seized power, but he is temporarily sharing it with Beria and Kaganovitch and it is upon these two sinister figures that the hopes of the Jews of Russia and the satellite countries now rest.

Malenkov, before Stalin's stroke, accused Beria of negligence and inefficiency in not uncovering the plot of the Kremlin doctors. Malenkov is not photogenic. Like Walter Winchell, he owes his entire career and his success to snitching, only Winchell is America's snitch while Malenkov was Stalin's snitch. The rumblings of fresh eruptions from the Kremlin volcano of hate was already heard before Stalin's last illness.

Stalin was once again whipping up Russian patriotism when he was stricken. Malenkov is continuing this development for once again the Kremlin feels itself threatened. This time not by a national revolution such as occurred in Germany, but by the ascendancy to power of the Jews in the United States where, with the help of their press, their radio, their commentators, their television and their purchased American non-intelligentsia within thirty days they could set the fires for an atomic war—a war which in all likelihood, would mean the end of the White Man's World as it exists today, for an American victory would mean that the Holy Grail of WORLD RULE sought by the communist revolution Jews whose homeland is on the steppes of Russia would be won by the revolutionary Jews whose homeland is now the United States of America.

WINSTON'S VIEW ON JEWS

ARABS VICTIMS OF JEWISH TOLERANCE

April 14, 1953

The Hon. Lester B. Pearson,
Minister of External Affairs,
Ottawa, Canada.

Dear Mr. Pearson,

I have the honour to submit to you the following resolution of the Canadian Arab Friendship League passed at our monthly meeting held at the Windsor Hotel on April 13th, 1953.

It is with deepest regret that we have to recall to your attention that despite your assertions that the Canadian Government will take in hand the case of the Palestine Arab refugees, nothing so far has been done.

It is a widely known fact to the Canadian people that nearly one million Arab women and children have been forcibly displaced from their rightful homes and forced to live in degrading conditions as refugees in UN camps as a result of Jewish terrorism in Palestine and the subsequent sanction of the 'fait accompli' by our government.

The Canadian Arab Friendship League is a non-political organization dedicated to the furthering of good relations between Canada and the Arab world, we cannot sit silent while as a direct result of our government's policies such monstrous sufferings are imposed on innocent individuals, whom in turn we expect to become friends of this country.

"We feel that it is within the power of the Canadian Government and especially within your power as the President of the General Assembly of the UN to seek the implementation of the resolution taken unanimously by the General Assembly on demanding Israel to allow the return of the displaced Arab refugees to their rightful homes.

It is also a shocking outrage, that the state of Israel is cold-bloodedly auctioning the property of the refugees who chose to flee their homes rather than to be subjected to the fate of the population of Dier Yassen, where as you probably recall, Zionist murderers have exterminated over 250 innocent women and children.

The problem of the Arab refugees is the practical test of the UN's ability to direct the destinies of the world and to live up to the great hopes placed in it by member nations.

As Canadian citizens we demand that our government should take in hand the cause of the Arab refugees and bring an end to their unnecessary sufferings and misery by taking such steps as it is within its power to take through diplomatic and other channels.

We sincerely hope that this our appeal shall not be ignored.

M. S. Massoud
President of the Canadian
Arab Friendship League.

CHURCHILL SPEAKS THE TRUTH

(The London Sunday Herald on February 8, 1920, carried an illustrated article entitled, "A Struggle for the Soul of the Jewish People," by Winston Churchill, from which the following is published.)

Some people like Jews and some do not; but no thoughtful man can doubt the fact that they are beyond all question the most formidable and the most remarkable race which has ever appeared in the world.

First there are the Jews who, dwelling in every country throughout the world, identify themselves with that country, enter into its national life, and, while adhering faithfully to their own religion, regard themselves as citizens in the full sense of the State which has received them.

The National Russian Jews, in spite of the disabilities under which they have suffered, have managed to play an honourable and useful part in the national life even of Russia. As bankers and industrialists they have strenuously promoted the development of Russia's economic reserves, and they were foremost in the creation of those remarkable organisations, the Russian Co-operative Societies. In politics their support has been given, for the most part, to liberal and progressive movements, and they have been among the staunchest upholders of friendship with France and Great Britain.

International Jews

In violent opposition to all this sphere of Jewish effort rise the schemes of the International Jews. The adherents of this sinister confederacy are mostly men reared up among the unhappy populations of countries where Jews are persecuted on account of their race. Most, if not all, of them have forsaken the faith of their forefathers and divorced from their minds all spiritual hopes of the next world. This movement among the Jews is not new. From the days of Spartacus — Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this world-wide conspiracy for the overthrow of civilisation and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster (author of World Revolution), has so ably shown, a definitely recognisable part in the tragedy of the French Revolution. It has been the main-spring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the un-

A Program For Jews

By Colonel E. N. Sanctuary

This book is the most candid and honest presentation of the Jewish viewpoint written during the past 50 years. We regret that its rarity has kept it from being widely read. We hope this review, fourteen years delayed, will bring the author, Harry Waton, the plaudits he so richly deserves as a man who scorned lies and fearlessly risked universal condemnation for revealing the innermost workings of the Jewish mind. This amazing book, "A Program for the Jews and Humanity and an Answer To All Anti-Semites" was published by the Committee for the Preservation of the Jews, a committee organized as a result of an address of Mr. Waton's on this subject before the Spinoza Institute of America on Oct. 23, 1938. Ten thousand copies, of that ad-

Earl Browder, in leading a discussion before a group of students of Union Theological Seminary (2/15/35) stated: "The Communist Party takes the position that the social function of religion and religious institutions is to act as an opiate to keep the lower masses passive, to make them accept the bad conditions under which they live in the hope of a reward after death. From this estimate of the social role of religion, it is quite clear that the Communist Party is the enemy of religion. Communists try to do the opposite of what he hold that religion does."

Browder's full statement before Union Theological students appeared in the magazine, "The Communist", for April 1935.

He further said: "You may be interested in knowing that we have preachers, preachers active in churches, who are members of the Communist Party. There are churches in the United States where the preachers preach Communism from the pulpits."

He called religious beliefs "reactionary" and said: "We expect religion to be eliminated only in the course of a few generations."

A MESSAGE TO TEACHERS

By Doctor David A. Goldstein,
Boston, Mass.

We are living in a Red Revolutionary Age, in which Congress found it necessary to check infiltration of anti-Americanism into our schools and colleges; by exacting loyalty oaths from teachers; and compelling the Communist Party to register as a foreign agent. It is the opinion of this columnist that Red unions, such as were finally expelled from the C. I. O., should also be subjected to legal restraints.

This thought was prompted by "A Message to Teachers," sent forth by U. E. (United Electrical Workers Union), which furthers a Moscow concept of our country among school teachers. Along with this "Message" are pictures, and biased statements, in favor of "Some (supposed to-be) Victims of Frame-Ups in American Labor History."

The best known among them is Eugene V. Debs, who has been a Red enemy of our country from the time he ceased to be an official of the Brotherhood of Locomotive Firemen, until his death. His Red philosophy may be judged from the Communist Manifesto principle echoed by him in Tremont Temple, Boston, viz: "Talk about men in Europe fighting for patriotism and for love of country. The workingman never had a country to fight for in any part of the world." Not long afterwards, when the Communists usurped power in Russia, the Bolshevism of Debs caused Lenin to hail him a "as true internationalist, a real representative of the revolutionary proletariat."

"Big Bill" Haywood is another Red presented to the teachers as one of the "Victims of Frame-Ups in American Labor History." Haywood's Red-Redism was expressed in Cooper Union, New York City, in these words, quoted from The International Socialist Review: "I despise the law, and I am not a law-abiding citizen (applause). When we come together and are of a common mind, and the purpose of our minds is to over-

Jew Judges Remain

IN COMMUNIST COUNTRIES

By George Thomas Adams

The hysterical press campaign in America to convince us that once more we should send our boys out to be slaughtered for the plans and profits of world Jewry has received some setbacks with the revelations that non-Zionist Jews are still running the show in the Communist satellites. "This Week Magazine" in its issue of Feb. 1, 1953, described Jewess Hilde Benjamin as "the president of the Supreme Court of the German Democratic Republic (East Germany), and as such she is judge, jury, prosecutor, and the law for all of that Soviet-occupied land. A merciless, wanton, even sadistic woman, Hilde Benjamin has dedicated herself to teaching the East German people about Soviet justice. From the high court bench, Hilde Benjamin's hard PRUSSIAN speech snaps and cracks like a whiplash across the faces of prisoners before her. Youth is her special target—young men caught in case of sabotage or with Western reading matter or who have deserted and tried to escape from the Volkspolizei, or who have been dodging the net of East Germany's labor service (which means either the uranium mines or military imprisonment.) Her sentences are fantastic—15 or 20 years in prison for illegal reading is mercy from Hilde Benjamin. There is no appeal. Recently Hilde began to get ready for what must be the highest achievement to which any Communist judge can aspire, to sit in justice on a major purge trial of government ministers."

Communist Germany must be much like the United States, with Jewess Hilde Benjamin—a combination of Supreme Court Justice Felix Frankfurter, and former Asst. Secretary of Defense Anna Rosenberg in one Yiddish package—holding absolute power. This is merely one more proof that the "anti-Semitism" which our Jewish Press is screaming about is a purge of Zionist Jews by Communist Jews. The authority, Max Lerner in his column in the New York Post on January 26, 1953, again bewails the fact that "One of the cruelest ironies in the whole history of the Jews is to be found in the satellite state of Hungary. That irony lies in the position of Rakosi. For in Hungary the Number One Communist, Rakosi, who has all along been a ruthless instrument of Kremlin policy, is himself a Jew. But the fact remains that he is now the instrument for persecuting the other Hungarian Jews."

Perhaps Max Lerner is right when he goes on to say that this purge is racist, because it is all Jewish, a purge of Jews by Jews. At any rate, these trials prove beyond a doubt what COMMON SENSE has been saying for years, that Communism is run by Jews. We never thought that it was as 100 per cent Jewish as these purges indicate and we never thought that we would be quoting the New York Post to back up our charges that Communism is Jewish.

Particularly do these trials show how the Jews have taken over the administration of Communist justice behind the Iron Curtain. For instance, the New York Post on February 9, 1953, headlined "Hungary Wars on Jews" from which we quote:

VIENNA — It was officially announced in Budapest that Cyula Decsi, Hungary's Jewish minister of justice, had been removed from his post. The announcement followed reports last week that Decsi was under arrest. At least 20 other high Jewish government officials have been reported ousted and arrested, but Decsi's removal was the first announced. Decsi handled the questioning of Josef Cardinal Mindszenty before the Catholic prelate was brought to trial and sentenced Feb. 1949, to life imprisonment as a 'spy and traitor'. Decsi was promoted from deputy minister of justice last September. Gerson, a Jew was in charge of the team of 16 psychologists who tormented Cardinal Mindszenty. The man who administers the drugs to the Cardinal now lives in the U. S. He is the Hungarian Minister to the U. S., Dr. Emil Weil, also a Jew.

Thus the persecutor of Mindszenty has become a victim of Jewish justice. It was inevitable that the atheistic Jews, once they had seized absolute control over the Christian populations of Europe, would begin to plot against and betray each other. The same thing has been happening in America. Walter Winchell and Barry Gray (Yaroslav) have been throwing hatchets at each other for months in their respective columns; Judge Irving Kaufman and Irving Saypol sentenced the Rosenbergs to the electric chair for giving the atom bomb to Russia.

A PROGRAM FOR JEWS

dress were published and distributed.

We quote at length (page numbers in parenthesis):

"Once Socialism has been established, and all future social evolution would be towards a human society resting on universal communism. Only then will all social problems be solved. . . .

When a state . . . assumes the economic function, the state becomes the capitalist, and we have state capitalism. State capitalism may come from below through a bloody revolution, as was the case in Soviet Russia, or it may come from above, as will likely be the case in this country . . . (20).

The state will dictate what to do, how to do, what to think and what to believe. (21).

Naive Americans still believe in the rights guaranteed by the Constitution, but they do not realize that the Constitution has already fundamentally changed its character. . . .

the Jews should support Roosevelt and his measures that are in the direction of state capitalism.

Any new social order that has to overcome an existing decaying social order necessarily meets with violent opposition, and for this reason the new social order must be violent itself. (41).

while the state assumed the burden of becoming a murderer, it enabled the members of society to become ever more humane and moral. Naive sentimentalists never realized the infinite service that the state thus rendered to mankind. (43).

Christianity is now on trial . . . If, after thousands of years of Christianity, the Christians are still barbarians, then Christianity has failed.

Christianity has no reason for existence. And, since it has no reason for existence, it cannot and will not exist. (45)

Six years passed since the Jews outside of Germany declared war against Nazi Germany and Fascist Italy. (48)

As soon as the Jews appeared on the historic stage, anti-Semitism appeared. Anti-Semitism is the mortal dread of Judaism and the Jews. . . .

Jehovah differs from all other gods, all other gods dwell in heaven. . . .

Judaism concerns itself only about this earth and promises all reward right here on this earth. The Kingdom of God is to be realized right here on this earth. . . . God assumes his holiest name, Jehovah, only on this earth and when embodied in man. (52)

The Anti-Semites perceived intuitively . . . that the Jews will inherit this earth. . . . all other races will either disappear altogether or they will become Jews and they will together with the Jews inherit this earth. This was the mortal dread of the Anti-Semites. It was the dread that is felt by one who faces the yawning mouth of the serpent who is about to swallow him . . . It was not only the dread of death but worse still, it was the dread of being swallowed by the serpent Judaism and be turned into Jews . . . For an Anti-Semite to be converted into a Jew is worse than death. This seemed to the Anti-Semites as being converted into an inferior being, since they regarded the Jew as being inferior to themselves. This was and is the mortal dread of the Anti-Semites . . . This definite intuition of the Anti-Semites of today found a most definite expression in Hitler's work: Mein Kampf. (53).

Of all Anti-Semites that ever lived, Balaam (Jesus) "was the greatest . . . The Talmud tells us that Balaam was even greater than Moses. . . . The greatness of Balaam appears in the method he used for the purposes of destroying the Jews. (54).

how could the . . . nations be made to realize the danger that faced them . . . ? There was only one way, to call upon Balaam, who was famous among the nations, to come to curse the Jews . . . Balaam was required to convince the nations . . . that they must all unite to destroy the Jews: otherwise the Jews would destroy them. (55).

We shall presently see how the curses of Hitler turn into a blessing. (56).

The Nazis regard it their mission . . . to convince the Aryan nation that they should unite with the Nazis to annihilate all the Jews. By this Hitler has accomplished a most marvelous historic task; he has converted the Jewish people, consisting of only sixteen million Jews, into a mighty nation consisting of more than a thousand million human beings . . . not only is it inevitable that the rest of mankind will become Jews, but also that the Nazis themselves will be compelled to become Jews. (59)

Hitler has rendered infinite service to Judaism and the Jews by making it clear that Judaism is a world philosophy . . . Nazism, more than any other system of thought, sustains Judaism and the Jews. (63).

Why have Hitler and the Nazis the terrible foreboding that the Jews will triumph? This is due to the nature of Judaism. We saw that Judaism is . . . Marxism, Communism, internationalism, democracy, the equality of the races . . . the universal brotherhood of man and the emancipation of the working class. (64)"

tions of the new society, THE SOCIALIST SOCIETY."

Browder, in this talk, explained the dialectical materialism of Karl Marx by saying: "Religion does not fit into a dialectical materialist system of thought. It is the enemy of it. One cannot be a thorough materialist, that is, dialectical materialist, and have any remnants of religious beliefs."

This should make the position of the Marxian Socialists (Communists, etc.) very clear. Browder referred to the American League Against War and Fascism which later changed its name to the American League for Peace and Democracy and when exposed by the Dies Committee as a leading Communist "front" disbanded hurriedly to avoid having its officers subpoenaed.

Then he mentioned Dr. Harry F. Ward, head of the Methodist Federation for Social Service and Dr. William Spofford, leader in the Church League for Industrial Democracy (Episcopal), both as being connected with the League "front" just described of which Ward was Chairman.

Dr. Ward and Bishop Francis J. McConnell are two prominent Methodist churchmen who have been active in so many radical "fronts" that there is not space here to list them. Bishop McConnell has long been a leader in L.I.D. (League for Industrial Democracy) which we have seen throughout the record presented in this book was one of the main backlogs of the New Deal.

There are about 2,500 ministers connected with the Methodist Federation for Social Service which Dr. Ward has long headed. A slogan in the monthly bulletin of this organization reads: "For the abolition of the profit system." This antipathy against our profit economy was further expressed by Dr. Ward in Corliss Lamont's magazine, "Soviet Russia Today" (Nov. 1936), wherein he said: "We must follow the example of the Soviet Union. We must overthrow the capitalist system."

Dr. J. B. Mathews who fell victim to the seductiveness of Communism and became one of their most active "fellow travelers," in extensive testimony before the Dies Committee, explained how he became the first President of the American League for Peace and Democracy (Communist "front") and was succeeded by Dr. H. F. Ward

Dr. Mathews said: "I was chosen by Browder and his colleagues in the Communist Party to head the new organization. I was what the Communists called a 'fellow traveler.' In February, 1934, I resigned in protest against a riot which the Communist Party staged in breaking up a trade union meeting . . . I was succeeded in the national chairmanship by Prof. Harry F. Ward who is still head of the League and is also chairman of the American Civil Liberties Union and the Methodist Federation for Social Service."

Ward's case illustrates well how the connecting link works. For over thirty years he has been active with one foot in the church and the other in Socialism. For much of this time he has been helping "prepare" young ministers at Union Theological Seminary - and during this long period he has traveled all over America distributing his particular brand of philosophy to young people at colleges, universities and churches.

In the Communist "Sunday Worker" (5-17-36) there appeared an article by (the Rev.) Edgar Jackson, representing the Youth Committee, Methodist Federation for Social Service, in which he said: "Almost thirty years ago a group of Methodist ministers and laymen said the stirring of the awakening society should be aided and not impeded by the organized church. The Methodist Federation for Social Service was the agency set up by this group of liberals . . . to get the church to go on record in favor of social change in the direction of a scientifically planned society, to condemn capitalism once and for all as a bankrupt economic system."

A BETTER WORLD—FOR WHOM?

by F. J. Chrestensen

Have you ever paused to ponder—
Will we have a better world
When freedom's hard won stars and stripes
Are never more unfurled?

When St. Mary's cross is broken
And her bells no longer sound,
And every cherished landmark
Is leveled to the ground?

When our nation's noble anthem
Is neither played nor sung,
And any boy who whistles it
Is jailed—or maybe hung?

A MESSAGE TO TEACHERS

—(Continued from Page 1)—

throw the capitalist system, we become conspirators then against the United States government, (applause) and establish in its place industrial democracy. . . . Am I correct?" (tremendous applause). Having been found guilty of conspiracy against the United States government during his Communist days, this U. E. "labor" martyr skipped his \$25,000 bail, and spent the rest of his days in the Soviet Union.

Communist Harry Bridges is another personage the U. E. is endeavoring to get teachers to take to their hearts as a "labor victim". Suffice it to say of him, that his days in the U. S. A. are numbered. Deportation for him is in the offing. Albert Parsons, the anarchist bomb thrower, who caused the Chicago Haymarket riot that resulted in many deaths, is another U. E. darling. Then there is Tom Mooney, who threw the bomb into the San Francisco "Preparedness Day" parade and Harold Christoffel, who served a deserved jail sentence for Red activity during a strike. These U. E. idols are merely mentioned, in order to get something into the remaining space of this column about Sacco and Vanzetti, listed by U. E. as "victims" of love of the underpaid.

First of all, Sacco and Vanzetti were never labor leaders, as claimed by the Communists, Socialists, and U. E. Sacco did belong to the Boot and Shoe Workers Union for three months, while employed in a Brockton Union ship. But he allowed himself to be suspended for non-payment of dues, when employed in a non-union shop Vanzetti (the fish peddler, never belonged to an American trade union). His only known labor activity, was joining with others in a Plymouth, Mass., cordage-plant strike.

These U. E. beloved "labor leaders" were arrested, convicted, and sent to the electric chair, for murdering a paymaster, and his guard, for their \$15,000 pay roll. The bullet extracted from the paymaster's body had the marks, size, etc., of the gun and bullets found in Sacco's pocket, and the gun on Vanzetti's person belonged to the paymaster's guard. We have a copy of a lengthy article, written by Father Michael J. Dwyer, for seven years District Attorney in Suffolk Co., Mass., before entering the priesthood. He testifies therein of the fairness of the courts that tried Sacco and Vanzetti. "We know," said he, "that they were fairly tried and convicted; they have had the benefit of having their case passed on by the Supreme Court; they and their case have been the subject of a special inquiry by the governor and a committee of unimpeachable citizens—" etc.

No case was ever more cleverly used to further Communist propaganda, than the Sacco-Vanzetti case. "On To Boston"—"Down With Your Tools," were two of hundreds of glaring headlines in the Daily Worker, which rallied Reds the world over to the falsehood the U. E. continues to further among the teachers. Upton Sinclair wrote a book, under the title "Boston". The conviction of Sacco and Vanzetti was charged to the "Wall Street government; Lee Higginson Co., Massachusetts rulers—textile barons, the shipping interests, and the decadent Back Bay aristocracy," who had no more to do with the trial and conviction than with the Idaho conviction of Haywood for engaging Orchard to dynamite ex-Governor Stuenkel.

Half a million dollars were collected by the Communists for "defense," which were used for Red propaganda, as their Socialist associates in this "defense" finally realized. Strikes were encouraged; two American branch banks were dynamited in Buenos Aires, a jurymen's home in East Milton was bombed; a bomb was exploded in Utica, New York, that caused \$30,000 damage; and the American flag was raised high in Trafalgar Square, London, pulled down and torn to shreds, to express Red contempt for America; and Moscow named a plane "Sacco-Vanzetti". These are only a few of hundreds of stunts, to discredit Judge Thayer, the jury, Governor Fuller, and Massachusetts, for the trial and conviction of the two robbers and murderers, who died proclaiming their adherence of anarchism.

Only a minority of members of U. E. are Communists. But its President, who claims to be "a fair sort of a Catholic," has long been the front for Communist U. E. General Secretary Julius Emspak, and Organization Director James J. Mattes, compilers, no doubt, of the "Message To Teachers", who refused to answer the Congressional Committee's question, as to their connection with Communism, on the ground that they "might incriminate" themselves.

Trade unions are necessary for obtaining and containing a decent standard of living, and working conditions with which all workers ought to feel obligated to be affiliated. But, in our opinion, the law ought to protect loyal Americans, who belong to such Red-dominated unions, like the U. E., from using their membership influence for furthering Moscowism, such as embodied in the "Message To Teachers".

NEW YORK TIMES ADMITS PHONY ANTI-SEMITIC DRIVE IN COMMUNIST SATELLITES

By Eustace Mullins

On March 26, 1953, the New York Times headlined a dispatch from Vienna as follows:

"Purges in Hungary Held Exaggerated. Six High Officials Reported Dead or Ousted Now Said to Have Been in Budapest.

"Word reached here today from a reliable source that Zoltan Vas, former head of the Hungarian State Economic Planning Office, who was reported to have committed suicide, appeared last week in Parliament in Budapest. What is more, the report said, he was seen to kiss his old friend, Premier Matyas Rakosi, on both cheeks. With the re-emergence of Mr. Vas, all but seven Ministers or leading functionaries of the Hungarian Communist regime who, according to recent reports, had been arrested or shot or had committed suicide, have reappeared. The report of the purge indicated that the officials involved were Jews Premier Rakosi is a Jew."

Thus the New York Times officially admits that the hysteria over "anti-Semitism" in the Jewish-controlled Communist satellites was a lie. Further, the New York Times Sunday Magazine, a sounding-board of Jewish foreign correspondents, presented an article by George May on March 29, 1953 entitled, "The Total Fear of the Red Terror," stating that "AVH's boss" (State Security Authority or secret police) is "General" Gabor Peter, a veteran Communist hatchet-man." Gabor Peter had previously been reported shot, yet May says he is still in command of the terrorist agency of the Jewish rulers of Hungary. Gabor Peter, a Jew, was reported to have been shot in the anti-Semitic purges in Hungary a few weeks ago, but the New York Times now thinks that was not true.

What was the purpose of the headlines in our daily press for weeks which screamed that Russia was persecuting the Jewish leaders of the satellite nation. First of all, it was an abortive attempt to work up the American people to a war fever and lead us to the slaughter. The whole plan was revealed in the Rabinovich speech of January, 12, 1952. (see back issue of Common Sense for the complete speech.)

Second was the age-old Jewish racket of fund-raising. Max Lerner, columnist for the Schiff-owned New York Post, was reported in that paper on March 16, 1953 as having told 300 Midwest leaders of the United Jewish Appeal that "Communists have declared war against Jews everywhere. The Kremlin's anti-Semitic campaign is not temporary." Yet the New York Times ten days later wipes out Max Lerner's reputation as an honest reporter by revealing that the so-called "Communist anti-Semitic purge" actually never took place. Since the Times, like the Post, is completely owned by Jews (Sulzberger and Adler), it can hardly be called an anti-Semitic paper. The real reason for the headlines in our Jewish-controlled daily press was revealed in the last sentence of the March 16, 1953 New York Post story on Max Lerner. It said, "The conference, marking United Jewish Appeal's 15th annual Midwest drive, announced contributions of more than \$5,000,000 toward the national drive for \$144,524,250."

Reliable estimates are that only 15 per cent of the money collected ever gets spent for charity or gets to the supposed oppressed Jews. This Jewish fund-raising is one of the most profitable rackets in America, and pays salaries up to \$50,000 a year and lavish expense accounts. Every year these Jewish promoters have to scrape up anti-Semitism somewhere in the world so they can raise at least \$100,000,000 from their own people mailed into contributing to the Jewish shake-down on peril of losing their jobs or their custody and from Gentile businessmen who are blackmailed into contributing to the Jewish shake-down on peril of losing their jobs or their customers. Meanwhile, says the New York Times, the Jewish Communist rulers of the satellites continue in power.

A large proportion of the Trotskyites who led the Bolshevik Revolution in Russia in October 1917 were Jews. The above was taken from the B'Nai B'rith Messenger, Los Angeles, Calif. November 28, 1952.

RED HIGHLIGHTS

President Eisenhower has just appointed Meyer Robert Guggenheim, "Jew", as Ambassador to Portugal. To the average American this move is not too significant. However, let this writer fill in the important highlights. Meyer Guggenheim, "Jew", and Bernard Baruch, "Jew" control the vast nonferrous metal empire throughout America, South America, Africa and other countries. Portugal, which has rich deposits of nonferrous metals at her disposal, has refused to do business with this "Jewish" controlled monopoly and has left the Baruch Guggenheim empire incomplete.

In 1948 Baruch and Guggenheim had Harry Truman appoint Baruch's brother as Ambassador to Portugal to put the pressure on the little country. No sooner had this arrangement been set into operation when Truman and Baruch had a disagreement. The result was that Baruch's brother was fired. So the Baruch-Guggenheim interests had to wait.

Now the Baruch-Guggenheim empire has forced Eisenhower to appoint Guggenheim as Ambassador to finish off the nonferrous metal interests in Portugal. What we would like to know is how much of the money realized from this industry goes into the support of such organizations as the American Jewish Congress, B'nai B'rith, Anti-Defamation League, American Jewish Committee, etc.?

The American Jewish Congress in all its official communications brags about the vast amounts of money they spend each year on political measures, national campaigns, and international programs. If one will look in the U. S. Treasury's Cumulative List of Organizations that are allowed contributions which are deductible from the Income Tax he will find on page 15 the AMERICAN JEWISH CONGRESS, as bold as life. The American people donate millions of dollars each year to this organization that siphons the money to international organizations and other Red channels. . . . Notice who Senator McCarthy's adversaries are. Although he has never mentioned a disparaging remark against the "Jews" he is labeled anti-Semitic, and most of his enemies are "Jewish". For two years COMMON SENSE tried to fight Communism without attacking the "Jews" but they put us in the same position as they are putting McCarthy. Since Communism is "Jewish" one cannot fight Communism and not be anti-Semitic.

Jerome Silverstein, "Jew", of Flushing, N. Y., is State Department prosecutor in Germany. This country, under the domination of "Jews" from the Washington Administration, is being "democratized". . . . John Foster Dulles, on his recent trip to the Near East, learned that the Moslems haven't forgiven the "Jews" for throwing 850,000 of their people out in the desert to starve. Furthermore, the Moslems are going to take back their homes and land if it means all out war. What worries Dulles is that the Moslems cannot be bought off with "Jewish" American goods. . . . The fact that the Rosenberg atom spies will live highlights a very interesting point to the American people. This is to the tremendous effect that the Communists, spies, and traitors have on the U. S. Government. If the convicted had been Christians they would have been executed a year ago. . . . Milton Wolff, "Jew", former major in the Abraham Lincoln Brigade that killed 440,000 Christians in Spain, refused to give the Senate probers the right answers. . . .

In 1953 All America Will Be Reading

SENATOR JACK B. TENNEY'S

Zion's Fifth Column

Senator
Jack B. Tenney

In this book of 80 pages, Senator Tenney has introduced a factual story that many thought and talked about, but few have ever had the documented proof to support their claims. Senator Tenney, with his many years of experience ferreting out communists, communist sympathizers and other subversives, places before the public an undeniable expose that every real American should read. After you have read "ZION'S FIFTH COLUMN" then you will have a better understanding of what goes on in American political circles. Your knowledge of the design for world government will be on unbiased truth. In this book, Senator Tenney turns the spotlight of investigation upon a well-knit hierarchy that plagues the political structure of our nation.

disputed masters of that enormous empire.

Terrorist Jews

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and for the most part atheistic Jews. It is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus Tchitcherin, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd), or of Krassin or Radek—all Jews. In the Soviet institutions the predominance of Jews is even more astonishing. And the prominent, if not indeed the principal, part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the brief period of terror during which Bel Kun ruled in Hungary. The same phenomenon has been presented in Germany (especially Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played latter in proportion to their numbers in the population is astonishing.

"Protector of the Jews"

Needless to say, the most intense passions of revenge have been excited in the breasts of the Russian people. Wherever General Denikin's authority could reach, protection was always accorded to the Jewish population, and strenuous efforts were made by his officers to prevent reprisals and to punish those guilty of them. So much was this the case that the Petlurist propaganda against General Denikin denounced him as the Protector of the Jews. The Misses Healy, nieces of Mr. Tim Healy, in relating their personal experiences in Kieff, have declared that to their knowledge on more than one occasion officers who committed offences against Jews were reduced to the ranks and sent out of the city to the front. But the hordes of brigands by whom the whole vast expanse of the Russian Empire is becoming infested do not hesitate to gratify their lust for blood and for revenge at the expense of the innocent Jewish population whenever an opportunity occurs. The brigand Makhno, the hordes of Petlura and of Gregorieff, who signalled their every success by the most brutal massacres, everywhere found among the half-stupefied, half-infuriated population an eager response to anti-Semitism in its worst and foulest forms.

The fact that in many cases Jewish interests and Jewish places of worship are excepted by the Bolsheviks from their universal hostility has tended more and more to associate the Jewish race in Russia with the villainies which are now being perpetrated. This is an injustice on millions of helpless people, most of whom are themselves sufferers from the revolutionary regime.

A Home for the Jews

Zionism offers the third sphere to the political conceptions of the Jewish race. In violent contrast to international communism, it presents

to the Jew a national idea of a commanding character. It has fallen to the British Government, as the result of the conquest of Palestine, to have the opportunity and the responsibility of securing for the Jewish race all over the world a home and a center of national life. The statesmanship and historic sense of Mr. Balfour were prompt to seize this opportunity. Declarations have been made which have irrevocably decided the policy of Great Britain. The fiery energies of Dr. Weissmann, the leader, for practical purposes of the Zionist project, backed by many of the most prominent British Jews, and supported by the full authority of Lord Allenby, are all directed to achieving the success of this inspiring movement.

Of course, Palestine is far too small to accommodate more than a fraction of the Jewish race, nor do the majority of national Jews wish to go there. But if, as may well happen, there should be created in our own lifetime by the banks of the Jordan a Jewish State under the protection of the British Crown, which might comprise three or four millions of Jews, an event would have occurred in the history of the world, which would, from every point of view, be beneficial, and would be especially in harmony with the truest interests of the British Empire.

Zionism has already become a factor in the political convulsions of Russia, as a powerful competing influence in Bolshevik circles with the international communistic system. Nothing could be more significant than the fury which Trotsky has attacked the Zionists generally, and Dr. Weissmann in particular. The cruel penetration of his mind leaves him no doubt that his schemes of a world-wide communistic state under Jewish domination are directly thwarted and hindered by this new ideal, which directs the energies and the hopes of Jews in every land towards a simpler, a truer, and a far more attainable goal. The struggle which is now beginning between the Zionist and Bolshevik Jews is little less than a struggle for the soul of the Jewish people.

Comment by COMMON SENSE: Mr. Churchill has now been forced to front for Zionism.

M. Cohan, a Jew, wrote in "The Communist", Kharkov, April 12, 1919: "Without exaggeration, it may be said that the great Russian social revolution was indeed accomplished by the hands of Jews. . . ."

Speaking before the Jewish Institute of Religion in New York, October 3 1934, Professor Reinhold Niebur, a Jew, said: "Marxism is the modern form of Jewish prophecy."

According to Angelo S. Rappaport in "The Pioneers of the Russian Revolution" (London, 1918, Stanley Paul & Co.—page 250), "The Jews in Russia in their total mass, were responsible for the Revolution."

JEWS SHOW REAL ATTITUDE TOWARDS BROTHERHOOD

In the New York Times of June 25, 1951, a story of Irving Spiegel, filed from Bretton Woods, N. H., headlines "Fake Fellowship Scorned by Rabbi".

"In a series of unanimous resolutions today, the Central Conference of American Rabbis called for the inclusion of Jerusalem within the boundaries of Israel, approved the administration of the Atomic Energy Commission, which was recently criticized in testimony before a Senate investigating committee, was praised by the rabbis for 'its effective and patriotic service'. . . . In urging adoption of President Truman's civil rights program, the conference deplored 'the increasingly frequent practices of condemning individual citizens through process of guilt association'. . . . Delivering the annual conference sermon at morning services at the Mount Washington Hotel, Rabbi Abraham M. Granison of New York, assistant to the president of the Jewish Institute of Religion, asserted that 'Jewish dignity should demand something more from the good-will movement than the make-believe brotherhood at which Jews rub elbows with Christians at round tables under the auspices of Christians and Jews — just to get some sweet nothings in the form of innocuous platitudes. . . . We cannot afford the kind of so-called good-will that demands of us that we drop our guard against the violation of the American principle of separation of church from state—the kind, for example, that would have us cease resisting the introduction of the released time plan into our public school system in order not to offend some of our Christian neighbors.'"

Rabbi Granison means the Marxist principle of separation of church and state, not the American one. It was Lenin, not Washington, who demanded the separation of church and state. Certainly Rabbi Granison is impatient with the good will movement, and wants to keep up Jewish dignity and insult his Christian neighbors. The question is whether the Christians will put up forever with Jewish insults, brotherhood or no brotherhood.

FOOLS' PARADISE

The world is but a puppet show
In which the puppets come and go
In little orbits well defined
By scoundrels who control the mind,
With propaganda subtly fed
Into each empty, foolish head.

To hear one talk provokes a laugh
He's just a human phonograph.
He speaks the words of better brains;
Yet does not know his own's in chains;
Another stands before his peers,
With platitudes he fills their ears.

And as they sit with heads askew,
They think he's saying something new.
It's been this way since Adam's time,
In every age and every clime,
I would not boast, if I were you,
Perhaps you're just a puppet too.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

Albert Einstein Urges Revolt

ALBERT EINSTEIN

President Eisenhower appointed Litchenstein Strauss to have charge of the whole Atomic Bomb Project. Why is it that Jews are so determined to have control of the atomic bombs?

When the Atomic Energy Project was first set up, Bernard Baruch was appointed as the over-all director. When David Lilienthal was up for Senate confirmation as head of the Atomic Energy Committee, he was presented with evidence that he was a Red, but Baruch appeared before the Senate Committee and forced Lilienthal's appointment. Of the five-member board, three, including Chairman David Lilienthal, were Jews.

Albert Einstein has been trying for years to mystify the world with his theory of relativity. Arthur Brisbane, one of the world's greatest brains, stated that he did not believe anyone, including Einstein, understood his theory.

The more we learn about this fuzzy-brained, starry-eyed refugee, the more we wonder if he did not manufacture this theory to impress the world with his supposed greatness and thereby divert suspicion from himself while he directs important revolutionary activities.

Einstein caused Klaus Fuchs to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. Einstein was on the inside of the atomic energy project from the start. He was a strong supporter of Julius and Ethel Rosenberg, who were executed as atomic spies and traitors. Einstein was the most quoted by the Rosenberg Defense Committee. Ethel Rosenberg in her book

AN URGENT MESSAGE TO CONGRESS

Mr. Congressman:

It is well and good to punish the little atomic spies for the Soviet Union, the little Hisses and Lattimores—although they all had bosses. But how about investigating the SUPER-PLOTTERS who drew up a map of the world, before we entered World War II, TELLING AMERICA EXACTLY WHAT WE MUST DO AND HAVE DONE?

AMERICAN BOYS AND AMERICAN MONEY AND MANPOWER are being used to remake the world.

WHO DECREED THIS?

Thousands of copies of this map were sold early in and all during World War II, the first stage of now perpetual war. No ONE man designed that map and the power to enforce it. It is called the GOMBERG MAP merely because it states on it: "Published by Maurice Gomberg, 3211 Turner Street, Philadelphia 21, Pa.", also: "Copyrighted and Published by Maurice Gomberg, 1942 . . . Printed in the United States of America", and:

"COMPLETED—OCT. 1941"

That is, TWO MONTHS BEFORE THE U. S. A. WENT INTO WAR TO CARRY OUT THIS ASSIGNMENT, calling for:

WORLD MONEY, WORLD POLICE, WORLD COURTS under a Communistic WORLD GOVERNMENT, as described in the script below the map. Air and sea bases are to encircle the world operated by England and America, allegedly. The cover of this 28 by 39 inch map reads:

A Program For Jews

Reviewed by Col. E. N. Sanctuary
(Continued from issue No. 185)

In the book "A Program for the Jews and Humanity, An Answer To All Anti-Semites", by Harry Waton, published 1939, the author referred to Balaam as the greatest of all anti-Semites that ever lived. When this was quoted in the first section of this review, we indicated that the Balaam he was referring to was Jesus Christ. Some question has been raised as to the proof of this statement. Since Mr. Waton referred to the Talmud when he mentioned Balaam, we shall quote from the Babylonian Talmud, Soncino Press, 1935; volume on Sanhedrin, p. 106a-106b:

(11) . . . all the Balaam passages are anti-Christian in tendency, Balaam being used as an alias for Jesus."

We conclude this review with further excerpts from "A Program for the Jews":

" . . . nazism is only an imitation and perversion of Judaism . . . The Nazis will feed so long on the principles and the ideas of Judaism that they will become Jews. No greater tragedy can be conceived! (p. 70).

Hitler saw . . . There was only one way, and that was to follow the example of the Jews. The Jews regarded themselves to be the chosen people . . . This gave the Jew moral and spiritual strength to maintain his sex purity. This idea Hitler borrowed from the Jews . . . (71).

And it is to the greatest credit of Judaism

BEN HECHT, RED ANTI-CHRISTIAN AUTHOR, OPERATES OWN TELEVISION SHOW ON CBS

Ben Hecht, prominent "Jewish" anti-Christian writer and member of seven Communist Fronts cited by Congress, has just recently opened his own television show on CBS.

As America slumbers back in the comfort of the materialistic pleasures of indifference and apathy this atheistic, Godless creature has been given the opportunity to pour his filth and pro-Communist propaganda into the homes of the American people in the United States, unimpeded.

At what point in the corruption and decay of a country do the childlike minds of Christians awaken to the insidious menace of evil? In Europe they never did wake up. In America it looks hopeless.

The United States House Un-American Activities Committee saw fit to include Ben Hecht's name on ten pages of Appendix number 9 on Communist Front organizations in 1944. Let us take a look at what the U. S. Congress had to say about this "great American" author.

BEN HECHT

On page 264 of the above mentioned report Ben Hecht is listed as a member of the National Citizens Political Action Committee. And this is what the report says about this organization: "The National Citizens Political Action Committee has 141 members. Out of this number, 83 percent have records of affiliations with Communist and Communist front organizations. In the great majority of these, persons who have been affiliated with Communist groups, there is nothing to support a view that their Communist affiliations were casual and infrequent . . ."

On page 356 of the same report we find Ben Hecht listed as a member of the American Committee To Save Refugees. It reads as follows: "Communist committees to save refugees perform a most valuable function for the international Communist movement. In the first place, these committees are a fruitful source of revenue from sympathetic individuals. In second place, they serve as rescue agencies for foreign Communist operatives. With outposts throughout the world manned by those enjoying Communist confidence, they also serve as a means of blackjacking refugees in a desperate plight to do the bidding of the international network which the

POST WAR

NEW WORLD MAP

as the U. S. A. assumes world leadership for the establishment of a

NEW WORLD MORAL ORDER

for permanent peace, freedom, justice, security, and world reconstruction

Next to the fact that much of the map has already been accomplished, is the fact, an amazing and uncanny one, that that map was all ready two months before the USA went to war in 1941. The old bait-words used by all dictatorships: "peace", "security", "freedom" are to be expected, the more villainous the intent the more of these are used. Every Red outfit poses as a "peace and freedom" affair. But note that phrase: "FOR . . . WORLD RECONSTRUCTION."

WHOSE ASSIGNMENT, MR. CONGRESSMAN? Our changed World Map was no BLUNDER. We have occupied GERMANY, JAPAN and ITALY. These were outlined on the Gomberg Map with black, and slated for Occupation, "QUARANTINED," until deemed ready for inclusion in the World Government. We have "reconstructed" all three. We set up a string of Communist mayors across Italy, had the school textbooks rewritten by a Red professor, turned Red agitators loose until it had the largest Communist Party outside Russia. Our troops presumably departed but the billions continue to be poured everywhere in the world where agitation or bribery is needed to "reconstruct". Old line Russian Red revolutionaries like David Dubinsky organize and rove Europe with secret funds and under protection and connivance with our government. WHY?

The USA occupied Japan passed Socialist-Soviet laws, hauled the Reds back from Moscow and out of prison, halted the elections until the substantial ANTI-RED element could be "purged" by the thousands and denied the right to participate in public life. The RED FLAG waved in daily RED parades. It was we who introduced Red rioting into Japan, formerly the cleanest, most progressive, law-abiding, and most ANTI-COMMUNIST country in all Asia.

JAPAN had been seeking an armistice for SIX MONTHS before we consented to end the war with this defeated nation, after atom-bombing the defenseless civilian populations of two highly Christianized cities, Hiroshima and Nagasaki, an inhuman and sadistic act.

Some six days before the armistice, on the false pretense that we needed RED RUSSIA to help us defeat our defeated foe, Japan, Russia's entry was made the excuse for giving these REDS the Kuriles, etc., and letting Russia occupy the northern half of Korea—the most highly Christianized Asiatic country. Japanese arms and munitions were given by us to the CHINESE REDS.

The money appropriated by Congress to defend South Korea never reached them. Syngman Rhee begged in vain. Marauding murder bands kept pouring in.

Truman's illegal "police action" in KOREA was kept on an annihilation basis, with insufficient ammunition for our boys to win, for that would have meant a united Korea. We call the North Koreans Reds. We put the Red army into North Korea to draft the North Koreans to kill off their brothers. We kept thousands of anti-Communist prisoners of war in jail. The Gomberg Map provides that Korea is to be part of China, along with Indo-China where we are now meddling on "WORLD RECONSTRUCTION".

We punished the Anti-Communist Germans and Japs, as called for by the Gomberg Map. The Gomberg Map called for a nice Mediterranean hunk called "Hebrewland" and it is now called ISRAEL, achieved by American connivance against the Arabs. The Gomberg Map designates ITALY, SPAIN, PORTUGAL, FRANCE and the low countries as "United States of Europe" NATO was a starter. Loans, bribes and threats can do the rest.

We Saddled Four Nations On Germany

Germany is not only still "quarantined", it is occupied and cut up by four nations. It is black circled on the Gomberg map for occupation until incorporated in the Soviet bloc. HUNGARY, ROMANIA, BULGARIA, YUGOSLAVIA, POLAND were all free and civilized nations in 1939. ESTHONIA, LATVIA, LITHUANIA had been free, but ALL of these countries including FINLAND are shown on the Gomberg Map of 1941 as incorporated into the Soviet bloc of the WORLD GOVERNMENT we are "reconstructing" the world for. ENGLAND, stripped of all except Australia and some East Indies islands, Madagascar, New Guinea, Australia, goes on the

ANNA M. ROSENBERG, long identified with Communist publications and Communist fronts. It was this Anna who hired the employees for the Manhattan (Atomic Energy) Project which was loaded with Communist Jew spies. Later, as Assistant Secretary of Defense and in charge of manpower for fifteen government departments, she hired more than a million civilians.

Who did she place in important posts? How did she cripple our armed forces in Korea? An investigation should be made. Of the 150,000-000 Gentiles, not a man was qualified to fill her place.

PATRIOTS!!!

It is still possible to save our country from Marxist slavery, but there is only one way in which it can be accomplished. A sufficient number of people must be informed so that they know the facts. We must have crusaders. If we remain indifferent, uninformed and do not make sacrifices, we will then go down as other countries have, for the enemy is active.

Gomberg police force, having little Red air and sea bases indicated on the map, whereas the USA has little blue-colored ones—we'll be blue enough then to make it appropriate. ALL AFRICA, now seething with Red agitators running out of New York and Prague, is to be one bloc, and all South America another. The COMMUNIST HEADQUARTERS for SOUTH AMERICA is in New York. Somehow the USA is to take over CANADA and MEXICO. By pouring enough billions and boys all over the world and by inventing new trickeries and lies to cover old ones at home and abroad, by wrecking and deceiving all nations, we may get the job done of building the GOMBERG MAP. WHO ARE THESE SUPER-PLOTTERS whose WORLD EMPIRE we are building? Are you afraid to find out?

The lives and liberties of all Americans, the very jobs you hold, are at stake. They have been committed to your hands. WON'T YOU INVESTIGATE?

The Gomberg Map coincides with the prophecies of Daniel and of Christ's Revelation. That blasphemous RED ANTICHRIST WORLD GOVERNMENT stamps and beats down the whole earth until the truth is known and the world is freed. Those "people that do know their God shall be strong and do exploits" (Dan. 11:32). By the word of their testimony shall the whole Red power be brought down (Rev. 12:11). May you be one of those who know their God, are strong and do exploits and by the word of your testimony serve the cause of AMERICA, of all HUMANITY, which is the cause of GOD. MRS. Communists have established in this field, having at its disposal considerable financial, passport, transportation, and other facilities . . .

On page 362 Ben Hecht is listed as a sponsor for "Europe Today" Dinner-Forum under the auspices of the American Committee To Save Refugees, Exiled Writers Committee of the League of American Writers, and United American Spanish Aid Committee.

On page 475 of the same Un-American Activities Report Ben Hecht is listed as one requesting your help on behalf of the Russian people. On the same list are many of the notorious Communists in the country.

On page 699 Ben Hecht is listed as a member of the Exiled Writers Committee. The report reads as follows: "The Exiled Writers Committee was a subsidiary of the League of American Writers. The latter organization was founded at the Congress of American Revolutionary Writers in 1935, and has been labeled as subversive and Communist by the Attorney-General, Mr. Francis Biddle . . ."

On page 967 of the Congressional report Ben Hecht is listed as a member of the League of American Writers. We quote the report as follows: "The First Congress of the League of American Writers was held on April 26, 27, 28, 1935. In the call for this congress it was stated that it was intended for writers—who have clearly indicated their sympathy with the revolutionary cause; who do not need to be convinced of the decay of capitalism, of the inevitability of revolution (American Writers Congress, International Publishers, 1935, p. 10).

Further explanation as to the aims of the League of American Writers is to be found in the introduction to its publication Proletarian Literature in U.S. This introduction was written by Joseph Freeman, former New Masses editor (Communist publication): "The Communist says frankly: art, an instrument in the class struggle, must be developed by the proletariat as one of its weapons (p. 9)". The group of pro-Communist writers assembled in the League of American Writers considered themselves not only as the appointed spokesmen for the proletariat but as representatives of a powerful but exclusive literary sect.

Ewin Weaver, speaker for the League of American Writers, writer for the Daily Worker, and New Masses, said: "I believe the time is fast approaching when we will no longer classify authors as proletarian writers and fellow travelers, but as Party writers and non-Party writers (p. 21, ibid.) . . ."

On page 1555, Ben Hecht is listed as an affiliate of the Morris U. Schappes Defense Committee. We quote the Congressional record as follows: "The Schappes Defense Committee is a front organization with a strictly Communist objective, namely, the defense of a self-admitted Communist who was convicted of perjury in the courts of New York . . ."

On page 1650 Ben Hecht is listed as a signer of an Open Letter To Governor Thomas E. Dewey on behalf of Morris U. Schappes, along with other Reds, Marxists and Communists.

HECHT: AUTHOR OF FILTH, ANTI-CHRISTIAN PROPAGANDA:

Ben Hecht, the man with all of the U. S. Government citations, and the man who is now running his own program on one of our largest "Jew" controlled TV networks, was not only one for getting involved with Communist movements but also takes pride in writing some of the filthiest, immoral, anti-Christian material readable. In his book "A Jew In Love", among the literary filth and dirt we find the following passage that explains the caliber and intellect of these people who call themselves Jews: "One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of the execution of Christ I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a savior out of mincemeat."

"Every time you blow up a British arsenal, or wreck a British jail, or send a British train sky high or rob a British bank or let go with your guns and bombs at the British betrayers and invaders of your homeland, the Jews of America make a little holiday in their hearts."

—Ben Hecht in a letter "TO THE TERORISTS OF PALESTINE"

This will give the reader an idea of the kind of a person who is now operating a show on CBS. COMMON SENSE has brought the facts to your attention. If you want anything done about this matter you will have to do it yourself. Otherwise nothing will be done about it.

Read and pass on!

"A PROGRAM FOR THE JEWS"

—(Continued from Page 1)—

and the Jews that they are identified with communism and internationalism. (74)

Communism was and is the foundation of society, it was and is the basis of all human progress, it is the soul of all social institutions. It is the hope of the working class, and it is the destiny of the human race. (75)

Like communism, internationalism is the foundation of society, it is the basis of all human progress. (77)

Internationalism, as the term implies, means a federation of nations in one universal brotherhood of man. (78)

Think of it, even the German alphabet is Jewish in origin! (79)

Marxism is nothing else than our old friends, communism and internationalism. Nazism is nothing else than an imitation and perversion of Marxism. Hitler adopted the principles, the ideas, the policy and the method of Marxism. Where did the nazis get the idea of the National Socialist Party? Where did they get the principles and demands embodied in the 25 demands of the National Socialist Party? And who were the theoreticians of nazism, were they not socialists, communists and men and women who received their education from Marxism? (81)

Even the swastika was stolen by the nazis from the Jews. (82)

The Jews are the best speakers and the best writers in the world (88) . . . and what German lawyer can hold his own against a Jewish lawyer! (88)

And now that the Jews are spread over the whole earth, the Jewish state extends all over the earth. This is the reason why the Jewish state is international and so powerful. (92)

There is one work on sociology, and only one work, and that is Marx's Capital. Only a Jew could write this work. Marx was the first thinker, and to this day, the only thinker, who revealed to mankind the material basis of society and of history. (98)

Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the (99) masters over the whole earth. Now, indeed, this is the historic destiny of the Jews. Judaism is communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the Jews will conquer the world and the human race. The races and the nations will cheerfully submit to the spiritual power of Judaism, and all will become Jews. (100)

a Jew who abandons Judaism and Jehovah and embraces another religion and identifies himself with another god—may he be the son of a Moses—is entirely cut off from the Jewish people and is regarded as dead. (104)

Christianity is akin to Buddhism. its sole concern is immortality (118). Death is the chief concern of Christianity. (119) Judaism promises reward on this earth and while we live. Christianity promises reward in heaven and only after death. Jehovah is a living God. Jesus is a dead God. Judaism rests on a covenant, but Christianity rests on a testament. A covenant is between living beings, while a testament is between the dead and the living. Judaism is social, Christianity is individualistic. (120)

For instance, the Catholics and the communists believe in universal cooperation and each side strives to extend that cooperation universally; yet, between the Catholics and the communists there is a life and death struggle, because the Catholics regard their idea of cooperation as being right, true and good, while the idea of cooperation of the communists the Catholics regard as wrong, false and evil. (136)

when we look deeper into the nature of communism, we see that it is essentially nothing else than a religion. (138)

But the communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of communism was the triumph of Judaism, so also in the triumph of fascism. (143) will triumph Judaism. The fascists believe that they are struggling against Judaism, in truth and in fact they are struggling for Judaism. (144)

It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism; all this was in perfect accord with the progress of Judaism and the Jews. (148)

The Talmud tells us that the whole world was created only for the sake of the Zaddik; the Zaddik is the spiritual aristocrat, the excellent man. The Zaddik is at the apex of the pyramid. (154) . . . Because the Jews were true aristocrats. . . the Jews always concerned themselves about the downtrodden and degraded masses. (155)

Any one who accepts the Jewish world philosophy, in the whole or in part, becomes a Jew to all intents and purposes. (159)

The great revolution that now takes place in

the Christian world is the most inspiring assurance that the hope of the Jews is coming to a realization: The Christians will become Jews. (174)

For nearly two thousand (177) years the Christians hated the Jews because they rejected Jesus and because they demanded the crucifixion of Jesus. (178)

Thus necessarily grew up an enormous body of laws and ordinances whose sole function was to protect the Jews against a hostile world. (181)

The idea of the brotherhood of men is a Jewish idea. . . . The continuity between Christianity and the history of the Hebrews is unbroken. . . . For this reason it is essential to insist that Christianity is Jewish, and that Jesus was a Jew. (187)

Hitler's declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature. . . . It is the Jewish consciousness which is the enemy, not an organized Jewish army. (199) . . . It is the hidden penetration of the Jewish spirit into the Gentile mind that is the danger; and it is a danger because the "Aryan" mind cannot resist it, but must succumb. . . . The thought of the triumph of the Jewish consciousness fills me with joyous exhilaration, while it casts Hitler into the depths of despair. (200)

The Jews cannot be a part of a real national unity. Hitler is right when he claims that he had to suppress the Jews if he was to unify Germany. (201)

The aim of Judaism is to realize this inevitable human society resting on universal communism. (206)

the Bible rests on a mathematical system of an infinite order. Every letter, word, sentence, and so on, has many numerical values. For our present purpose I will point out only this. The numerical value of the Hebrew word for serpent is 358. And the numerical value of the Hebrew word for Messiah is also 358. The Messiah . . . is the serpent. (209)

the Jews never believed that Jehovah ever spoke to Moses or the Prophets as they pretend to believe. (217). And the Talmud tells us of cases in which some rabbis even overruled Jehovah. (219)

In presenting this program, I am doing the will of God. (230)

Comment by COMMON SENSE: There are masses of material showing that Communism, Zionism, Socialism and all revolutionary movements were launched by Jews. Still many gullible Gentiles refuse to read and learn who is behind the scenes stirring up discord and hate while the strings are being pulled to break down individual governments to set up a One World Government.

Clare Sheridan, traveler and lecturer, stated in an interview carried in The New York World of December 15, 1923:

"The communists are Jews, and Russia is entirely administered by them."

Boris Brasol, in his book "The World at the Crossroads," 1921, on page 109, quotes "The Jewish Daily Forward of New York" as saying: "We feel that this, the Revolution, is a great triumph for the Jews' cause. The anti-Jewish element in Russia has always been identified with the anti-Revolutionary Party. Jews having always sat high in the councils of the revolutionists, all of our race became linked with the opponents of the government in the official mind!"

"Individual revolutionary leaders of Jewish origin played a conspicuous part in the revolution of November, 1917, which enabled the Bolsheviks to take possession of the state apparatus."

From the Universal Jewish Encyclopedia "The Jewish Voice," New York City, for October, 1941, carried the following statement by Dr. Weizmann, world Zionist leader:

"We wholeheartedly respond to the appeal of the Jewish rally in Moscow. . . . We are proud of the struggle put up by the Soviet armies whose successes evoke universal admiration and fortify confidence in ultimate victory."

Otto Weininger, a Jew, states in his book: "Sex and Character," Vienna, 1921, Page 413: "The Jew is a Communist."

RED HIGHLIGHTS

South Korean President Syngman Rhee, with his people behind him, stands ready to die rather than to be turned over to the Communists. Apparently the South Koreans don't want to end up like the Chinese, Polish, Germans, Arabs, and other victims of the "International Jewry" (Communism) Lyrl Clark, Van Hyning, the fighting patriot from Illinois, is petitioning the court to dismiss the case against her. The plaintiff withdrew the complaint with leave to reinstate when the "Jewish" cabal in Chicago learned that the Dillings were going to introduce evidence into court to prove the defendants' alleged libel statements. . . . What is to be done about Albert Einstein ("Jewish genius") and the stand he has taken against the U.S. Government and the Constitution. This character who belongs to approximately 50 Communist fronts has come out recently with the following quote: "Every intellectual who is called before one of the committees ought to refuse to testify, i.e., he must be prepared for jail and economic ruin, in short, for the sacrifices of his personal welfare in the interest of the cultural welfare of his country. Like the "Jews" in the Communist movement, he's defying the whole U. S. government. Who is going to call this refugee's bluff? The Jewish Voice, 6/19/53, states that Einstein and Lehman are the voices of American Democracy.

The following was taken from the last World War by Emmett Culligan. Sister Bertina Bouquillion (d. 1850): "The coming of Antichrist will be unobserved by most people. The end of time is nearing and Antichrist will not delay in coming. However, neither we nor those sisters who come after us will see him, but those who come after them will fall under his reign. At the time of his coming nothing will change in this house. All will be in its usual order. The religious exercises, the work, the occupations in the wards—all will be done in the customary manner, when suddenly all the sisters will be aware that Antichrist is master of the world. The beginning of the End will not come in the nineteenth century BUT CERTAINLY IN THE TWENTIETH CENTURY.

Rabbi Prinz Suit

Readers of "COMMON SENSE" will be happy to now that the defense of the \$250,000 suit for alleged libel brought by Rabbi Prinz against the Editor is now well under way. Three able and experienced attorneys have been retained to combat the charges — Mr. Douglas T. Baker of Newark, and Messrs. Albert W. and Kirkpatrick W. Dilling of Chicago.

On June 26th, the first Court hearing was held in the case. Over the strenuous objections of Jewish attorney Jerome Eisenberg, representing Prinz, the Dillings were admitted by the Court to take part in the full defense of the case. Also, Attorney Baker argued the Editor's plea that the case be dismissed because the complaint lacked legal sufficiency, and the Court granted time for filing of briefs and announced that it would take the matter under advisement after the briefs had been received and render its ruling later.

Rabbi Prinz stated for publication when he commenced the suit that it was "about time this scurrilous sheet" (COMMON SENSE) "was put out of business". The American Jewish Congress, of which the Rabbi proudly terms himself "active Vice-President", a sinister, well-financed, Red-aiding organization with hundreds of thousands of Jewish members, hopes that the threat will be made good. It is up to the readers and supporters of COMMON SENSE to back the defense with whatever funds they can contribute to help with the huge expense that accompanies any lawsuit, and, particularly, the one in question which threatens the very life of a newspaper unalterably dedicated to the preservation of Christianity and Americanism.

The Jew, Elie Eberlin, in his book, "Jew of Today" (Paris, 1928) states:

"Paoli-Zionism goes on with its task in Russia, Palestine and elsewhere. In this very hour it appears as the unique International Proletarian Party. One of its factions joins the Communist Internationale, the other joins the Socialist Internationale."

Of Paoli-Zionism, Rappaport, a Kiev lawyer, wrote (see Parisian Daily L'Intransigent, May 27, 1920):

"... We have established our power over large industries by means of adroit agitation (labor union organizing, terrorist propaganda against management, etc.)."

"... As representative of the Paoli-Zion, I feel it my duty to state to my great satisfaction that our party and that of the Bund have become directing centers, guiding the maneuvers of the flock of Russian sheep."

The London Times for March 29, 1919, reported as follows:

"Of the leaders who provide the central machinery for the Bolshevik movement, not less than 75 per cent are Jews. Among the minor officials the number is legion."

According to World Service, Erfurt, April 13, 1937, ten medical doctors are engaged to watch the health of all persons authorized to enter the Kremlin, and eight of these are Jews.

The following comes from Victor Marsden, Russian correspondent of the London Morning Post: "At present (1918) all Bolshevik Commissars are Jews. All the agitation for the 'glorious Revolution' both in 1905 and 1917 was worked out by Jews. The Jews have stripped Russia bare of all portable property..."

According to the New York American of April 4th, 1936, quoting a Jewish Telegraph Agency cable from Paris:

"International Jewry is definitely siding with the Spanish Government."

The following is from the pen of Alfred Nossig, a Jew, in his book, "Intergaless Judentum", Berlin, 1922:

"Socialism and the Mosaic code are not at all in opposition... all Jewish groups... have a vital interest in the victory of Socialism; they must exact it not only in principle, not only because of its identity with the Mosaic doctrine, but also on tactical grounds... The Jewish socialist is reproached with playing a leading part in the Communist terrorist party."

EINSTEIN URGES REVOLT

(Continued from Page 1)

"Go Fight City Hall" praises Einstein. Now Einstein tells another Jew, William Frauenglass, a New York public school teacher, that all suspected as Communists should refuse to answer questions before Committees of Congress. Einstein stated: "Every intellectual who is called before one of the committees ought to refuse to testify, i.e., he must be prepared for jail and economic ruin, in short, for the sacrifice of his personal welfare in the interest of the cultural welfare of his country."

Einstein, a Jewish Red, run out of Germany because he revolted against that government, advises his communist friends to revolt against our government and stated that if he is called before a Congressional Committee he will refuse to answer, as communists before him have refused. What influential Reds were Julius and Ethel Rosenberg protecting when, strapped in the electric chair, they were again reminded they would be released if they would talk? They left their two children and friends rather than talk. COMMON SENSE received numerous letters from informed people stating that they believe Einstein is the mastermind of the atomic spies. Richard O. Boyer wrote in "The New Yorker" that Anna M. Rosenberg hired everyone for the Manhattan (Atomic Energy) Project. This included the Rosenberg spies, Greenglass, Sobel, Gold and other Jew spies. Sworn testimony by Ralph DeSola identified Anna M. Rosenberg as a Communist,—she was a writer for the "New Masses," official communist publication.

We urge the Congressional Committee to investigate Albert Einstein and also Anna Rosenberg, who hired more than a million people for the government while in the Defense Department gumming up the works and planting Reds for the Invisible Government. Einstein, a Jewish immigrant, who has more communist front connections than hairs on his head,—a Red who has insulted this country, defied its laws and has given advice to scores of communists, is very active with Herbert Lehman in influencing Congress to admit 240,000 refugees from Europe in addition to the regular quota and thereby defeat the McCarran-Walters Immigration law. Soon after these immigrants arrive they will become active members of Red groups trying to set up a Marxist government, the same as Einstein.

Another Jew, Robert Oppenheimer, is head of the Los Alamos, New Mexico, atomic plant. It is understood his wife is a Communist as is his brother who has been up before committees for investigation on spy activities.

AND NOW EISENHOWER HAS APPOINTED ANOTHER KUHN, LOEB COMPANY JEW, LITCHENSTEIN STRAUSS, TO HAVE FULL CHARGE OF THE ATOMIC ENERGY PROGRAM. Of the 150,000,000 Gentiles, isn't there one among them qualified to handle these key positions? The stage is set for Jewish dictatorship. God have mercy on us.

THERE IS ONLY ONE CHANCE TO SAVE OUR COUNTRY, NAMELY, IF A SUFFICIENT NUMBER OF PEOPLE BECOME JEW-CONSCIOUS SOON ENOUGH. JEWS ARE SPENDING AN AVERAGE OF TEN MILLION DOLLARS EACH YEAR PROMOTING TOLERANCE AND BROTHERLY LOVE TO DISCOURAGE PEOPLE FROM EXAMINING THE JEWISH QUESTION. NO OTHER GROUP ON EARTH NEEDS TO DO THIS.

Bernard Lazare a Jew, in his book, "Anti-Semitism and Its Causes", Paris, 1894, wrote: "The spirit of the Jew is essentially a revolutionary spirit and, consciously or otherwise, THE JEW IS A REVOLUTIONARY."

"More than one-third of all Jews in Russia have become Soviet Officials."

The Jew, Louis Fisher, wrote the following in the "New York Jewish Tribune", January 18th, 1924.

"If Bolsheviks are to be judged from what the Jews have gained with them in the realm of instruction the verdict is certainly in their favor."

The "L'Univers Israelite" Sept. 5th, 1867, Paris) carried the following: "Revolution with its Equality and Fraternity, is the star of Israel."

On page 291, we find Lawton writing in his "The Russian Revolution:

"Only the Jews can live; only they are clever enough to dodge the inspectors, who are on the doorsteps day and night. They fill their shops with things smuggled over the frontiers. When it is too hot for a Jew he thinks nothing of liquidating his business and opening up somewhere else, or painting up another name over his shop and putting the business in the name of some relative."

The American Hebrew stated (Sept. 10, 1920): "What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries..."

JEWISH COMMUNISM WARS ON THE WHITE RACE

By George Thomas Adams

In the past twelve months, fifteen million Chinese have been settled in Communist satellite states in Europe, particularly in East Germany and Roumania. In the ancient European city of Leipzig, which has always had a German population and a German culture, there is now a Chinese daily newspaper, many Chinese restaurants, and thousands of Chinese residents. More important, the farms left vacant when millions of East Germans were driven from their homes by Soviet orders, have been given to Chinese settlers, and they are encouraged to intermarry with the remnants of the German families who stayed behind. This serves the double purpose of furthering atheist Russia's campaign of extermination against the white race and the Christian religion, and of placating Mao Tse-Tung, Red ruler of China, by helping him to solve China's terrible problem of overpopulation. Mao has done quite a bite to solve it in his own way, by executing fourteen million middle class Chinese since his bloody seizure of power. Mao also sent five million Chinese to be massacred by American machine guns in Korea. Former Secretary of State Dean Acheson, when he was criticized for the high rate of American casualties in Korea, replied by citing much heavier Chinese losses, and declared that we were "wearing them down". It seemed perfectly all right to the former legal representative of the Soviet Government in America if one million American boys were slaughtered and two million Chinese killed, which, of course only saved Mao the expense of killing that much of his excess population.

These fifteen million Chinese are only the beginning of Russia's long-range plans to mongrelize and Mongolianize the white race in Europe. It is one more proof that Russia's sympathies are with Asia, not with Europe and that Jewish communism is the enemy of civilization.

It is understood that the UN plans on bringing five million Chinese into the United States. While this is all going on, the Jews are craftily directing the National Association for the Advancement of Colored People to break down all segregation laws in Southern United States. Anna Rosenberg, while Assistant Secretary of Defense, carried out a vigorous program doing away with segregation in the armed forces. Jewish controlled publications are constantly trying to put over the idea that we are all one big family and that negroes and whites should fraternize and marry. Anna Rosenberg was very active in sending negro occupation troops into Germany. It is reported that there are now 50,000 unwelcomed negro children in Germany and the Western Zone has been urging the United States to accept the responsibility for these negro children. Mongrelization is an important feature of the plan to break down nationalities and religions so as to set up World Government ruled by Jews.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

SYNGMAN RHEE

Syngman Rhee, the man who would rather die than surrender, has suffered as much as any man in his country, including inhumane treatment and a life imprisonment sentence suspended over his head.

Rhee has more courage in his little finger than one hundred so-called American leaders, who would sell out their country for a United Nations dime.

Sen. Jenner Reports

Washington, July 1 — As of April 27, thirty Americans employed by the United Nations and its affiliated international organizations would not tell the Senate Internal Security Subcommittee that they never had been members of the Communist Party, Chairman William E. Jenner (R., Ind.) said today.

Seven others, he added, answered all the Subcommittee's questions fully.

"The Subcommittee strongly hopes," Senator Jenner said, "that as a result of its inquiry, the interests of the United States in these organizations are more fully protected and the employing agencies also will be strengthened."

"However, we urge continuing vigilance on the part of the administrative officers because the agents of the Communist conspiracy are often able and certainly persistent. They will not be deterred by a temporary setback so long as world domination remains their prime objective."

The achievements which Senator Jenner said resulted from the Subcommittee's work are (1) the dismissal or resignation of most or all of the United States citizen-employees who found it necessary to invoke their privilege of not replying because a truthful answer might incriminate them; (2) the action of the United States representative to the United Nations in providing a security check on all the American employees of the International Organizations under his jurisdiction; (3) the introduction of two Senate bills to carry out the Subcommittee's recommendations, and (4) the President's decision to establish a special loyalty board to pass on U. N. employees who are American citizens.

One of the Senate bills, which would punish persons of questionable loyalty to the United States who accept employment in the U. N. and its affiliated international organizations, already

INVISIBLE GOVERNMENT OPERATES IN NEVADA

The United States of America is composed of approximately 155,000,000 persons, 150,000,000 of which are good patriotic, God-loving citizens. The remaining 5,000,000 make up the communists, spies, traitors, anti-Christians and disloyal citizens.

According to the above percentages it would be logical to conclude that nowhere in this beloved land of ours would there be allowed secret organizations and criminal conspirators intent upon liquidating our great American leaders. This would seem impossible but in reality this is exactly what is taking place in many sections of our country by this minority.

One of the main focal points for the concentrated attack by the Invisible Government, working through the Anti-Defamation League, the Jewish Gestapo of the B'nai B'rith, is Nevada.

A TULSA EDITOR WRITES TO IKE

Westbrook Pegler, the courageous all-American writer, in his column of June 30, 1953, stated:

"It was bound to come.

President Eisenhower's weak and timid attempt to mongrelize the Republican Party with domesticated Democrats in his Cabinet, with queasy advances to New Deal party-crashers such as Barney Baruch and the New York Times, and other manifestations of a spirit of appeasement, has finally brought a direct challenge from a mid-Western Republican editor with a strong mind and a brave political spirit."

Mr. Pegler went on to say: "The editor is Richard Lloyd Jones, the owner of the Tulsa Tribune. He is one of the few newspaper editors in the country who had stood by Republican principles when others have scampered to the banners of false leaders in the hope of being invited to the White House and 'consulted' on things they know no more about than any other average person."

Addressed to Sherman Adams of the White House palace guard, Mr. Jones's letter said:

"I write out of grave concern for the Republican Party and our country.

"No one can reach the President. He has made you the iron curtain behind which he has isolated himself. Poor fellow, he doesn't know that the prairie fires of a new party are being ignited now as definitely as they were in 1854.

McCARTHYISM Stands For AMERICANISM

SENATOR JENNER REPORTS

—(Continued from Page 1)—

has passed the Senate and is waiting action by the House. The other, under which a Congressional Committee could, by granting a witness immunity from prosecution, compel the production of documents and information, has been approved by the Senate Judiciary Committee and is waiting Senate action.

The most recent witness before the Subcommittee in this phase of its investigations was Jacob Grauman.

"This witness," Senator Jenner said, "sought to have the committee believe that he quit his \$8,000-a-year job with the International Bank for Reconstruction and Development because he had been called before a grand jury and feared that fact might harm the agency of which he said he was very proud.

"But he would not say that he had not been a Communist when he began his service with the International Bank or during the 12 years while he was employed by the United States Government. Indeed, he refused, on the ground of self-incrimination, to say whether he was a member of the Young Communist League while he was a student at City College of New York in 1932. He testified he has not been a Communist since January 1, 1948.

"It is difficult for me to understand how a man who professes he withdrew from the staff of an international agency to save its good name, could have acted in such a manner during his long employment with his own government that he cannot tell of his connections without incriminating himself."

Grauman was employed successively by the Civil Service Commission, the Labor Department, the National Research Project, the War Production Board, the Office of War Mobilization. He couldn't recall that he had taken a loyalty oath in connection with any of his government jobs, though the record of his applications to each of these agencies shows that he denied on each occasion that he ever had been a member of an organization which had for its principal purpose the overthrow of the government in the United States. He could not recall anyone who aided him in getting his jobs but he claimed his constitutional privilege in refusing to say whether or not he had ever given a Communist as a reference. His application for the WPB job shows that he gave as references Herbert Schimmel, Harry Magdoff, Harry Ober and Edward Fitzgerald, all of whom invoked the Fifth Amendment when asked by the Senate Committee whether they ever had been Communists.

The hearings made available for distribution today also contained the testimony of Sonia Gruen, a Librarian for UN, who said she prepared book reviews and lectured to students while with the New York public library but claimed the constitutional privilege against self-incrimination on questions as to whether she is a Communist now or was when she worked for the New York library or while she was attending the University of Pittsburgh or Carnegie Tech.

Another witness was Eda Glaser, a clerk in the reference library at UN, a graduate of Hunter College, who previously worked for the Communist controlled Furriers Joint Council, the Soviet Purchasing Commission, and UNRRA, and who invoked the Fifth Amendment on a question as to whether she was a Communist at Hunter College and gave the same answer with reference to the periods of each of her jobs.

Still another witness whose testimony is included is Jerome A. Oberwager, a film script teacher for UNESCO, who said his contract ran out on January 1 and he had not asked for a renewal. He and his wife were picked up by immigration authorities when they returned from Europe without a passport visa. He declined on the basis of possible self-incrimination to discuss the trip but said he had been working on an assignment in Mexico prior to the journey. He said he also had produced film scripts for the UN and for the army but he claimed protection of the Fifth Amendment on all questions as to whether he was a member of the Communist Party during any of those occupations.

Senator McCarthy has taken the lid off the sewer and many persons cannot stand the odor. Why are so many people opposed to public hearings for discovering traitors, spies and disloyal enemy agents? What are they afraid of? The witnesses are either involved as enemies of American Constitutional laws or have been influenced by those who are involved. The policy should be—subpoena everyone who complains of these anti-Communist hearings. FULL SPEED AHEAD. TO HELL WITH THE TORPEDOES.

(Published from "The World Hoax")

The excerpt below is taken from a letter written by Baruch Levy to his fellow-Jew, Karl Marx, as carried in La Reveu de Jaris, June 1, 1928, p. 574:

"The Jewish people as a whole will be its own Messiah. It will attain world Dominion by the dissolution of other races, by the abolition of frontiers. . . . In this new world Order, the Children of Israel will furnish all the leaders without encountering opposition; and this will more particularly be the case if they succeed in getting the working masses under their control.

"The governments of the different peoples forming the world Republic will, through the victory of the Proletariat, fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled in which it is said, that when the Messianic time has come, the Jews will have the property of the whole world in their hands."

Our Sincere Thanks

During the past month we have received numerous anonymous contributions. We have no way of thanking these unknown friends, but we want you to know we appreciate your assistance and loyalty to us. May Our Lord reward you. A person who sends a contribution knowing they will receive no acknowledgment is truly a Patriot. We also want to thank all our friends who have responded to our appeal. We are still overdrawn at the bank, but are thankful we were able to meet many of the obligations in connection with our new headquarters, and legal expenses in connection with the suit instituted against us with intention of destroying COMMON SENSE.

We have been severely tried these past few months. God willing, COMMON SENSE will improve, be more effective and continue to grow in circulation.

We have so much valuable information we are anxious to pass on to our readers, but it takes time and money. This is your fight as well as ours. You furnish the ammunition and we pledge ourselves to putting every cent into the paper. For the benefit of new readers, the Editor has received no salary whatever for seven and a half years and has put in hours around the clock seven days a week. We have many other volunteer workers to help keep expenses low. But we have a payroll to meet, paper to buy, overhead expenses to meet, and you know, dear reader, that our subscription rate does not cover even the cost. But we keep our subscription rate designedly low so as to reach more readers and make it possible for more soldiers of Christ to be informed.

Do stay with us. We have a terrific fight ahead. Let's band together and keep working, keep praying, and keep fighting.

TULSA EDITOR WRITES EISENHOWER

(Continued from Page 1)

"Does he know? Do you know what went on at Madison? Over 4,000 delegates from every county in the state met in an officially called convention to proclaim purpose and policy. There, over 4,000 Republicans booed Senator Wiley for being a Dulles-Eisenhower stool-pigeon. They booed Wiley out of the convention. They booed him out of town. He couldn't be elected dog catcher today.

"At Dartmouth the other day the President of the United States made a fool speech about 'burning books.' The President should be smart enough not to make a fool speech. He obviously wanted to take a crack at Senator Joe McCarthy.

"In return the Republicans of Wisconsin took a sock at 'Ike.' They cheered McCarthy until the rafters rang. Nowhere in the nation could 'Ike' get such cheers today. Was his Dartmouth speech an outburst of ignorance or jealousy?

"We elected what we were assured would be a 'business' administration. Any business that does not keep its pledges soon goes out of business. 'Ike,' the candidate, and the Republican Party promised the people that they would fire the indolent and incompetent, cut the payroll and reduce taxes.

"Now the President says it can't be done. And his Stassen and Dulles actually pad the payroll. Did Eisenhower know he could not keep his promise when he made it? Or did he know so little about the job he wanted? Either way, he has defaulted his promise and no affable smile is going to efface the people's astonished disappointment in this betrayal.

"Congressman Reed is totally right. The Republican Party CAN keep its promise to the people. And it must keep its promise or go out of business. Eisenhower now complains that Truman had him licked before he got to the White House.

"What would Theodore Roosevelt do if he were in Eisenhower's place today? He would go to Congress as a militant political marshal and demand the repeal of the Civil Service obstruction to honesty, decency, efficiency and economy in Government. But Eisenhower just can't. He isn't built that way. He is licked before he starts.

"A little token batch of low-salary, inconsequential clerks got the axe. A sham gesture. The people's disgust is growing and Eisenhower does not divert them from the alarming truth by taking back-handed slaps at Herbert Hoover, General Douglas MacArthur, and above all, Senator Joe McCarthy, who has done, and is doing, more than 'Ike' has ever done to protect us from our enemy.

"In my own state, Oklahoma, as in border states, Texas, Arkansas, Missouri and Kansas, I hear the perplexed people ask: 'What has become of the militant crusader we thought we sent to the White House? He should be in there pitching with McCarthy instead of hurling stones at him. Eisenhower misses his target just as he bombs Nevada instead of the Reds in Korea.

"Eisenhower could have ended the Korean War in victory. Instead Churchill takes the telephone and we take an immoral, humiliating defeat.

"Dulles is Acheson by a different name. He is dragging the Republican Party down. And don't be so silly as to doubt it. We need a militant American in the President's chair, and militant Americans at every place around his Cabinet table.

"Eisenhower's Administration is already cracking up. State protests, as at Wisconsin last week, are going to grow. Lost confidence is hard to regain.

"The Democrats stand condemned on their record. The only advantage they can gain is a Republican record of timidity and incompetence. If one party is revealed as wicked and the other party too timid to wage war on wrong, then a new American party must be born or America is gone.

"Respectfully yours,

(Signed) "RICHARD LLOYD JONES"

Editor's Note: Mr. Jones neglected to state the all-important fact that behind Sherman Adams, the "Iron Curtain," stands Mr. Maxwell Rabb, a Jew, placed there by Bernard Baruch to report to the Invisible Government and transmit their orders through Rabb to Adams and Eisenhower, who dares not ignore them. Maxwell Rabb is in the same position in the Eisenhower administration that David Niles, a Jew, held during the F. D. R. and Truman regime.

BERIA and COMMUNISM

REVOLTS IN GERMANY

ZIONISTS

CENTRAL INTELLIGENCE AGENCY

DAVID DUBINSKY

Many people are wondering what effect the arrest of Beria in Moscow will have upon the peace of the world. Only those who make a day to day study of the Jewish question are in a position to have any understanding whatever of the super Marxist world plot. To properly analyze the situation, one must first understand that Marxism is the brainchild of the Jews and that all revolutionary movements are of Jewish origin, set up by Jews in a way to engage the cooperation of non-Jewish people in order to add numbers and give power to the movements, but always controlled by the Jews.

For many years prior to 1917, there were conflicts between the Yiddish speaking people (Khazars) in Russia and the Russians. These Yiddish form at least 90 percent of the population in the United States who refer to themselves as Jews. In Russia the aggressive Yiddish group made several attempts to replace the Czar and to indoctrinate the people with the teaching of the Talmud (Jewish bible). This brought on reprisals in the form of pogroms. During the Russian Japanese war, Jacob Schiff, president of Kuhn-Loeb Company in New York advanced a large sum of money to pay for tons of printed matter to be used to indoctrinate the Russian prisoners held by the Japanese so that when they returned to Russia they would be able to spread the communist teachings. This was a Jewish effort to help overthrow the Czarist government.

In 1917 Trotsky (Leiba Braunstein), came to New York, financed by Jacob Schiff, to recruit and train 176 New York east side Jews which he took to Russia as key men to set off the communist revolution. They went into Russia in a sealed train carrying many millions of dollars furnished by Schiff. Communism had been set up. The Central Executive Committee consisting of sixty-one members with forty-one being Jews. The Council of the People's Commissars had twenty-one members and seventeen were Jews. Extraordinary Commission of Moscow with thirty-six members of which twenty-three were Jews. The Central Committee of the Bolshevik Party, which held the supreme governmental power in 1918 was composed of twelve members, nine of whom were Jews: Trotsky (Bronstein), Apfelbaum (Zinovieff), Lourie (Larine), Ouritski, Volodarski, Rosenfeldt (Kamenev), Smidovitch, Sverdlov (Yankel), Nakhamkes (Steklov). In 1920 a tabulation was taken of the communist leaders in the Soviet Union and of the six hundred considered the most important, 543 were Jews.

When Lenin died in 1924 he had designated Trotsky as his successor, but Stalin and his followers were able to push him aside. Trotsky was head of the Army and Navy which slaughtered millions of non-Jewish people. In 1929 he was forced to leave the Soviet Union. "Bad blood" existed between Stalin and Lenin, and Trotsky was later forced to leave Paris. He went to Mexico in 1937 where he was killed on August 21st, 1940, by a man named Jackson who was one of Stalin's agents living in Brooklyn. Trotsky had been an ardent advocate of what he called the Social Democratic Party. (It is important that this be remembered at this time) as the Social Democratic Party is now set up in most European countries as a move to overthrow Stalin's communism.

Trotsky in exile, with his Social Democratic Party (sometimes referred to as the Fourth Internationale) had a following over the world almost wholly composed of Russian Jews. When he was murdered in Mexico, it caused reverberations among the large Jewish population in New York. David Dubinsky, a Russian born Jew, head of the powerful Garment Workers in New York, and Sidney Hillman were leaders among Trotsky's followers. We are now in 1953. Lavrentia Beria (Jew), head of the Soviet Secret Police operating in the Soviet Union and satellite countries has been working with the Trotsky followers or Social Democrats to gain control of the Soviet Union and the world wide communist machine. David Dubinsky's Union, with a bank account of one hundred and sixty million dollars has two Jews, namely Irving Brown and Jay Lovestone, former top men in the communist party, working in Europe for about two years spending large sums of money hiring spies and agitators and their mission had been accomplished when they at last brought about revolts in East Germany and Poland. David Dubinsky's

official publication "Justice", states that he is fighting communism and promoting Social Democrats in Europe. The Social Democrats and communism are twin brothers of Marxism. Since 1917 when communism took over Russia, 99½ percent of the Jews in the United States have been backing communism in the Soviet Union every way possible and no Jewish leader has spoken one word publicly against communism the past 35 years until about a year ago when the American people were becoming conscious of the fact that communism was Jewish and the Jews had become dissatisfied with having only 75 percent control of the communist party, they decided to replace Stalin with Beria. At that time they began making weak condemnations of Stalin's communism, but no condemnations of Lenin or Marxism. (While Stalin would not allow the Jews to be 100 percent in charge, he had married a Jewess, Lazar Kaganovich's sister and his son and daughter both married Jews).

The powerful world Zionist organization which has taken over Palestine and forced 850,000 Arabs out of their homes into the desert; controlled the Roosevelt New Deal; the Truman Fair Deal and now the Eisenhower administration, is behind the Marxist Social Democrats' move to take control in Moscow and the world. Marshal Tito of Yugoslavia is to play an important part in this move. That is why Washington has been giving him millions in unsolicited money and also steel plants.

The Jews had taken over the Russian people and had placed the seat of communism in their country. By foul means they had spread communism into many countries thereby causing the enmity of the world against the Russians. The Russian people, in awakening to the fact that the Jews had gained control of Russia by creating a Frankenstein, were becoming anti-semitic and when Stalin died and Malenkov took over, he started moves to eliminate the Jews from the top authorities in communist countries, and in Hungary Matyas Rakosi (Rosenkrantz) was replaced by Imre Nagy. In an article dated June 25th, 1953, dispatched by Richard O'Regan, the Associated Press Chief of Bureau in Vienna, he stated that the brutal Jewish rule in communist Hungary has also generated anti-semitism among nine million Hungarians of Christian faith. He also stated the following which is in quotes: "Nine out of 12 members of the party Politburo are of Jewish origin. So are ten out of twelve generals.

They have many Jewish subordinates. Today, they may see their days are numbered. Diplomats here report that non-Jewish elements in the party and government are obtaining more influence, that a Gentile is chosen for a job rather than a Jew when two men of equal worth are considered for a party post. The visitor to Budapest leaves with the impression that when the wheel turns, smoldering anti-Semitism may burst forth in a flame engulfing the new rich and poor, Communist and anti-Communist alike." Communism without Jews would be like a mad dog without teeth.

Our Central Intelligence Agency, headed by Allen Dulles, has admitted that his agency had given three million dollars to David Dubinsky to spend in Europe, with no strings attached and Dubinsky makes no report to anyone for spending the taxpayers' money. Many informed people believe that the Central Intelligence Agency is a working front for Zionism and that John Foster Dulles was placed as Secretary of State so that the two organizations, the Central Intelligence Agency and the State Department could function together in other countries in the plan to set up a world Marxist machine, but would in reality, be the world government that is supported by Eisenhower, the Dulles brothers, Henry Cabot Lodge, the Rockefellers and 99½ percent of world Jewry.

To those who are interested in their homes, loved ones and their freedom, we suggest that they read this article again. Then to further understand the problem, we suggest you re-read the article titled "Investigate the Super Plotters" published in our last issue, No. 187.

Take good care of your boys; help them develop strong bodies and fine minds so that when they reach the age of manhood they may go out over the world to bleed and die to help set up the new Marxist world order.

All that is necessary for the triumph of evil is that good men do nothing.

Save only to agree,
And all except a favored few
Are doomed to slavery?

Have you thought about your children—
And the future they must face
When Uncle Sam is governed BY
And FOR a Master Race?

HERMAN M. GREENSPUN, owner of the Las Vegas Morning Sun and chosen hatchet man for the liquidation of Senator Pat McCarran, was dispatched to Nevada from the ghettos of Brooklyn, New York, for one purpose — GET McCARRAN. The following is a brief history of Greenspun's activities in the past: He failed to qualify as a lawyer to the New York Bar for one year after he had passed his first examination. Certain circumstances of his first examination made it necessary for him to take another with political intercession to help him. This matter is dealt with in an official report of the F. B. I., which took notice of Greenspun when he was convicted of violating the Neutrality Act.

In Buffalo, New York, where he spent a short time prior to 1950, he became involved in a \$35,000 real estate commission swindle, after which he fled that city. His associates in Buffalo have been looking for the opportunity to collect the \$35,000.

Between Buffalo and Las Vegas, a little earlier on July 10th, 1950, Greenspun pleaded guilty and was fined \$10,000 for a violation of the Neutrality Act. He had previously been acquitted on a similar charge. He was a principal in two deals, one involving the export of airplanes and parts to Israel, and the second, the smuggling of machine guns into Mexico for later shipment to Israel. Greenspun was operating for the HAGANAH in the purchase of war materials. (The HAGANAH was the undercover secret armed force that murdered hundreds of Arab women and children and drove 850,000 Arabs out of their homeland when the British relinquished control in Israel).

Later the record shows that Greenspun betrayed the HAGANAH after getting a 10 percent kick-back on the purchases of war materials and finally joined the IRGUN faction in Israel. (The IRGUN, also known as the Jabotinites, is the group of Marxist revolutionaries that have caused so much bloodshed and chaos to the Arabs and Christians in Israel. Jabotinski, who formed the IRGUN, was a Terrorist revolutionary of the Jewish Bund in Polish Russia before going to Israel).

In July, 1948, Greenspun received three payments totaling \$1,300,000 from a Swiss bank by way of Mexico. The details are known only to Greenspun. In referring to one of his involvements with the law, the Los Angeles Daily News on Oct. 27, 1949, carried a picture of Greenspun and stated: "He masterminded a two million dollar gun smuggling ring." Greenspun's whole background is interwoven with the association of known Communists and sympathizers.

Greenspun entered Nevada as a press agent for the Buggy Siegel gang and its Hotel Flamingo and later attempted to become a Nevada gambling tycoon as a part owner of the "Desert Inn". Failing to crack the gambling profession, he invested a part of the wealth he accumulated through the sale of war materials to his cohorts in Israel in the Las Vegas Morning Sun. As the publisher of one of the two newspapers in Las Vegas, Greenspun turned the paper over to a wholesale attack on Senator McCarran with lies, smears, innuendoes and character assassination.

Greenspun's associates in the liquidation of Senator McCarran are Wilbut Jerger, Arthur Goldsmith, Pang Taw Mow, William Roberts, Drew Pearson, Barry Gray (Boris Yaroslav) and Graham Dolan. These "Citizens" represent themselves as freedom lovers, tolerance mushers, brotherly love ministers and liberty savers. When in reality this group is composed of pro-Communists, Marxists, liberals, Jews, anti-Christians and revolutionaries.

WILBUT JERGER is not known for what he really is in Las Vegas. Therefore, to keep the record straight and show who McCarran's enemies are, we give his history briefly. Jerger ran for the California State Assembly on the PROGRESSIVE PARTY TICKET when this party was financed and dominated by the Communists. In May 1950 Jerger was actively and openly the choice of the Communists in another unsuccessful bid for election.

He recently authored a piece in a magazine called "The Frontiers". It was an attack on Senator McCarran and was presented as an "objective report" on the activities of the "Free Press Committee". Jerger failed to reveal to his readers that he himself headed this committee, nor were the readers let in on Jerger's background.

He was simply described as a "free lance" writer, a former resident of Los Angeles, and now living in Las Vegas." This is an old Communist stunt and one which every communist in the field has used. It's about time the American people got wise to this type of "I'm-a-humble-American-who-believes-in-tolerance" phony.

ARTHUR GOLDSMITH is sort of a phantom figure in this story as he is in every other story. Any person that has ever heard of him pictures him as a big tycoon living in a luxurious suite of rooms on the top floor of the Waldorf Astoria in New York, with rooms full of money. He is described as a man of "limitless wealth" and his money source is his secret. Intermittently his name crops up as a benevolent contributor to "causes" such as Herman M. Greenspun's and it is a strange coincidence that the Waldorf Towers is given as the address of a "Committee on National Affairs", which too, has enlisted in the Greenspun "cause". Goldsmith is secretary of this organization and operates a half dozen others out of the same three-room suite at the Waldorf Towers. He is known to have financed the opponents of both Senators McCarran and McCarthy with huge sums and is a very important figure in the Invisible Government.

There is much evidence and material concerning the above mentioned characters which, if consolidated into one story, would prove beyond a reasonable doubt that they are members of a criminal conspiracy working to the detriment of our country. **COMMON SENSE** cannot at the present time give more than a brief summary of this international cabal. However, the American people can insist that all of the facts be brought to light. The American people and only the American people can do something about it. It is their responsibility. As American citizens they have the duty to do everything in their power to expose this menace to our Nation. How is this to be done? It is very simple. The Communists and Marxists minority who have so much power in this country use a very basic approach to controlling a Nation. They pick up their pens and ink and start flooding the offices and homes of the leaders of a country with all kinds of letters. The word goes to every member to act. If this minority of foreign born atheists can have so much influence with the pen and ink to destroy a nation, why can't the majority who love America take time out to safeguard its constitution and liberty? In order to win this fight against Communism, the little farmer, housewife, businessman, laborer and student must do his part. So let's get working NOW. Put your weight to the cause and help these great American leaders who are being battered all over the Senate floor for you and your children.

THE McCARRAN SMEAR

(Editor's Note: The following excerpts from Westbrook Pegler's column of the Journal American is printed without permission).

(Herman) Greenspun is registered in Nevada as an ex-convict. He studied law with Vito Marcantonio, the New York Congressman who faithfully followed the Communist Party line for many years, and he landed in Nevada as press-agent for the late Buggy Siegel, the underworld nabob, when Siegel opened the gaudy gambling house and hotel called Flamingo, which was built in part of material alleged to have been obtained in violation of the war-time restrictions.

Hearings were held on that question, but no decisive disposition ever was made.

Siegel was murdered in Beverly Hills, Calif., and his press-agent, Greenspun, from New York, caught on as publisher of a small paper in Las Vegas, Nev., which had been recently started by the Printers' Union.

A few months ago, Greenspun started a lawsuit against McCarran, demanding a million dollars on the theory that advertisers who formerly had concentrated their business in the old-established Las Vegas Review-Journal were guilty of a conspiracy because these advertisers decided to drop out of Greenspun's paper and again concentrate in the Review Journal.

The law suit was sub judice when the disc jockey put Greenspun on the air from a New York all-night drinking place to harangue the public in a plea for donations and sympathy and a villification of Senator McCarran.

There is no person named Chandler anywhere about the restaurant known as "Chandler's," which is operated by the Mid-Hudson System, which is owned principally by the two brothers Rubin, natives of Polish territory, now Russian, and American citizens by legal process.

The brothers Rubin give no appearance of political character, but the propaganda which they have been shoving constantly through the medium of their disc jockey consists largely of ferocious abuse of American citizens who reject the Marxian program of the organization called Americans for Democratic Action.

Large amounts of Eastern money have been shipped into Nevada to beat McCarran because he introduced the highly complex immigration bill which Congress finally passed over President Truman's veto.

"THE SEDITION CASE"

Tremendous interest is being manifested in the new book, "The Sedition Case"—which has leaped into the position of a best seller overnight. It is serving to refresh the public memory regarding the Mass Sedition Trial of 1944, which jarred the entire Nation.

The inside story of this, the greatest legal battle in the history of the United States, has now been told. You will find it difficult to control your emotions (and your indignation), while reading these eleven chapters, which review one of the most amazing courtroom dramas ever staged.

The case was organized by a secret Gestapo and prosecuted by Reds operating inside the New Deal. Its purpose was to frighten into silence, all who dared to take a public stand against Communism.

The judge, a Roosevelt appointee, tried to "railroad" the victims to prison. The trial lasted eight months, at a cost of over a million dollars to the taxpayers. When it looked like the victims were framed and without hope, the judge was found dead in bed—ending the ordeal in a mistrial. Another judge, an honest man, later dismissed all charges, calling the case a "travesty on justice".

This book is NOT a cold recitation of facts. It is a captivating narrative, loaded with dramatic thrills and emotional climaxes. Sometimes you will laugh. Then again, you will find it difficult to hold back the tears.

ROSENBERG POSTMORTEM

After two years of wrangling with American Justice and the patience of the American people the two Atom-Spies were executed, as traitors, shortly after 8 P. M., Friday, June 19, 1953.

The final climax to this great twentieth century drama of conspiracy and intrigue concerning the two Atom-Spies has come to an end. Or has it?

The American people are now clamoring for answers to certain very important questions. For instance: Where did all of the influence and power come from to support these two arch-criminals?

Why were our government officials staying up nights and missing meals over this case?

Why were these two "Jewish" traitors, who were responsible for the possible loss of millions of lives, given so much consideration?

Why did these two Communist spies in American disguise prefer death rather than to expose the big Jewish Communists in America?

The answers to these and many other questions lay hidden, for the most part, in the minds and hearts of certain groups of individuals who live under the flag of the United States, outwardly advocate tolerance, brotherly love, and liberty, but inwardly and at secret meetings profess a hatred for Christianity, the Constitution, and the freedoms of the United States.

They represent a minority of the population in any country, but because of the militant leadership and demanding obedience of their cult they represent a majority in power and control the 600 million Christian inhabitants of the earth.

So powerful and organized are these individuals, that their leaders, who walk in the disguise of influential men in public affairs, are not known by the smaller members, nor directly connected with any of the organizational movements. In this manner when a case like the 2 Jewish Atom-Spies is brought to the attention of the American people, or the RED background of the former Assistant Secretary of Defense, Anna M. Rosenberg, the leaders are beyond reproach and "unbiased onlookers". However, their influence is felt by the government officials.

This answers the question as to where

Austrian born Arthur Burns (?) pictured above is Economic Adviser to President Eisenhower. Before him, Leon Keyserling was Economic Adviser to Harry Truman. These two Marxist Jews are, of course, smarter and better qualified for the post than any of the 150 million Gentiles. Such positions must be filled by Jews or their stooges.

Bernard Baruch and Herbert Lehman demand that one of the Invisible Government be placed in such important posts so that World Jewish leaders are informed on all confidential transactions by our government. Otherwise, how would the Jews be able to manipulate and control governments of the world?

ADL IN FLORIDA

By Cuthbert Rittenhouse

(Republished from the Chronicle, Jacksonville, Florida)

The Talmud Jew, steeped in Communism and anti-Christian hate, revels each year in a master hate book published by the Anti-Defamation League of the B'nai B'rith. In 1950, it was written by Arnold Fastenberg alias Forster. He has a Red frontier record somewhat less than one mile long. It bore the ironic title "A Measure of Freedom". It is the official publication of the Anti-Defamation League, which approves and endorses it.

It is committed carte blanche to opposition, and a fight upon the "separate but equal" school facilities for whites and colored, which theory has become the policy of the south. This applies, of course to Negroes and non-Jewish whites, because no people in the world are more discriminating, more bigoted, more clannish, more given to preaching of racial superiority, and to religious intolerance than these people who consider themselves "God's Chosen People".

But in this official publication on page 117, it said: "The law requires separate but equal facilities for Negro students. Such equality is a myth in theory and fact. Organized separation presupposes inferior and superior groups."

For 2,500 years in the Talmud, this people who call themselves Jews, have maintained in season, and out of season, the doctrine of their own racial superiority over all racial and other groups. Loudly, they claim that they are the rulers of the world by Divine right, but have advocated pulling down the barriers and the giving of all encouragement to the intermarriage

The recent liquidation of a group of prominent leaders of the Czechoslovakian Puppet Communist Government, followed by the more recent liquidation of a few Jewish doctors, was being hailed as the beginning of a new turn in the policy of the Kremlin—a turn that showed a definite anti-Semitic trend taken by the rulers of the Muscovite Empire. As proof of this contention the newspapers carried lengthy quotations from the speeches of the prosecutors. In those speeches the prosecutors clearly labeled the accused as participants in a Zionist plot of espionage to undermine the dictatorship of the proletariat and consequently to weaken its ability of defending itself against hostile imperialist powers.

Reading these press accounts, we can not fail to detect a certain undertone of glee and a suppressed desire to fan this trend into a conflict which perhaps might split the Communist Party. In some segments of the Jewish colony on this side of the Iron Curtain there were attempts to condemn this latest outrage as the beginning of a policy of anti-Semitism on the part of the Communists and to interpret it as an attempt on the part of Russia to gain the sympathy of the Arab League.

If this was merely a passing family squabble, it hardly would be worth our while to examine it. However, it is not just an isolated incident. The trial and liquidation of this particular Czechoslovakian group partially lifted the lid that obscured some of the unseemly past of the Communist regime. Nothing happens spontaneously in this regime. An incident like this is symptomatic of certain forces at work in the very foundation of the system. In order to be able to interpret it properly, it is necessary to have some knowledge of Communism and of its motivating forces other than that which the Kremlin wishes us to have.

Without casting aspersions on the Jewish people as a whole, we nevertheless have to admit that Communism is the product of Jewish thinking and that Jewish guidance elevated it to its present power. Beginning with Karl Marx, who a little over a hundred years ago devoted his life to systematizing his ideas into a revolutionary theory, there never has been any lack of faithful Jewish adherents ready to sacrifice their lives in order to carry out Marx's ideas to a successful conclusion. During its period of growth Communism suffered many differences of opinion on methods of application, but the ultimate goal always has been the same — the establishment of the universal dictatorship of the proletariat upon the ruins of the old "bourgeois" system of social relations, which, the Communists claim, has been corrupted to such a degree that it can no longer serve as an effective force capable of regulating human relations, and so must be replaced by a system based solely on materialistic concept.

VOICE OF AMERICA

By George Thomas Adams

Only in the United States could an official propaganda agency come completely under control of the very group which that agency was set up to combat. Senator Joseph McCarthy's Senate Investigating Committee has proven that very fact, that we let the Communists take charge of our anti-Communist propaganda. The Voice of America came into existence under ex-Senator William Benton's guidance when that worthy was Assistant Secretary of State. It was the remnants of James Warburg's wartime agency, the Office of War Information, a hotbed of Communist revolutionaries and traitors led by Warburg, an oldtime Communist propagandist himself.

A European Letter

Mr. Conde McGinley:

Opposing the policy of Jewry is something that no canny statesman can do, unless he has calculated that he will gain more power by opposition to Jewry than by cooperation with Jewry.

What rabid heads cannot understand is that Russia has NEVER been as completely dominated by the Jew as has America since 1935. The Russian basic character is strong and masculine, while the basic American character is weak and feminine. Everything in Russian life shows the strength of barbarism, while everything in American life shows cringing feminine slavishness crying out for a master. America is permanently under the Jewish domination—permanently, that is, for purposes of the next few decades. No American force whatever is both aware of the Jewish power and willing and able to combat it. Already in 1945, the Russian occupation in Germany was using Nazi elements for its purposes, while the American slaves of the Jew still today are forbidden to use Nazi elements. Never did the Russian institute a systematic persecution of the Germans by "denazification", "war-crimes trials" and the like. Every mentally superior German without exception prefers the Russian masculine barbarian character of the Russian to the hysterical American, fat in body and mind. Particularly now does the entire European elite look to Russia as the only possible savior from America-Jewry. Everywhere in the world America and the Jew are IDENTICAL in realistic minds. For 20 years now there has not been one single measure of American foreign policy which has not been exclusively in the interests of Jewry, and thus the identification of America and Jewry is not arbitrary, but compulsory.

Russia has never been thus identified with Jewry, since Trotsky was expelled by Stalin. Remember that politics is played for keeps, and that if a power challenges Jewry, that power will never again be allowed to change its course. Opposing Jewry is not a game that a political power can play—it is a life and death venture, and if it loses, an American sergeant under Jewish orders will hang the statesmen who opposed Jewry.

For American nationalists to oppose Russia is to cooperate in the war-plans of the Jew against Russia. Every day these war-plans move ahead. While Europeans realize that the only barrier to Jewish domination of the world is Russia and its religious-barbarian-peasant regime.

Russia cooperated with Jewry for thirty years, and its reward was its present empire. America-Jewry gave Russia China, Manchuria, Sakhalin, the Baltic States, Rumania, Bohemia, half Germany, and Poland. But when Jewry wanted a counter-performance—surrender of Russian sovereignty to the "United Nations"—Russia declined. This caused Jewish propaganda to turn against Russia. Jewish-American pressure on Russia has forced Russia to become anti-Jewish as well as anti-American, since Jewry is based almost entirely on America. Already leaders of Jewry are asking for the immigration of all of the Jews in Russia into the American space. As a European I should be happy to see this occur. America has been, by its own wish, the sewer of the world for 75 years, and why should not America have 100 per cent of the world's Jews, instead of merely 90 per cent? Since there is no such thing as American nationalism—as is shown by the entire absence of any resistance to the Jewish war plans against Russia—there is no reason why all nations whatever should not dump their undesirables into the American melting pot. On the base of the Statue of Liberty is carved a poem by a Jew asking the nations of the world to throw their human rejects into the America cloaca. The American ideology of Declaration of Independence and Constitution, etc., all state explicitly that all should have equal rights. In practice this means that the integrated, Culture-alien will capture all the power. However, Americans cannot complain, for they want it that way—there is no American nationalism, but only the will to the dollar.

Ergo, if your paper is to continue its excellent work of opposing the policy of the Jew, please do not fight Russia also, for we in Europe look upon it as the only hope to prevent Jewish world-domination by means of its stupid, willing, technically clever American slaves, the destroyers of Europe's cities, the hatemongers of the vile occupation and the hangmen of Nurnberg.

Yours very truly,

—A. F.

CHRISTIAN SCIENTISTS

"As I began to travel about the United States, I discovered two things: first, that in every city there were many Jews who were passing as anything else. For instance, I found so many Jewish Christian Scientists that I wondered why we did not take over that church altogether. Men and women whom I had known as Jews were passing as Episcopalians."

—Sokolky, pg. XVI of Introduction to WE JEWS, Published in 1934

COMMUNISM AND THE JEWS

—(Continued from Page 1)—

The undiminishing influence of Jewish elements in the revolutionary movement from its very beginning achieved much for those Jews within the ranks and for the Jewish race as a whole. It is significant that Jews not only are recognized as equals in the national status of the movement, but are favored as members of its vanguard in any part of the world where they may live. One of the strictest regulations in the inner Party is the combating of anti-Semitism not only within the Party itself, but wherever it may appear. Another significant point is that even though the movement adopted an uncompromising stand against religion and particularly against Christianity, no effort was made to destroy Judaism. Throughout the many volumes of Communist literature there exist only a few feeble sentences that refer to Judaism or to its rabbis. While in Russia the Christian religion was persecuted, its clergy held up to ridicule and treated with the utmost contempt, its churches and religious objects desecrated, the Jews and their synagogues were not molested.

In the inner circles of revolutionary Marxism, before the Bolshevik revolution in Russia, there were two main schools of thought based upon different methods of implementing the dictatorship — the Bolshevik school and the Menshevik school. The Bolsheviks maintained that only through the forcible overthrow of the existing order could the Communist dictatorship be established; the Mensheviks held fast to the idea that the same result could be obtained by constitutional parliamentary means. The bitter struggle between these two factors to control the Party lasted up to and well into the initial stages of the Russian revolution. The leaders and the members of both of these groups were predominantly Jewish. During their early struggles for hegemony feeling grew so strong that the wholesale liquidation of many hundreds was a common place occurrence. When the Bolsheviks, under the leadership of Lenin, finally emerged as the victors in the struggle, they lost no time in rounding up and liquidating the remnants of the Menshevik opposition. Lenin appointed Uritsky as the new regime's chief executioner. Although he himself was a Jew, Uritsky lost no time in slaughtering hundreds of Jews who were in opposition to the new regime.

This newly formed Bolshevik Soviet regime did not evoke any adverse criticism from world Jewry. Though it exacted the sacrifice of many of their brethren, the Jews accepted the Bolshevik regime as something that has proved itself worthwhile, because it had emerged victoriously out of the chaos of revolution. Of the fifteen members of the Central Committee of the Communist Party—the highest political body of the regime—only three were Gentiles—Lenin, Dzerzhynsky, and Stalin. Of the remaining twelve ten were Jews; the racial origin of the other two is unknown.

Despite the preponderance of Jews in the Central Committee of the Communist Party—including such bigwigs as Trotsky, Bucharin, Stasova, Zinoviev, Sverdlov, Skolnikov, and Yoffe, who were all destined to gain prominence in Soviet affairs—Lenin's position as the ideological and practical leader of the movement remained unchallenged. He was the genius of both the theory and the practice of Marxism, there was no immediate need to get rid of him. There was also his popularity with the masses to consider—a popularity which neither Trotsky, Bucharin, nor any of the other leading Bolsheviks commanded. Whatever secret aspirations these other influential men may have had for mounting the throne of the new regime, they had to suppress them. None of them felt himself capable of steering the revolution as well as Lenin could steer it. Some members of the Central Committee, such as Uritsky and Dzerzhynski, simply worshipped Lenin.

The period of the successful establishment of the Bolshevik dictatorship could well be termed the height of revolutionary ecstasy. The revolutionary forces were hypnotized by the illusion that this was the dawn of the new era for humanity—the millenium promised by the prophets of dialectical materialism. The conflagration that had started in Russia would soon envelop the world and wipe out every vestige of the old capitalist order. It never was meant to establish a socialistic system of government in one country alone; the revolutionary theory of Marxism was never destined to serve as a practical program for national economy. It was rather an idea for destruction, colored with loose abstract formulae for the postrevolutionary order of economic and social relations. In the trying days of the struggle for power the Bolshevik leaders, including Lenin, often encouraged their followers by telling them that in a short time the proletariat of the rest of the world would rise up against their oppressors, the Capitalists. Actually

the Bolshevik leaders made strong attempts to spread the revolution not only into Europe, but into the other continents as well.

However, things did not turn out according to the fond hopes of the Bolsheviks. The revolution which was supposed to envelop the globe soon localized itself within the boundaries of the Muscovite Empire. With the exception of short-lived attempts at establishing Bolshevik strongholds in Hungary and in Germany, nothing of any serious consequence was undertaken in the rest of the world. Thus the tide of world revolution was arrested. The Bolsheviks were compelled to sign a humiliating peace with Germany and Austria, and were faced with the need of consolidating their regime within the Muscovite Empire. This turn of events had not been foreseen by the architects of revolutionary Marxism, and some means had to be found for adjusting the Marxist ambition to this more restricted task. This problem gave rise to serious friction within the Central Committee of the Communist Party. Trotsky, who was one of the staunchest opponents of a peace treaty with Germany and Austria, was firmly opposed to consolidating Socialism in one country. He wanted the revolution to go ahead at all costs according to the Marxist plan. Of course that was impossible. Moreover, the revolutionary doctrine had to be subjected to further profanation by Lenin's decree restoring private trade within the empire in order to avert the collapse of the new regime.

Lenin steered the course of the revolution blindly, because it was now out of accord with the text-books and the lofty programs. Uritsky, who headed the security organizations, enforced the will of Lenin by bullets. Both Lenin and Uritsky fell victims on the same day to a well-planned conspiracy. Uritsky was shot to death by a young Jewish student, Kantciesser; Lenin was shot, although not fatally, by a young Jewess, Fanya Kaplan. This gave rise to violent persecution of the Jews, although at no time was this persecution publicized as an anti-Semitic drive. It merely was a fight against counter-revolutionaries.

The extent of the Bolsheviks' ruthlessness in liquidating opposition can be illustrated best by what was considered a humorous episode. Feliz Dzerzhynsky, a Polish Communist and one of Lenin's most loyal supporters, served as the new Commissar of the Cheka (Internal Security Police). At a meeting of the Central Committee Lenin sent a note to Dzerzhynski inquiring about the number of vicious counter-revolutionaries being held in prison. Dzerzhynski replied that there were about fifteen hundred of them. Lenin read the note, snorted something to himself, made a cross beside the figure, and returned the note to Dzerzhynsky. Dzerzhynsky rose from his chair and left the room without a word. No one paid any attention either to Lenin's note or to Dzerzhynsky's departure. The meeting continued. The next day there was much excited whispering. Dzerzhynsky had ordered the execution of all fifteen hundred "vicious counter-revolutionaries" the previous night. He had taken Lenin's cross as a collective death sentence.

There would have been little comment about this event, had Lenin's gesture been an order for wholesale liquidation; but, as Lenin's secretary explained: "There was a misunderstanding. Lenin usually puts crosses on memoranda to indicate that he has read them and noted their contents." The misunderstanding cost fifteen hundred people their lives. This, of course, was extracurricular execution, over and above the routine liquidations.

The revolutionary ideas of Marxism, now seriously thwarted by being confined to one country, had to suffer further setbacks. The first of these setbacks occurred when an all-powerful State, more powerful than the vanquished capitalist regime which it had replaced, exploited the toiling masses and liquidated them at will. Then—although this policy was hardly perceptible during the early stages of the revolution—the whole Soviet system was placed on the well-defined tracks of Muscovite imperialism as the only means of survival, and any serious attempt on the part of the various nationalities within the Muscovite Empire to realize for themselves the Party slogan of self-determination became tantamount to a death-sentence under the Soviet system.

Despite its defection from original Marxism and the exposure of its methods before the rest of the world, there was no Jewish outcry against Bolshevism either within or without the Muscovite Empire. It was evident that it was nothing but a revised edition of Muscovite imperialism—this time without God. Tsarist autocracy was replaced by Lenin's tyranny. Christianity was driven underground, and in its place came the worship of idols, both human and material. Insofar as the Jews were concerned, Communism was still their brain-child, although badly de-

AMBASSADOR TO FRANCE

In the January 1st issue of Common Sense, No. 176, we revealed that the English-sounding name of Dillon, Ike's newly appointed Ambassador to France, is really Lapowski. The name Dillon is gratuitous, a free gift from democracy. Dillon, Read Co. handles the foreign investments of Bernard Baruch, and became the investment outlet for his war profits from the First World War. The new Ambassador's father, born Clarence Lapowski in Texas, became president of the Minnesota Machine Tool Company in 1912 and acquired the name of Dillon. He became an associate of Bernard Baruch, who was appointed Chairman of the War Industries Board by Woodrow Wilson in 1917 after Baruch had contributed \$50,000 to Wilson's 1918 campaign. Baruch became dictator of America's heavy industry. Gentle business men had to crawl before this son of a Polish Jew. This was democracy in action. Baruch chose as his assistant of the War Industries Board Clarence Dillon. The old Gentle banking house of William Read and Co. was absorbed by the new fortunes of Baruch and Dillon, and became Dillon, Read, with headquarters at 46 William St., next door to the Kuhn, Loeb offices at 52 William St. This brings us to the Second World War. Early in 1942, the United States Government seized the assets of the German Chemical Trust, I. G. Farben, in America. Paul Warburg in 1928 had organized the American branch of I. G. Farben through Kuhn, Loeb Co. The Alien Property Custodian was Leo Crowley, who by coincidence was also president of Standard Gas & Electric Co., a billion dollar holding trust of public utilities organized by the "mystery man of Wall Street", the man behind Roosevelt, Victor Emanuel, a Jew who was no mystery at all, since he gives his office as 52 William St. at Kuhn, Loeb Co. Emanuel is president of Republic Steel, Aviation Company of America, and other giant corporations.

Baruch and Kuhn Loeb Company, working with the Rockefeller interests, now use the New Deal to divide up German owned property — the I. G. Farben Company, using Leo Crowley, who had been placed as Alien Property custodian by these interests.

Leo Crowley called in Dillon, Read partners to cut up the cake, the highly profitable General Aniline and Film and its subsidiary, General Dyestuff. Truman's man, George Allen, became a director of General Aniline and Film, then Secretary of Defense Louis Johnson became president of General Dyestuff, and the late James Forrestal of Dillon, Read became a director of General Aniline and Film. In 1951 Senator Alexander Wiley issued a blast at the scandalous mismanagement of alien property, citing General Aniline and Film as an example. Dillon, Read, and Kuhn, Loeb found the property quite a windfall.

Now Dillon, Read partner William H. Draper Jr. who was General Clay's economic adviser in occupied Germany, is head of the NATO organization. Ruth Montgomery, in her column in the New York Daily News, December 30, 1952, exposed the amazing story of how Dillon, Read & Co. made an easy \$400,000 profit for selling \$40,000,000 of stock in the Reynolds Metal Co. expansion to some insurance companies, stock which was guaranteed by the United States Government, backed by a loan which Wilson Wyatt, head of the pinko Americans for Democratic Action, had handled through the Reconstruction Finance Corporation. This was an unheard of "finder's fee" in a Government-guaranteed loan.

The story of I. G. Farben, which was miraculously saved from bombing by our planes in an otherwise shattered Germany, is one which only Dillon, Read Co. could tell. General Clay, who made his offices in the I. G. Farben building, headquarters of the American Government, with William H. Draper and I. G. Farben officials at his side, was mentioned as a possible nominee for Secretary of Defense. After General Lucius Clay returned to the U. S. after serving the Jews well as High Commissioner of Germany, he was rewarded with a \$20,000 a year desk job in Dillon, Read Co., which company Bernard Baruch controls. There still remains the mystery of the sudden deaths of two prominent German representatives of Bayer-Leverkusen in their New York Hotel, who came over here to try to get their property back from the Jewish-controlled Alien Property Custodian and paid with their lives for fighting for what belonged to them. Their bodies were hurriedly cremated by the New York Police Department, and now German industrialists are afraid to come to New York.

Dillon Read has now become as powerful a name in our government as the Warburg firm of Kuhn Loeb Company.

Chief Beria Power Behind Throne

By Colin Jordan

So Joseph Vissarionovich Djughashvili, alias Stalin, is dead; Georgi Malenkov has nominally taken his place as Prime Minister; and the most powerful man in Russia now is the new Minister of the Interior, the man who controls the combined ministries of Internal Affairs and Security, the chief of the vast army of secret police, the Jew Beria. Says the front-page article of the Daily Express (7/3/53): "The name, after Malenkov, which will most intrigue the West is that of Lavrenti Pavlovich Beria, the new power behind the throne." The intriguing quality of the name is made plain by Alexander Werth, writing in the New Statesman and Nation (24/1/53, p. 97): "Although Beria is officially known as a Georgian, he is popularly believed to be either half-Jewish, or of Jewish descent, 'Beria' being a georgified version of 'Berman' or 'Behrson'."

In a totalitarian state the death of the idealized dictator is prone to result in the chief of the secret police becoming the virtual ruler. It would be brazenly indiscreet, clumsy and artless for him to become the nominal head of the regime and parade brute force in the nude as the government; and far better to let another sit on the throne while holding the whip-hand behind it. With the death of Stalin, fashioned into a Communist idol as a result of years of propaganda and tenure of office, and his nominal replacement by the comparatively unknown figure of Malenkov, the concentration of force in his hands makes Beria the real ruler of Russia.

Illuminating Beria's key position, Louis Fischer, writing in the Evening Standard (7/3/53, p. 9), points out: "In the 1920's the veteran Communists like Molotov and Vorshilov might have appealed to the party against the police. Now the party has no power and they could only appeal to the army and provoke a civil war, which would damage the Soviet system. They would be reluctant to do that. The police are therefore paramount." "The success of an army coup d'etat or of a popular uprising with military support would depend on the NKVD (latest title of the secret police). It is a spy system. It controls the railways, roads, telephones, telegraphs. It is an armed force with numerous well-equipped military regiments, usually the best in the land." "His power," says Richard Chancellor of Beria in the Spectator (23/1/53, p. 88), "rests in the last resort, on 600,000 blue-capped security troops."

The ascendancy of the Jewish tyrant, Beria, with power of life or death for teeming millions in the fraudulent "Workers Paradise," exploited by the new aristocracy of Jewish task-masters, commissars and officials, gives the answer to the Fleet Street and Zionist legend that Jewish Communism has turned anti-Jewish.

and social mixture of all non-Jewish groups. This is done on the theory that a mongrel race is not only easier to enslave but easier to keep enslaved.

In the same book they cry "equality and segregation are a contradiction in terms."

In the city of Jacksonville, we have an orthodox synagogue, a conservative synagogue and a Jewish Temple. All of them believe in the Talmud. All of them support the Anti-Defamation League of the B'nai B'rith. We do not mean that all members believe in or support these theories of this violently anti-American, anti-Christian hate organization, but such is the official policy of the congregations.

If they want to really impress the Negroes that they are sincere in what they advocate in print, then we should see the Negroes mixed in with the congregations in all these places. We should see them in the Jesters Club. We should see them in the exclusively Jewish fraternities and sororities. We should see them in the exclusively Jewish secret-oath-bound B'nai B'rith, in their homes for the Jewish aged—but we don't.

The policy of the Talmud Jews is that they should be segregated as the superior race from all non-Jewish groups. But the Goyim (cattle) as they call Gentiles, should be forced to become a mongrel race.

Anyway, the Anti-Defamation League of the B'nai B'rith is engaged with all the Talmud Jewish radical groups and the Negro groups which they control, in a supreme effort to break down and destroy the separate but equal school facilities doctrine and substitute for it a complete mixture in classrooms and on the playgrounds. This is not done for any love of the Negro. They have exploited him for years. This

(Continued from Page 1)

the influence and power came from to support the Rosenbergs. Also as to why our representatives in Washington were running around in a frenzy.

EISENHOWER AND AMERICAN LEADERS ARE ANIMALS:

Emanuel Bloch, chief legal counsel for the two traitors, stated shortly before the execution of the Rosenbergs that our President and the men running our government were animals. To the average citizen this statement by a "Jewish" lawyer is not significant. But to the educated reader of the "Jewish" bible, or Talmud, this villifying statement was a reaffirmation of the teachings of the Talmudists ("Jews").

If any one is interested in learning what Emanuel Bloch really meant, when he stated that Eisenhower and other government officials were animals let him read the "Jewish" bible, or Talmud. "There he will read where the Christians are nothing but 'Goy' (meaning cattle).

The "Jewish Encyclopedia," pages 619-621, Vol. V, gives these statements: (Christians are) "People that are like an Ass—slaves who are considered the property of the master."

"They held (The Pharisees—"Jews") that only Israelites are men, quoting the prophet, 'Ye my flock, the flock of my pasture, are men'"

"Gentiles they (The Pharisees—"Jews") classed not as men but as barbarians"

ROSENBERGS DIE BECAUSE OF HATE AND PREJUDICE:

Rabbi Abraham Cronbach stated that "Ethel and Julius Rosenberg died because of race hatred and prejudice", according to John J. McCaffrey's program, "The Eleventh Hour". In other words now Eisenhower, J. Edgar Hoover, and Herbert Brownell, are in the same category as all other anti-Communists. They are hate-mongers, anti-Semitic, intolerant, and inhuman for punishing "Jewish" traitors. McCarthy, McCarran and other fighters of Congress are hatemongers, anti-Semitic, and intolerant because they bring these "Jewish" spies and traitors to the attention of the American public. So, all Christians who do not go along with the world-wide "Jewish" conspiracy are anti-Semitic.

TOMBSTONE EULOGY:

The report has it that written on the tombstones of the Atom-Spies will be "They Died for Humanity". Since the Jewish definition of the word humanity does not agree with the definition understood by most Christians, it would be well to show the difference, by referring to the "Jewish" bible, or Talmud, again. This is covered in the book of "Sanhedrin", called the chief repository of the criminal law of the Talmud. As one Talmud Mishna teaches, the aim to kill a non-Talmudist (Christian) is so worthy, so exalted, that if a "Jew" is killed in the attempt it is not a crime. But it is a crime for one Jew to intentionally kill another. (Therefore, according to the Talmud it was in the service of humanity for the Rosenbergs to turn over to the Russians the means of killing millions of Christians.)

The Jewish Encyclopedia explains it further on page 620, as follows: "The Meshna, bearing such facts in mind, therefore declares that if a gentile sue an Israelite, the verdict is for the defendant. If the Israelite is the Plaintiff, he obtains full damages". (According to the Talmud, then, the Rosenbergs should have been pardoned for serving humanity.)

is not done upon any principle because they oppose it when applied to themselves. It is done purely and solely to stir up hatred among Negroes against non-Jewish white persons, whom they do not control, so that they can vote them in bloc for their "liberal"—meaning Communist-front candidates.

THE Last WORLD WAR

by
Emmett J. Culligan

In an effort to give its readers an overall picture of the events that are taking place in our times COMMON SENSE has taken the opportunity in the past of publishing both Catholic and Protestant versions and viewpoints.

This new book, "The Last World War", is a must for the readers of COMMON SENSE. Whether you be Catholic or Protestant this literary masterpiece of heavenly warnings to mankind should be read by every Christian in America. Mr. Culligan wrote this book as a warning to Catholic people but all practicing Christians will be extremely interested. The author believes that Almighty God desires that all have fair warning before His great chastisement. This is the ONE and GREAT opportunity of knowing the answers to many perplexing questions that have been in your mind.

THE VOICE OF AMERICA: COMMUNIST PROPAGANDA AGENCY

—(Continued from Page 1)—

When Warburg went to London to keep General Eisenhower in line there the agency was placed in the hands of Elmer Davis, who concealed the truth about the Katyn Forest massacre of 10,000 Poles at the hands of Soviet terrorists. Davis goes merrily on as a professional newscaster, because a pro-Communist reputation doesn't do you any harm in American journalism.

The New York Times on February 21, 1953, gave some highlights from the McCarthy hearings on the Voice of America, as follows:

"Mrs. Nancy Lenkeith, a former book review specialist for the Voice of America, testified that she had been dismissed from her job the day after she had broadcast a favorable review of 'Witness', the book by Whittaker Chambers. Mr. Chambers, an admitted former Communist espionage agent who turned anti-Communist, broke the case against Alger Hiss". Virgil H. Felling, chief of the Voice of America's Latin-American news section at New York, testified that such words as "anti-Communist" were often taken out of his broadcasts and that they were weakened in many other ways by editors Berman and Goldman. It has long been known that a Gentile in the Voice of America is at a great disadvantage, and a man who is both Gentile and anti-Communist hasn't got a chance with that agency. For several years I and several other writers tried to get jobs with the Voice of America, but we were unable to get the required Communist endorsement and so we never received any consideration. The Bermans and Goldmans have had their own way there for a long time, but now it looks as though the Voice of America is going to have to be anti-Communist for a few days at least, thanks to the serious work done by Senator McCarthy. The chances of any real anti-Communists holding a job with the Voice of America, however, are as slim as ever, unless a complete turnover is made of the present staff of the agency, and the last of the old Warburg and Benton appointees removed. It has always been a great joke in Europe that the Voice of America speaks with a heavy Yiddish accent whether the broadcast is beamed to France, Germany, or any other European country. No matter what language the broadcast is in, the accent remains the same. It is high time that we realized that a Jew will only speak for Jews, never for America, and that a Jew can broadcast only one kind of propaganda, Jewish propaganda. As long as it suited them, they praised Stalin. Now they have had to fall back on Karl Marx, but they will never have a good word to say for the United States Constitution or any one of its principles.

The columns of the London Jewish Chronicle for April 4, 1919, carried the following statement: "There is much in the fact of Bolshevism itself in the fact that so many Jews are Bolsheviks. The ideals of Bolshevism are consonant with many of the highest ideals of Judaism."

The London "Jewish World" of August 18th, 1922, carried this statement:

"Business is gaining in Russia, and with the new regime Jews are promptly becoming the captains of industry. There are now 100,000 Jews in Moscow and Kosher butcher signs are seen in all streets . . . however, anti-semitism is growing in the city parallel with the increase of the Jewish population."

The Russian newspaper in Paris, Vosroschenje, for February 2, 1931, carried this statement by the Jew Karl Radek, to his fellow Jew, Walter Rathenau, then at the height of his power in the German Government:

"We Bolsheviks will know how to force the Russian workers into subjugation—and we will know how to creak any objections to our orders with machine guns . . ."

COMMUNISM AND THE JEWS

—(Continued from Page 2)—

formed. They had paid a terrible price, but they were willing to suffer to preserve it in the hope that it would vindicate itself by serving as a force to destroy Christianity. Their sacrifices would have been considered worth-while, even if no other gains were achieved except the opportunity for the Jews to fill important positions in the new regime. They utilized this opportunity to the fullest extent, with special emphasis on the branches of the government which dealt with the processing and the distribution of food and clothing, with housing and banking. This gave them immediate advantages in the procuring of vitally needed commodities and in the operation of a black market unsurpassed in history for its wide range. This black market flourishes today; it will continue until Communism is destroyed.

(COMMON SENSE comment: During World II, the "Jews" set up an enormous black market in the U. S. and made hundreds of millions of dollars. They also controlled the government agencies which allotted scarce material and commodities.)

There is another aspect that lends significance to the Czechoslovakian liquidation. The accusation of Zionist conspiracy against the group was voiced by Jews who acted as prosecutors. In this, as in all former trials provided for the liquidation of the Jewish opposition, Stalin was shrewd enough to make sure the tribunal and the prosecution were overwhelmingly Jewish. In doing this he aimed at perpetuating the fratricidal strife of this race. It seems as if he almost has succeeded.

The Czechoslovakian episode was merely one of a long series of purges; it can be assumed that we shall see more of them.

There appears to be a struggle between the Jewish and the non-Jewish Muscovites for the role of rightful guardian and mentor of the grown-up and deformed monstrosity of Communism. The Jews, who brought it into the world, reared it, and gave it a domicile in the hope that it would faithfully serve their own aspirations for world domination, are reluctant to be pushed aside. On the surface it looks as if the Jews are presently in the role of a solicitous mother-in-law exercising her prerogative as the mother of a daughter who is married to a villain. Time alone will tell whether the daughter will forsake her mother or will divorce her present mate. It is unlikely that the mother is going to disown and condemn her daughter.

While the Jews are interested in seeing Communism established on a world-wide scale, they are not interested in building up the Muscovite Empire. They do not want Communism to degenerate into a mere tool of Muscovite imperialism. We may therefore assume that they will continue their policy of creating defections within the Communist Party. Tito's revolt was the first major step in that direction. However, as Yugoslavia is too small to stand alone in defying Stalinism, other satellites must be stirred up in the endeavor to arrest the spread of the Muscovite Empire, but at the same time to propagate Communism. The initial bid for Czechoslovakia proved a failure, and the Russians, knowing the score, made no bones about calling a spade a spade. What other intrigues may be developing behind the scenes, only time will tell.

TOLERANCE IN HOLY-LAND

Persecution Of Arabs In Palestine

(Hereunder is the letter sent in French to Dr. Hertzog, the Minister of Religions in Israel, by His Grace Monseigneur G. Hakim, Archbishop of the Greek Catholic Diocese of Acre, Haifa, Nazareth and the rest of Galilee, who is a resident in Israel.)

Haifa, Jan. 15, 1953

Dear Dr. Herzog:

I return from my visit to "Ikret" village and it grieves me to say, I return heartbroken. The scenes of the demolished houses, streets blocked with stones and timber, and tottering walls—these atrocities added to the memory of my previous visits to this village which was in the past alive with its inhabitants, all docile and peaceful Catholics, have filled my heart with anguish and distress. When I reached the summit of the village and stood in its churchyard, I felt the tears in my eyes as I saw the vicarage in rubble; that beautiful residence that used to fill our hearts with joy and glory and which was erected with its three spacious rooms above the school, all were demolished.

The church — I could not gain access to it, since its entrances were obstructed with stones; but I do not doubt that the collapse of the adjacent houses has inflicted upon it serious damage. Climbing the ruins surrounding the church, I saw a deep cleft in the upper part of its eastern wall. The cross that was standing erect above the dome was smashed—accidentally or deliberately, I cannot tell. The belfry was void of its bell which was pulled down by the inhabitants of the adjacent kibbutz (Jewish colony) to be used in announcing the time for their meals. This bell, as you know, was recently returned to us by the Acre police.

Wherefore is all this destruction . . . after four years of occupation that was received by the villagers with acquiescence and confidence in the promises of Israel . . . ? Only for fifteen days were the friendly relations between the villagers and your soldiers enjoyed. The villagers were deceived and ordered to leave their village only for fifteen days . . . as they were told . . . but three years or more have already elapsed and these fifteen days have not yet come to an end. Thus those villagers lost their homes, were deprived of their lands, olive and other trees and became utterly destitute, living crammed in the huts and shops of Er-Rameh village.

As they have despaired of everything and everybody except the justice of Israel, they resorted to the Supreme Court where their case was heard by three of the highest judges in Israel. The judges rebuked those responsible for these wrongs and ordered the restorations of withheld rights to their owners. They further fervently appealed to the Jewish authorities to abstain from persecuting the Arab minority, since they themselves have experienced the bitterness of racial persecution abroad.

The hopes of these villagers were therefore revived, and they looked for the implementation of the highest court in Israel. But, alas, the answer was this Christmas present, covered with rubbles . . . for, on the 25th day of December itself, their homes were wholly demolished.

From above the churchyard overseeing the village, I could not but ponder over these atrocities, and ask what would the righteous God in whom we both believe — keep in store for these crimes that are being committed by a people or a state, rightly or wrongly . . . and what would be the verdict of the international conscience which is bound to know the truth sooner or later . . . ?

I therefore repeat the protest contained in my cable of December 31, 1951, which reads as follows:

"We strongly protest against wholesale destruction of the Catholic village of Ikret on Christmas day. The church sustained serious damage, the vicarage was wholly ruined . . . for how long will these provocative acts continue . . . ?"

To this, I add a new protest against the selection of Christmas day itself for the destruction of a purely Catholic village.

It also grieves me to add what I have witnessed upon my return from Ikret, in El-Bassa village, which was in the past a flourishing par-

Hundreds Of Arabs Killed 850,000 In Dessert Jews Defy The World

In publishing this article on Jewish crimes and atrocities in Palestine, we do not intend to dwell upon the war in that country, nor do we intend to give any account of actions during military operations or battles between Arab and Jewish forces. These events are not the subject of our comment. What we wish to dwell upon in this article is crimes committed by Jews against the Arab civilian population. We intend to expose the malicious, barbaric and inhuman methods of extermination resorted to by the Jews of Palestine in violation of the accepted rules of civilized or chivalrous warfare.

According to a reliable British source, an official of the Jewish Agency as long ago as February, 1948 explained to a British friend the methods which the Zionists would adopt in Palestine. They would commence their campaign with two or three massacres. "When we massacre," this Zionist said, "we shall not only kill the men; we shall massacre the women and children and then their cows, sheep and oxen."

This cold-blooded and well-calculated Zionist plan for the massacre of populations is not new for the Jews. It is a renewal of the technique adopted by them when they first entered Palestine about the year 1400 B. C. "And they utterly destroyed all that was in the city (Jericho), both man and woman, young and old, and ox, and ass, with the edge of the sword." (Joshua 6:21).

The facts enumerated in this memorandum must shock every decent person in the world. They are all authentic and cannot be challenged by the Zionists, who do not intend to fight either honorably or chivalrously. They have not conducted their military operations according to the accepted rules of civilized warfare. In occupying some Arab cities, quarters or villages the Jews have committed the most heinous crimes against innocent civilians. Jewish atrocities in the Holy Land can be classified under the following categories:

Massacres, Indiscriminate Killing and Savage Acts

Jews indiscriminately massacred civilians, old men, women and children of all ages.

Jews bayoneted pregnant women.

Jews cut the children to pieces before their mothers' eyes, then killed the mothers.

Jews threw infants into cisterns filled with water, after snatching them from their mothers' breasts.

Jews in Haifa killed, mutilated and crucified Arab prisoners and wounded.

Maltreatment and Humiliation of Prisoners

The Jews treated prisoners, and all the Arab civilian population which was unable to leave Jaffa, Haifa, Safad, Acre or Jerusalem in a most barbaric fashion.

Jews forced these civilians to dig trenches and do the dirtiest work for their captors.

In Jerusalem Jews forced old men and women, doctors and notables, to carry water on their backs in big tins from Arab cisterns to the Jew-

ish quarters.

Jews forced many elderly women of the most respected families of Jerusalem to work as servants, performing the most degrading tasks.

Jews evicted Arabs from their homes and forced them to live in the most unhygienic and unsanitary places.

Jews gave Arab civilians, as a form of revenge, a minimum amount of food and drink, barely sufficient to sustain life.

Jewish doctors forced Arab men in Haifa and Haifa to submit to giving blood for Jewish wounded and left these Arabs in the most horrible condition, dangerously sick and exposed to death.

Indecent Acts Against Women and Girls

In the village of Deir Yasin, Jews took women and young girls, stripped off all their clothes, put them into trucks and after parading them in the Jewish quarters, photographed them in that condition.

Jews in Haifa entered Arab homes, stripped women of all their clothes, raped them and forced them to flee naked from their homes into the street.

Jews raped Christian and Moslem young women and very young girls.

Looting of Property

Jews looted Arab property in Jaffa, Haifa, Safad, Tiberias and Jerusalem.

Jews looted medical supplies and bandages from stores, the property of the Red Cross and the Red Crescent.

On June 6, 1948, the Jewish Agency, with the most daring brigandry, announced that it would usurp and appropriate all Arab holdings and property wherever the Jews could reach them. Arab homes and buildings are now occupied by Jews. Arab property thus looted included vehicles of all types, telephones, typewriters, hospital furniture and beds, kitchen utensils, reserve food stocks and pharmaceutical supplies.

Destruction of Property

Jews in Haifa, Jaffa, Safad and Tiberias marked most of the modern Arab buildings in these cities for destruction and then proceeded to demolish them, not in battle but in calculated revenge and in retaliation for the losses suffered by Jews in battles and as a result of actual fighting.

Destruction and Desecration of Holy Places

Jews in Haifa defiled Christian and Moslem Holy Places by urinating on the altars and dragging women to the Sacred Places and raping them there.

Jews in Jerusalem occupied Christian Holy Places and shrines and used them as forts, arsenals and military bases. Upon their retreat they either damaged or burned these Sacred Places. By indiscriminate shelling they damaged fourteen churches, institutions and shrines in the Old City of Jerusalem.

Massacres, Indiscriminate Killing, Savage Acts

The massacres of Arab old men, women and children by Jews was a well-calculated and cold-blooded plan. It was intended to terrorize the Arab civilian population and cause an Arab exodus from Palestine. As a result of these massacres, about 300,000 Arabs have left their homes, towns and villages and have taken refuge in neighboring Arab countries. The following are only a few of these barbarous massacres:

JEWISH ATROCITIES IN HOLY LAND (Continued from Page 1)

Jerusalem

Deir Yasin, a village of about 600 inhabitants, is a suburb of Jerusalem surrounded by Jewish settlements. On April 10, 1948, it was attacked by 500 Jews, who rounded up most of the inhabitants and looted all valuables they could find. Then they started massacring men, women and children, bayoneting pregnant women, cutting children to pieces before their mothers' eyes, then killing the mothers. Jews killed about 250 Arabs. Among these were twenty-five pregnant women, fifty-two mothers with sucklings, some of whom were only a few months old, and about sixty women and girls. Jews dumped over 150 bodies into a cistern in order to hide the horrors and mutilation committed by them. They took from the same village a group of Arab women and girls, stripped them of all clothes, put them into trucks, paraded them in the Jewish quarters of Jerusalem, and photographed them naked. As the details of these horrors became known, even Jewish civilians in Jerusalem were shocked.

Jewish forces barred entrance to all outsiders so that no one would see their horrible acts. M. Jacques de Regnier, delegate of the International Red Cross, asked permission of the Jewish Agency to go to the scene of the massacre, but they refused to allow him to go until the next day, so that they might clear the mess. M. de Regnier told The Arab Higher Committee in Jerusalem that "the situation was simply horrible." He related how the bodies were thrown into a cistern, so that he could not see them. He related that he found an Arab girl of six still living under a pile of bodies, and that he took her to a hospital.

The Jewish Agency, with its usual hypocrisy and with the intention of throwing dust in the eyes of the world, issued a statement expressing "its horror and disgust at the barbarous manner in which this action was carried out!" But two days later, the Jewish daily newspaper "Hamashkif," mouthpiece of the Jewish terrorist gangs, lifted the curtain to reveal the true facts, stating that the Irgunists had declared that the Haganah was aware beforehand of the Irgunists' plan drawn up for Deir Yasin and that the Haganah commander had been made acquainted by the commander of the operations with these plans.

April 14, 1948—Massacre of Nasr El Din Village, Tiberias

A large group of Irgunists and Sternists attacked the village of Nasr El Din in the Tiberias district, only to repeat the bloodthirsty massacre that had been committed by the same Zionist gangsters at Deir Yasin. In the early hours of the morning, while the villagers were peacefully asleep in their homes, the Zionist gangs dashed into the village, attacking with hand grenades and machine-gun fire defenseless women and children. The majority of the families in the village was made up of women and children who could not, by any stretch of mind, be considered as capable of carrying arms to defend themselves. In spite of that, the Zionist murderers subjected them to heavy fire. Only forty women and children managed to escape and take refuge in a nearby village.

May 5, 1948—Massacre of Beit Elkheuri Villagers

A large group of Haganah terrorists attacked Arab villages located on the banks of the Jordan River near a place known as Beit El Khouri. The terrorists fired their automatic guns at the defenseless and terrified villagers. Tens of villagers were killed in cold blood and hundreds were seriously wounded. These gangsters killed women and children, disfiguring them in the most repulsive and sickening manner. Then the bloodthirsty murderers beheaded some of the old and infirm persons and amputated their hands and legs. Then they took the young men of the village, packed them into a house, poured gasoline on it and set it on fire. The remaining old persons were driven to the scene of the CREMATORY and were told to go to their brethren in the Arab world and tell them what they had seen, and see if they dare come to their aid. Some of the villagers who escaped the Zionist terrors managed to swim across the river to the Syrian frontier.

May 6, 1948—Massacre of Civilians and Refugees

Jewish forces made an offensive on Arab villages in the vicinity of Tiberias. They blew up the German monastery located on the shore of Lake Tiberias, with three monks residing in it. At the same time Jewish forces attacked the defenseless Arab civilian population of Elghawer and Samakh. A Jewish scouting plan directed Haganah to the position where Arab refugees were concentrated. The latter then attacked these civilian refugees, inflicting heavy casualties on

The Jewish revolutionary forces, supported by world Jewry, massacred hundreds of women and

children, confiscated their property and drove them out into the desert.

those trying to escape by boat; many others were drowned when their boats capsized.

May 6, 1948—Mosque Packed With Women And Children Blown Up

In El-Zaytoun village (Safad district) Jews packed women, children and old people into the village mosque and blew it up on the heads of those innocent victims.

May 7, 1948—Villagers Slain

Zionist patrols armed with automatics forced three of the villagers of Al-Kabry—Mohammed Matter, Nimmer Abed El Rahmen Al Akbar, Maklab Abi Aziz, into the hut of Ali Mohammed El-Kady, aged seventy, and slaughtered each of them like sheep across the knee of the old man.

May 13, 1948—Massacre of Beit Darras Village

In their attack on Beit Darras village situated in the Gaza district, the Zionist murderers found only children, women, elderly and infirm persons. Immediately they started killing all of them, butchering the women, some of whom were pregnant. The Zionist butchers indulged in disfiguring the bodies of the elderly men. After looting all the household furniture and the provisions left in the village, Zionist terrorists embarked on a systematic plan of blasting the largest houses by shell fire and mines.

Jews Resort to Bacteriological Warfare

The present population of Jews in Palestine come mainly from Eastern Europe. A great many of them are irreligious, godless and ruthless Communists. They conspire and carry on their aggression in a hateful, fanatic and vengeful manner. These Jews recognize no code of ethics and honor, nor international convention. They wish to realize their immoral and illegal aggression at any cost to their opponents.

For several years the Zionists have planned and prepared for the use of bacteriological warfare. To that end they set up laboratories, in Palestine. The Jews plan to use this inhuman weapon against the Arabs in the Middle East in their war of extermination. When cholera broke out in Egypt in November, 1947, and in Syrian villages on the Palestine-Syria borders about February, 1948, there was some, but not conclusive evidence that Zionists were responsible for the outbreak of this plague.

On January 12, 1948, Leon Pearson reported from Paris via NBC, New York, that "the Jewish underground is preparing to launch bacteriological warfare against the Arabs." This fact was also confirmed by a Christian American citizen who had attended a dinner in Rio de Janeiro, Brazil, in February, 1948, given by the Zionist Revisionist Organization under the chairmanship of Professor Heller, in honor of a visiting guest introduced as Captain Zvi Kolitz from Palestine and as an officer of the Irgun Zvai Leumi. Captain Kolitz has been featured recently as a guest speaker in meetings in New York sponsored by Irgun groups. At the end of his speech Captain Kolitz said, "I know for sure that we are going to employ bacteriological warfare when the British pull out. We have no allies, and cholera is no doubt a good ally. We shall bring cholera microbes to Cairo, to Baghdad, to Damascus and

to Amman, and in view of the hygienic conditions in the Arab states this weapon may be of decisive importance." Captain Kolitz further asserted that Jewish scientists are already preparing bacteriological bombs and that hundreds of cholera-stricken mice are being kept for experiments in special laboratories in Palestine.

Further conclusive evidence of bacteriological warfare by the Jews was afforded by the capture of four Zionists by the Egyptian Army, two on the 26th and two on the 28th of May, 1948. They were caught while infecting artesian wells around Gaza with these disease-producing germs. These atrocities are revealed in a communique issued by the Egyptian Ministry of Defense on May 29, 1948, which states:

"The Egyptian forces captured two Zionists while attempting to infect artesian wells around Gaza with poisonous germs. Both have admitted the purpose of their mission. Several bottles were found in their possession containing a liquid which was discovered to contain the germs of dysentery and typhoid. Two other men were also arrested while standing near another well. One of them admitted being a Zionist, while the other refused to reveal his identity. They had in their possession another canteen containing a liquid with a high concentration of typhoid and dysentery germs. The Egyptian Command took immediate and precautionary steps to protect the health of the Egyptian forces and the people living in the neighborhood by inspecting all the wells in the area. Egyptian chemists were brought over to test samples of the various wells. In the meanwhile all the water for the army was brought from El-Arish and Rafah. The results of the tests have shown that the water of the various wells is still fit for drinking with the exception of the two where the Zionist spies were found loitering. Orders were given to close both immediately."

The Egyptian Government released the text of an admission to the Egyptian Army authorities by one of the men arrested. The following is an accurate translation of the confession, the original of which is in Hebrew:

"I, Ezra G. Odeen, from the town of Tel Aviv, was ordered by the commander Moshe who gave me a canteen full of typhus and dysentery germs to pour it in a well containing water."

Desecration and Destruction of Holy Places

"It appears clearly that the condition of the Christians in the Holy Land has not been bettered, but worsened. The Christian name has been degraded for the benefit of the Jews. We see with sorrow the Christian Holy Places being secularized and transformed into houses of worldly pleasure, inviting men to bodily voluptuousness which, condemnable everywhere, are especially condemnable on the spots where rise the august monuments of our religion."

When Pope Benedict XV made the above statement on June 13, 1921, little did the Christian world realize the full implication of His Holiness's condemnation. His Holiness's words were prophetic.

In 1920 the Anglican Bishop of Jerusalem gave

—(Continued on Page 3)—

Reparation? We Won't Accept A Single Arab"

JEWISH ATROCITIES IN HOLY LAND

the world a similar warning when he exposed the malicious intentions of the Zionists. In an address to the Church House, London, the Bishop stated:

"In ordinary conversation among Zionists at Jerusalem it had been asked, 'What shall be done with the Church of the Holy Sepulchre? Shall it be burned or razed to the ground?'"

Since hostilities started in Palestine in November 1947, the Zionists have deliberately desecrated, damaged and destroyed many of the sacred Christian and Moslem Holy Places, shrines and institutions.

The commission of these sacrilegious crimes by the Zionists was confirmed in a manifesto issued by the Union of Christian Churches in Palestine, as stated in an Associated Press cable published in the New York Times of June 1, 1948. The Union of Christian Churches consists of eleven denominations.

This reliable and impartial body, representing all Christian churches and denominations in Palestine, complained that the Jewish forces had used ten Christian religious and humanitarian institutions in Jerusalem as military bases and that fourteen institutions in the Holy City were destroyed or damaged by shellfire. Three priests were killed, two wounded and more than 100 women and children and other noncombatants have become casualties inside Jerusalem since the Jews began the attack. The manifesto avers:

"From what has taken place it appears:

"I. That it was the Jews who began on the morning of Saturday, May 15, to occupy by armed force the Convent of Notre Dame de France, the Redemptionist Sisters and the French Hospital, which they fortified and from which they began to fire on the Holy City.

"II. That they occupied likewise, on Mount Zion, the Monastery of the German Benedictine Fathers and two convents of the Holy Trinity and Saint George, belonging to the Greek Orthodox Church, which served for military operations and from which they fired on the City of Jerusalem. They occupy today buildings which fly flags of the Holy See, of France, of the Holy Sepulchre and of the International Red Cross."

The manifesto included the following list of institutions "from which Jews directed their fire on the Holy City."

"1. The Orthodox Greek Convent of St. George, as well as part of the Armenian Orthodox Convent, occupied by Jews May 14.

"2. The Convent of Notre Dame de France, occupied May 15, fortified and made a principal base of attack on the Holy City.

"3. The Convent of the Redemptionist Sisters, occupied May 15 and employed in the same manner as Notre Dame.

"4. The French Hospital, which the Jews occupied militarily in spite of the presence of the Sisters of St. Joseph and their patients and regardless of the Red Cross flag flying from its staff.

"5. The Italian Hospital, which the International Red Cross placed under its protection May

15. A force of armed Jews occupied the hospital, took down the Red Cross flag and raised their own flag in spite of protests of the Italian Consul. They used terraces as gun emplacements.

"6. The apostolic delegation building, protected by the flag of the Holy See.

"7. The Monastery of the German Benedictine Fathers, occupied May 18 and used by Jews as a strategic position and one of their principal bases of firing against the Holy City.

"8. The English School of Mount Zion and the Greek Orthodox Convent of St. John, occupied May 15.

"The manifesto charged that some Israeli fighters fired shells from the Hebrew University and Hadassah Hospital on Mount Scopus, and also from two large synagogues in the Old City, which Arab forces eventually demolished.

"It said that the following institutions had been hit by shell-fire and that these seized by Jews had been shelled subsequently by Arab forces:

"1. The Convent of Notre Dame, a large part of which was destroyed following the occupation by Jews.

"2. The Redemptionist Convent, which Jews destroyed and partly burned.

"3. The German Benedictine Monastery, of which the tower and church had been damaged following the Jewish occupation.

"4. The Seminary of St. Anne (inside Arab lines of the Old City), which received two shells, one May 17 and the second May 19, destroying walls and wounding refugees.

"5. The Church of Sts. Constantine and Helena, near the Church of the Holy Sepulchre, which were damaged by a shell, the blast striking the dome of the Holy Sepulchre, May 17.

"6. The court of the Orthodox Syrian Church of St. Mark, which received a shell May 16 that killed Father Pierre Sani, secretary to the Bishop, and wounded two persons.

"7. The Orthodox Greek Convent of St. George, next to the Greek Catholic Cathedral, which May 18 received a shell which broke the convent roof tiles and damaged windows of the cathedral.

"(Point 8 was missing in transmission.)"

"9. The Convent of the Archangel of the Orthodox Copts, located over the Grotto of the Holy Cross, which is part of the Holy Sepulchre. It was struck by a shell and damaged May 23.

"10. The Convent of the Orthodox Copts received a shell May 23 which wounded some refugees.

"11. The large Monastery of the Franciscan Fathers, situated near the Holy Sepulchre, was hit by shells May 19, 23 and 24. The orphanage, convent court and general secretariat were damaged. Many children were killed or wounded.

"12. The Latin patriarchate received shells May 23, 26, 27 and 28. The environs were damaged and many were wounded.

"13. The Greek Catholic patriarchate received shells at its entrance May 16 and 29. Buildings were damaged and people were wounded.

"14. The Orthodox Armenian Convent was hit by over 100 shells fired by Jews from the Benedictine Monastery on Mount Zion. Eight of the

refugees in the convent were killed and about 120 wounded."

Damage to Jewish Holy Places—A Contrast

On the 13th of July, 1948, the Acting United States Representative at the Security Council transmitted to the Secretary General of the United Nations a cable dated July 12, sent by the Chairman of the Palestine Truce Commission. This cable is very significant because it reveals the evil intentions of the Jews towards the Christian and Moslem Holy Places and that they are preparing for a major assault for mass destruction of the Old City of Jerusalem. The cable follows:

"We observe that in Jerusalem Jews appear to be increasingly inclined to ignore the most elementary rules of international war. Following their attempt to seize King David Hotel Thursday night during the cease-fire period, some of their forces tried last night to occupy the Pontifical and Biblical Institution property of the Holy See. Only due to last minute intervention by the French Consul General were they compelled to give up their design:

Further proof of Jewish malice against Christian sanctuaries is offered in an Associated Press cable from Jerusalem, dated July 16, 1948, published in the American press, which said:

"Franciscan monks reported today that a mortar shell landed near the doorway of the Church of the Holy Sepulchre on Wednesday night, breaking the old stained glass windows of the Franks Chapel.

"Shells also were reported to have struck near the Virgin's tomb adjacent to the Garden of Gethsemane, and in the vicinity of the Dominus Flevit Chapel, which marks the traditional site of the Mount of Olives where Jesus wept for Jerusalem."

On the 18th of July the Delegation of the Arab Higher Committee received the following cable from the Arab Higher Committee Headquarters in Cairo.

"Jews strongly shelled the Moslem and Christian Holy Places in Jerusalem. The Western Gate of the Dome of the Rock was seriously damaged. A six-inch bomb exploded inside, demolishing the monumental windows in and around the Dome. The Dome itself was strongly hit. A six-inch fire bomb exploded inside Al-Aqsa — fortunately no damage. Forty bombs exploded in the Haram area, three others in the Holy Sepulchre square, causing damages. St. James Church in the vicinity was damaged heavily. Other mosques were also damaged."

Acts of Murder, Torture, Maltreatment And Forced Labor Against Arab Civilian Prisoners And Hostages

The following are a few of many incidents of murder, torture, mutilation, etc., showing Jewish brutality in Palestine:

On the afternoon of Sunday, April 18, 1948, bodies of eight Arab young men were discovered on Mount Carmel, halfway between Akhuzad, Jewish settlement, and Kubaibeh. They were taken to the Government Hospital at Haifa. The bodies of these victims were found disfigured and mutilated beyond recognition. The hands and legs of some were amputated, and their heads battered with heavy stones. Investigation showed that the victims were laborers working for a steel company, who were kidnapped by Jews while walking along the harbor road in Haifa.

Two days later, i.e., on April 20, 1948, thirteen other bodies of young Arab men were found with their noses cut off, their eyes plucked out, and some beheaded.

In Haifa an Iraqi prisoner was found crucified, tied with ropes, and his body branded with hot irons.

When Safad fell into Jewish hands, most Arabs who stayed behind were either too old to undergo the strenuous journey, or infirm men and women and children. The Jews treated them with extreme barbarity. When over 100 expressed the wish to leave the town, they were herded into trucks and taken to the Lebanese border and left in a remote place under the heavy rain. They had to walk more than two and a half hours on muddy roads until they came to the nearest Arab village. Among these people was a ninety-three-year-old and highly respected notable, Mohammed Salin Shamma, who was Mayor of Safad for many years during the Turkish and British regimes. He testified to the details of these brutalities, and related how he and his aged wife and others were insulted and beaten by Jews, who robbed him of his pocket watch, his gold rings and those of his wife.

Jews exceeded the limits of their audacity by putting civilian men and women to forced labor. In Acre and its neighborhood, Arab civilians were forced at bayonet point to work as slaves from morn to eve, digging trenches and building defense lines of fortifications extending from the Acre railway station to the end of the Acre Beirut road.

—(Continued on Page 4)—

These Arab infants and hundreds more like them were killed by courageous Jews who are known

for such heroism and bravery. Such courage is exemplified only when faced with inferior odds.

JEWISH ATROCITIES IN HOLY LAND

—(Continued from Page 3)—

The suffering of the civilian inhabitants of Jaffa was described in a cable dated June 19, 1948, sent by the Mayor of Jaffa to the President of the Security Council which states:

"Zionists controlling the Arab open city of Jaffa plunder all contents. They have not supplied food to the five thousand remaining inhabitants contrary to the terms. They imposed forced labour even on women. They forced prisoners at Umm Khaled to dig trenches, exposing them to shooting. They shot at women reapers near Tulkarn, preventing harvesting. We put this on record and await immediate action."

Furthermore, some of the Arab notables in Jaffa are being humiliated in the most unprecedented manner. Nicola Saba, a Christian Arab and a high government officer, was taken as a hostage together with Harbi El-Ayubi, a Moslem Arab notable, and are being worked as sweepers on the Jaffa-Tel Aviv road.

The Jerusalem Jews have taken and kept a great number of Arab hostages including women and children—most of them Christian Arabs of the best families. Jews have forced some of them to do the most degrading work. Among these were: Dr. Ibrahim George, a Christian, the most famous dentist in Jerusalem; Mrs. Shukri Deeb, a Christian lady of standing among Arab women and in national circles; Mr. Aziz Saba, a well-known Christian importer; Iskandar Saba, a Christian. These and their wives are all hostages, being put to work daily carrying water on their backs from the Arab quarters to the Jewish quarters in Jerusalem. Dr. Wadi Itayen, a Christian and a high-grade officer in the Department of Health in Jerusalem, was also forced to carry water on his back. He was overworked and maltreated, and as a result died.

On the 14th of May the Political Committee of the Arab League issued a communique stating:

"The Jews in Palestine have committed the most horrible crimes. They have violated war conventions and the internationally accepted customs in the conduct of military operations, and have disregarded the elementary principles of honour and humanity." "On the other hand," the statement continued, "the Arabs in their struggle against the Jews followed their old customs, proving their real desire to maintain their traditional chivalry and respect for the laws of war. In spite of these horrible atrocities of the Jews, the Political Committee calls upon all Arabs to maintain their traditions and not retaliate with savage acts."

The following are only a few of many incidents showing the chivalrous Arab attitude in contrast to Jewish atrocities:

When Fawzi Pasha Kawukji, commander of the Arab Liberation Army, attacked Mishmar Haamick, Jews asked for a short truce in order to remove women, children and old men. The Arab commander consented, and several trucks left the settlement loaded with women and children and old people.

When the Arab Legion conquered Kfar Tziou settlements, they captured many prisoners, among whom were fifty women terrorists. H. M. King Abdullah ordered that these women should be released through the Red Cross, saying: "We shall avenge Deir Yasin massacre not against Jewish women, but against Jewish men."

"Look magazine in its issue of August 11, 1953, carried the following excerpts from Adlai Stevenson's article:

Prime Minister David Ben Gurion said to me (Stevenson): "We want to live in a friendly co-operation with our Arab neighbors. Our aim is peace". Then I asked him about the Arab demands. He minced no words—nor did Moshe Sharett, the confident, articulate Foreign Minister: "Jerusalem will be internationalized over our dead bodies. Reparation? We won't accept a single Arab."

PERSECUTION IN PALESTINE

(Continued from Page 1)

ish. I found its church rededicated, its thirty ikons that were still there up to four months ago, all stolen; the painting on the wall marred and the bishop's throne wrecked and strewn asunder. . . . the doors and windows of the buildings adjoining the church, i.e., the vicarage and the boys' and girls' schools, all were stolen.

Even the wooden planks of the ceiling of the pastor's residence built on the western wing of the church were being removed, and no doubt, we shall find none of them on our next visit.

With regard to what remained of the sacred articles of El-Bassa church (such as the wooden altars and the decorated iconostases) I suggest that they be carefully transferred under your department's supervision, and in the presence of our representative, and that the entrances to this collection of buildings, be blocked unless the inhabitants of El-Bassa, now living as refugees in El-Mazara'a, five kilometers away, be allowed to return to their homes that are still standing despite the damages sustained. Thus these people would be the protectors of their own church.

I note with regret that our repeated complaints in respect of this church which I visited over two years ago with Dr. Vardi, who saw with his own eyes the sacrilegious desecrations, have been fruitless; and thus we have come to this lamentable situation.

OFFICIAL VIEW ON ARAB MINORITY

The following quotation from the Hebrew edition of the Israeli Government Year Book, 1949-50, page 16, could be regarded as the official view on the subject. It said:

"As soon as the Palestine partition was passed on November 29, 1947, by the General Assembly, we realized that we shall face the problem of an Arab minority in the new State of Israel. According to the partition plan, about 400,000 Arabs, or 40 per cent of the total population, were to be our lot, and it was still doubtful at the time whether the 100,000 Jews of Jerusalem could be regarded as citizens of the State. The presence of large concentrations of Arabs in towns near the Jewish borders of the partition and at its extremes, such as Jaffa, Lydda and Ramleh, were regarded as a threat to the security of the Jewish State."

"This situation, however, changed completely and consequently eased the whole economic and military aspects when we fought the Arabs and forced them to flee the towns and villages, and when the frontiers of the State were soon expanded as a result of the victories scored by the Haganah. In that manner the problem, which had been disturbing us, and which would have seriously hampered the founding of the young State, was solved in large measure. And yet, the Arab minority, which remained in Israel and grew in numbers with the increase of the areas occupied by the Jews, continues to vex us to this day."

The Ford Foundation gave the United Jewish Appeal \$25,000, which they willingly accepted. Not so with the Los Angeles Board of Education who turned back a check for \$335,000 to the Ford Foundation. The Board patriotically decided for the second time not to allow UNESCO-One World propaganda in our schools. Thank God we have a few real fighting Americans left. . . . There are still approximately 8,000 New Deal Left Wing lawyers in our government who haven't been given the boot. Most of them are "Jews". . . . The United "Jewish" Appeal will collect \$75,000,000 this year. \$60,000,000 will go to Israeli.

News reports state that 300 Rabbis attack McCarthy. According to all the "Jewish" papers every Rabbi in the Country has been fighting McCarthy since he started to expose subversives and traitors. . . . Federal Communications Commissioner Freda B. Hennock, "Jew", now has a new assistant. You guessed it, it's another "Jew", Samuel B. Groner. Who said that this was a Christian country; Oh, yes, tolerance. . . . Lewis L. Strauss, "Jew", newly appointed Chairman of Atomic Energy Commission, is a member of the American Jewish Committee. Incidentally, the AJC, American Jewish Congress, B'nai B'rith and Anti-Defamation League are blood brothers in that great fraternity of brotherly love. The catch is that the "Goyim" are not considered brothers. . . . COMMON SENSE's new edition of the Protocols is just off the press. Price \$1.00.

The "Care" package program is being heavily advertised by leading "Jewish" organizations and publications. This is the tip-off as to who receives the benefits therefrom. . . . The U. S. Court of Appeals in a 2 to 1 decision upheld disbarment of Harry Sacher, "Jew", for his action in the defense of the 11 Communists. . . . Britain to purchase \$3,052,000 worth of canned food from the Soviet Union. . . . Bear this in mind, the Social Democrats in Germany is just a fancy name for Communist Party. . . . Lt. Arthur Miller, of the New York Police, accused of heading a highly secret Communist cell in the Police Department is Izzy Cohen, "Jew". He changed his name in 1938.

Walter Bedell Smith, the New Deal appointee and pal of Anna M. Rosenberg, is petitioning Congress to back up Eisenhower's request for \$88,000,000 to supply foreign countries with library books. . . . Mr. Anthony Eden while in this country for his health was convalescing at the Rhode Island home of a daughter of the late Otto Kahn "Jew". Bolshevik Russia thought so highly of the late Mrs. Otto Kahn that they feted her with the ceremony due to an Empress. . . . In this writer's humble opinion the truce in Korea is one of the last steps to World War III, as was so ably planned by the "Jewish" Invisible Government.

September 21, 1951, reflected this official attitude when it stated:

"The Arabs who stayed have not caused much trouble. . . . There was discontent over restrictions, the usual protests against planning and regulations, and there were other customary complaints. But matters might certainly have been worse."

Congressmen Should Get On God's Side

For your love of GOD, of AMERICA, of ALL HUMANITY, hearken to the voice of one crying in the wilderness of Washington—Congressman Noah Mason!

Stay the RED BEAST JUGGERNAUT! Help undo some of the harm already done and stop more that is to be done, by ratifying his two resolutions! To quote him:

"Most recent figures state that 21,943 American boys have been killed in Korea; 102,381 have been wounded; 13,188 are missing in action" (Note: and we have evidence that many of these have been tortured, shot with hands tied behind them) Most of these boys who have been killed and wounded were draftees—lads who were yanked out of a peaceful civilian life, trained rather casually and sent to the front lines in Korea—about which almost nobody—gives a 'continental damn'.

"No article in the Constitution says the Congress may conscript the youth of the nation and send these lads into lands beyond the seas to fight for other countries, and yet American soldiers, mostly draftees and conscripts, are on duty in 49 foreign nations. Further, it is now fully proved that the tax contributions of American citizens have been improperly used to finance Socialism in England, Communism in Yugoslavia, and tax dodging in France . . . Mason told the House the first resolution seeks to protect the nation's young men by providing, except in time of war declared by Congress no persons conscripted for service in the military forces shall be assigned to duty outside the United States, including the Canal Zone.

"The second resolution proposes that except in time of war declared by Congress the United States shall not give money or property to any foreign government or international governmental organizations. Loans would be forbidden, too, to a government or organization in default on debts to the United States." (Chicago Tribune, 7-28-53).

Korean Murder To Go On

The dastardly Korean "Truce" has revealed to millions the USA Bloody Red Hand of treachery. The word "BLUNDER" is seen as the traitor's mask.

The slogan that our boys had to die in Korea to "contain Communism" is exposed as a Satanic LIE. The revelations of ammunition shortages for our boys showed that victory was never the USA goal. The news that we had been keeping anti-Communist escaped North Koreans in jail, struck Americans like a blow in the face. The berating of Syngman Rhee by our administration for releasing these anti-Communists, the demand that they be rounded up again and jailed, Rhee's plea that this

IKE ALSO HAS TO CLEAR IT WITH SIDNEY

By George Hatfield

FDR had to—clear everything through Sidney Hillman, a fact which he openly admitted at the Chicago Convention—the term "clear it with Sydney" becoming a by-word in national politics . . . and symbolic of the Jewish control of his administration.

Truman, of course, inherited this control at the death of Franklin Roosevelt and subverted himself to it all during his administration.

In electing Eisenhower, the people voted for a change—one that has not materialized. The reason? Eisenhower also has to . . . "clear it with Sidney"; in this case the man behind the scenes . . . Sidney James Weinberg, Wall Street Investment Banker.

SIDNEY J. WEINBERG

This expose of the hidden Jewish control appears in the Congressional Record, Page A4388 of July 8th, as an extension of remarks by Honorable Roy H. Wier of Minnesota, as follows:

Mr. Wier. Mr. Speaker, under the leave to extend my remarks in the Record, I include the following article from the Boston Daily Record of Monday, July 6th, 1953:

BANKER GUN BEHIND IKE REGIME

By David Sentner

"The man behind the guns in the Eisenhower administration is Sidney James Weinberg, Wall Street investment banker.

This 63-year-old financial tycoon pulls the strings quietly. General Lucius Clay is his man. Weinberg made him Chairman of Continental Can when the General came home from his job of chief of the American forces in occupied Germany.

Clay, deputy on Ike's staff during the war, became head of Ike's patronage committee after the GOP convention.

The Eisenhower cabinet was hand-picked by Clay's group with things once again having to be cleared with Sidney.

Weinberg has had a fantastic rise to fortune and power in the best tradition of Horatio Alger. He attended public school in Brooklyn, where he was born. He studied in night schools while starting out on his business career with Gold-

HUNDREDS OF AMERICAN BOYS NOW SLAVE LABORERS IN SIBERIA

(By Our European Correspondent)

Siberia! Americans imprisoned in Siberia! Listed as missing prisoners of the barbarian communist aggressors in Korea. Americans, now eating out their hearts in the vast prison camps on the tundra. Hemmed in by vast swamps and endless forests. Sleeping in barracks infested with lice and bedbugs. Devoured by mosquitoes during long days of forced labor. Enduring a living hell. A hell conceived, organized and managed by Jewish terrorists, the creators of the Cheka—GPU—OGPU—NKVD—WVD—the Communist secret police. Yes, Siberian prison camps now contain American prisoners and our country, the United States, faces this horror powerless to do anything about it. Should we consider the Missing Americans dead?

No! They are not given up for dead by the mothers, wives and sweethearts, whose tears flow to mingle, yes to mingle, with the tears of other mothers, wives, and sweethearts. Hundreds of thousands of them. Finnish, Estonian, Latvian, Lithuanian, Polish, German, Czech, Slovak, Hungarian, Austrian, Rumanian, Bulgarian, Albanian, Italian, Turkish and Greek.

Yes! Siberia contains them all. Buried in mass nameless graves or working as slave labor. Hundreds of thousands of them are war prisoners, government employees, businessmen, professional men, property owners of the 11 nations which received Communist Jewish terrorist governments when the Lend and Lease equipped Red armies swept into Europe for mankind's greatest conquest and greatest catastrophe since the days of the Mongols.

Yes! The arrival of the first groups of American prisoners in the Communist concentration camps on the Amur River in Siberia was a tremendous sensation, a horrible one, for the presence of Americans in Siberian prison camps could mean one thing to the slaves already there. It meant

Editors Death Foretold

BY CONDE MCGINLEY

I have received information from several sources that the "Jewish" Gestapo is planning to "liquidate" me as a last measure of silencing COMMON SENSE. This would not be surprising, of course, when we realize how much COMMON SENSE has interfered with the well calculated plan of the Invisible Government to master the world.

When books written by Communists are removed from the libraries, the "Jews" cry out "book-burners", "freedom of the press", "thought control," etc., but when a Christian American publication like COMMON SENSE dares to print the truth they yell anti-Semitism, hate, intolerance, racism, etc.

Throughout history the "Jews", in their lust for power, have committed many blunders to prove to the rest of the world that they will stop at nothing to achieve their objectives. YES, EVEN MURDER!

In many cases they have been successful in murdering people who opposed them and arranged it in such a manner so as to indicate that the deaths occurred as a result of accident. Some of the well known examples are the deaths of General Krivitsky, Senator Bilbo, and Count Bernadotte.

You will remember the story in the newspapers pertaining to the death of Count Bernadotte. He was riding in Israel accompanied by a United States Colonel

man, Sachs & Co. at 16. He has been a partner in this banking house since 1927.

His amazing background includes being a seaman in the Navy in World War I; special agent in Naval Intelligence; deputy collector of customs at Norfolk Virginia; and assistant to the Chairman of the War Production Board.

He contributed generously to the Eisenhower campaign.

Weinberg was responsible for bringing Charles E. Wilson of General Electric, into the Government during World War II.

Weinberg is a director of General Electric as well as Continental Can, General Foods, Sears Roebuck, McKesson & Robbins, Van Ralste Co., A. F. Goodrich, etc.

Weinberg is purportedly behind a plan to ease Sherman Adams, former Governor of New Hampshire out of his post as special assistant to the President.

Adams who is not popular with anybody on Capitol Hill, except Senator Charlie Tobey, Republican, of New Hampshire, is slated to be given a 3 months' traveling assignment.

General Clay would sit in for him while Adams is on the road.

David Sentner is a Jew and a political feature writer for the Hearst papers and much on the inside of political intrigue.

U. V. Wilcox & Associates publish a banking letter called Banktrends.

In their May 25th issue, this year, they report: "The fact that the Eisenhower administration is dominated by bankers is a source of pride to many in the financial world." (See Congressional Record, page 8267, dated July 6th, 1953).

Banktrends then lists a few of the bankers who have been placed in high policy positions, as follows:

R. B. Anderson, of the Reserve Bank of Dallas (Secretary of Navy).

W. Randolph Burgess, Director New York Federal Reserve (in charge of Debt Management for Eisenhower).

Joseph M. Dodge, Director District Branch of the Chicago Federal Reserve Bank (Director, Bureau of the Budget).

Marion B. Folsom, Director, New York Federal Reserve Bank (Under-Secretary of the Treasury).

Gay M. Gieney, Federal Reserve of Cleveland (Director and Comptroller of the Currency—Federal Deposit Insurance Corporation).

John A. Hannah, Director, Detroit Branch of Chicago Federal Reserve, (Assistant Secretary of Defense).

W. I. Meyers, Director New York Federal Reserve Bank.

Robert E. Stevens, Chairman, New York Federal Reserve (Secretary of the Army).

Philip Young, Director, New York Federal Reserve Bank (Chairman, Civil Service Commission).

Robert Cutler, Boston Banker (Administration Assistant to Pres. Military).

Albert J. Robertson, Des Moines, Banker (Administrator, Reconstruction Finance Corporation).

Banktrends missed a good many other domestic and international bankers, both in the President's cabinet and as the heads of agencies, such as:

George W. Humphrey, Executive Committee, National City Bank of Cleveland (Secretary of the Treasury).

Robert B. Murray Jr., New York Trust Co. Under-Secretary of Commerce).

Sinclair Weeks, Banker (Secretary of Commerce).

Harold E. Talbott, President, Investment Bankers, H. E. Talbott & Co. (Secretary of the Air Force).

It is quite apparent that Eisenhower was dependent upon someone else for the selection of his cabinet appointments. That someone was also most certainly not Robert A. Taft, who first heard of the appointments through the newspapers; a matter causing the first rift in the ranks of the GOP leadership.

David Sentner, the leading political writer for the Hearst Press, establishes that Sidney James Weinberg, Jew financier, made the selections. The latter of course was acting only for Baruch and the coterie of international bankers, who also made the banker Aldrich an ambassador to England; the Jew Dillon as Ambassador to France, and the Jew Guggenheim as the Ambassador to Portugal. ALL CLEARED WITH SIDNEY.

that Communist power was stronger than American power. It meant that America was unable to free her soldiers from their communist captors. It meant that the tiny glimmer of hope, the hope that the Christian free world under American leadership might some day free these slaves of so many different nationalities was gone. Slaves who had one thing in common. That they were White Men. White men enslaved by Communists who are now the world's first power — thanks to the help they received from Franklin Delano Roosevelt, Dwight D. Eisenhower and Harry Truman. For it was these three men who surrendered all of Eastern Europe to Communist-Jewish-Terrorists, who sold 11 nations with 140,000,000 Christian East Europeans into slavery.

Yes! Yes! It was General Eisenhower's orders that withdrew American armies sixty miles, surrendering territory they had captured to Red armies. It was Eisenhower's orders to American generals in the field to turn over more than a million German soldiers who had surrendered to the Americans to the Red armies of Communism. Eisenhower even committed another war crime by turning over to the French all of the German soldiers who had been captured and interned in the United States. Of this number the French succeeded in impressing some 86,000 into their Foreign Legion. It is these American betrayed German war prisoners who have been doing the brunt of the fighting for the French in Indo-China where 30,000 of them have already been killed.

Yes! When the war ended in 1945 the Germans estimated that the Russians had captured (with American help) some 4,000,000 war prisoners. The highest number that Moscow admitted having in the Moscow conference of 1947 was 1,895,506 Germans. To this number must be added another 1,500,000 German soldiers listed as missing by the German government. Of all these prisoners 923,000 have written home from Russian prisons. According to information gathered by the West German government some two million prisoners were eventually released. On May 5, 1950, the Soviet Government declared it only had 9,717 war prisoners sentenced for alleged war crimes and another 3,815 prisoners awaiting sentence.

The official German estimate is that there are 1,500,000 German war prisoners missing in Russia for it now only has the names of 53,820 men still in Soviet slave labor camps together with another 8,972 held in Russian concentration camps in the East zone of Germany.

These shocking figures do not include the four million inhabitants of East Prussia who have been exterminated. Many thousands of men committed suicide after murdering their families either before or after their wives and daughters had been repeatedly raped by the Russians.

For when the Red armies conquered these Eastern European countries they were given a week to murder, rob and rape without control. Thus the Communist Red armies revived methods of warfare used in the darkest ages of mankind. And together with the Red armies arrived the Jewish-commanded terrorist secret police who have continued this reign of terror until today.

The American mothers, wives and sweethearts whose hearts today ache with the agony of longing for the Americans missing in Korea can blame Roosevelt, Eisenhower and Truman for this tragic fact, this betrayal, this debacle of American prestige, this American defeat. And millions of East European mothers, wives and sweethearts can also point to Roosevelt, Eisenhower and Truman for surrendering war prisoners and populations captured by Americans back into the hands of Communist-terrorists.

And the figures of mass executions? Who knows them? Remember the mass execution of 11,000 Polish officers in the Katyn forest by the Communist-terrorist-police and which the American Ambassador to Moscow Averill Harriman AND HIS DAUGHTER helped to conceal from the American public by the lie that these murders were committed by the Germans.

Yes, compared to the grief-stricken hearts in European homes the number of grief-stricken hearts in our United States is small indeed. But this does not excuse the cowardice, the treachery, the incompetence and the ignorance of our Washington government which has subjected American mothers, wives and sweethearts to the same agony, the same grief, the same awful uncertainty which a savage, barbaric war brought to Europe and the world. A war which ended finding Truman and Eisenhower trying to enforce the villainous Morgenthau Plan written by Harry Dexter White (Jew Communist, who committed suicide), assistant to Henry Morgenthau while Secretary of the Treasury which aimed to surrender all of Europe into the hands of the Jewish-terrorist-police of Communist Moscow.

Do not forget that if our United States HAD WON the Korean war that we could have DEMANDED the return of these missing Americans. But the Washington State Department fought this war not for victory, but for a foul compromise which has not yet been arranged. So now the United States has to beg for its Missing Americans. That is where these Pro-Communist traitors in the Washington State Department have brought us. Can we descend any lower?

Cannot we find a word of comfort for these pitiful victims of our State Department conducted Korean War—the mothers, wives and sweethearts of AMERICANS MISSING IN KOREA, OF AMERICANS KILLED IN KOREA, OF AMERICANS MAIMED AND CRIPPLED IN KOREA, OF AMERICANS DEMORALIZED IN KOREA BY FIGHTING A WAR FOR AN ARMISTICE, AN UNENDED WAR???

No! There are no words of comfort today. Who can comfort someone who has been betrayed?

Betrayed by Pro-Russian Americans, Communist fellow travellers, tools and servants WHICH INCLUDE OUR LAST THREE AMERICAN PRESIDENTS, ROOSEVELT, TRUMAN AND EISENHOWER!!!

What was Ike's golf score in Colorado? How many fish did he catch?

WOULD THIS INTEREST THE MISSING AMERICANS IN SIBERIA!!!

JEWISH CHILDREN ARE TAUGHT WELL

TO COMMON SENSE:

You might be interested in the story my wife had to tell me when I arrived home from work the evening of either Wednesday, June 10, or Wednesday, June 17, 1953. She told me a shocking incident which occurred on Art Linkletter's radio program that day.

During Art Linkletter's usual interview with children, he asked one five or six year old where he lived? When the child answered, "California," Art Linkletter asked him if he liked California. The child answered "Yes".

Art asked the child what he liked about California, to which the five- or six-year-old answered, "I like California because I can be half-American and half-Jew".

Art Linkletter, evidently desiring another topic of conversation, asked the child what he wanted to be when he grew up.

The five- or six-year-old boy answered "A soldier".

When Art asked why he wanted to be a soldier, the five- or six-year-old Jew child answered, "because soldiers kill Germans," and that he wanted to kill Germans.

Art stated the only true thing that could be said, is that he's got the wrong program. The Germans are no longer our enemy, they are our friends and that now we have a new enemy.

It seems strange to me that this five- or six-year-old boy would obviously have been taught this since World War II. Furthermore, while I am of English and Scotch-Irish descent, I nevertheless take pride of the fact that I am not half, but 100 per cent American and 100 per cent Christian.

meant turning Korea over to Communism—at last, this shocked multitudes at home and abroad.

The USA Put Russia in Korea

Who is responsible for the Korean slaughter? After a beaten Japan had been seeking a truce for some six months, the USA released its Atom Bomb horrors on the civilian population of highly Christianized Hiroshima, killing and burning several hundred thousand souls. Aug. 8, 1945, two days after the "noble" act, Russia was admitted into the already won Pacific war as a bar- rage for the fact that she was to be given the occupation of North Korea down to the 38th parallel. Six days later, only then was Japan PERMITTED to surrender. We LIED again for the "synagogue of Satan" (Rev. 2:13; 9). We clamped Soviet Occupa- tion on Korea for a Satanic purpose. Presi- dent Roosevelt, and Winston Churchill issued one of those habitual lying state- ments, at the 1943 infamous Cairo Confer- ence, promising that after Japan, which had occupied Korea since 1905, was defeated, Korea would be given the status of a free and independent Republic. Another deliber- ate Satanic LIE?

Korea down to the 38th parallel, the USA occu- pied South Korea and while North Korean troops were being drafted and trained by the USSR and Chinese Reds, the South Koreans were deliberately kept weak, and all warnings — and these were continuous — of impending attack from the North were deliberately ignored by the USA. Have you forgotten? Then check these:

Senator McCarthy's report that of the \$75,- 000,000 appropriation by Congress in 1949 for South Korean defense, the State Department had sabotaged this and all the South Koreans had received was about \$52,000 in baling wire", while American boys were dying over there (AP 7/2/50).

While the U. N. Commission for Korea report was disclosing that in January, 1950, the South Korean chief of staff had warned the Commis- sion that the Reds were going to attack South Korea, Dean Acheson was issuing Jan. 12, 1950, Korea, the "come-on" statement that the USA would not fight for Korea! (Chicago Tribune, editorial, 10/1/50). The warning from South Koreans mounted in intensity right on — to the day of the Red invasion June 25, 1950, but these were pooh-hoed by General William L. Roberts before and after the USA troops were withdrawn, 6/4/49, from South Korea, as another "come-on". Then he was USA advisor to the Korean army after the withdrawal in June 1949. Major General Charles A. Willoughby said he warned the Army heads that the Communists would attack South Korea in June — and that was March 10th before the June invasion (AP, 10/14/50).

The dear USA Occupation achieved the employ- ment of 55,909 alleged Communists in South Korean government positions (Reuters 11/18/50). Announcement of a wide variety of Russian made arms bearing the manufacturing date of 1949, 1950 was announced, by General MacArthur (Chi- cago Tribune, 9/19/50).

Was it a BLUNDER or a program of annihila- tion of a largely Christianized people who de- sired independence, that caused Truman to order USA troops into Korea without the consent of Congress? Was it a BLUNDER that made him subject the rubber-stamp approval of the USA-sub- sidized U. N. on this illegal act and then state that the action was a "police action" not a war? He feared Congress would not give consent! But did CONGRESS IMPEACH HIM? OR REFUSE TO SUPPORT SUCH A CRIME?

"KOREAN PLEADS GIVE US GUNS AND SAVE YOUR SONS—Envoy Offers 750,000 Fight- ing Men"—that was the plea publicized by the Korean Ambassador here in 1952 (AP, 10/12/52). He asked for the equipment for a Korean army. He still denied them, pleading "Every new Korean on the battlefield will mean one less American boy."

The Horrible Cost

If you possess a copy of the Jewish GOMBERG MAP put out in October 1941, before America had entered the World War to make the world safe for the Red Beast, you will see that KOREA as well as INDO-CHINA are scheduled to be part of a unified Chinese bloc in the Jewnited Nations world government. Whether or not the Chiang Kai-shek troops we are training on For-

mosa will achieve this, when Korea is exhausted, is a question

What has been done to North Korea? In Nov. 1952, South Korean Minister Y. T. Pyun, stated: "Already the population of North Korea has decreased from 9 million at the beginning of the war to 3 million, who are mostly sick and enfeebled, old or juvenile, unfit for labor on farms. A million Chinese soldiers in North Korea, who have to live largely off the soil, are confronted with the need to bring in Chinese farmers in order to keep all the arable soil of North Korea under full cultivation. Thus, within a short time will come about a racial fait accompli (accomplished fact), to the ruination of Korea economically and politically" (Chicago Tribune, 11/4/52). KOREA WILL BE MADE CHINESE BY PLANNED MURDER FINANCED BY THE USA CONGRESS!

The cost to SOUTH KOREA: "Since the out- break of the war in 1950, one million South Ko- reans have been killed. More than two and a half million have become homeless refugees. Five million depend in whole or in part on relief to stay alive. Property destruction exceeds one bil- lion dollars." These facts are headed:

"PRESIDENT ASKS 200 MILLIONS IN KO- REAN RELIEF . . . In his message to Congress President Eisenhower made it plain the Korean relief program would be used to keep President Rhee in line. The aged South Korean president had blocked the truce with threats to keep his troops fighting for unification of North and South Korea" (Chicago Tribune, 7/28/53).

And so after butchering six million Koreans with our Red Murder vice, and a million South Koreans, we leave North Korean homes and lands occupied by Chinese troops under Soviet power, and sign a truce south of the 38th parallel where we placed the Russians to begin with, and offer a starving, betrayed South Korea the choice of ceasing to live or keeping "IN LINE" with the Jewnited States aims. This is our Judas bait— life or compliance.

We leave the anti-Communist prisoners of war who refuse to go back under Red rule, under the control of Communist Poles and Czechs and pro-Soviet Indians, who are to subject them for 90 days to Communist indoctrination, aided by prepared letters from relatives tearfully begging them to submit to Red Rule.

THAT IS "CONTAINING COMMUNISM"?

Cost To Americans

The estimated cost of 20 BILLION DOLLARS to the American taxpayers for the Korean phase of the World March of the Anti-Christ Red Beast, is the least of the price paid for the ac- tions of a mesmerized, hypnotized, when not com- promised and bullied Congress, pressured by the "synagogue of Satan" (Rev. 2:9; 3:9).

"BODIES USED TO SEND SOS" tells just a wee bit of it all: "One thousand American sol- diers cut off from their lines — 700 of them wounded — all so desperate that they spelled out a giant SOS with corpses of their fallen com- rades—eventual death for 900 . . . The 1,000 were stranded after a 'horrible' battle in which there were nearly 75 percent casualties . . . We were desperate—so desperate we even spelled out messages with bodies in the snow . . ." (Chicago Herald-American, 4-24-53).

From Seoul, Korea, July 28, 1953, comes by A.P.: "The freshly wounded 20 year old soldier in the army hospital was astonished when told the shooting was over. Many hour before, the armistice had been signed but lying miserable in the corner of the silent ward, had not heard. There was no radio in the ward and no one had thought to tell him.

No Legs, Buddies Dead

"You mean they signed it?" he asked? Then his eyes shifted to the sheet covering two stumps . . . "All those delays", he mused. They could have signed just as easy two months ago." He had been married only since February. He wor- ried how his wife would "take it", having a leg- less husband. "I got wounded Saturday midnight, they operate on me Sunday, and now the war

ends on Monday." He was with a tank com- pany. . . . The Chinese sent up a white flare . . . Then there was a mortar barrage. One seemed to hit right on top of me, I saw the flash. It seemed like everything lit up inside me. I crumpled right to the ground. I couldn't move my legs. I knew they were hurt bad. I yelled for help, but for a while no one would come to help me because they didn't know if there would be more mortars. One of my buddies was on the ground under the front of the tank. He was screaming he was going to die and he didn't want to die under any tank. They took him out from under the tank and he died. He was sup- posed to have been rotated home the second of August. My other buddy got up off the ground, walked up the trail a little and fell over dead . . . I'm lucky to be around I guess."

More To Come

After maneuvering this blood bath, leaving 56 percent of Korea under Red Rule, for "Hber- ation", our President and Asst. Secretary of De- fense for Manpower, John Hannah, tell us there is to be no let-up in global militarism. In 90 days a momentary slack in the present draft rate of 23,000 boys per month will be followed by a monthly draft of 40,000 boys and many 19-year- olds must go, "because in most states the older men who are qualified have been drafted and men under 20 years must be used," and General Mark Clark's plan for a "world-wide system of mili- tary assignments . . . at overseas stations was announced (Chicago Tribune, 7-28-53).

GET ON GOD'S SIDE

Yes this SATANIC RED BEAST world govern- ment was foretold in Scripture to follow the end of the Roman empire and to fall to Hell (Daniel, Rev. 17, II Thes. 2, etc.). But those who shall inherit Eternal Life are those WHO HAVE NOT SERVED THE RED BEAST POWER (Rev. 20 makes this plain).

What will be your role? Christ tell us: "It must be that offences come; but woe to that man by whom the offence cometh" (Matt. 18:7).

It is only by YOU, our Congressman, that the "OFFENCE" cometh of proposed Universal Mili- tar Training for EVERYONE — so that ALL must serve the RED POWER.

It is only by YOU, our Congressman, that "the offence cometh" of subsidizing the Red Juggen- naut, its Propaganda Barrages, by which by Lies and Murder it is crushing the world's deceived, dying millions!

SPECIAL BOOK BARGAIN

Judge George W. Armstrong, one of the great- est battlers for America that this generation has ever known, has written a number of instruc- tive, pro-American books. These books were dis- tributed primarily by the Judge Armstrong Foundation of Fort Worth. Unfriendly forces made it necessary for Judge Armstrong to liqui- date the Foundation and he has made a very liberal proposition to COMMON SENSE, which we have accepted FOR YOUR BENEFIT.

We are offering to our readers a set of eleven (11) of Mr. Armstrong's booklets at a special price. Since these are the last of Judge Arm- strong's books, we advise those who wish to have a complete set in their libraries TO ACT PROMPTLY. The supply is limited.

Editor's Death Foretold

(Continued from Page 1)

when they were ambushed by three "Jews". The three members of the "Jewish" militia riddled Count Bernadotte with bullets and splattered blood all over the United States Colonel. The U. N. delegation and Count Bernadotte were returning from a conference where Count Bernadotte had just made a decision pertaining to the truce line and in favor of the Arabs.

A short time before this accident, while forcing the English troops to evacuate Palestine, the "Jews" placed a bomb in the King David hotel and blew it to pieces killing many innocent people. Then there was the case of the two English soldiers who were killed. Their bodies were ripped open and hand grenades inserted within. Then the bodies were hung on a tree so when they were taken down seven more English soldiers were killed.

It is a matter of record that thousands of the Jews who participated in the bloody revolutions behind the Iron Curtain, the Arab Massacre in Palestine and the Spanish Civil War against Franco in 1936-37, are back in the United States waiting for the signal to slaughter American women and children.

In Spain they butchered 440,000 Christians. Twenty thousand Catholic priests were murdered and 77 of them were crucified exactly as Christ was. Twenty-five religious institutions were destroyed and the majority of the country.

In Palestine they butchered hundreds of innocent Arabs, concentrating on defenseless women and children. Eight hundred and fifty-thousand Arabs who lived there for 1,500 years were driven out into the desert without food or the necessary means of keeping alive. Thousands more are living under a Communist totalitarian "Jewish" government undergoing persecution and intimidation in order to force them out into the desert also.

To date behind the Iron Curtain the "Jews" have butchered and slaughtered approximately 30,000,000 Christians. Thousands of these murderers and one-world gangsters are now walking the streets of America with nothing more in mind than to spread the flow of Christian blood over our cities.

The "Jews" in America continue to increase the number of their enemies by overt acts which necessitate tremendous fund drives for propaganda purposes. The more it becomes obvious to the American citizens who is behind Communism the more propaganda is necessary to spread "brotherly love" and "tolerance". The more Communist "Jews" appear before the Un-American Activities Committee the more money is needed to teach the Christians to love the "Jew". The United Jewish Appeal has set a goal for 1953 to be 65,000,000, and more to follow. This money which is taken from your pocket, and with the government's permission, is TAX DEDUCTIBLE. What other group of people in the United States needs to spend such vast sums of money to make other people love them?

COMMON SENSE prints the truth. Other newspapers cannot print the truth since their policies are directed by hidden minds encased in warped "Jewish" brains. It is not necessary to threaten the lives of other editors and publishers in order to prevent them from publishing the facts on the real force behind the Marxist plot. All that is necessary is for a committee from the A. D. L. of the B'nai B'rith to call on the publisher and remind him that all of his advertising will be withdrawn if he doesn't walk the chalk line. Of course, this would mean bankruptcy.

We know of only one publisher who defied the "Jewish" Gestapo and was successful because he called their bluff. More than a year ago one of the largest publishers in the U. S., who had never directly exposed the "Jews" for what they were but had opposed national legislation backed by the "Jews", received a call from two representatives of the Anti-Defamation League. They placed a list of advertisers on the publisher's desk and told him that if he did not agree by noon the next day to change his policy of the paper, all of the merchants ("Jews") would withdraw their advertising the following week. The publisher put the list in the drawer of his desk and told the A. D. L. representatives he would give them his answer immediately—NO! And the first ad-

vertisor who withdrew his advertisement the space would be used to explain to the public why the ad was out; and this to continue with each ad withdrawn. The next day when the A. D. L. called, the publisher was asked to forget the matter.

COMMON SENSE has no advertisers to harass it and no dignitaries to order it to stop. For seven years we have learned that the "Jews" will not argue, discuss, or debate an issue. They know we print the truth and therefore do not dare fight in the open.

If I am "liquidated" others are standing ready to take my place, and COMMON SENSE will grow that much larger. What this diabolical bunch of "Jewish" atheists don't understand is the real meaning of JESUS CHRIST. They think they are up against a natural force only. When Almighty God exhausts His mercy on them and is sick and tired of their evil rampage through the world He will snap His finger and have a clean sweep down fore and aft.

However, until Our Divine Lord decides to act we must carry on in His name and work hard to carry on His fight, and in the way He so carefully laid down for us. We ask our friends to help COMMON SENSE increase in numbers and circulation. Help build this paper (which is your paper) to a half-million circulation. Let's save our beloved country although we must risk our lives to do so.

Is life so sweet or peace so dear as to be purchased at the price of chains and slavery—Patrick Henry.

July 14th, 1953

Mr. J. F. Denk,
Chief of Police,
Union, New Jersey
Dear Sir:

We have information to the effect that the Jews are planning to kill me. Therefore, I am sending this letter to you so that it may be placed on record. This letter will also be published in our paper which has a national circulation.

I have lived in Union for seventeen years and do not have one black mark against my record. I started this paper here in Union seven and one-half years ago for the express purpose of exposing communism and the power behind it.

The Jews set up communism in Russia in 1917 and have backed it continually until about a year ago when the Jewish followers of Trotsky decided they wanted to replace Stalin, and now Malenkov, with a 100 percent Jewish regime. Many times in our paper we invited the communist Jews to use space (also in our paper) to refute our statements, but they have ignored this but have done everything possible to prevent us from printing the facts.

On October 31st, 1951, four bombs were set off on the side of the building we previously occupied, located 2001 Pleasant Parkway. On March 4th and again on June 3rd, 1952, the plate glass front of our office was smashed. On the latter night, on June 3rd, a man called on the phone stating he was a Jew and that he was going to kill both Mr. O'Brien and myself if another issue would be printed. An hour later, two young men, on leaving our office were followed in a car by six Jews, believing that it was Mr. O'Brien and myself. They discovered the mistaken identity too late, but threw a rock through the windshield, stopped the car and beat up the aforementioned who had called at our office for the first time and had no connection with us whatever. In this beating they used tire chains, beating them to the ground, kicking them and leaving them bloody in the street. Later that same night, four Jews were picked up by your Police Department and taken to the station and questioned. They were again questioned twice at the Police Station. In addition to these occurrences, I have received a number of death threats in the mail.

You may not be aware of the seriousness of our exposures of the communist Jews in their plot to take over this country and may not realize how desperate they are because of our making the Marxist plot known to our readers.

May I ask you to ask your police officers to take special precaution in order to avert the killing of one or more persons here in Union.

Sincerely yours,
CONDE MCGINLEY

RED HIGHLIGHTS

Walter Reuther, who studied a year and a half in the Lenin University, recently made the headlines accusing Senator Joe McCarthy of "strengthening the Communist movement". For a man who is strengthening the Communist movement, Joe McCarthy is certainly getting a lot of attention from the Communist newspapers and publications. Incidentally, in case the American people have forgotten, Senator Joe McCarthy is a rare specie of humanity which is becoming extinct along with the Indian and buffalo. This specie of humanity was known in days gone by as a Courageous American. He didn't have to go to Russia to learn what was right and wrong like comrade Reuther. The Constitution of the United States and American tradition was good enough for him. Vice-President Nixon has been named to head a new 15 man committee to fight racial discrimination in plants working on government contracts. Be careful, Mr. Vice-President, it looks as if you are being set up for a political hanging. The "Jews" are the only ones interested in this "racial" poppcock and if they can't use you they'll hang you.

The Roosevelt-Truman Administration sold out China to the Communists, gave Poland to the Communists by way of the double cross, took us into war to defeat the enemies of Communism, gave half of Germany to the Soviets, gave Communist Russians 11 billion dollars lend lease material, and turned North Korea over to the Communists. The American people thought that this was the work of the Democrats, so they replaced them with the Republicans. Since the Republicans have been in they have surrendered Korea to the Communists, kept thousands of New Deal officials in the government, appeased Communists working for admission of Red China into the U. N., and generally followed the same line as the New Deal Administration. Now what do the American people think? Do we have a two party system in America? What the people don't know is that an International Super-Government has replaced all other forms of government in America; headed by "Jewish" brains; financed by "Jewish" money; controlled by "Jewish" leaders, and inspired by his "majesty" Lucifer.

* * * * *

Nehru, Prime Minister of India, and England have made it clear that Red China must be admitted into the U. N. We believe that this is a good idea. In fact we suggest that Red China may be admitted into the U. N. and take our place. Then for us to get out and start living like Americans again. Eisenhower sent to the Senate for confirmation the name of Julius Ochs Adler, "Jew", of the N. Y. Times, as Universal Military Training Commissioner. Here's one. John M. Schiff, the "Jew" of Oyster Bay, New York, was re-elected president of the National Council of Boy Scouts. At the National encampment a few weeks ago the place was crawling with rabbis. The boys have to learn tolerance, you know. The "Jews" in Halle, East Germany, recently dedicated a new synagogue. Most likely what they do in these countries where the Communists take over is just dedicate all the Christian churches into synagogues. Yugoslavia has just adopted new religious freedom laws, and we quote (this is a laugh) "Religious education may be provided freely in synagogues or any other premises furnished for such purposes." And again we quote, "Religious rituals which are practiced in gatherings may be practiced in synagogues and other public places selected for religious purposes." Note the presence of the word synagogue and the absence of the word church.

DON'T BE FOOLED, OR POISONED --- FLUORINE IN WATER IS DANGEROUS!

POISONING OF DRINKING WATER SYSTEMS MEANS ONE THING — MASS SUICIDE

Fluoridation of water supply has become a national controversy. In hundreds of cities, the fluoridation equipment has already been installed. However, the number of taxpayers who are aware of this project, its significance and various aspects, is alarmingly low. Because this issue is of vital importance, and because of its underlying, sinister features, we are presenting authoritative information for the purpose of educating the public and especially those whose cities or towns are contemplating such a measure.

What Is Fluoridation?

"Fluoridation means the mass medication of total populations by the impregnation of entire water supplies of whole communities with metallic compounds incapable of being assimilated as food, under conditions of duress, without cessation, or reasonable chance of escape."

This project was introduced through the United States Public Health Service, by Oscar Ewing, under the pretense that the addition of fluorine to drinking water would prevent or reduce tooth decay. If there were no other objections, the fact that there is a dearth of conclusive evidence to warrant such a statement, would be sufficient cause for opposition. Many medical authorities have deplored the lack of tests and further experimentation, thereby placing humans in the "guinea pig" category.

"The period since the first fluoridation of public water supplies was begun (1945) is too short to permit sound conclusions on this experiment. Much more careful consideration should be given to toxicological long-range problems before the drinking water supply, which constitutes the most common part of our nutrition, is artificially changed."

The following is an excerpt from Bulletin No. 462 of the Citizens Medical Reference Bureau Inc., 1860 Broadway, Suite 1215, New York 23, N. Y.

Dr. H. F. Strongin, formerly director of health in North Adams, Mass., termed the use of fluoridation "mechanized socialized medicine." He said the process puts medical functions in the hands of a robot.

He advocated caution of a "mass therapy of doubtful benefit to a minority and no benefit to a majority." (Several speakers noted that fluoridation benefits only the teeth of children below 12).

"Who will guarantee," he said, "that fluoridation has no prolonged insidious effect? Who will you sue if it proves detrimental? As a doctor I believe judgment should be suspended. There is no unanimity among the authorities."

Dr. Strongin questioned the effect of fluorine on older people. He cited statistics, using New England and Southwest bases showing the incidence of conditions that could be caused by fluorine. Among them were diarrhea, appendicitis, and premature births. The Southwest—which has a relatively high amount of fluorine in water in comparison to New England—was considerably higher in those categories.

Dr. Strongin emphasized that he was not attributing the situation to fluorine; he was only questioning the role fluorine played. "And there is not yet adequate answer from any source," he said.

Quoting from various highly regarded medical authorities, including United States Public Health Service officials, he concluded that there is no agreement on fluorine even as to its exact role in reduction of tooth decay. "The authorities are not sure," he said, "how much the lowering of

dental caries in the areas studied is due to fluoridation."

Dr. Nicholas Di Salvo, of Columbia University's School of Dental and Oral Surgery, echoed the same view. "Fluoridation in my opinion is still an experiment not without hazard. The evidence is not complete." Dr. Di Salvo said he would like to see more evidence that fluoridation has no ill effects. "There has been no real study made," he said, "of the incidence of systemic disorders in the areas with fluorine in the water."

He said that a truly optimum concentration has not been established. He added that they will vary from one area to another. He said the fluorine is eliminated chiefly by the kidneys and questioned the effect of use by persons with kidney ailment. Again he said that he did not know of any studies on that matter. He declared that fluoridation is in the nature of an experiment and should be understood as such

Fluoride—A Lethal Poison

The dangers of this experiment become frightening to an appalling degree when we consider that fluorine is a highly toxic element, best known for its effectiveness as a rat poison! The Lodi (Calif.) Anti-Fluoridation Committee in its booklet, "Facts You Should Know About Fluoridation," gives us the following information:

"Fluorine is a toxic element. The amount which is effective in water supplies has been demonstrated to interfere with important processes in other parts of the body."

"Fluorides are violent poisons to all living tissue because of their precipitation of calcium. When introduced into the mammalian circulation they cause fall of blood pressure, respiratory failure and general paralysis. Continuous ingestion of non-fatal doses cause general achexia and permanent inhibition of growth."

American Journal of Chemistry says fluorine may tend to accumulate within the body so that the symptoms of fluorine poisoning may take as long as ten years to appear.

Dr. Charles T. Betts, D.D.S., Toledo, Ohio, says: "Fluorine is added to public water for the purpose of disease prevention, as a medicant. Fluorine is a poison which is cumulative in the body, similar to radium, no antidote is known."

Dr. Royal Lee, D.D.S., President of the Lee Foundation for Nutritional Research, Milwaukee, Wis., says "Inorganic fluorine is a cumulative poison—it accumulates in the body even if taken in very small doses. Organic fluorine does not accumulate in the body, regardless of the dosage, and is unquestionably far more effective in preventing tooth decay. Fluorine, a cumulative poison, accumulates in the bones; makes them more brittle if taken in as the inorganic form."

The label on a can of Sodium Fluoride, the poison used to fluoridate drinking water reads:

Insecticide — CAUTION — POISON — WARNING: Sodium Fluoride is highly poisonous and therefore must be used with extreme care. Do not store it in the same locality with any food product or any medicinal item for either external or internal use. Store out of reach of children. Use every precaution to prevent accidental spillage or accidental contamination of articles about the house. Do not permit humans or animals to come in contact with Sodium Fluoride. It is highly irritating and a small amount on any skin abrasion, minor cut or injury may have serious effects. Scrupulously avoid inhaling the dust.

Do YOU want to drink this poison even in small quantities?

"Many chemists are now calling attention to the fact that where fluorides are found naturally in the water, the effect on the human body is not as harmful as when the fluorides are added artificially. Promoters of fluoridation cite statistics of cities and towns where fluorides are found naturally in the water—and leave the im-

pression that the same results could be obtained if the fluorides are added artificially. Many chemists say, 'Absolutely No!', and give the scientific reasons.

When sodium fluoride is added to the water supply, the people drink hydrofluoric acid, an extremely active and dangerous poison. The fluoride found naturally in some water is CALCIUM fluoride. On the basis of the above, don't let some faker sell you on the scheme of artificially fluoridating water, under the guise of giving you the same thing as Mother Nature produces."

Dental and Medical Aspects

Inasmuch as the endorers of Fluoridation have justified the use of this poison on the premise that it reduces tooth decay, let us take a look at the record. Reports from Deaf Smith County, Texas, where there is natural fluorine in the water, indicated that the inhabitants had unusually good teeth. The Fluoridation advocates immediately used this as one of their "selling points". Further investigation by Dr. George W. Heard, a dentist of Hereford, Texas, did not substantiate their theory. Regarding the fact that the fluorine in the water was responsible for better teeth, Dr. Heard states: "With this I do not concur. Fluorine in water is a deadly poison, inorganic, and cannot be assimilated by the human organism. It is purely an inorganic drug. Fluorine in soil and water is not a food, but plant life grown in this soil converts this mineral, which is a poison, into food values which prevent disease."

Additional scientific data discredits the therapeutic claims made by the promoters of fluoridation.

"Fluorine has been shown to be the cause of a disfiguring dental disease known as mottled enamel or fluorosis. Fluorine interferes with normal calcification of teeth during the process of their formation, so that teeth, in addition to being usually discolored and ugly in appearance, are structurally weak and deteriorate early in life. For this reason it is especially important that fluorine be avoided."

"It is my opinion that if fluorine is in drinking water to the extent of 7-10 parts per million that a fair majority of children will develop a defect in their permanent teeth, providing that this water is ingested in the first six years of life. I have formed this opinion because I live in an endemic area of dental fluorosis where fluorine content is one part per million. I have gone over the school children who have been born here and raised here and have found that about 35 per cent of the children have a moderate defect in their permanent teeth."

"In San Xavier, the Papago Indian school children drinking water containing only 1.0 part per million of fluorine showed no lower rate of dental caries incidence than children in east Tucson ingesting much less fluorine. Unfortunately also the teeth of almost 100 per cent of these children were marred beyond repair. Only about 24 per cent of the children did not have caries."

"To one who is familiar with the disfiguring dental defect known as mottled enamel, which affects the teeth of every person who drinks water containing as little as 1 part per million of fluorine during the years of tooth formation, this recommendation seems, to put it mildly, unsafe. There is ample evidence that mottled teeth, though they may be somewhat more resistant to the onset of decay, are structurally weak, and that unfortunately when decay does set in, the result is often disastrous. The chart graphically represents the result of a survey of the situation in St. David, Arizona. The survey includes the adult group so that a truer picture of the durability of mottled teeth could be obtained."

"In the age group 12-14, 33 percent of the individuals had caries. Above 21 years of age, all

—(Continued on Page 2)—

POISONING OF DRINKING WATER SYSTEMS MEANS ONE THING — MASS SUICIDE

(Continued from Page 1)

Individuals now have or have had caries. More than 70 percent of the individuals over 24 years of age had lost some teeth by extractions after unsuccessful attempts at repair. Fifty per cent of all individuals over 34 years of age are now wearing plates. . . .⁹

Dr. Max Ginns, Senior Consultant on the staff of Worcester (Mass.) City Hospital and a practicing dentist since 1914, had at first advocated fluoridation. However, after personal investigations, he said: "The enormous amount of tooth decay and crooked teeth so shocked me that I began to question all of the propaganda about benefits of fluoridation. My disillusionment with the entire fluoridation program was complete when I learned that in these areas people were drinking Osarka (spring) water to avoid mottling and decay."¹⁰

"Published and unpublished observations by many men suggest rather strongly that . . . 'pyorrhea' may be induced, or aggravated, by certain chemicals including fluorides . . . The quality of the raw data on which published statistical reports depend is, in many instances, open to question."¹¹

"Unfavorable report, Ottawa, Kansas, community using artificial fluoridation of their city water supply for three year period (1946-49), reports Dental Research, August 1951, 'there was almost triple number of cavities.'"¹²

"Certain dental associations have estimated that it would cost \$1,000 for the dental care of the teeth of the average person with mottled enamel, up to adulthood, at which time the natural teeth must usually be replaced by false."¹³

The effects of fluorine on other organs of the body are so damaging that if such a measure did benefit our teeth, the advisability of its use would be extremely doubtful. A leading research scientist, Dr. Alfred Taylor, Ph.D., found that fluoridated water, in a concentration of 1 part per million, shortened the life span of mice destined to die of cancer. In view of this, it is shocking to discover that Leo Spira, M.D., Ph.D., reports that humans are more sensitive to fluorine than rats or mice are! Dr. Spira further states:

"Fluorine is a highly toxic substance, and its deleterious effect consists of depriving the body of calcium stored in the body as a material indispensable for sustaining the vitality of most of the organic functions."

"Even without the addition of fluorine to the drinking water, we are ingesting enough fluorine in our daily food and drink to produce chronic disease, and to kill, in the end, those who are particularly susceptible. So the fight has to go on in the certain knowledge that victory is inescapable. If, in the meantime, millions of people must suffer to a larger or lesser extent, and if many thousands die from the effect of chronic fluorine poisoning, it is all too bad."

"You no doubt realize that even the 70-90 percent of fluorine is not eliminated without first doing damage to the body. This amount of fluorine has passed through the entire body, and has affected every tissue before it was eliminated, mainly through the kidneys. The 10-30 percent of fluorine retained exert a cumulative action on the body."

"It is true, these quantities (amounts used in fluoridation) are not sufficient to produce acute fluorine poisoning and kill the victim within hours of ingestion; but, owing to the cumulative nature of the poison, that is to say, owing to the fact that some of the poison ingested is retained in the body, a time will come when the tissues are irreparably damaged. This means a slow, gradual death."¹⁴

The following statements have been made by qualified medical men:

"Fluorine has been found to act as a harmful agent during the period of calcification of the teeth; nerve toxin; protoplasmic and enzymatic poison; obstinate constipation and severe gas formation; gastric and duodenal ulceration; severe chronic kidney disease (Bright's disease); skin diseases; develops allergies.¹⁵ Recent experiments on animals showed sodium fluoride caused eczema and other skin afflictions.¹⁶ Increased fragility of bones.¹⁷ Disastrous effect upon goiter. ¹⁸ Hardening of the arteries; gastro-intestinal disturbances; disorders of the respiratory system; disorders of the cardiac system.¹⁹ Cumulative poison.²⁰ Brittle bones ²¹ Mottling and discoloration of teeth; pitting of enamel, spotty

baldness in young men; decrease in clotting power of blood; anemia, interferes with trans- actions of nerve impulses; affects metabolism of carbohydrates, fats and proteins.²²

Even our unborn children cannot escape the results of ingesting fluorine. "To compel the mother to take internally a toxic compound like fluorides will definitely interfere with the period of gestation and can result in premature birth and may even appear as intentional destruction of human life."²³

Fatalities due to premature birth, according to the U. S. Bureau of Vital Statistics, constitute one of the leading causes of death in Western and South Central States where fluorine-contaminated water supplies are of common occurrence.²⁴

Medical Authorities Oppose Fluoridation

Considering the above information, it is not surprising that a great many doctors, dentists and scientists strongly oppose water fluoridation. Dr. Max Ginns stated, "As a result of these experiences and the fact that men in the profession in general can find no sound basis to recommend fluoridation, every day more dentists are signing the petition I drew up against it."²⁵

"The main thing to remember about Fluorides is that they are protoplasmic poisons — that THEY HAVE NEVER BEEN MEDICALLY APPROVED, only venturesome doctors using same. Extensive pharmacodynamic research from reliable sources leaves us speechless when we think of a plan to fluoridate the water of the entire nation. Acute or chronic, as the effects are sure to be—it can only be classified as MASS MURDER."²⁶

"For some so-called 'doctors' to be able to persuade a civilized nation to add—voluntarily—a deadly poison to its drinking water is unbelievable and is the very height of criminal insanity."²⁷

In Worcester, Mass., 119 dentists signed a petition condemning Fluoridation, and in a personal survey of 1,500 dentists, Dr. Paul Manning, D. D. S. (life member of A. D. A.) did not find one who would use fluorides on his own children's teeth.²⁸

"Northwest Medicine," official publication for State Medical Societies of Oregon, Washington Idaho and Alaska, made the following comments:

"Philosophic considerations must not be overlooked. There are serious implications. Addition of fluorine is in no way comparable to the addition of chlorine. Accepted practice of chlorination is a true function of public health in that it prevents passage of harmful substance from one individual to another."

"Fluoridation, on the other hand, falls into the realm of treatment, preventive in type though it be. Fluorine has its effect, not upon the water which carries it, but upon the person who uses the water and in proportion to the amount he uses. To force an unwilling individual to undergo such treatment might well be considered an invasion of individual rights."

"Levels at which water supply might become toxic vary with climate. This is due to variations in water consumption. Southern communities, with mean annual temperatures approaching 70 degrees F. might find evidence of excess dosage with one part per million. It is presumed that northern cities might use that amount with safety. Margin is narrow. It would appear possible that further experience would dictate adjustment of fluorine levels according to seasonal temperature variations."

"All estimates of dosage through adjustment of fluoride levels in water supply are predicated upon uniformity of water consumption and uniformity of supply through foods. These may well be unjustified assumptions. Since levels of one part per million are assumed to be safe and levels of two parts per million are likely to show toxic effects, the individual who would consume twice the calculated average amounts of water would automatically become subject to toxicity. Figures of individual variation in water consumption are not available."²⁹

A. M. A. does Not Endorse Fluoridation

The impression has been given that the American Medical Association has endorsed Fluoridation. However, this is not true.

"The American Medical Association has not endorsed fluoridation of municipal water supplies, the Council on Foods and Nutrition notified the Washington State Medical Association. It is the opinion of the Council, however, that unqualified recommendation for general use of this procedure must await the completion of long-term studies now in progress. Its effects are not yet fully established."³⁰

Is Fluoridation Legal?

This project is an absolute violation of State Laws, the U. S. Constitution and an outrageous infringement of our personal rights. Below are excerpts from "The Legality of Fluoridation" by Miss Fanchon Battelle.

1. **Mass Medication.** Fluoridation violates state laws and the U. S. Constitution as it is compulsory mass medication. It is admittedly a "preventive therapeutic agent." The Department of

Public Health is forbidden to force compulsory medical or physical examinations of children; therefore it cannot compel medication.

2. **Medical Experimentation.** The Special Committee on Chemicals in Food, U. S. Congress, had before it 18 witnesses who stated necessary experiments on the effects of fluorine on the ill and elderly had not been undertaken. March 23, 1952 the U. S. Public Health Service announced it is trying to ascertain how fluorides affect teeth and other parts of the body. Thus, by their own admissions, fluoridation is "medical experimentation," performed in violation of standards for medical experimentation on humans set up at the Nuremberg War Crimes Trials, which are: "Lack of voluntary consent of the human subject and absence of freedom of the subject to withdraw from the experiment when he can no longer physically or mentally endure it." Men were hung for causing forced medical experimentation.

3. **Murder.** Murder is not only the taking of life but the hastening of death. Euthanasia, the putting to death of a dying person, is murder even when death is only hours away. Medical authorities agree, and proponents of fluoridation admit, that fluorides speed up the growth of cancer, resulting in shortening of life.

4. **Unpure Water.** "Fluorides soluble in water" are defined as "poison" by our laws, which also state: "It is unlawful for any person to furnish or supply to a user, water used or intended to be used for human consumption or for domestic purposes which is unpure, unwholesome, unpotable, polluted, or dangerous to health." The addition of any concentration of fluoride, a commercial rat poison, to a public water supply would be "poisoning" the water, thus making it unpure, polluted and dangerous to health.

5. **Unlawful Representation.** California laws prohibit advertising drugs or devices representing they have any effect on certain enumerated diseases, one of which is dental caries.

6. **Life and Liberty.** The U. S. Constitution secures to every person the right to life and liberty. No city nor state can infringe upon nor deprive a person of these rights. The U. S. Supreme Court has ruled: "Liberty is not restricted to mere freedom from imprisonment, but embraces the right of a person to use his God-given faculties, and exercise his judgment in the affairs of life. He is guaranteed the right to immunity of the body from direct or indirect injury; preservation and furtherance of bodily health; immunity of the will from coercion, freedom of choice, and judgment as to what one will do; immunity of the mind and nervous system from direct or indirect injury and the preservation and furtherance of mental health; and freedom from annoyance which interferes with mental poise and comfort."

7. **Freedom of Religion.** Freedom of religion is guaranteed by the 1st and 14th Amendments. Freedom to practice the belief that medication is not to be taken is thus protected. Freedom to believe it is a crime to induce abortion, birth control and sterility, a crime against God, is likewise protected. Medical experts testify fluorides produce these effects, as well as premature births.

8. **Socialized Medicine.** Fluoridation is socialized medicine, for the taxpayers are forced to pay for medicine whether they want it or not. They are deprived of their constitutional right to medication according to their personal needs from the dentist and doctor of their choice, and are forced to accept medicine prescribed by some agency which may never have seen the person nor even know he exists. Americans disapprove of socialized medicine. They have kept it out of California and other states. Neither will they permit it to be sneaked in at the local level in the guise of "preventing dental caries," thus establishing a precedent.

The Economy of Fluoridation

"From an economic standpoint, fluoridation of the city water looks extremely wasteful. It is proposed that the city buy carloads of the fluoride salts and indiscriminately dissolve them in the city water. Now the daily consumption of water in Minneapolis, according to the records, is approximately fifty-four million gallons. The nearest estimate that anyone can make is that about 5 per cent of this vast quantity of the city water is used for drinking or in the kitchen for cooking. In other words, out of over a million barrels consumed daily only fifty-three thousand barrels are used for drinking and cooking. Does it not seem improvident that the taxpayers' money shall be used to buy unnecessary carloads of this material to fluorinate ALL the water when, as a matter of fact, only 5 per cent is used for human consumption? The remaining 95 per cent of this amount of water is used in the bathroom and for sprinkling, washing, fire fighting, flooding of streets, and for other purposes where admittedly fluoridation is of no value whatever. From an economic standpoint, fluoridation is the most reckless and extravagant proposition ever made. For the local citizenry to encourage fluoridation of water, thereby increasing the tax burden, would be wicked and foolish."

"It is asserted that only minor children be-

tween the ages of one and twelve years would benefit from water fluoridation. This would waste approximately 90 per cent of it on the adults which means that only about 10 per cent of the population would benefit according to the plan.

"Now 5 per cent taken internally for the suggested good of 10 per cent of the population means only one-half of one per cent of the fluorides would be used effectively—a waste of 99.5 per cent!"³¹

Weapon of Destruction

We have attempted to expose the dangers of this enforced medication from the ethical, legal, medical and economic points of view. There is another aspect, however, far more sinister, that cannot be overlooked. Water, one of the most important factors in our life, can also be utilized as an effective weapon to aid those dedicated to world domination. According to an Associated Press dispatch, Feb. 27, 1951, J. Edgar Hoover warned the public to guard our "security" and to report to the F. B. I. any attempt at "poisoning of public water supplies".

In the book, "The Red Court," the Madame Commander of the Communist Party, boasting of the various methods used to "take over" the United States, says: "In regions of the country where resistance was most apt to develop we saw to it that virus diseases struck, and when antibiotics threatened our program we devised other means of vitiating the populace. Fluoridation of the drinking water was found to be the most successful. We directed our cadres in the medical and dental fields to beat the drums for 'protection of children's teeth' by adding fluorides the water—and saw to it that no one informed the public that fluorides affected brain and nerve cells to such a degree that initiative was reduced. In other words, we used the same system on the American public which animal trainers use on jungle beasts to make them docile."³² (underscoring added.)

True, this book is fiction but it is based on historical facts of Red methods and techniques. In the light of the foregoing information presented, such statements cannot be merely cast aside as meaningless trivia of a novelist's imagination.

Regarding the subversive features of fluoridation of water, we reprint the following from "Fluoridation Is a Menace To the American People," by G. Franzen:

"The Congressional Record report exposes the subversive plot. The most important of Dr. Miller's disclosures, which is the key to the whole fluorine plot, is his reference to the fact that rats fed on fluorides underwent mental deterioration.³³ From the first, people with little claim to scholarship, as well as men steeped in studies of a formal nature, have insisted that the fluorine scheme was directed at a mental subjection of the masses to 'set them up for a ruling caste's domination. They can see a worldwide plot in the use of water supplies for an objective which, U. S. Surgeon General Scheele said in the Congressional Record, can be accomplished with pills and tablets.'³⁴ There are many references to the destructive action of fluorine (fluorides) on the brain.³⁵

The proponents try to confuse and misrepresent the issue by stating that the results from the natural fluorine, as found in many water supplies, are the same as the results from ingesting the inorganic, chemical fluorides. Congressman Miller clarified this. "It should also be recognized that while there are some three or four million people living in areas where there are fluorides in the water, these fluorides come in a natural combination with other elements of nature. This can give an entirely different reaction than when raw fluorides by themselves are placed in the drinking water."³⁶

Mass-Poisoning for World Mastery

Perhaps the reason why dictator Ana Pauker was deposed in Red Roumania is because she "let two cats out of the bag" when she boasted to Princess Ileana of Roumania—just how the United States is to be taken over. Princess Ileana's book, "I Live Again" (recently published in the U. S. A.) quotes Ana Pauker that the take-over will be accomplished by the acquisition (note: not destroying) of the utilities, and by poisoning the water supplies.

How well have "our enemies" succeeded? Ascertain the latest number of cities fluoridating, those preparing to fluoridate and the terrific propaganda for fluoridation which is now in progress and you will realize the success of "our enemies".

Lenin said: "Get control of the public health agencies and furnish the keystone in the arch of the socialized state."

"Still another factor darkens the forecast for the bottom layers of the population in the future garrison state. If recent advances in pharmacology continue, as we may anticipate, physical means of controlling response can replace symbolic methods. This refers to the use of drugs not only for temporary orgie of energy on the art of front line fighter, but in order to deaden the critical function of all who are not held in esteem by the ruling state."³⁷ Col. Hubert H. Heath says, "There is a 'Master Plan' for wrecking

U. S.' He refers to the fluorine project as a 'devilish piece of sabotage on the mental faculties of the people.' He says, 'Once the frontal brain is killed by either surgical or chemical lobotomy the victim loses all powers of initiative and is a cowl-like mentality, incapable of constructive mental work but eminently fitted for slavery and servile obedience.'

"The resulting mental and moral lethargy is evident throughout the world. The paralytic effect of a mass drugging on the frontal brain results in an animalistic personality devoid of moral understanding or of initiative in mental work. The accompanying physical languor is widely prevalent. The moral ruin of any people must precede their enslavement. To say, 'It can't happen here', is idiotic parroting. It has happened to nearly half of humanity behind the iron curtain and is highly organized right here at home, amply financed, with its votaries sitting on seats of great power."³⁸

The Public Health Departments, federal, state and municipal, with few exceptions, have been promoting this un-American scheme.

It is reported that Russia used fluorides after the revolution, to break down the will of the people and make them amenable to dictatorship.

FLUORINE IS LETHAL ELEMENT IN MADNESS GAS

(Continuing Mrs. Franzen's article)

"To bring the fluorine story up to date, the apparent concern of the British Chemical Defense Advisory Board over the hot battle over the fluorine war, being waged in Britain just as it is in America, came to light last week with the publication of the British Medical Journal of some of the details of composition of the new weapons of gas warfare called nerve or madness gas, in which fluorine is the identifying element." "It is not enough to have the guarantees of the self-styled experts that the element used in madness gas will be harmless in some other form which they propose for endless human feedings."³⁹

"Our enemies" may not wait for the cumulative action of fluorides to do its perfect work (impairing the brain), they might prefer the fast method.

A German research chemist warns, "Then, if the hour—their hour—strikes, ONE turn on ONE valve by ONE traitor in each city—and millions of Americans will be quickly paralyzed from fluorine-poisoned water, for which there is absolutely no antidote, no remedy. After that—and how quickly—the 'Operation Mob-Up' by their ready 'fifth column'."

"Remember—atom bombs would destroy everything—fluorine-poisoned water, only the people, leaving intact for the enemy all the 'loot'—the richest in history! Fluoridation of water systems can be slow national suicide, or quick national 'liquidation'. It is criminal insanity—treason."⁴⁰

Summation

The La Crosse Vigilance League, Box 713, La Crosse, Wis., has prepared a thorough recapitulation of the fluoridation question. We reprint excerpts below as conclusive proof of our stand on this vital matter, as well as for the benefit of our readers who wish to obtain additional material on the subject.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. FLUORIDATION ALPHABET

Arthritis is known to be caused by poisonous Fluorides in endemic areas.

Be sure you are not misled by the PAID PROPONENTS of the gigantic "Fluoridation Panic"—Those who oppose this scheme do so with their own money. You pay Proponents and their limitless propaganda.

Constitutional — adding Poisonous Fluorides in any quantity to everybody's water is not, and never will be.

Dental decay is not prevented by Poisonous Fluorides.

Every effort should be made to keep Poisonous Fluorides from your pure water supply

Fluorides are dangerous poisons in any chemistry book, freedom of choice is denied you if Poisonous Fluorides are added to your public water supplies.

Good teeth are not made of Poisonous Fluorides.

Health will not be improved by taking Poisonous Fluorides in any quantity.

Insurance cannot be provided to compensate you for damage, caused by Poisonous Fluorides added to your public water supply—ask your city fathers if they are providing indemnity bonds to protect you financially.

Jacksonville has natural fluorides and the Dentists are worked to death.

Kidneys must secrete Poisonous Fluorides if added to your water. Could any fool believe this to be good kidney medicine?

Large quantities of Poisonous Fluorides, dose equivalent to an aspirin tablet is sure death—small quantities over a long period of time will cause unquestionable damage—accumulative.

Mount Dora voted out Poisonous Fluorides last year, it was imposed upon the people in 1949. Fluoridation has been defeated in every Florida City when put to a vote of the people, and city commissioners, recognizing they are not licensed practitioners turn it down.

No experiments, as admitted by the U. S. Public Health Service have been conducted on adults over a long period of time where Poisonous Fluorides were added to the water.

One drop in a million of Poisonous Fluorides is still poison.

Pure water is essential to life and health—addition of Poisonous Fluorides to water makes it impure and a Potential Hazard to our health.

Queer that the Dentists who propose Fluoridation are so anxious to put themselves out of business—think it over. No one ever caught a decayed tooth from his neighbor. . .

Rat poison — too dangerous to use — is made of poisonous Fluorides.

Sanctioning the Fluoridation Menace is socializing your people through compulsion. Allow freedom of choice.

Toxic means poison. All Fluorides are poison and no safe dose has been proven.

Unlawful to adulterate food or cosmetics or milk with Poisonous Fluorides—why not water?

Vote against Fluoridating your pure drinking water.

Why not let every citizen take his own Rat Poison—do not force it on him. We all have constitutional rights.

X is the unknown — just exactly what the Fluoridation Dictators know of its danger.

You must protect your pure water supply as well as your Constitutional Rights. Water Reservoirs are not medicine tanks.

Zenith of our desire is to avoid compulsion and bring slaves of any bureau.

Vote the American way. Vote against compulsory Fluoridation.

All statements herein contained are documented.

A RABBI SPEAKS! Foretells End Of Christianity ---

By RABBI EMANUEL RABINOVICH
(Republished by Request)

The following is a speech of Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952:

"Greetings, My children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to precipitate World War III.

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nation wide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. (The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections). The Russian, as well as the Asiatic peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany.

(We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors of America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit.)

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course, will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commission into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the inter-

ests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering: "Rabbi Rabinovich, what about the various religions after the Third World War?")

No More Religions

RABINOVICH: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however, retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

Will Sacrifice Their Own People

We may have to repeat the grim days of World War II when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouthpieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him. Our interests in Washington are greatly extending the Point Four program for developing industry in backward areas of the world so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the Light of the World!!

(This transcription of Rabinovich's speech was given to me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once.* I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

3 Eisenhowers & Conspiracy

This is the story of three brothers, Dwight, Milton and Arthur, and a Marxist conspiracy. Dwight was elected to the Presidency of the United States. Not because the people wanted him as their Presi-

MILTON EISENHOWER

dent but because he had been picked by the Invisible Government to succeed Truman as the man most apt to do as he was told.

Milton and Arthur, like their brother Dwight, were veterans of political intrigue and confidential associates of the Jewish Gestapo in America for years. Is this the reason why their brother was placed in

such a prominent position? Could it be that these two brothers who are working with the Anti-Defamation League of the B'nai B'rith knew that their brother, with his limited intelligence, would do the bidding of the Invisible Government?

The pattern is plain to anyone who desires to know the true facts. The "Jews" forced Eisenhower to run for President. The Invisible Government is consistently handing him names of Zionist "Jews" for appointment to key positions such as Rabb, Strauss, Abrams, Jackson, etc. This conspiracy, started with Roosevelt and has been carried down through the Truman Administration and into the present administration.

If our memory serves us correctly Dwight Eisenhower was placed over 260 high ranking officers when he received the European command of U. S. forces? Why? The "Jews" had reason to believe that Eisenhower was the man to carry out their plan of extermination of Germany and crush all anti-Communist forces. Ike proved worthy of their expectations, thus he was

their choice for the Presidency of the United States. The election was November 4, 1952 but the A. D. L. was arranging matters from November 2nd to the 7th at the Waldorf Hotel in New York City. Meetings were being held at swanky top floor apartment of wealthy "Jew" Arthur J. Goldsmith. And who was at these meetings? Milton Eisenhower, who for ten years was a very close political pal of Henry Wallace, who is known as a political front for Communism, and his brother Arthur.

Milton and Arthur Team Up With A Criminal Conspiracy

The ex-convict, Henry Greenspun, and co-worker of Arthur Goldsmith, who bought the Las Vegas Morning Sun also plays a prominent role in this Marxist conspiracy. Like Barry Gray (Boris Yaroslav), "Jew", Greenspun specializes in smearing such American leaders as Senators McCarthy and McCarran. On July 24, 1953 Greenspun arranged a press release with Arthur Eisenhower, a banker of Kansas City, who was in Las Vegas, which reads as follows: "Arthur Eisenhower accused Senator Joseph R. McCarthy (R., Wis.) of doing the United States harm at home and abroad.

"It is a shame that he (McCarthy) is a member of the GOP because he has done the party no good," declared the chief executive's brother, who said he was speaking only as a private citizen interested in good government.

Our Enemies

By MARILYN R. ALLEN,
Salt Lake City, Utah

It was good to finally get the Rosenberg traitors (and their pictures) off the front pages and on the hot seat where they belonged. Our Bible tells us to "gather ye together first the tares, and bind them in bundles to BURN them." (St. Matthew 13:30). These are our internal enemies, concerning whom the Lord Himself gave instructions. Yet much more fuss, agitation, legal maneuvering, picketing, and vast sums of money were spent by other enemies in behalf of these traitors than patriots have ever accorded to the hundreds of thousands of our finest youth who perish in an UNCONSTITUTIONAL war in Korea —presumably fighting Communism in behalf of a foreign nation.

The Rosenberg attorney, Bloch, hurled the most despicable lies and insults at the Supreme Court, the President, our courts in general and our Country. I understand he is in process of being disbarred from the legal profession; he should also be barred from America. According to newspapers, "a howling, savagely angry crowd of Rosenberg sympathizers . . . stormed a police barricade . . ." These bloodthirsty Communists threatened to riot and were only held in check by drawn guns, at the Rosenberg funeral — which should have been private and secret for these executed traitors. All of which shows the thanks we get when we bend over backward to coddle our enemies.

Associate Justice William O. Douglas of our Supreme Court, is an example of the sort of crackpot thinking abroad in our land today. He, of all people, should have upheld law and order and the just decisions of our courts, instead of trying to abrogate and nullify them. Just several days before, the whole Supreme Court had ruled against another hearing on the Rosenberg appeal: then Douglas takes it upon himself (at behest of Minority pressure) to attempt to give the Rosenbergs another respite. Men like this in high places is what's wrong with our Country today. WHY do we have courts of law and justice? Aren't the lives of upright, innocent, loyal American citizens of more value, and deserving of protection from proven traitors? The fact that a certain Minority spent tons of money; organized picket lines around the Supreme Court and the White House; bought pages in the newspapers; and used every legal trick and device for over two years to evade justice and save the guilty pair, proves that they did not believe that it would benefit the Communist cause for these traitors to die for their treason.

Another 'fare' is this highly-touted so-called "scientist," Albert Einstein, who has 38 citations by the Un-American Activities Committee. He was chased out of his own country because of his activities: he was suggested as President of Israel because of his close association with this foreign nation: so he arrogantly tells our citizens that they should refuse to answer questions put to them by the official authorities designated by Congress to investigate subversion in America. For my money, he is in the same class with the Rosenbergs and the Chaplins (Thonstein) and should be sent back where he came from.

THE PLOT AGAINST OUR SCHOOLS

By Arthur Legation Andrews

A rapid barrage of orders from Eisenhower ordering an end to discrimination in the United States has culminated in a dastardly attempt to pervert the minds of our young school children. First there was Eisenhower's announced intention to appoint a Negro cabinet minister, from which he was dissuaded by the late Senator Robert Taft, who pointed out that there were no Negroes in this country qualified to hold such a crucial position. Then Eisenhower ordered an end to discrimination in our armed forces, putting Negroes into White combat units. Was this a deliberate attempt, spawned by Anna Rosenberg, to undermine the efficiency of our army in the face of the threat of Communism?

Soon after taking office, Eisenhower ended segregation in the restaurants in the District of Columbia. His next stroke in his plan was the order to cancel government contracts with any manufacturer who refused to hire Negroes in preference to white workers regardless of the ef-

THE LINDBERGH BETRAYAL

By Colonel E. N. Sanctuary

Recently, Charles A. Lindbergh's story of his flight across the Atlantic was published in the Saturday Evening Post. Why was this allowed? We know that this great hero and patriot of America had his career ruined, his reputation blighted, his enormous value as a leader in aviation destroyed for one reason; his opposition to our entry into a war inspired by the British, the Jews, and Roosevelt and his cabal. To our knowledge the details and proof of this vile plot to destroy Lindbergh have never been published before.

The mere fact that Lindbergh's story has been published is to be regarded with suspicion. Those Jews who control the press and publishing outlets in America cannot have forgiven Lindbergh. They are incapable of it. Rather they must think that he can be used by them in one of their unending plots against Christianity. Therefore, we must be on guard against the motives behind this sudden favorable publicity for Lindbergh. We believe that, just as the Alger Hiss-story was hidden for ten years so this story has been hidden by the same people who protected Hiss. It starts a long way back, to the first World War.

In "Your Country at War", by Charles A. Lindbergh Sr., republished in 1934, there is a statement on page 7: "On a spring day in 1918 several government agents entered a print-shop at Washington, D. C., where the original of this book was being printed. 'Destroy all the Lindbergh plates in your plant,' they told the head of the institution. He was forced to comply. The hysteria of

NEGRO PRAISES SEGREGATION

Reprint from Orlando Morning Sentinel

There is one Negro leader brave enough to stand up and say that segregation has benefited his race.

It took courage for this man to boldly make known his judgment of this highly controversial and inflammable racial subject.

He knew that by so doing he would be the target of the noisy politicians who ride into office on the votes they garner from at least publicly giving lip service to the idea of abolishing segregation.

There are others who are able to make good paying jobs for themselves by keeping the fires of racial discord burning brightly and obtaining contributions from the sincere but often misguided believers in the "cause".

Undoubtedly some conscientiously want to end all racial barriers, social and otherwise:

But the voice of Sidney J. Phillips is fresh and calming in the midst of the outpourings we have been deluged with since the Supreme Court has been given the responsibility of deciding whether or not all separation of white and Negro public schools should end.

Phillips is President of the Booker T. Washington Birthday Memorial in Franklin County, Va. The State of Virginia had named a highway in honor of the great Negro leader who became world famous as head of Tuskegee Institute, the Negro school in Alabama.

The segregation system has produced an overall benefit to the Negro, said Phillips. He said the system had afforded the Negro an opportunity to work out his own destiny, "to find himself, to grow to man's estate without the competition with which he could not have coped had the circumstances been otherwise."

The Negro's economic progress, said Phillips, was "due in large measure, if not practically entirely, to the pattern of segregation."

Striking and emphatic words at this time from a member of the race whose self-appointed leaders have made the avenues of information run over with their demands that segregation at all levels be abolished instantly.

The proposal to end segregation in the public schools is to be re-argued in October when the Supreme Court reconvenes after its summer recess. The estimate of what segregation has meant to the Negro race should be placed before the court by those lawyers representing the Southern states that want the high tribunal to reaffirm its ruling that segregation is OK provided equal facilities are furnished for each race. We have lived and advanced for years under that plan, bringing the Negro's schools and pay for their teachers to an equality with the whites.

Negroes can continue their economic and other progress under the system in this section where the races will live in peace and harmony if the "outsiders" will let us alone.

There is similar opinion from Davis Lee, publisher of the Newark (N. J.) Telegram, a Negro newspaper.

He says the efforts of "certain paid agitators and pressure groups" to have segregation in public schools declared unconstitutional would be a big set-back for Negroes.

This Negro editor says now—segregation in the North is "not a howling success". While a Negro can attend any school, few get jobs as schools teachers.

The State of Connecticut employs less than 25 Negro school teachers. In contrast segregated Georgia has 7,313 Negro teachers and paid them close to 15 million dollars last year; North Carolina Negro teachers earned over 22 million dollars in salaries. Florida is another state which ranks high in the number of Negro teachers and the amount they draw in salaries.

He says if segregation is wiped out 75 per cent of the Negro teachers in the South would lose their jobs.

In plain words this man says the North preaches integration of the races but the Negro finds few jobs as teachers and most of the economic doors are closed against him. In the South which practices segregation thousands of Negro teachers draw millions of dollars in salaries and there is no door which bars the Negro in his economic field. Segregation has taught him self reliance.

Says the New Jersey Negro editor: "Right now the Southern Negro is in a better spot educationally and economically than the Negroes in

he is a member, denounced the Wisconsin Senator this morning shortly before boarding a plane for his home in Kansas City.

"The President's brother said McCarthy was to blame for damaging United States prestige in Europe.

"After this latest book-burning episode," he said, "I imagine our prestige has hit a new low. 'Although I can't say when, I am sure that McCarthy's popularity has to wane.'"

The Jewish Gestapo at Work

In all states, where honest-to-goodness Americans are running for Congress, the natives are aware of a mysterious flood of money coming into their districts from unknown sources. Those who are informed know where this money is coming from, and have learned that the Anti-Defamation League of the B'nai B'rith (The Jewish Gestapo) is the machine which distributes this money. Arthur J. Goldsmith, lounging in his lavish apartment in New York City, is the mastermind who deals out this Jewish money. This combination of criminal conspirators have one thought in mind—DEFEAT EVERY AMERICAN THAT DARES TO OPPOSE THE MARXIST PROGRAM. Their most important targets at this time are Senators McCarran, McCarthy, and Jenner.

The all-American writer, Westbrook Pegler, has been rendering a service to his country by looking into the activities of the Marxist, Goldsmith. In Mr. Pegler's column of November 13, 1952, he writes: (Quote)

"Dwight D. Eisenhower had better get on the ball right now and ride off any of his relatives who may be making honest dumb mistakes or yielding to the Rooseveltian instincts which made a racket of the Presidency.

From November 2 to November 7, inclusive, when he checked out about noon, Arthur B. Eisenhower, of Kansas City, a banker, one of Ike's brothers, occupied suite 30-D in the Waldorf Towers. The next suite, 30-C, is the residence and political powerhouse or boiler-room of the mysterious and sinister Arthur J. Goldsmith. This man manufactures sparkplugs.

He is described also as a retired broker. His numerous synthetic, letter-head political organizations, secretly or very quietly, solicit money from wealthy persons in the East and secretly spend it to sway elections in States where Goldsmith and his political cohorts do not reside. They have no legitimate civic reason to use money to thwart the political will of any of the voting citizens thereof although they have a legal right to do so, with restrictions.

I have dealt in some detail with Goldsmith's activities and dwelt upon the fact that his letter-head groups give their address as 100 E. 50th Street, which to most individuals, even in New York, would not depict the luxurious Waldorf Towers.

Milton Eisenhower, the President of Penn State College, made one visit to the suite of his brother, Arthur, and conferred there with Arthur and Goldsmith.

I telephoned Arthur B. Eisenhower in Kansas City. He went on the defensive immediately. He said I was snooping.

"What do you mean 'snooping'?" I demanded. "My name is Pegler. I told you that. I am a newspaper reporter. I told you that. And I am asking you direct questions and you say I am snooping."

"I am not afraid of any disclosure," he said. "All right," I said. "Who introduced you to Goldsmith?"

He said a mutual friend introduced them and, later in the conversation, said other persons took part in their conversations. I asked him who introduced them. He refused to say. He refused to name any of the others who joined them in their discussions.

"I don't want to be a party to any of your news," he said.

He also said:

"I am not afraid of any disclosure."

All right, then, I insisted, why all the mystery? What were they afraid of? I said it was strange that a group of honest men engaged in legitimate activities could be embarrassed by mention of these meetings in print.

any other place in the world. Race relations are continually improving. Every day more Southerners are recognizing the Negro as a man and according him the respect that he merits, but the Southern Negro himself can do more about improving conditions than can courts, legislation or pressure group.

He also predicts: "This movement in the South is loaded with more racial dynamite than appears on the surface, and the Negro will be the one who is blown away."

The South knows how to handle its racial problems and is doing a good job.

Let the professional do-gooders keep hands off.

THE PLOT AGAINST OUR SCHOOLS

—(Continued from Page 1)—

iciency or qualification of the white applicants.

Now the Department of Commerce has produced a film called "Don't Discriminate," which is to be shown in every schoolroom in America. Written by a Jewish protégé of the late Marxist Harold Ickes, who was trained by the Jewish Communist David Niles, this film is especially designed to encourage white girls to have Negro lovers and husbands. It is a tear-jerking story of a Negro who falls in love with a white girl, a high school student of fifteen years named Anna.

The scene is a small Midwestern city, Midrovia, where there are only a few Negro families. The town is populated mostly by stock of Northern European origin, who are portrayed throughout the picture as dull, beast-like people who live only to eat and commit adultery.

Samuel, the young Negro who is the hero of this picture, is a tall, slender, handsome black boy who has just completed his first year of medical school, where he has been sent by the Rosenwald Fund. He returns to Midrovia for the summer, where he lives with his mother, a stately black woman who speaks perfect English and has beautiful manners. She is a washerwoman who lives in a shack by the railroad tracks.

Samuel meets Anna at a baseball game. She is immediately fascinated, and confides to him that he is so witty, not at all like the dull boys in her high school class. That first night, he walks her home and kisses her tenderly. Almost every scene in this movie shows the Negro boy kissing Anna at some point, in order to impress upon the minds of our school children that it is fine for Negroes to kiss and fondle white girls.

Anna, overcome by her new love, invites Samuel to dinner to meet her parents. She does not tell them that he is a Negro, and when he comes to the door, Anna's father, who is portrayed as a burly, ungrammatical worker, in contrast to the lordly young Samuel, orders the Negro from his house. Samuel, the perfect gentleman, bows politely, and departs.

So far the film has done nothing but point out to our impressionable children that Negroes are a fine, cultured people, and that whites are crude, ignorant people filled with hate against their black betters. This film, produced by our government and paid for by taxpayers' money, ignores the fact that Negroes lived for thousands of years in mudhuts in Africa, but own automobile here which were invented by white people.

The real message is yet to come. The Negro Samuel carries out a campaign to win over Anna's parents. He helps Anna's mother with the washing, remarking that he has helped his own mother since he was three years old. He becomes the outstanding member of the Midrovia baseball team and wins the admiration of Anna's father. Now they are happy to have him marry their daughter, saying over and over, like a lesson which they have learned by heart, that they only wish other people could live with Negroes and learn what nice people they are.

When the Negro Samuel returns to college with his white child bride he discovers that it is not only the uneducated whites who are prejudiced, but also the educated. The college students shun him and Anna, and after each snub, she throws herself into his arms. He comforts her with intimate caresses driving home the point to our young children's minds that Negroes should embrace white girls.

Samuel wins all honors at college, and he and Anna give intellectual parties which become the talk of the campus. He is invited to join an all-white fraternity which had previously snubbed him, and the film ends with young Negro Samuel receiving his doctor's degree and embracing Anna.

One of the most sinister pieces of propaganda ever devised by the mind of the Jew, "Don't Discriminate" must not be allowed to pervert the minds of our school children. Write to your Congressman today demanding that "Don't Discriminate" be withdrawn, and an investigation started of its Department of Commerce producers.

"Don't Discriminate" is only part of the Eisenhower Plan to mongrelize America and make us easy prey for the Asiatic hordes of Communism. One Jewish sociologist, who is now Eisenhower's adviser, has publicly advocated "planned marriages" between whites and Negroes as a way to stop racial prejudice. In other words, the government will force white girls to marry Negroes. Is this what white Americans want? Is it what the Negroes want? No, but it is what the Jewish Communists want, and they will fight to get it. We must fight to stop them.

NOW IS THE TIME TO DO SOMETHING ABOUT THIS DIABOLICAL SCHEME TO INFEST OUR YOUTH WITH THE SPIRIT OF COMMUNISM IN ITS SUBTLE FORM, NOT AFTER THE HARM HAS BEEN DONE. PICK UP YOUR PAPER AND PEN AND LET YOUR REPRESENTATIVES KNOW THAT AS AN AMERICAN YOU OBJECT. DON'T WAIT FOR GEORGE TO DO IT BECAUSE IT WILL NEVER BE DONE. ACT NOW!

RED HIGHLIGHTS

Every week the "Jewish" newspapers throughout the land display screaming headlines of new Arab violations in Palestine. Long articles of false charges and fabrications against the Arabs stream out over the world from these professional liars with the same accuracy which has accompanied every Jewish invasion in history. The "Jews" who have instigated every border violation and agreement in Palestine use the same method of deception and intimidation they have been using for the past 35 years in putting over Communism. With malice and forethought they deliberately deprive others of their homes and rights, and then, like the devils they are, blame the innocent for their own crimes. How long is it going to take the world to realize that these people who masquerade as the "Chosen People" are the disciples of Judas Iscariot . . . Stuart Rothman, "Jew", just hired by the Department of Labor as a solicitor . . . Mrs. Adele Segall Faske, "Jew", newly appointed aide to Florida State Attorney . . . Isadore Jack Martin, "Jew", is Ike's new liaison man between the White House and Congress . . . Louis Rothchild, "Jew", appointed Chairman of Maritime Board in charge of all shipping.

In a secret ballot the faculties of Frankfurt University and West Berlin University each elected a "Jew" rector. "Jews" direct the policy in West Germany via the State Department . . . J. D. Zellarback, "Jew", from California, appointed by Ike to U. N. General Assembly as alternate member . . . Five of the Six Communists captured in the Sierra mountains are "Jews". Thompson is a front man . . . Ben Gold, arrested for falsely swearing that he was not a Communist, and his lawyer, Harold Cramer, both "Jews" . . . Mrs. Sophie Gerson, whose husband is Chairman of the New York State Communist Party, and who is up for deportation, is a "Jew" . . . New rules set down for writers in the Polish Communist press call for spelling God with a small "g" . . . Yugoslavia delegation flying here to be dined and wined in Washington. Later to make an inspection tour of U. S. military installations. Boy, how dumb can Americans get . . . Jewish power losing out with the people behind the Iron Curtain. President Eisenhower interrupted his vacation in Colorado to fly to New York and wish Bernard Baruch a happy birthday . . . The Catholic Church in America is being told by the "Jews" to keep neutral regarding the Arab-Israel dispute. Although hundreds of Arabs, Catholics and Christians are being murdered and their churches destroyed, the "Jews" are pleading with such religious leaders as Cardinal Spellman not to interfere in politics. This is a good one for the morons. Since when is the destroying of the birthplace of Christianity a political affair? What these "Jews won't think up next . . . Ernest A. Gross, "Jew", former U. N. Representative, elected Freedom House president . . . The United States Taxpayer will give Israel \$70,000,000 this year. We will also give Israel a long term loan so that they can pay off their short term loan. Are you listening, Mr. Taxpayer? . . . war time brooked no delays. Not only the plates of this book were destroyed, but also the plates of Congressman Lindbergh's book, 'Banking and Currency', written in 1913 and attacking the big bankers and the Federal Reserve Law." On page 50: "We have been buncoed, and a majority of us do not know how it was done. It was the 'invisible organizers' who did it. They employ many agencies for the purpose; besides most of the great city press are maintained by them for that purpose. Their work is even stealthily being introduced into the public schools, colleges and universities." Finally, on page 165: "The plain truth is that neither of these great parties, as at present led and manipulated by an 'invisible government,' is fit to manage the destinies of a great people." These few quotes should serve to illustrate the fact that the Jewish warfare against the Lindbergh family was not a recent occurrence. The son was the product of the father and fought the same battle.

In Lindbergh's story of his flight across the Atlantic, in the Apr. 18 1953 issue of the Saturday Evening Post, is his account of how Charles Levine, a Jew, tried to get Lindbergh to buy his company's plane, the Bellanca, so that he, Levine, and not Lindbergh, could fly it across the Atlantic. This sounds fantastic. Since Levine did fly the Atlantic a month after Lindbergh in that very plane, it is obvious that his desire to have a Jew fly the Atlantic first was thwarted because he waited too long—waiting for a Gentile to pay for the plane and trip.

On Sept. 11, 1941, in Des Moines, Iowa, Charles A. Lindbergh gave a speech before an America First rally in which he charged "the three most important groups which have been pressing this country toward war are the British, the Jewish, and the Roosevelt administration." He advised, "that instead of agitating for war, the Jewish groups in this country should be opposing it in every possible way. . . . Their greatest danger to this country lies in their ownership and influence in our motion pictures, our press, our radio, and our government."

This speech evoked a storm of vilification, abuse, vile lies by Jews and their fellow travelers, such as was expressed in "The American Hebrew" of Oct. 24, 1941: "The most dangerous man in the United States of America today is Charles Augustus Lindbergh . . . One shudders at his act . . . He is America's No. 1 Nazi."

But more significant was the dissemination of a leaflet by the National Council of Jewish Communists, dated 9-18-41, one week after his speech, published over the name of Max Steinberg, Secretary of the Council, at 35 East 12th Street. What address is this? Why, that of the Daily Worker, of course. Has the National Council of Jewish Communists ever been cited by the Dies committee or the Attorney General? Of course not. We do find though, in the suppressed Appendix IX of the Dies Committee on page 1,451 the fact that "Jewish Voice" was published by this same Council and with Max Steinberg as the Editor. We find further that Steinberg was a sponsor of the Committee for the celebration of 15 years of Biro Bidjan (the Jewish Communist homeland in the USSR). See page 603. He is listed as the Organization Secretary of the New York District of the Communist Party and as a member of the IWO. See page 852. On this same page may be seen reference to the "Jewish Bureau of the Central Committee of the Communist Party." On page 1,129 we find him as a member of the Jewish Peoples Committee for United Action Against Fascism and Anti-Semitism. On page 1,138 as a member of the Executive Committee of the Morning Freiheit, Jewish Communist organ.

Why have we belabored this point? Because this key Jew, an open Communist executive, set the key for the entire Jewish community from that date on. Careful examination of all subsequent publications or stories issued from Jewish or Jewish controlled sources bears out the fact that he laid down the party line not only for openly Communist Jews but for all Jews.

The leaflet was entitled "Lindbergh—the Un-American Way!" It called Lindbergh and his cohorts "Hitler's advance guard in America. The enemies of the Jewish people are the enemies of America . . . Defeat the anti-Semites—betrayers of American democracy!" And so on.

The American Jewish Committee, silent until this party line edict was published a week after

Lindbergh's speech, immediately issued a joint statement with the Jewish Labor Bund against Lindbergh on the very same day: September 18, 1941.

Two days later the pacifist "Keep America Out of War Congress" knuckled under and attacked Lindbergh.

One week after this the Communist "Christian" clergy and educators "rebuffed Lindbergh's insult to Christ" in Kenneth Leslie's Red "Protestant Digest". Seven hundred signed this statement.

President Roosevelt called him a "Copperhead". Secretary Ickes called him "a knight of the German eagle." But it was left to the Friends of Democracy to handle the details of the destruction of Lindbergh. That organization, headed by L. M. Birkhead, probably one of the most loathsome individuals that ever lived, published a pamphlet "Is Lindbergh a Nazi?", expensively produced, utterly vicious in its content. Among those quoted as attacking Lindbergh were Wendell L. Willkie, and Thomas E. Dewey.

Among the members of the national committee of the "Friends of Democracy" were the Communists or pro-Communists: Mary McLeod Bethune, Van Wyck Brooks, Arthur J. Goldsmith, Eduard C. Lindeman, and Thomas Mann. John Roy Carlson, alias of Derounian, worked for this outfit and wrote for "Soviet Russia Today".

On Dec. 6, 1941, Rex Stout, President of "Friends of Democracy," sent out a personal letter and report to a select group of people whom he thought would aid him financially against Lindbergh. One of those letters, plus a report marked "Not for Publication" is in our possession. He wrote in part, "It will take time and money to discredit Lindbergh and destroy him politically . . . A check or money order to 'Friends of Democracy' will be a nail in Lindbergh's coffin." In the report which accompanied this letter are these statements. "However, it was in the Winrod project—the model for our present plan to beat Lindbergh (that) this pamphlet (against Winrod) was distributed to all key men in the Republican Party organization. John M. Hamilton, then Republican National Chairman, intervened and repudiated Winrod." Further details are given of the "Father Coughlin" and "Joe McWilliams" projects, then: "We are making every effort to stop the Ku Klux Klan from distributing a new edition of his publication, 'The International Jew'. Reference was made to 'The Negro project to curb the dangerous and little publicized growth of anti-semitism in Harlem'. Finally, 'The Lindbergh project will require at least \$15,000.'"

In conclusion we refer to the sworn statement of Thomas F. Rice, Special Agent for the Department of Justice, and Special Assistant to the Attorney-General.

Rice stated: "That on Feb. 24, 1932, he made direct contact with Gaston B. Means and two of Means's confederates. That the contact was made in the Imperial Hotel in the City of New York, where Gaston B. Means was registered.

That the deponent learned on that date, through one of Gaston B. Means's confederates that PLANS WERE BEING MADE TO KIDNAP THE LINDBERGH CHILD . . . That on Saturday, Feb. 27, 1932, deponent had a conference in Boston with James Roosevelt. At that conference deponent told James Roosevelt the story that had been told to him by Gaston B. Means's confederate—James Roosevelt told deponent that he would go at once to New York and have a talk with Governor Roosevelt, and meet deponent again on Monday, Feb. 29, 1932.

That on Monday, Feb. 29, 1932, at 3 P. M., deponent had another conference with James Roosevelt in the Park Square Building in Boston. James Roosevelt told deponent that he had talked with his father and THAT THE GOVERNOR DID NOT WANT TO HAVE ANYTHING WHATEVER TO DO WITH THE MATTER. That ON THE FOLLOWING NIGHT THE LINDBERGH CHILD WAS KIDNAPPED."

Franklin Delano Roosevelt KNEW that Lindbergh's baby was going to be kidnapped and refused to set up any precautions. Was this because he himself already had foreknowledge of the impending kidnap and murder?

At the present time newspaper reports have stated that Lindbergh has been the confidential advisor to General Hoyt Vandenberg. The Air Force has been cut to the bone by the Eisenhower administration. Could this be a part of the same great fight between Lindbergh and the enemies of the United States?

OPEN LETTER TO IKE

Honorable Dwight D. Eisenhower,
President of the United States,
Washington, D. C.

Dear Mr. President:

With deep respect, but in a matter of grave concern I write this letter to you.

As an American, and being one who will fight to uphold every God-giving blessing that has been bestowed upon this Nation, I, and thousands like me, are becoming quite alarmed at the evil net that is being thrown around Congress and at the same time the deplorable censorship that is politely being crammed down the throats of we the American citizen.

In that real American newspaper, the Los Angeles Herald Express of June 24th, there was an article stating: **FINANCIER STRAUSS IS IKE'S CHOICE AS CHAIRMAN FOR ATOMIC BOARD.** This article goes further to state: that Strauss has been serving since March as the President's **UNSALARIED ADVISOR.** . . . **MR. BERNARD MANNUS BARUCH**, the most powerful man in America, has also been serving as your advisor. Has he not? Is this nomination of Strauss your idea or his?

Mr. Lewis Strauss, as you know, is a partner of **THE KUHN, LOEB COMPANY** . . . This is the New York Banking House that financed the **BOLSHEVIK REVOLUTION** in 1917. Remember? Strauss has also been one of those hidden "influences" that has had voice in the Atomic Energy Program since its conception. He was on the Interim Committee in 1945 and was appointed to the Atomic Energy Commission in 1946. The powerful grip that the **INVISIBLE GOVERNMENT** has over the American people is becoming more obvious with each passing day.

One by one, Mr. President, you are appointing your personal "friends" into important and critical positions of our Government. Since I voted for you last November, I would be all for it, except the individuals in question have had many interests that have been definitely contrary to American principles and ideals.

When you were head of the Armed Forces in Europe, your "associates" in London were: James Paul Warburg, Edward M. Warburg, and John Schiff. All of these "powers" were related, or they are partners, of **THE KUHN, LOEB COMPANY** . . . Your selection of Lewis Strauss is an insult to the intelligence of the American people. Do you honestly think for one moment that we can forget the black pages of history? The Kuhn, Loeb Company has **PROVEN** by their **OWN ACTIONS WHAT THEY WILL DO FOR GOLD.** Is this the kind of power that is going to govern our American policies, both at home and abroad?

Mr. Lewis Strauss is, or was, President of the Institute for Advanced Study in Princeton. This institution has also the Albert Einstein (the intellectual gift to Communism), who a few days ago advised that one should not testify before ANY Congressional Committee. I disagree with the statement completely. The New York Times tells us that Strauss will take leave of his present position as consultant and financial advisor to Rockefeller Brothers Inc., and International Basic Economy Corporation, which Nelson Rockefeller founded with his staff from the Department of State. The press has also reminded us that Nelson Rockefeller is to be the President's civilian advisor on Defense, while his business

friend Strauss advises on the Atomic Energy Commission.

The partnership between Kuhn, Loeb Company and the Rockefellers is not new by any means. It goes back to the founding of the Rockefeller fortunes, when old John D. Rockefeller made the deal with Jacob Schiff to get rebates on his oil, which was carried on railroads controlled by the Kuhn Loeb Company. Schiff then guided John D. into a monopoly on the oil resources and distribution in America . . . The Rockefellers are reminded of the debt they owe to the Kuhn, Loeb Company . . . and what is the result? —The "hidden influence" calls in Strauss to advise them on their affairs . . . How stupid can we get?

Owen Lattimore, with the aid of the State Department sold out Nationalist China . . . PLEASE don't let **THE INVISIBLE GOVERNMENT** sell out our America.

Yours for Christ and Country
ROBERT HUGHES

When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. A gentleman in San Francisco sends us some valuable material but which, unfortunately we cannot use as it deals with a certain subject which we do not discuss editorially.

In sending it in, he writes: "If you should use this, don't mention my name for there are people who will retaliate by ruining your business if you try to expose their activities against this country."

Brother, are you telling us?

3 EISENHOWERS & CONSPIRACY

I told Eisenhower that the family name now had a new importance. When the brother of the President-elect had meetings with a man of Goldsmith's mysterious political character, the facts might be of interest to the public.

Frankly, Elliott and Jimmy Roosevelt and their mother had put me on warning not to take pure, unselfish motives for granted in the dealings of relatives of a President.

I don't know what Arthur and Milton Eisenhower were up to with Goldsmith but I do know enough about Goldsmith and his political machinations to insist on facts and to reject this stuffy indignation that Arthur Eisenhower displayed. That reaction makes me suspicious. I sent Goldsmith a telegram about all this but got no reaction at all.

Arthur Eisenhower did admit that he and Goldsmith had conferred every day of the six days that they were neighbors in the Towers.

There are a hell of a lot of people in the Tower at least as interesting as Goldsmith, Herbert Hoover, for example. But of all the residents and transient inmates, Goldsmith was the one who was in and out of his place and vice versa every day for almost a week. (End Quote)

FUNNY FOLKS THOSE JEWS

by Kurt Mertig

Dr. Nahum Goldmann, acting president of the World Jewish Congress meeting at Geneva (Switzerland) advocated making the Jews of the world an "annex" to the state of Israel.

The same assembly also presented a strongly worded resolution to the German government at Bonn, demanding that effective measures be taken immediately "to suppress and eradicate any attempt to revive 'Nazi' doctrines that menace democracy, adding that the West German agreement on restitution for Jewish losses "does not and cannot imply that Germany has thereby fully discharged its obligations toward the Jewish people during the Hitler regime."

(According to the Jewish author, Paul Goodman, in his book, "A History of the Jews," page 133, there were around 540,000 Jews in Germany just prior to the advent of Hitler. On page 163, Goodman states that about 500,000 Jews came to the United States during 1931-1940, of whom approximately 43 per cent were from Germany.)

In contrast, when a demand was made to the Bonn regime by millions of former German soldiers for payments for the time they had to spend in Allied internment camps after World War II similar to the compensation granted recently by West Germany to hundreds of thousands of Jewish and other alleged victims of persecution by the Hitler regime—the petition of the former German soldiers was flatly denied by Chancellor Adenauer.

And another thing: All of the former German military men, still imprisoned by the U. S. High Command of West Germany, had their teeth kicked out by Jewish "avenging angels" sent to Germany from America after Germany's unconditional surrender in 1945. But you hear only of German atrocities against the Jews and compensation for such alleged acts.

One World a Red World

IN THIS BOOK, THE AUTHOR, A FORMER COMMUNIST LEADER, EXPOSES THE INNER WORKINGS OF THE RED PLOT TO CONQUER THE WORLD THROUGH THE UNITED NATIONS

KENNETH GOFF

Americans need to know the inside facts about this — the greatest conspiracy in the history of mankind. Never before has anyone completely unmasked the super plot to install Antichrist on the throne of the world. There are prophetic movements in the background which only discerning Christians may hope to understand.

This book names leading reds, internationalists and spies who are being sheltered and protected by the United Nations in their sinister work of destroying America. It shows what is in store for Christian civilization if the One Worlders are successful.

The Jewish Peril & The Catholic Church

AS REVEALED BY "THE CATHOLIC GAZETTE" (LONDON, ENGLAND) OF FEBRUARY, 1936

In view of the vast influence exercised by dispersed Jewry in the politics of most countries and in the world press and the news telegraphic agencies, the article quoted below is of great interest. It is taken from the "Catholic Gazette" of February, a monthly publication of high standing which was founded in 1910 as the organ of the Catholic Missionary Society.

That there has been and still is a Jewish problem, no one can deny. Since the rejection of Israel, 1,900 years ago, the Jews have scattered in every direction, and in spite of difficulties and even persecution, they have established themselves as a power in nearly every nation of Europe.

Jacobs, in his "Jewish Contributions to Civilization", glories in the fact that without detriment to their own racial unity and international character, the Jews have been able to spread their doctrines and increase their political, social and economic influence among the nations.

In view of this Jewish problem, which affects the Catholic Church in a special way, we publish the following magazine extracts from speeches recently made under the auspices of a Jewish society in Paris. The name of our informant must remain concealed. He is personally known to us, but by reason of his peculiar relations with the Jews at the present time, we have agreed not to disclose his identity nor to give any further details of the Paris meeting beyond the following extracts which, though sometimes freely translated, nevertheless substantially convey the meaning of the original statements.—(Editorial Note.)

"As long as there remains among the Gentiles any moral conception of the social order, and until all faith, patriotism, and dignity are uprooted, our reign over the world shall not come. . . .

"We have already fulfilled part of our work, but we cannot yet claim that the whole of our work is done. We have still a long way to go before we can overthrow our main opponent: the Catholic Church. . . ."

"We must always bear in mind that the Catholic Church is the only institution which has stood, and which will, as long as it remains in existence, stand in our way. The Catholic Church, with her methodical work and her edifying and moral teachings, will always keep her children in such a state of mind, as to make them too self-respecting to yield to our domination, and to bow before our future king of Israel. . . ."

"That is why we have been striving to discover the best way of shaking the Catholic Church to her very foundations. We have spread the spirit of revolt and false liberalism among the nations of the Gentiles so as to persuade them away from their faith and even to make them ashamed of professing the precepts of their Religion and obeying the Commandments of their Church. We have brought many of them to boast of being atheists, and more than that, to glory in being descendants of the ape! We have given them new theories,

MARXISM TAKES OVER JEWS BEAT DRUMS RELIGION IN AMERICA OF VICTORY BEFORE BATTLE COMMENCES

(Republished from Robert H. Williams's Intelligence Summary)

Two of the three biggest revolutionary organizations in the Western world, engaged in the subjugation of the Anglo-Saxon influence and of Christianity, and establishing "a new racial domination" of the world, have effected an alliance with the National Council of Churches.

JOHN FOSTER DULLES
Supporter of National Council of Churches

The two organizations are the American Jewish Committee and its organizational partner, the Anti-Defamation League of the B'nai B'rith.

The alliance, agreed to by the contracting parties a little over a year ago, puts at the disposal of the two Zionist organizations the full channels of communication of the major Protestant denominations in America, claiming member-churches with over 30,000,000 members, more than half of all Protestants in this country.

The alliance means that the literature of the National Council and its member churches—Christian churches—in the future will be slanted to please the great enemy of Christianity and the Anglo-Saxon-Nordic race.

I had observed for some months a new burst of speed and boldness in the literature of the Methodist, the Northern (not the Southern) Presbyterian, the United Lutheran (not the Missouri Synod) and other submissive denominations; but not till this week did I have the documents establishing the source of this new high-gear revolutionary program.

I have been noticing that the literature of these churches, the old line once-conservative denominations including some in the Old South, in recent months have become so bold that they defend the Anti-Defamation League, champion its full program and actually name it as a source of material. We have long known that the ADL was influencing the literature of the National Council of Churches, but the document shows

Typical of the cunning strategy of the Jewish mind the Jewish Gestapo of the United States has taken the decision of a Judge on a minor point of law, in the case of Rabbi Prinz vs. McGinley, and circulated the false story that McGinley was defeated.

We wish to make it known to all those who do not depend upon the "Jewish-controlled press" that not only has the Rabbi from Germany not won the suit against Mr. McGinley but before the battle is over COMMON SENSE, in the name of Jesus Christ and with the help of patriotic Americans, will win in a manner which is befitting Christian fighters.

For the first time the courts of New Jersey may have to decide whether calling one a RED is the same as calling him a COMMUNIST. According to newspapers and radio newscasters, the court decided that it was one and the same thing. This was in the decision referred to above about which the Jews clamored victory in the newspapers and over the radio throughout the land. This decision, whatever its scope and effect, when compared with the abundance of law and evidence yet to be considered, is so minute that only the minds of persons deranged would claim it to be a victory.

However, this move on the part of

that hereafter the sky is the limit as regards Zionist-Marxist propaganda through these churches and we must now expect tens of millions of dollars of Zionist money to be used to mislead our children in the Sunday schools and ourselves in the congregations.

HERE'S THE KEY

In a booklet called "Facts" recently issued by the American Jewish Committee I find the source of the new revolutionary tidal wave:

"Through the newly created Division of Christian Education of the National Council of

—(Continued on Page 2)—

THE JEWISH PERIL AND THE CATHOLIC CHURCH

—(Continued from Page 1)—

impossible of realization, such as Communism, Anarchism, and Socialism, which are now serving our purpose. . . . The stupid Gentiles have accepted them with the greatest enthusiasm, without realizing that those theories are ours, and that they constitute our most powerful instrument against themselves. . . .

"We have blackened the Catholic Church with the most ignominious calumnies, we have stained her history and disgraced even her noblest activities. We have imputed to her the wrongs of her enemies, and have thus brought these latter to stand more closely by our side. . . . So much so, that we are now witnessing, to our greatest satisfaction, rebellions against the Church in several countries. . . . We have turned her Clergy into objects of hatred and ridicule, we have subjected them to the contempt of the crowd. . . . We have caused the practice of the Catholic Religion to be considered out of date and a mere waste of time. . . ."

"And the Gentiles, in their stupidity, have proved easier dupes than we expected them to be. One would expect more intelligence and more practical common sense, but they are no better than a herd of sheep. Let them graze in our fields till they become fat enough to be worthy of being immolated to our future King of the World. . . ."

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. We have made it an honor, a great honor, for the Gentiles to join us in our organizations, which are, thanks to our gold, flourishing now more than ever. Yet it remains our secret that those Gentiles who betray their own and most precious interests, by joining us in our plot, should never know that these associations are of our creation, and that they serve our purpose. . . ."

"One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World."

"So far, we have considered our strategy in our attacks upon the Catholic Church from the outside. But this is not all. Let us now explain how we have gone further in our work, to hasten the ruin of the Catholic Church, and how we have penetrated into her most intimate circles, and brought even some of her Clergy to become pioneers of our cause."

"Apart altogether from the influence of our philosophy, we have taken other steps to secure a breach in the Catholic Church. Let me explain how this has been done."

"We have induced some of our children to join the Catholic body, with the explicit intimation that they should work in a still more efficient way for the disintegration of the Catholic Church, by creating scandals within her. We have thus followed the advice of our Prince of the Jews, who so wisely said: 'Let some of our children become canons, so that they may destroy the Church.' Unfortunately, not all among the 'convert' Jews have proved faithful to their mission. Many of them have even betrayed us! But, on the other hand, others have kept their promise and honored their word. Thus the counsel of our Elders has proved successful."

"We are the Fathers of all Revolutions—even of those which sometimes happen to turn against us. We are the supreme Masters of Peace and War. We can boast of being the Creators of the REFORMATION! Calvin was one of our Children; he was of Jewish descent, and was entrusted by Jewish authority and encouraged with Jewish finance to draft his scheme in the Reformation."

"Martin Luther yielded to the influence of his Jewish friends, and again, by Jewish authority and with Jewish finance, his plot against the Catholic Church met with success. . . ."

"Thanks to our propaganda, to our theories of Liberalism and to our misrepresentations of Freedom, the minds of many among the Gentiles were ready to welcome the Reformation. They separated from the Church to fall into our snare. And thus the Catholic Church has been very sensibly weakened, and her authority over the Kings of the Gentiles has been reduced almost to naught. . . ."

"We are grateful to Protestants for their loyalty to our wishes — although most of them are, in the sincerity of their faith, unaware of their loyalty to us. We are grateful to them for the wonderful help they are giving us in our fight against the stronghold of Christian Civilization, and in our preparations for the advent of our supremacy over the whole world and over the Kingdom of the Gentiles."

"So far we have succeeded in overthrowing most of the Thrones of Europe. The rest will follow in the near future. Russia has already worshipped our rule. France, with her Masonic Government, is under our thumb. England, in her dependence

upon our finance, is under our heel; and in her Protestantism is our hope for the destruction of the Catholic Church. Spain and Mexico are but toys in our hands. And many other countries, including the USA, have already fallen before our scheming."

"But the Catholic Church is still alive. . . ."

"We must destroy her without the least delay and without the slightest mercy. Most of the Press in the world is under our Control; let us therefore encourage in a still more violent way the hatred of the world against the Catholic Church. Let us intensify our activities in poisoning the morality of the Gentiles. Let us spread the spirit of revolution in the minds of the people. They must be made to despise Patriotism and the love of their family, to consider their faith as a humbug, their obedience to their Church as a degrading servility, so that they may become deaf to the appeal of the Church and blind to her warnings against us. Let us, above all, make it impossible for Christians outside the Catholic Church to be reunited with that Church, or for non-Christians to join that Church; otherwise the greatest obstruction to our domination will be strengthened and all our work undone. Our plot will be unveiled, the Gentiles will turn against us, in the spirit of revenge, and our domination over them will never be realized."

"Let us remember that as long as there still remain active enemies of the Catholic Church, we may hope to become Masters of the World. . . . And let us remember always that the future Jewish King will never reign in the world before the Pope in Rome is dethroned, as well as all the other reigning Monarchs of the Gentiles upon earth."

LETTER TO CONGRESS

Subject: The Organized International Professional And His World-Wide Soviet System? WHAT IS A JEW?—

Is the Jew a creature of his own mythology or do his leaders use this time-worn mythology to deceive, bribe and control all governments?

From Pharaoh to Hitler the organized Jew, operating as a "Nation within Nations" has demanded that all governments recognize his international rights as a superior race and privileged citizen. All opposition to the JEWISH WORLD PROGRAM is quickly branded by Jewish leaders as "ANTI-SEMITISM."

Does not the Jewish religion require that all Jews pay allegiance first to the Jewish World Nation and also encourage every Jew to believe that his oath of allegiance is not binding to others? (Annual Kol Nidre Vows at Yom Kippur)

Does not the Jewish Nation act as the central International Soviet which promotes and controls the World Soviet System?

Was it not the Zionist organization under the leadership of the late Louis D. Brandeis and the A. D. L. of B'nai B'rith that converted and now controls the United States as a Labor Government? Is this not the pattern that was set in Russia, England, and other countries by organized Jewry?

Is this not the Marxist International System which Hitler and Mussolini attempted to expose and oppose? Did not our Jew controlled president, through Jewish control over the newspapers, book sales, and radio, take us into war in order to hide this issue from the American people?

Did not Rabbi Stephen S. Wise, speaking as President of the World Jewish Congress, publicly proclaim that Marxism and Judaism are synonymous terms, when he said: "Some call it Marxism—I call it Judaism?"

Did not Rabbi Wise and other Jewish World leaders select and finance Woodrow Wilson in 1912 and also Franklin D. Roosevelt in 1932 to front for the Jews" in carrying out two World War Programs—a plan that was well understood by the Marxist-International but was not understood by either Wilson or Roosevelt—nor by the people whom they engaged in mortal combat?

Is B'nai B'rith a religious body or is it the key organization in the Jewish World Soviet System? Is the Anti-Defamation League of B'nai B'rith (founded in 1913) the propaganda agency that took America into two world wars, and still maintains an IRON CURTAIN OVER AMERICA today?

Are such leaders as Bernard M. Baruch, Felix Frankfurter and Senator Herbert Lehman really representative Americans or do they represent the Marxist International?

ARE NOT THE EVIL MINDS AND VAST FUNDS WHICH ARE RAISED ANNUALLY BY THE JEWS TO FIGHT "ANTI-SEMITISM" AND "McCARTHYSM" THE CENTRAL POWER BEHIND THE MARXIST MOVEMENT? AS IN THE DAYS OF THE CAESARS, JEWISH DUAL CITIZENSHIP IS STILL THE PROBLEM TODAY AND THE QUESTION REMAINS, "CAN MAN SERVE TWO MASTERS?"

The above (The Jewish problem) must be solved by the Congress and the American people before our Government can regain its sovereignty and give back to the American his constitutional liberty.

We must save American youth from Zionist war planners by telling them the truth about Marxist war planned economics.

MARXISM TAKES OVER RELIGION IN AMERICA

—(Continued from Page 1)—

Churches, the AJC and ADL will jointly have an unprecedented opportunity to aid in the preparation of lesson materials, study guides, audio visual aides, etc., for use in educational purposes sponsored by the Protestant churches and organizations."

"Under the auspices of Drew Theological Seminary, we have conducted an exhaustive study of religious textbooks currently used in Protestant schools. Errors, misstatements and misconceptions of the historic role of the Jews in the earliest days of Christianity have been and will continue to be tabulated and brought to the attention of Protestant educators and textbook publishers. As a result . . . there has been a steady and significant progress in the elimination of such material. Similar work on a more limited scale is being carried on with respect to Catholic Sunday and parochial school materials. . . ."

"We supply Christian religious publications with prepared materials, articles, and stories depicting Jewish life, Jewish spiritual heritage and Jewish religious values as well as articles on current issues which particularly affect American Jews."

This means that the church literature now is being edited and in part written by the arch-enemy of the Anglo-Saxon-Nordic world, enemy of Christianity—the world Zionist conspiracy. The statement above about "articles on current issues" simply means that we now are to have the New Deal-Marxist political party hogwash fed to us and our children through more than half our churches. It will directly influence elections.

In another American Jewish Committee publication, "The Home Front," Vol. 6, No. 1, apparently published in 1952, the cultists are so scornful of Christianity that they attack one of the directors of an anti-Marxist educational organization by the single statement that he "discloses his sentiments sufficiently by a CHRISTMAS (they underscored the word) card he sent out. 'Buy as a Christian' he exhorted, vote as a Christian, pray as a Christian, and you will do your part toward reversing America's current trend toward immorality and paganism."

This outright condemnation of the American for preferring Christianity was published only for Jewish readers, of course.

SEX EDUCATION TOO

In the booklet "Facts" we get a brief summary of the revolutionary program which the AJC says it and its partner, the ADL, are pouring into our churches and Sunday schools, some Catholic churches and schools and other submissive organizations: The program champions the so-called "civil rights" measures (which long ago were established as of Communist origin and which brand themselves as such by their very nature, pitting the colored races against the whites); UNESCO, the human rights covenant, the United Nations, "democracy" (Marx variety, trying to force equality and the mixing of the races); world brotherhood—all these Commie things which make our people more willing to throw open our gates to the colored masses of the world and forget the welfare, the survival of our children, in our zeal for the "minorities."

The "Home Front" obliges us with two items which he AJC says it champions in public schools "intercultural understanding" and "sex education." There is probably the main source of the persistent sex "education" in the public schools.

The "Home Front" also defends and emphasizes its "in-training workshops for teachers, committees on human relations and child guidance" and attacks the advocates of segregation (though the latter group includes, of course, many Negroes whose instinct tells them the Zionist Jews are taking both races for a long ride).

Here you have the essentials of the world revolution. To date the efforts of the ambitious Jewish leaders to socialize American industry and wealth have had only partial success. The hardy individualism of the Nordic American is resisting collectivization. It is necessary for the strategists to further "educate" our people not to resist the encroachments of the minority racial machine. It is necessary to further make us afraid to criticize and expose the racial revolutionaries. It is necessary to make us accept more and more "minorities" especially indoctrinated Jews into our country, into our cities, into positions of governmental and military power.

But it won't take very long now. The big final drive which began to take shape when Harry Ward left the Communist labor organizations, a partner of the late Sidney Hillman (as reported in the Daily Worker itself), and an associate of William Z. Foster, head of the Communist Party, and got a job as a teacher of ministerial students in the Union Theological Seminary, where he soon organized a cell of teachers which for a third of a century has been turning out Communist-minded ministers by the thousands. One of these is—as you must have guessed—the Methodist Bishop, J. Bromley Oxnam, old friend and defender of Harry Ward.

—(Continued on Page 3)—

NOW TO THE FACTORIES

The latest development of the new revolutionary program is a plan to take "religion" into the factories. This plan was announced in the Los Angeles Examiner, Sept. 27, 1953, in an Associated Press dispatch from New York.

"Starting this fall, state and local church councils across the country will call citizens together to discuss how farmers and merchants, lawyers and laborers can put Christian principles (sic) into realistic practice.

"It's part of a concerted church effort to weld worship to work.

"Dudley Ward, who has directed studies for the National Council of Churches' department of 'Church and Economic Life' says such conferences will be held in perhaps 400 communities in the next 12 months. . . .

"As part of the wide interdenominational action . . . the National Council, under a Rockefeller Foundation grant, has sponsored broad research projects into the 'ethics and economics of society.'" (It is now ready for action.)

There you have the picture of the new program for all our factory people and business houses. The employer will be expected to herd his flock together to see motion picture films produced by the National Council, under guidance of the ADL and AJC, using their fabulous wealth plus the endless millions of the big Red tax-exempt foundations.

The Red churches have been using ADL literature for a long time, but it was sometimes hard to pin it on them because the National Council, which dominates the church literature, operates in secrecy not unlike the ADL and the Communist Party.

However, some three years ago Ethel Alpenfels prepared completely, using her name as author, one of the Sunday school quarterlies of the Congregational church. It was used here in my home town, Santa Ana. You know about that Red smoothie Alpenfels. If not, read page 14 of my Anti-Defamation League booklet. In one of its recent annual conventions the ADL put her on a dais under a spotlight, praised her for her lecturing and writing and awarded her a medal.

She tries to discredit the Anglo-Saxons and other races by preaching that because you can't tell one man's blood from another under a microscope there is really no difference in the races of mankind, other than the color of the skin, and therefore we are supposed to forget about our own interests, the future freedom and actual survival of our own white children in a world in which the flood gates of Jewish-incited masses are ready to spill over on us.

When I was on the editorial staff of the Denver Post, just after the end of the second world war, I interviewed Miss Alpenfels in the city room and, just out of uniform as an Army counter-intelligence officer, I was flabbergasted at the openness with which she embraced the Communist line and Zionist interests. She even insisted that we give our atomic secrets to all the "United Nations," which included of course the enemy which had always vowed to destroy us.

WRITTEN BY COMMUNISTS

But now I find, in use of the once rock-ribbed First Presbyterian Church of my home town, whose congregation still is 99 1/4 percent white and as fine looking a lot of citizens as you could ask—who once knew their own interests and whose pastor is from a famous old Scotch clan, a square-jawed and admirable naturalized American who ought to want the Anglo-Saxon race to survive—here I find Alpenfels' Sense and Nonsense about Race, and—hold your hat—the outright Communist book, The Races of Mankind, by Gene Weltfish and the late Ruth Benedict.

There is not a particle of difference in the essential content of the Alpenfels publication and that of the known-Communist Party label on the Races of Mankind, if that makes it any more subversive.

Its co-author, Gene Weltfish, refused recently to tell a Congressional investigative committee she was not a Communist party member. That's standard incriminating evidence these days, not only of championing Communism, the ideology, but of outright affiliation with the Moscow apparatus. She ought to be shot as a traitor instead of used to make traitors of our ministers and children.

Furthermore, her book, made into a movie under the title Brotherhood of Man, by known Communists, is distributed by the International Workers Order. This is reported on page 192 of of the 1948 Report of the California Un-American Activities committee which adds that the International Workers Order was "cited by Attorney General Biddle as 'One of the strongest Communist organizations.'"

But the Races of Mankind also is Zionist, for it originally was produced under ADL influence and the ADL now advertises it in its catalogue circulated in our churches and public schools—a copy of which catalogue I have.

A children's version of the Communist-Zionist Weltfish book titled In Henry's Back Yard is now being used by the First Presbyterian Church in my home town and doubtless in yours, to pour Red hogwash into Sunday school classes—making our children ashamed or afraid to uphold Anglo-Saxon interests.

The United Lutheran Church is just as bad

JEW BEAT DRUMS OF VICTORY BEFORE BATTLE COMMENCES

—(Continued from Page 1)—

the enemy was not launched to satisfy the egos of their conspiratorial brothers but rather to propagandize the Christian populace of America into thinking that a Christian, McGinley, had been castigated legally for having the audacity to expose the Chosen People for what they really are and, further, to remind Christians of what happens to anyone who dares to oppose the will of the "Super-Plotters".

We are aware that the ensuing legal battle with the enemy is going to be a costly and lengthy one. Under ordinary circumstances it would be a pushover for the enemy because of the tremendous odds against us. However, it will not be easy for them this time.

It is a fact well known to the informed that when a Jew engages in a law suit against a Christian, the former usually wins for the following reasons: (1) Through his influence—the Jew can put pressure upon the right people at the right time, (2) When the Jew enters court he is not restrained by principles or ethics the way the Christian is: When the Christian holds his hand on the Bible and takes an oath, he is morally bound to abide by the rules and laws of the court; when the Jew holds his hand on the Bible and pretends to take an oath, it is just a foolish act to him because he does not believe in the Book he is swearing on, therefore the Jew is not morally bound by any of the rules or laws of the court and he is absolved from keeping any oath affecting a Christian by the terms of the "Kol Nidre". (3) The Jew has plenty of money at his disposal to guarantee the success of any legal fight against a Christian so long as the fight is in essence "anti-Christian" whereas the Christian must usually receive help from other patriotic Christians or succumb to inevitable defeat.

HOW COMMON SENSE WILL WIN IN SPITE OF ALL OBSTACLES

Although it would appear impossible to overcome the obstacles referred to above, because of the "David and Goliath" circumstances, THEY WILL BE OVERCOME. Our guarantee that this will be accomplished lies in our deep faith in two sources of power which combine to form an unsurpassable force. One power is that which can only come from Almighty God. The other power, which is dependent upon the first, is the moral and financial support of the patriotic Americans who realize the dangers of atheistic Communism and other forms of radicalism threatening our very way of life. Although separated by many miles, these Christians unconsciously form the supply line and ammunition team that keeps the battle going on the front lines.

and the Methodist church is—if possible—worse, having had more years of experience under the guise of Christianity.

I find in some of the Presbyterian literature this year an actual condemnation of Anglo-Saxon consciousness and pride. We are told that we must now softpedal the Anglo-Saxon theme; it might offend other races. We must forget the welfare of our children; and when they are in slave labor camps, behind barbed wire, under the same type of organized minority secret police which captured and enslaved the white Russians, we are supposed to believe that our children will thank us for our "humanitarianism."

To show the full picture of the background of this bleeding-heart revolution I want to remind you of the report released by Intelligence officers of the C. S., British and French Armies in 1920 and published on page 1 of the Chicago Tribune, June 19 of that year. This report, which I quoted verbatim in an earlier issue, warned that the Communist party was only a part of the world revolution; that behind it and otherwise organized in all countries of the world, was a group of Jewish individuals whose ambition was to establish 'a new racial domination' of the world's trade and finance—and to accomplish their ambition these Jews would have first to destroy the Anglo-Saxon influence.

The puzzle is that we Anglo-Saxons seem so anxious to be destroyed. We are the Schmoos (or schmoes) who love to be eaten.

This is one of the most momentous stories of modern times but have you seen mention of it in a single paper?

Are we going to let our country and our freedom go by default?

If you will write to COMMON SENSE, we will send you free, a leaflet showing how the National Council of Churches has taken Christ out of the Revised Bible.

We will also send you photostatic proof that the American Jewish Committee boasts that they are shaping policies for Catholics and Protestants.

A FEW FACTS ABOUT THE PENDING PRINZ-McGINLEY CASE:

Before the summer court recess Rabbi Prinz and his American Jewish Congress lawyers, in a special pre-trial deposition examination, questioned Mr. McGinley for four hours. It was interesting to hear the questions and the demands by the Jews. Their main interest seemingly was to obtain the list of COMMON SENSE subscribers and the list of contributors to the fight it is carrying on. In fact, they are seeking a court order compelling Mr. McGinley to produce said names. This tactic for obtaining the names and addresses of supporters is an old one.

The Zionists made an abortive attempt to secure some of COMMON SENSE'S records three years ago and in the process two lawyers and two deputies (all Jews) handcuffed Mr. McGinley and dragged him out of the office to jail. These Zionist Jews did not gain one bit of information and for several reasons it is not likely that they will. Now we have the same strategy from the same group in a different law suit.

The Jews consistently seek through suits such as the one pending to use the courts to obtain the names and addresses of persons who support worthy causes. They know that if they can get to these supporters and intimidate them the cause will collapse. Well, be it known right here and now, for the benefit of all who may read, that before a single name is given to the enemy (or anyone else, for that matter) everyone connected with COMMON SENSE will go to jail, if necessary. Jews used the same trick or subterfuge way back when they were hunting Christians out of the Catacombs. How dumb do they think we are?

AMERICANS ARE OUR BACKBONE

Because of the tremendous amount of work that the small staff here at COMMON SENSE has to accomplish, we have been unable to find the time to send out an appeal for funds. This may sound ridiculous but it does not alter the fact. We have been so busy that we have had no time to appeal for the needed ammunition to fight with. If you could send us a donation we would certainly appreciate it. Word has reached us that some people think we are backed by large sums from influential men. Unfortunately this is not so. If it were the enemy would not be in the prominent position it is now, we assure you. We must depend upon patriotic Americans to stand by us. So, let's hear from all of the patriots in the 48 states and throw a barrage at the enemy that he will never forget.

We have three fine lawyers on our side but their expenses must be taken care of. As you know the two Dillings from Chicago are assisting our local counsel, in representing the editor of COMMON SENSE and, when they get in your corner, the enemy knows he is in for a fight.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

DECRIES U. S. CONCERN OVER FOREIGN LANDS

It would seem that the paid representatives of the American people (our Senators and Congressmen) spend nine-tenths of their thoughts and energy devising ways and means to deprive Americans of their resources, in favor of foreign countries. And the other one-tenth in finding ways to evade laws which are good for America (such as the McCarran Immigration Act), by admitting more hundreds of thousands of undesired refugees. These men are always much more concerned about what foreigners will think of our actions than they are in serving the best interests of Americans.

At the same time, they impose confiscatory taxes on Americans; permit the treasonous rabble called U. N. on our soil, fiddle around with civil rights and encourage pre-eminent "rights" for the minorities over the majority.

Maybe these men should be compelled to register as agents of foreign powers and draw their sustenance from the taxpayers of those countries whom they most benefit! Seems as though there ought to be some way to get some Americans in Congress who believe in the Declaration of Independence (from foreign nations), our Constitution, the Monroe Doctrine, and the ideals upon which our Republic was founded! Senator Wiley, tool of the Eisenhower Administration for foreign interests, is my candidate for a medal as "most able stooge for foreign meddling". This so-called Republican Administration appears to be even more internationalist and boondoggling than its predecessors — which is why some of us opposed the nomination of Eisenhower, who apparently wants to be all things to all people—except Americans.

BE A LIFETIME SUBSCRIBER

\$25 is a cheap price to pay for the information contained in COMMON SENSE. What other paper would dare to print the truth? Be a lifetime subscriber for only \$25 and at the same time help us carry the terrific burden involved in financing COMMON SENSE. We need money urgently. If we lose this fight, you have more to lose than we have, dear reader, as we have already put everything we've got into this cause for Christ and America,—our very life is all that we still have to offer. If you furnish the ammunition, we'll stay at the front lines.

PATRIOTS:

It is still possible to save our country from Marxist slavery, but there is only one way in which it can be accomplished. A sufficient number of people must be informed so that they know the facts. We must have Crusaders. If we remain indifferent, uninformed and do not make sacrifices, we will then go down as other countries have, for the enemy remains active.

THE MOST DIABOLICAL PLOT IN WORLD HISTORY. PROOF THAT COMMUNISM IS A JEWISH WORLD PLOT TO ENSLAVE THE GENTILES BY ORCHESTRATING WARS AND REVOLUTIONS, AND TO SEIZE POWER DURING THE RESULTING CHAOS AND TO RULE WITH THEIR CLAIMED SUPERIOR INTELLIGENCE AS THE CHOSEN PEOPLE.

FULFILLMENT STEADILY PROGRESSING WHILE THE GENTILES, AS PREDICTED BY THE PROTOCOLS, ARE SUPPLYING IT FROM ONE EVENT TO ANOTHER, UNAWARE OF THE OVERALL PLAN WHICH IS FAST EN-CIRCLING THEM.

YES, WE DARE YOU TO READ THIS AMAZING INDICTMENT OF THE MASTER-PLANNERS OF THE WORLD.

THIS BOOK CONTAINS THE SELF ADMISSION BY OUR ENEMIES, 48 YEARS AGO, OF THE INTERNAL STRIFE AND CHAOS WHICH WAS TO BE BROUGHT TO AMERICA. AND HAS BEEN BROUGHT TO AMERICA!

COMPARE THE PLANS LAID DOWN BY THESE MASTER MINDS OF CRIMINAL CONSPIRACY WITH THE CONDITIONS OF TODAY AND THEN FORM YOUR OWN CONCLUSIONS.

This is a new and different book just received. It contains the 24 Protocols with added appendix No. 1 and appendix No. 2—Very interesting.

We know that everyone interested in the condition of the world and particularly America will want one of these Protocols. We say particularly America because the prophecies of destruction so aptly outlined in the Protocols have already been carried out in Europe and are almost completed in America.

In order to understand Communism, Marxism, Fabianism, Socialism, and Zionism and all other forms of tyranny one must be informed as to the International Super-Government and the plan to destroy freedom.

For your copy of the protocols send \$1.00 to COMMON SENSE, Union, N. J. Buy six and give to your friends; \$5.00.

RED HIGHLIGHTS

Citizen Harry Truman to receive the Hebrew University Bublick Award for 1953. The award is given for "outstanding public service to Israel, the Jewish people, and all mankind" . . . Tito served notice on the world that he does not intend to veer from the course of Communism. This is the "Bozo" that took millions of dollars from the American suckers, and wants more. . . . The ousted Leftist Prime Minister of British Guiana, Cheddi Jagan, married one Janet Rosenberg, "Jew", from Chicago, who was arrested with him. . . . Bruno Pontecorvo and Alan Nunn May, the two atom spies, are both "Jews". . . . Ben Hecht, the anti-Christian author and cited Communist front man, is to produce seven TV shows for Willys Overland this winter. It is understood that the Kaiser Company owns Willys Overland and the big money man behind Kaiser is Bernard Baruch. This would be no surprise to us since Baruch helped finance the Spanish revolution where 400,000 Christians were slaughtered. . . . Anna Rosenberg to get this year's Yeshiva "Jewish" University Annual Award. As a "Jew" she did a good job in placing thousands of employees in the government. You can imagine the type of people she hired

C. D. Jackson, member of Ike's new Defense Staff, is a "Jew". Who would have thunk it? . . . President Eisenhower agreed to accept the America's Democratic Legacy Award from the Anti-Defamation League of the B'nai B'rith. This organization is the secret Gestapo in America behind the whole anti-Christian Jewish criminal conspiracy. Instead of investigating it the President of the United States is being crowned an honorary member. . . . According to the B'nai B'rith Messenger in its column, "Strictly Confidential" Gregory Peck is "Jewish" and doesn't care who knows it. . . . The "Jewish" War Veterans have gone on record against Senator Joe McCarthy. . . . Dr. Nahum Goldmann, President of the World Jewish Congress and leading Israel diplomat, in a speech in Geneva made a startling observation which should remind the Arabs what the "Jews" of the world have in store for them. He stated that Israel has now only 10 percent of its potential population and that it aspires to the other 90 percent. Where will Israel settle the other 90 percent (ten million "Jews") if not in the territory of its Arab neighbors?

Samuel Reber, former Deputy U. S. High Commissioner for Germany and U. S. Foreign Service is a "Jew". . . . Rabbi Ira Eisenstein, president of the Rabbinical Assembly of America called on all Rabbis to oppose the "terror and intimidation" spread by the McCarthyites. As leaders of our people we must uphold the sacred right to be different. We Jews have most to lose from the unchecked forces of conformity as we have most to gain from freedom, from the assertion of individuality," Eisenstein stated. . . . Rabbi Bernard Mandelbaum, dean of students at the Jewish Theological Seminary of America attacked Senator McCarthy, McCarran, and Jenner at Charlottesville, Va. . . . Henry E. Schultz, "Jew", National Chairman of the Anti-Defamation League of B'nai B'rith, attacked those who fight Communism as bigots, superpatriots, and dark reactionaries. . . . President Eisenhower flew to Atlantic City to address the United Church Women of the National Council of Churches. This organization used to be called the Federal Council of Churches before it was branded as a subversive movement. It is known to have many Communists and Reds within its folds. . . . M. Martin Katz, "Jew", of Los Angeles, confirmed for Chief of Legal Research for Judicial Council of the State Supreme Court.

I. YOU WILL BE SHOT!

II. OR AT BEST CONFINED TO THE CONCENTRATION CAMPS they have built for you at Avon Park, Fla.; Allenwood, Pa.; Florence, Ariz.; Tula Lake, Cal.; and El Reno, Okla.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

IV. Every Senator and Congressman is constantly voting on questions concerning

control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

XV. The International Jewish Council met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy

power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a deliberate act) in 1921 and 1929, they brought on the depressions. (The Jewish plan—see the Protocols).

Protocol XX. 20. "Economic crises have been produced by us for the goyim (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "Mullins on Federal Reserve" documents the details of this operation from economic

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries — Poland, Hungary, Czechoslovakia, Roumania (Estonia, Latvia and Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and mink coats while the Gentile population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and has recently been appointed Chairman of the U. S. Atomic Energy

115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me. But it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to unscramble the Red network she set up if America does not pass out before.

XXXV. She was backed by BERNARD BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

XXXVI. Jew EISENHOWER caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EISENHOWER was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EISENHOWER in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, advised all witnesses to refuse to answer

the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egotism of the importance of their positions and thinking they are the all-wise mentors of the nation passing on its vital questions, whereas they are guilty of the grossest hypocrisy of all times in evading the one and all important issue which is the foundation of all other questions. They are presiding over the dissolution of the white race.

VI. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

VII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals

of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czars were carried out by Jews.

XVIII. BERNARD BARUCH gave \$50,000 to WOODROW WILSON'S campaign, backed by WARBURG of Kuhn Loeb & Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913" which he did—which placed the banking

journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity), 1921 and 1929 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there would have been no war as neither side could afford war. But the Jews wanted war in order to have Gentile destroy Gentile, and to bring on world chaos and to seize power in the interim due to the emergencies created.

XXIII. WILSON put the U. S. into the war to bale out the Jewish banking interests which had elected him, and he put three Jews in complete charge of the United States — BERNARD BARUCH as head of War Industries Board, PAUL WARBURG as head of banking interests, and EUGENE MEYER who now owns the pro-red paper "Washington Post" and also controls Allied Chemical and Dye, head of the Liberty Loan drive. BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made

Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EISENSTEIN, and the rest of their Jewish conspirators.

XXIX. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their own making, brought about by them in order to put us in a military straitjacket to them.

XXX. Why did Truman in 1945, in appointing a five-man civilian board Atomic Energy Commission, appoint four Jews as members? Chairman DAVID LILIENTHAL, then shown to be a member of two Communist fronts, yet backed by BARUCH for the position. Other Jew members, W. W. WAYMACK, LEWIS L. STRAUSS and R. F. BACHER.

XXXI. Why does EISENHOWER now appoint LEWIS L. STRAUSS, Jewish KUHN LOEB banker, as Chairman of the U. S. Atomic Energy Commission? Hearst newspapers acclaim STRAUSS because he urged TRUMAN to build the H bomb. Of course he did. He would know that Russia would then obtain the secrets and build it. This will bring on the world crisis faster.

XXXII. Why did Eisenhower appoint

questions before Congressional committees.

XXXVII. Jewish international bankers forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish international bankers promoting Communism in accordance with the Jewish plan to control the world as outlined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supplies of money, they can buy anything—Protocol III. 11. With the aid of gold — which is all in our hands — we shall create universal economic crises which will bring industry to a standstill.

Protocol IV. 4. To give the Gentiles no time to think, their minds must be diverted — thus all nations will take no note of their common foe.

XXXVIII. The U. S. is already captured. Its government is under the control of its eleven million Jews headed by the BARUCH, FRANKFURTER, LEHMAN, MORGENTHAU, WARBURG gang.

could not take place when a goodly number act simultaneously.

VIII. Communism is a Jewish world mastery plot.

IX. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

X. The Jews consider this their destiny as "the chosen people".

XI. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

XII. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they con-

reserves of the United States under the control of the Jewish international bankers, ROTHSCHILD, KUHN, LOEB, and LEHMAN, etc.

XIX. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

XX. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold to the Federal Reserve Banks, financed by deposits of commercial banks throughout the country — YOUR MONEY. The U. S. government pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 141-2 million dollars a day. Today, 1953, the National debt is 276 billion dollars. Can you see where the money,

himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Adviser to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foisted on America in their plot. BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time Magazine, Jan. 2, 1939.)

XXV. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

Jewish Austrian-born Professor ARTHUR F. BURNS his Economic Adviser? (The Protocols say the Jews must occupy the positions of economic advisers).

XXXIII. Why did EISENHOWER appoint Jewess FREDA B. HENNOCK Federal Communications Commissioner, and Jew SAMUEL B. GRONER her assistant? The Protocols say they must control all communications.

XXXIV. ANNA M. ROSENBERG, member of the Communist Party, according to sworn testimony by RALPH DE SOLA, hired 10,000 people for the Manhattan (Atomic Energy) project, (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about

ruled by eleven million Jews. A nation within a nation. And in the world billions of Gentiles are ruled by 16 million world Jews.

XXXIX. DAVID SENTER, political writer for the Hearst papers on July 6, 1953, states that the man behind the guns in the EISENHOWER administration is SIDNEY JAMES WEINBERG. Wall Street investment banker of GOLDMAN, SACHS & COMPANY. It is clear that the Eisenhower cabinet was hand-picked by WEINBERG'S man, General LUCIUS CLAY, whom WEINBERG made Chairman of Continental Can. Jews WEINBERG and BARUCH rule EISENHOWER. That is definite.

XL. While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years ago. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers. (SEE OTHER SIDE)

XLII. Only the form a Republic is maintained, deceiving the people into believing they have a Republic. They have none on local level only, not on a national level.

XLIII. The Executive is powerful. Congress is powerless. By patronage and by strategy the Executive gets his way. He can buy legislation. Congressmen admit they have no check on the astronomical budget figures they vote for, and once voted, the Executive can spend it at will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

XLIV. The invisible Jewish government has been in control of the U. S. since F. D. R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Roumania.

XLV. The land in Israel is owned by the PALESTINE POTASH CORP. and the PALESTINE ECONOMIC CORP. represented in the United States by the National Jewish Fund. Arabs had occupied part of this land for 1,300 years and part 1,700 years. The Jews came in from other parts of the world and murdered the Arabs and pushed nearly a million into the desert

Constitution, and trial by jury. It makes it a crime to say anything reflecting upon any race, or group, and this law the Jews want so they can proceed unhindered in their plot, and it will be criminal to accuse them.

(j) Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 8 year periods and with the military whip-hand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(k) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the

of Public Law No. 114, but caused adoption of the policy whereby we were not allowed to win the war.

Proctor II-4 says "It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought to the economic ground. . . . Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves."

LIV. EISENHOWER advocated the LEHMAN-inspired legislation to admit 214,000 additional immigrants (mostly Jews, you will see) to replace the Gentile Americans destroyed in the Korean war. Eighteen glib Republican Senators sponsored this legislation which they would have voted against the previous year had TRUMAN introduced it, but now they consider they have a "Republican" President. Since the end of World War II, ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands supinely while all this goes on as though it were a little child and

with Ned China.

(e) He refused to enable CHIANG KAI-SHEK to invade the mainland.

(f) He refused to win the Korean war.

(g) He gave the Communists everything they asked in the truce negotiations, including giving up the strategic island of Cho and two others.

(h) He is against tax reduction, although he had promised it.

(i) He has refused to clean out the Reds in government positions.

(j) He is against McCARTHY and never talks against the enemy from within but only against the enemy from without. (In line with the Protocols wherein they say they will divert the attention of the people while they do their work of the plot.) To give the Gentiles no time to think, their minds must be diverted. . . . thus all nations will take no note of their common foe-4."

(k) He is for the United Nations (which is to be the Jewish World Government).

(l) He appointed the pro-communist Harvard President CONANT as High Commissioner of Germany.

(m) He appointed the BARUCH-WEINBERG chosen BOHLEN as Ambassador to

Semitism is "Jew-conscious." If a group is guilty of a crime against others, then they should be decied as a group, just as you would decry the Capone gang or the Mafia for the same reason.

Members of Congress, Awaken now or you will be shot! This is your last chance. When the Jews pull the dictatorship, they will shoot you or put you in concentration camps. You have presided at the passing of the United States and the passing of the white race. You let it happen. Now get together in one mighty effort to stop it. This is reality. You have only one chance left and that is to arrange a simultaneous outcry by a group of your fellow members of Congress to indict this conspiracy by the size of which the Capone gang and the Mafia are infants. The Jewish Anti-Defamation League, it's B'nai B'rith, the American Jewish Congress, are subversive conspiracies carrying out the Jew plan. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate — none disavow it. They have been taught it for hundreds of years. The Protocols of Zion are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted

where 850,000 still exist.

XLV. WINSTON CHURCHILL sent his war time messages to ROOSEVELT through BERNARD BARUCH who had his apartment in the Waldorf-Astoria in New York.

XLVI. ANTHONY EDEN recuperated from an illness at the Rhode Island home of the daughter of Jew, OTTO KAHN, one of those who financed the Russian revolution. Mrs. OTTO KAHN was feted by Bolshevik Russia like an empress.

XLVII. THE JEW PLAN

(a) To cause wars to consume the American Gentile manpower which should be the seed of this nation.

(b) To replace the consumed American Gentiles with Jewish immigrants from Europe and Asia.

(c) To consume the money of the American Gentile population by the direct and indirect taxes necessary to pay the interest to the Jewish international bankers on the national debt and to pay national budgets brought about by the cost of the wars and the preparation for wars.

(d) To enforce non-segregation in order that intermarriage of white and colored races (which always results in colored offspring) will be brought about and thus cause the passing of the white race, which

same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees and for which he has made public speeches, advocating that the President be given complete authority to mobilize everyone from 17 to 70, in event of attack or threat of attack by Russia, a threat he and his gang will bring about at the desired time, because they control the government of the Soviet Union, as well as of England, France, Israel, and the United States.

THE PASSING OF THE WHITE RACE

XLVIII. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then, the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world.

This plot could not go on if the newspapers of the country would inform the people. Papers daily speak of the world crisis yet not one of the regular commercial dailies has the guts to come out with the truth of the Jew plot. They would lose some Jewish advertising dollars — so better to have wars and the dissolution of the United States and the passing of the white race than to lose those precious Jewish advertising dollars. The newspapers need to

not supposed to know.

LV. HENRY MORGENTHAU JR., Secretary of the Treasury, with HARRY DEXTER WHITE (WEISS), Under Secretary and Communist (who committed suicide when exposed) and HAROLD GLASSER — all Jews in charge of our Treasury — gave to the Communists money plates complete with three plane-loads of secret ink and four plane-loads of secret paper for printing our money in East Germany to pay two years' salary to Communist soldiers. Jewish refugees brought millions of this money to the U. S. to set up in business.

LVI. More Koreans are to come in the future, to consume more Gentile American manpower which should be the seed of this nation. We now have our men scattered in 49 countries.

LVII. More letting down of the Immigration Laws is to come, to let in more Jews to take the place of the consumed American Gentiles.

LVIII. When the United States is worn down enough and the Russian H-bomb stockpile is built up enough so that Russia can win then the Jews will bring about World War III to exhaust the white race so that the remnants left will submit to world government in desperation, which will be a "Jewish World Government."

Russia, he being a ROOSEVELT-TRUMAN favorite interpreter and adviser, who still contends the Yalta and Teheran decisions were right.

(n) He appointed the ROOSEVELT-TRUMAN favorite General WALTER BEDELL SMITH as Undersecretary of State, who is one of the five men who knew the Japs were on the way to attack us at Pearl Harbor and did not alert our forces there.

(o) He sponsored the legislation to admit 214,000 additional aliens in the next three years and secured its passage.

(p) He is against the WALTER-McCARAN Immigration Law.

(q) He is for raising the debt limit of the United States.

(r) He is for keeping up the foreign spending to finance socialistic governments in other countries while tearing down the United States.

(s) He is against bookburning but wants U. S. citizens taxed to supply Red slanted books to foreign libraries.

(t) He is for Universal Military Training, and has appointed a committee to study it, which committee he has handpicked of those in favor of it, and appointed JULIUS ADLER, a Jew, as Chairman.

LXII. Eisenhower has moved the Jews into top position in our government, in

his in his Convention Speech in 1784, and you have carried it out and brought it to the point at which the trap is about to snap. Get together at once and undo it or be prepared to take the consequences and you and your posterity will be wiped out or go into slavery forever. There is no time for delay.

In case you think we are prejudiced, history for more than 1,000 years indicates that wherever these people have settled that it was necessary to evict them eventually—Babylon, Spain, France, England, and as recent as 1939, Germany. And it will happen in America.

What YOU Can Do

TO U. S. SENATORS and CONGRESSMEN

1. Organize into a group willing to save America by simultaneous action.
2. Outlaw Communism.
3. Make treason during peace time a crime punishable by death.
4. Outlaw the Anti-Defamation League and the American Jewish Congress.

TO STATE LEGISLATORS IN THE 48 STATES:

1. Form groups of fellow Legislators willing to save America by taking simultaneous action.
2. Outlaw the Anti-Defamation League and American Jewish Congress.

race the Jews consider their only obstacle to the fulfillment of their Protocols plot, as they feel their superior intelligence (as they call it) will enable them to easily rule over a world of colored races.

also arrange a simultaneous exposure of the plot.

XLIX. Jews brought on World War II and its aftermath, had us fight it in order to remove the two barriers, Germany and Japan from Russian expansion in order to make the present World Crisis.

L. The Jews caused the stooge TRUMAN-ACHESON gang to build up TRUMAN to present a threat to the United States which they could then use to put the United States in a military dictatorship strait-jacket, which is fast on the way.

LI. The Jews caused F. D. ROOSEVELT to give Manchuria and Poland to the Communists and to divide Germany and Korea — see results. FRANKFURTER, directing the State Department, gave China to the Communists and sent General MARSHALL, their stooge, to spend 13 months breaking down enemies of Communism in China.

LII. They caused the Korean war to follow by having the U. S. refuse to arm the South Koreans, although knowing Russia armed the North Koreans to the teeth, and by withdrawing our troops and announcing we would not defend Korea. Colonel ALFRED G. KATZIN is U. N. representative to Korea. Why worry about military secrets when Jews are in such key spots?

LIII. This caused the invasion they desired, then they threw our troops in there without consent of Congress, in violation

LIX. They state they will then forbid the intermarriage of whites with whites. Whites will be allowed only to marry colored peoples in order to dissolve the white race.

LX. After they get the United Nations "Human Rights Covenant" passed, which gives all member governments the right to impose martial law if they consider themselves threatened, they will have their Russian friends perpetrate an event which they will call a national threat, enabling the government to put the United States under martial law, and then you will actually have in being the Jewish dictatorship which is now already in the seat of power but has not yet pulled the strings.

LXI. EISENHOWER is completely subservient to the Jewish Plotters and is carrying forward their Protocols Plot steadily. That is why:

(a) He is against the Bricker Amendment because he wants the United Nations to be able to set aside our Constitution, which will bring the destruction of America, and the setting up of Jewish World Government under the United Nations.

(b) He proposed and secured passage of treaties making our soldier boys subject to foreign courts. Surely he cares naught about protecting our American boys.

(c) He refused to blockade Red China.

(d) He refused to cut off aid being given to our so-called allies, who were trading

readiness for the day when they will "snap the trap."

(a) He has appointed Jew LEWIS L. STRAUSS as Chairman of the Atomic Energy Commission. STRAUSS is a member of KUHN, LOEB CO., investment bankers.

(b) He has appointed Jew ARTHUR F. BURNS his Economic Adviser.

(c) He has appointed Jew MEYER ROBERT GUGGENHEIM, Ambassador to Portugal.

(d) He has appointed Jew LOUIS ROTH-SCHILD Chairman of the Maritime Board.

(e) He has appointed Jew FRED HENNOCK, Federal Communications Commissioner.

(f) He has appointed Jew SAMUEL B. GRONER, Assistant Federal Communications Commissioner.

(g) He has appointed Jew MAX RABB his White House Assistant.

(h) He has appointed Jew I. JACK MARTIN liaison man between White House and Congress.

(i) He has appointed Jew CLARENCE D. DILLON (LAPOWSKI) Ambassador to France.

LXIII. The Gentiles have been willing to share America with the Jews, but the Jews are not willing to share America with the Gentiles. The Jews want it all, and to make the Gentiles their slaves.

3. They have trained "Military Government Units" and in a trial run in nine cities moved in and imposed Martial Law in the name of the United Nations. This was a dress rehearsal for what is to come.

4. Eisenhower's reorganization of the defense system is the BARUCH Plan, which puts the final authority in one man, the Chairman of the Joint Chiefs of Staff.

5. The State National Guard units everywhere have purposely been prevented from getting ammunition and equipment by the Federal Government. This is to prevent them from resisting the "take-over" when it comes.

Order from COMMON SENSE, The Nation's Anti-Communist Paper, 530 Chestnut St., Union, N. J.

Entered as Second Class Master January 27, 1948 at the Post Office at Union, N. J., under the act of March 3, 1879.

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES --- THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT --- FEW EVER ELECTED --- THOUSANDS MORE ON THEIR WAY

I. YOU WILL BE SHOT!

II. OR AT BEST CONFINED TO THE CONCENTRATION CAMPS they have built for you at Avon Park, Fla.; Allenwood, Pa.; Florence, Ariz.; Tula Lake, Cal., and El Reno, Okla.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egotism of the importance of their positions and thinking they are the all-wise mentors of the nation passing on its vital questions, whereas they are guilty of the grossest hypocrisy of all times in evading the one and all im-

portant issue which is the foundation of all other questions. They are presiding over the dissolution of the white race.

VI. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

VII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

VIII. Communism is a Jewish world mastery plot.

IX. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

X. The Jews consider this their destiny as "the chosen people".

XI. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

XII. For hundreds of years this has been

the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

XV. The International Jewish Council met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which

were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czars were carried out by Jews.

XVIII. BERNARD BARUCH gave \$50,000 to WOODROW WILSON'S campaign, backed by WARBURG of Kuhn Loeb & Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913"—which he did—which placed the banking reserves of the United States under the control of the Jewish international bank-

ers, ROTHSCHILD, KUHN, LOEB, and LEHMAN, etc.

XIX. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

XX. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold to the Federal Reserve Banks, financed by deposits of commercial banks throughout the country—YOUR MONEY. The U. S. government pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 141-2 million dollars a day. Today, 1953, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a deliberate act) in 1921 and 1929, they brought on the depressions. (The Jewish plan—see the Protocols).

Protocol XX, 20. "Economic crises have been produced by us for the goyim (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "Mullins on Federal Reserve" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity), 1921 and 1929 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there would have been no war as neither side could afford war. But the Jews wanted war in order to have Gentile destroy Gentile, and to bring on world chaos and to seize power in the interim due to the emergencies created.

XXIII. WILSON put the U. S. into the war to bale out the Jewish banking interests which had elected him, and he put three Jews in complete charge of the United States — BERNARD BARUCH as head of War Industries Board, PAUL WARBURG as head of banking interests, and EUGENE MEYER who now owns the pro-red paper "Washington Post" and also controls Allied Chemical and Dye, head of the Liberty Loan drive. BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Adviser to Presidents". He pre-

tends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foisted on America in their plot. BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time Magazine, Jan. 2, 1939.)

XXV. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries — Poland, Hungary, Czechoslovakia, Roumania (Estonia, Latvia and Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all govern-

ment positions and live in luxury with the finest cars and mink coats while the Gentile population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and has recently been appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EINSTEIN, and the rest of their Jewish conspirators.

XXIX. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their own making, brought about by them in order to put us in a military straitjacket to them.

XXX. Why did Truman in 1945, in ap-

pointing a five-man civilian board Atomic Energy Commission, appoint four Jews as members? Chairman DAVID LILIENTHAL, then shown to be a member of two Communist fronts, yet backed by BARUCH for the position. Other Jew members, W. W. WAYMACK, LEWIS L. STRAUSS and R. F. BACHER.

XXXI. Why does EISENHOWER now appoint LEWIS L. STRAUSS, Jewish KUHN LOEB banker, as Chairman of the U. S. Atomic Energy Commission? Hearst newspapers acclaim STRAUSS because he urged TRUMAN to build the H bomb. Of course he did. He would know that Russia would then obtain the secrets and build it. This will bring on the world crisis faster.

XXXII. Why did Eisenhower appoint Jewish Austrian-born Professor ARTHUR F. BURNS his Economic Adviser? (The Protocols say the Jews must occupy the positions of economic advisers).

XXXIII. Why did EISENHOWER appoint Jewess FREDa B. HENNOCK Federal Communications Commissioner, and Jew SAMUEL B. GRONER her assistant? The Protocols say they must control all communications.

hired 10,000 people for the Manhattan (Atomic Energy) project, (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me. But it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will

take ten years to unscramble the Red network she set up if America does not pass out before.

XXXV. She was backed by BERNARD BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

XXXVI. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, advised all witnesses to refuse to answer

questions before Congressional committees.

XXXVII. Jewish international banker forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish international bankers promoting Communism in accordance with the Jewish plan to control the world as outlined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supplies of money, they can buy anything Protocol III. 11. With the aid of gold — which is all in our hands — we shall create universal economic crises which will bring industry to a standstill.

Protocol IV. 4. To give the Gentiles no time to think, their minds must be diverted — thus all na-

tions will take no note of their common foe.

XXXVIII. The U. S. is already captured. Its government is under the control of its eleven million Jews headed by the BARUCH, FRANKFURTER, LEHMAN, MORGENTHAU, WARBURG gang.

155 million American Gentiles ruled by eleven million Jews. A nation within a nation. And in the world billions of Gentiles are ruled by 16 million world Jews.

XXXIX. DAVID SENTER, political writer for the Hearst papers on July 6, 1953, states that the man behind the guns in the EISENHOWER administration is SIDNEY JAMES WEINBERG, Wall Street investment banker of GOLDMAN, SACHS & COMPANY. It is clear that the Eisenhower cabinet was hand-picked by WEINBERG'S man, General LUCTUS CLAY, whom WEINBERG made

Chairman of Continental Can. Jews WEINBERG and BARUCH rule EISENHOWER, that is definite.

XL. While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years ago. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers.

XLI. Only the form a Republic is maintained, deceiving the people into believing they have a Republic. They have same on local level only, not on a national level.

XLII. The Executive is powerful. Congress is powerless. By patronage and by strategy the Executive gets his way. He can buy legislation. Congressmen admit they have no check on the astronomical budget figures they vote for, and once

(SEE OTHER SIDE)

voted, the Executive can spend it at will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

XLIII. The invisible Jewish government has been in control of the U. S. since F. D. R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Roumania.

XLIV. The land in Israel is owned by the PALESTINE POTASH CORP. and the PALESTINE ECONOMIC CORP. represented in the United States by the National Jewish Fund. Arabs had occupied part of this land for 1,300 years and part 1,700 years. The Jews came in from other parts of the world and murdered the Arabs and pushed nearly a million into the desert where 850,000 still exist.

XLV. WINSTON CHURCHILL sent his war time messages to ROOSEVELT through BERNARD BARUCH who had his apartment in the Waldorf-Astoria in New York.

XLVI. ANTHONY EDEN recuperated from an illness at the Rhode Island home

of the daughter of Jew, OTTO KAHN, one of those who financed the Russian revolution. Mrs. OTTO KAHN was feted by Bolshevik Russia like an empress.

XLVII. THE JEW PLAN

(a) To cause wars to consume the American Gentile manpower which should be the seed of this nation.

(b) To replace the consumed American Gentiles with Jewish immigrants from Europe and Asia.

(c) To consume the money of the American Gentile population by the direct and indirect taxes necessary to pay the interest to the Jewish international bankers on the national debt and to pay national budgets brought about by the cost of the wars and the preparation for wars.

(d) To enforce non-segregation in order that intermarriage of white and colored races (which always results in colored offspring) will be brought about and thus cause the passing of the white race, which race the Jews consider their only obstacle to the fulfillment of their Protocols plot, as they feel their superior intelligence (as they call it) will enable them to easily rule

over a world of colored races.

(e) To set aside our Constitution by means of treaty law with the United Nations and then set up world government of the United Nations which will be a Jewish world government.

(f) In any world government we will have 7 per cent of the vote, being 7 per cent of the world's population. They will outvote us and will ship millions of black and yellow people into the United States and with non-segregation laws, the white race will melt away, which is the Jew plan.

(g) Fair Employment Practices Commission, FEPC, the Genocide treaty, the Human Rights Covenant, and Universal Military Training are all Jewish Communist measures pushed by the Jewish controlled United Nations.

(h) F. E. P. C. is to force employers to hire Communists and colored people with no freedom of choice, in order to break down white control of industry, and also to bring about intermarriage of whites and colored by non-segregation in industry, to further the wiping out of the white race.

(i) The Genocide treaty could force you to be taken to Russia to be tried without protection of the U. S. Courts and U. S. Constitution, and trial by jury. It makes it a crime to say anything reflecting upon any race, or group, and this law the Jews want so they can proceed unhampered in their plot, and it will be criminal to accuse them.

(j) Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 8 year periods and with the military whip-hand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(k) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take

over all industry and all labor.

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees and for which he has made public speeches, advocating that the President be given complete authority to mobilize everyone from 17 to 70, in event of attack or threat of attack by Russia, a threat he and his gang will bring about at the desired time, because they control the government of the Soviet Union, as well as of England, France, Israel, and the United States.

THE PASSING OF THE WHITE RACE

XLVIII. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then, the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world.

This plot could not go on if the newspapers of the country would inform the

people. Papers daily speak of the world crisis yet not one of the regular commercial dailies has the guts to come out with the truth of the Jew plot. They would lose some Jewish advertising dollars — so better to have wars and the dissolution of the United States and the passing of the white race than to lose those precious Jewish advertising dollars. The newspapers need to also arrange a simultaneous exposure of the plot.

XLIX. Jews brought on World War II and its aftermath, had us fight it in order to remove the two barriers, Germany and Japan from Russian expansion in order to make the present World Crisis.

L. The Jews caused the stooge TRUMAN-ACHESON gang to build up Russia to present a threat to the United States which they could then use to put the United States in a military dictatorship strait-jacket, which is fast on the way.

LI. The Jews caused F. D. ROOSEVELT to give Manchuria and Poland to the Communists and to divide Germany and Korea — see results. FRANKFURTER, directing the State Department, gave China to the Communists and sent General MARSHALL, their stooge, to spend 13 months breaking down enemies of Communism in China.

LII. They caused the Korean war to follow by having the U. S. refuse to arm the South Koreans, although knowing Russia armed the North Koreans to the teeth, and by withdrawing our troops and announcing we would not defend Korea. Colonel ALFRED G. KATZIN is U. N. representative to Korea. Why worry about military secrets when Jews are in such key spots?

LIII. This caused the invasion they desired, then they threw our troops in there without consent of Congress, in violation of Public Law No. 264, but caused adoption of the policy whereby we were not allowed to win the war.

Protocol II-1 says "It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought to the economic ground. . . . Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves."

LIV. EISENHOWER advocated the LEHMAN-inspired legislation to admit 214,000 additional immigrants (mostly Jews, you will see) to replace the Gentile Americans destroyed in the Korean war. Eighteen gul-

libe Republican Senators sponsored this legislation which they would have voted against the previous year had TRUMAN introduced it, but now they consider they have a "Republican" President. Since the end of World War II, ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands supinely by while all this goes on as though it were a little child and not supposed to know.

LV. HENRY MORGENTHAU JR., Secretary of the Treasury, with HARRY DEXTER WHITE (WEISS), Under Secretary and Communist (who committed suicide when exposed) and HAROLD GLASSER — all Jews in charge of our Treasury — gave to the Communists money plates complete with three plane-loads of secret ink and four plane-loads of secret paper for printing our money in East Germany to pay two years' salary to Communist soldiers. Jewish refugees brought millions of this money to the U. S. to set up in business.

LVI. More Koreans are to come in the future, to consume more Gentile American manpower which should be the seed of this nation. We now have our men scattered in 49 countries.

LVII. More letting down of the Immigration Laws is to come, to let in more Jews

to take the place of the consumed American Gentiles.

LVIII. When the United States is worn down enough and the Russian H-bomb stockpile is built up enough so that Russia can win then the Jews will bring about World War III to exhaust the white race so that the remnants left will submit to world government in desperation, which will be a "Jewish World Government."

LIX. They state they will then forbid the intermarriage of whites with whites. Whites will be allowed only to marry colored peoples in order to dissolve the white race.

LX. After they get the United Nations "Human Rights Covenant" passed, which gives all member governments the right to impose martial law if they consider themselves threatened, they will have their Russian friends perpetrate an event which they will call a national threat, enabling the government to put the United States under martial law, and then you will actually have in being the Jewish dictatorship which is now already in the seat of power but has not yet pulled the strings.

LXI. EISENHOWER is completely subservient to the Jewish Plotters and is carrying forward their Protocols Plot steadily. That is why:

(a) He is against the Bricker Amendment because he wants the United Nations to be able to set aside our Constitution, which will bring the destruction of America, and the setting up of Jewish World Government under the United Nations.

(b) He proposed and secured passage of treaties making our soldier boys subject to foreign courts. Surely he cares naught about protecting our American boys.

(c) He refused to blockade Red China.

(d) He refused to cut off aid being given to our so-called allies, who were trading with Red China.

(e) He refused to enable CHIANG KAI-SHEK to invade the mainland.

(f) He refused to win the Korean war.

(g) He gave the Communists everything they asked in the truce negotiations, including giving up the strategic island of Cho and two others.

(h) He is against tax reduction, although he had promised it.

(i) He has refused to clean out the Reds in government positions.

(j) He is against McCARTHY and never talks against the enemy from within but only against the enemy from without. (In line with the Protocols wherein they say they will divert the attention of the people while they do their work of the plot.) To

LXIII. The Gentiles have been willing to share America with the Jews, but the Jews are not willing to share America with the Gentiles. The Jews want it all, and to make the Gentiles their slaves.

LXIV. The Jews cry Anti-Semitism when ever accused, but the correct name for anti-Semitism is "Jew-conscious." If a group is guilty of a crime against others, then they should be decied as a group, just as you would decry the Capone gang or the Mafia for the same reason.

Members of Congress, Awaken now or you will be shot! This is your last chance. When the Jews pull the dictatorship, they will shoot you or put you in concentration camps. You have presided at the passing of the United States and the passing of the white race. You let it happen. Now get together in one mighty effort to stop it. This is reality. You have only one chance left and that is to arrange a simultaneous outcry by a group of your fellow members of Congress to indict this conspiracy by the size of which the Capone gang and the Mafia are infants. The Jewish Anti-Defamation League, it's B'nai B'rith, the American Jewish Congress, are subversive conspiracies carrying out the Jew plan. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate — none disavow it. They have

been taught it for hundreds of years. The Protocols of Zion are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted this in his Convention Speech in 1784, and you have carried it out and brought it to the point at which the trap is about to snap. Get together at once and undo it or be prepared to take the consequences and you and your posterity will be wiped out or go into slavery forever. There is no time for delay.

In case you think we are prejudiced, history for more than 1,000 years indicates that wherever these people have settled that it was necessary to evict them eventually—Babylon, Spain, France, England, and as recent as 1939, Germany. And it will happen in America.

What YOU Can Do
TO U. S. SENATORS AND CONGRESSMEN

1. Organize into a group willing to save America by simultaneous action.
2. Outlaw Communism.
3. Make treason during peace time a crime punishable by death.
4. Outlaw the Anti-Defamation League and the American Jewish Congress.

TO STATE LEGISLATORS IN THE 48 STATES:

1. Form groups of fellow Legislators willing to save America by taking simultaneous action.

2. Outlaw the Anti-Defamation League and American Jewish Congress.

3. They have trained "Military Government Units" and in a trial run in nine cities moved in and imposed Martial Law in the name of the United Nations. This was a dress rehearsal for what is to come.

4. Eisenhower's reorganization of the defense system is the BARUCH Plan, which puts the final authority in one man, the Chairman of the Joint Chiefs of Staff.

5. The State National Guard units everywhere have purposely been prevented from getting ammunition and equipment by the Federal Government. This is to prevent them from resisting the "take-over" when it comes.

TO EVERYONE:

The most effective move anyone can make to help preserve freedom in our beloved country is to read the Protocols carefully so you will know the plan, then, help make the Protocols available to others.

RED SPIES IN GOVERNMENT

The ghosts of dead traitors have thrown Washington politicians into a dither since Attorney General Herbert Brownell charged Harry Truman with knowingly promoting the Russian-born Jew spy, Harry Dexter White (Kovelsky). Hundreds of pages have been written for the entertainment of the naive citizens who do not understand that

Harry Dexter White (Kovelsky) was member of the Invisible Government that causes fear in Washington.

at the top directing the important movements of the Democratic and Republican parties, the real unpublicized directors are the powerful leaders of the Invisible Government. These men who pose as Democrats or Republicans to suit the situation are: Bernard Baruch, the Warburgs of Kuhn, Loeb & Co., Lehman Bros., Felix Frankfurter, Henry Morgenthau, Sidney J. Weinberg.

As shown by many written statements of Jewish authors, Jews are a nation within a nation and only use political parties insofar as they are useful in helping self-styled Jews to control the government. That Judaism is a world-wide conspiracy to enslave non-Jews can be easily and definitely proven. COMMON SENSE has in its library enough uncontestable evidence to engage a reader for two months.

Harry Dexter White is reported to have committed suicide on a farm near Fitzwilliam, N. H., on August 16, 1948 and buried the next morning, this just three days after he was exposed publicly as a spy. Some informed people believe it is quite possible this was a hoax and that White is alive. The Invisible Government had forced F. D. R. to appoint Henry Morgenthau as Secretary of the Treasury and who in turn had arranged for White as Assistant Secretary of the Treasury with Harold Glasser just under White. Hence three Jews had complete charge of the Treasury when Major George Racey Jordan was ordered to load plates for printing our money on a plane in Washington. Major Jordan says that this plane, along with three loads of the Treasury's secret ink and four plane loads of secret paper were flown to Alaska and turned over to the Communists to take to the Soviet Union. Communist soldiers in East Germany who had not been paid for two years were paid with this money, it was naturally redeemed by the USA (United Saps of America).

Jews Defy U N & Get U.S. \$

The English General, Morgan, who had charge of UNRA in Europe, under Herbert Lehman, made public that Polish Jews with their pockets stuffed with this money were coming into Germany demanding to be sent to the U. S. This explains why main streets in our best cities are owned mainly by Jewish immigrants. For this exposure, General Morgan was promptly fired by Herbert Lehman, the leading Marxist Jew, head of UNRA which used two billion dollars of the taxpayers' money to set up Tito and other Communist movements in Europe, while trusting Americans were told this money was for hungry people. Mr. Fred Smith, New York public relations man, says that it was White, the Communist-Jew spy who originated the Morgenthau starvation plan for Germany and Mr. Smith is quoted in newspapers November 14th and 15th, 1953, as stating he was with Henry Morgenthau and White when they met with Eisenhower in a tent in England on August 7, 1944. At this meeting these representatives of the Jewish people gave Eisenhower his orders to starve the German people and destroy their factories and make a "goat pasture" out of Germany. In this tent in England Eisenhower met with White, a proven traitor, and Morgen-

To All Council Members:

In order to obtain as clear a picture as possible of the issues in the present crisis between the United States and the State of Israel it is important that you keep in mind the following sequence of events since the spring of this year.

MAY. Secretary of State John Foster Dulles, accompanied by Mutual Security Director Harold E. Stassen, makes a tour of the Middle East, including Israel, a mission undertaken in an effort to see what can be done to restore United States prestige in the area.

JUNE 1. Dulles announces, in a nationwide broadcast, that United States policy toward the Middle East will henceforth seek to reflect "impartiality" as among the nations of the area. He speaks of the Arab fear of "expansionist Zionism". The Council approves the Dulles statement. Israeli and Zionist spokesmen express uneasiness over what it portends.

AUG. 11. Adlai E. Stevenson, in an article of "Look" Magazine entitled "No Peace for Israel" expresses views similar to those of Mr. Dulles.

SEPT. 23. Major General Vagn Bennike, Chief of Staff, United Nations Truce Supervision Organization, requests Israel to order stoppage of the hydro-electric project in the demilitarized zone between Israel and Syria.

OCT. 13. Israel offers to suspend work temporarily. The U. N. indicates that there is little likelihood of such an offer being accepted since the U. N. order to suspend the work contained no qualifications. Tel Aviv newspapers report Washington is withholding the first payment of Foreign Operations Administration funds because of Israel's attitude. Jordan authorities cooperate with UN

thau, whom investigators are yet afraid to prove and there the Morgenthau Plan was born. At this time Germany was using every ounce of energy to prevent Communism from breaking out of the Soviet Union and engulfing Europe. There in the tent were spokesmen for world Jewry demanding that Eisenhower stop Germany from defeating Communism. Now Eisenhower says he never met White (Kovelsky). Eisenhower carried out Jewish orders to break down Germany. Now that the matchless German army is destroyed, Germany laid in ruins and Europe helpless, Eisenhower asks the German people to help him prepare for another war purporting to be a war against Communism, while he protects and coddles in Washington the same people who prevented Germany from wiping out Communism. This is to be a war against the Russian People—not Communism. Just as we were told in World War II, it was a war against Hitler but proved to be a war to ruin the German race. Had the United States kept out of Europe, Communism would have been completely exterminated. Germany came within an inch of saving the world from slavery.

Elizabeth Bentley and Whittaker Chambers, former Communists, had identified White as a

WHY GERMANY FORGES AHEAD

Written in Berlin by Merwin K. Hart, President of National Economic Council Inc., and Published From Council Letter 322

A retired British General, who has seen a good deal of the world told me a few weeks ago in London that recently he remarked to some German workers that with increased food supply and better conditions they should be fairly content. When they disagreed, saying they needed more and better food he asked them why.

"Because then we could work harder," they said

Shortly afterwards, he observed to some British workers that, with most foods now unrationed and with improvement in conditions, they should be better satisfied. When they challenged his statement, he asked what they would do if further improvement took place.

"We wouldn't have to work so hard," they replied

These differing views rather epitomize the attitudes of a large part of the people in the respective countries. And several Englishmen to whom I repeated the story agreed.

Both Germany And Britain Lost the War

Germany was overwhelmed militarily, suffered frightful losses in men and property, still has several million of her citizens as virtual slaves in Soviet Russia. About a third of her territory was handed over (with the consent of the American government) to Soviet Russia, and the 18 million Germans in that occupied territory are now likewise slaves.

Yet the West Germans, after all their sacrifice, retain the will to live and to make their country great again. And they retain the willingness to make almost any sacrifice to survive.

On the other hand, Britain, one of the supposed victors in World War II, shows considerable deterioration since the War. Churchill and the Conservatives took it for granted they would win the election of 1945. Churchill did not realize, during the War years, that the Labor Party leaders, inspired by the Fabians (the authors of British Socialism) were sowing the seed of a Socialist victory at the war's end.

Churchill had said, toward the end of his Government, that he did not become the King's first minister in order to preside over the dissolution of the British Empire. But Attlee, his successor, scholar and sincere man though he is, proceeded to do exactly that—all with idealistic motives.

And, in addition, the Labor Government, heavily financed at Truman's dictate by American taxpayers, began an attack on private enterprise which led to the socialization of an important part of Britain's industry. Years of propaganda by the Fabians has softened the fiber of the British workingman.

In a generation or two the average worker has been changed from a sturdy, self-reliant individual, trusting mostly in himself to make his living, to a dependent, looking to the State for much of his support. Many times libertarian speakers have appealed to groups of British workers to realize they are losing their liberty—only to receive the grinning reply, "I couldn't care less!"

There's nothing new about all this—everybody knows it. But I repeat it as a prelude to the statement that most (by no means all) of the well-to-do middle classes in Britain years ago largely abdicated the responsibilities that go with citizenship.

THE FABIANS

Soon after the Labor Government came in, representatives of the Fabian Society approached a large association of businessmen of widely diversified interests—with a view to extending the socialization of business. It then developed that more than 70 per cent of the members of this association had never even heard of the Fabians! Yet, these Fabians had brought about an industrial and social revolution, and were actually in control of the British Empire! These businessmen (and we have their counterpart in the United States) hadn't bothered to keep informed about so vital a matter as their own liberty.

So, while Germany lost the war, and Britain was supposed to be one of the victors, yet Britain's net losses may prove to have been greater

over the years than Germany's. For Britain has lost most of her Empire, and there are signs she has so far lost the stamina and will to recover.

SOCIALISM AND COMMUNISM

Britain's Fabian Socialism has been more or less allied with Communism. The Socialism of Bevan and even Attlee has been the Marxist type. In 1937, as we have mentioned before, Attlee went to Spain and was photographed in the act of giving the Communist clenched fist salute with a British unit of the International Brigade, which had been set up by Soviet Russia to defeat Franco.

So, we're not too surprised to find some of the British Labor leaders working rather closely with Communism. But even the Churchill government seems not to differ too much from the Labor people on the subject of Communism. Britain is deeply infiltrated. MacLean and Burgess, two government officials who suddenly disappeared some two years ago (almost certainly behind the Iron Curtain) had held high positions in the British Government. One of them, endorsed by Britain, had spent some time in America where he had access to the topmost secrets.

Moreover, the scientist Pontecorvo, who apparently knew all that Britain knew about the H-bomb, was likewise permitted to disappear, and is now unquestionably directing Russia's development of this weapon.

When, some years ago the Russian, Gouzenko, walked out of the Soviet Legation in Ottawa with their secrets and turned them over to the Canadian Government, that Government immediately set up a Royal Commission of its own to investigate. This Commission, in the fine tradition of Royal Commissions in Britain, delved thoroughly into the entire field. It produced evidence not only of a great Soviet conspiracy in Canada but also in the United States. Yet, when the Canadian Prime Minister turned over pertinent parts of the evidence to President Truman, the latter ignored it.

If Truman had given earnest attention to this evidence, China would probably not now be under the control of the Soviets, the Korean War would never have taken place, and Russia would not now have the H-bomb.

The American Government has clearly learned a good deal of the truth since then. But, the Conservative Government of Britain seems to have learned less. Several thinking Britishers told me they have strongly urged their Government to appoint a Royal Commission to investigate Communism. One man close to the Prime Minister told me that under no circumstances will Churchill act on that suggestion. Apparently interests that exercise powerful influence over him will not permit it. Probably, too many men of influence would be shown to have tolerated Communism, if knowingly or unknowingly, they have not actually promoted it.

LABOR PARTY NOW LESS SOCIALISTIC

Britain changes slowly, a trait with advantages and disadvantages. At the recent Labor Party conference at Margate, even that Party seemed to have realized at last, that the nationalization of industry has had evil results, for Bevan's left-wing proposals were rejected. This received great publicity in the British press.

Churchill has so far changed only moderately the socialistic institutions set up between 1945 and 1950, though his address on October 11 before the Conservative Party Conference, likewise at Margate, strongly emphasized the importance of private enterprise. And we Americans should rejoice in the promptness with which Britain landed in British Guiana and ousted the radical Prime Minister before his Communist followers could do more damage.

LIBERTY HAS ALWAYS BEEN THREATENED

The London Times of August 11, 1846 (not 1946) said in an editorial with reference to then current threats to the liberty of the individual:

"The greatest tyranny has the smallest beginnings. From precedents overlooked, from remonstrances despised, from grievances treated with ridicule, from powerless men oppressed with impunity, and overbearing men tolerated with complacency, springs the tyrannical usage which generations of wise and good men may hereafter perceive and lament and resist in vain.

"At present, common minds no more see a crushing tyranny in a trivial unfairness or a ludicrous indignity, than the eye uninformed by reason can discern the oak in the acorn, or the utter desolation of winter in the first autumnal fall.

"Hence the necessity of denouncing with unwearied and even troublesome perseverance a single act of oppression. Let it alone and it stands on record. The country has allowed it and when it at last provoked to a late indignation it finds itself gagged with the record of its own ill compulsion."

The British Agriculture Act of 1947 provided that whenever bureaucrats should decide that any farmer was not farming with the efficiency they thought he ought to show, he could be forcibly dispossessed. And, many farmers have been thrown out of properties they and their ancestors have tilled for centuries—a far cry from the British tradition that "a man's house is his castle."

RED SPIES IN U. S. GOVERNMENT

(Continued from Page 1)

Communist spy. Newspapers during the first half of November carried definite proof that Truman and Eisenhower received written reports from the F. B. I. on Dec. 4, 1945, establishing that White was a Communist spy. Truman later, on January 23, 1946, promoted White to U. S. Director of International Monetary Funds and after White resigned wrote White that the President was much pleased with his services and would call on him again because his abilities made him particularly able to help. Truman had no other choice—the Invisible Government gave him his orders.

On November 10, 1953, Truman was the guest speaker at a dinner in New York given by the American Jewish Congress (which caused their Vice-President Rabbi Prinz to sue COMMON SENSE). Truman was given a plaque after he had praised Rabbi Stephen Wise, the founder of the A. J. C., a Marxist group of Zionist Jews. Ben Gitlow for ten years a top man in the Communist party told the Un-American Activities Committee lately that Rabbi Wise followed the Communist line and was very helpful to the Communists. On November 12th Truman was guest speaker at the Yeshiva Jewish University in New York, where he received honors for giving hundreds of millions of dollars of the taxpayers' money to Israel.

Do the Jews have something on Truman which forces him to kowtow to them? Truman was an associate of the Prendergast gang in Kansas City and while the President flew in the plane "Sacred Cow" to Tom Prendergast's funeral after his death in the penitentiary. The New York News of November 13th shows Truman with his head close to Samuel Rosenman, who advised Truman in evading his responsibility for protecting White, the traitor. Rosenman wrote speeches for F. D. R. and Truman while they were Presidents.

The Invisible Government now orders Eisenhower the Republican (?) to protect Truman the Democrat (?) and squash the investigation of White.

Why do the Congressional committees concentrate on White, a dead man; Why not go after Henry Morgenthau? Are we to believe Harry White, a Jewish school teacher, just applied for a job and was chosen as Assistant Secretary of the largest Treasury in the world, and later appointed the Director of International Monetary Fund just because he was the only man who could fill the job? Just as Anna Rosenberg was the only person qualified to run the Defense Department, and Lewis Strauss the only man qualified to have charge of Atomic Energy?

Any informed person knows White could not serve in that capacity one day unless placed there by the Invisible Government—the Warburgs of Kuhn, Loeb & Co., Lehman Bros., Bernard Baruch, Felix Frankfurter. They placed White in the Treasury Department and David Niles (Nilus) in the White House for years to protect White and see that F. D. R. and Truman were duped while Communism ran wild in Washington. These two Jews were placed there just as Leon Keyserling was placed under Truman as Economic Adviser, and now the Jew, Arthur Burns, as Economic Adviser under Eisenhower.

Why all this mystery about Harry Dexter White? It is very simple. He was just one of thousands of Jew spies during Roosevelt-Truman and now the Eisenhower administrations. The Atomic Bomb spies were all Jews and 99 1/2 of all the spies the U. S. has encountered have been Jews. Jewish organizations are forcing prominent men to appear and receive plaques at public dinners to make a smoke screen and prevent people from realizing Marxism is Jewish.

On November 23rd Eisenhower and others must be the puppets at a dinner in Washington given by the Anti-Defamation League (Jewish Gestapo). More smoke in the people's eyes.

Readers who wish a concise history of the "Coming Red Dictatorship" with photographs of 36 top Jews who run your government, write for "Dictatorship Sheet"—one free, 30 for \$1.00, 100 for \$3.00, 500 for \$10.00.

The following comes from Victor Marsden, Russian correspondent of the London Morning Post: "At present (1918) all Bolshevik Commissars are Jews. All the agitation for the 'glorious Revolution' both in 1905 and 1917 was worked out by Jews. The Jews have stripped Russia bare of all portable property . . ."

The American Hebrew stated (Sept. 10, 1920): "What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries. . . ."

As it became clear that the United States intended to support the UN on the question of the Israeli-Jordan situation, the Israeli press and government leaders, as was unquestionably their prerogative, proceeded to protest vigorously. In this country American citizens, both Zionists and so-called "non-Zionists" embarked upon a campaign to pressure the United States to reconsider its decision to withhold aid to Israel until Israel should agree to comply with UN request. They did so presumably despite their awareness that the United States action had been taken, in the interests of justice and in accordance with the very policy of "impartiality" which had been laid down by John Foster Dulles and supported, at least in principle, by the titular head of the opposition party.

MORE SPIES IN WASHINGTON

(Comment by Common Sense: Mentioned in this article Nathan Witt, John Abt, Julius J. Joseph, and Victor Perlo, are Jews.)

Washington — Procedures for administering the National Labor Relations Act are "essentially the same" today as when they were established, the Senate Internal Security Subcommittee was told by Nathan Witt, an attorney and secretary of the Labor Relations Board during the formative years of the nation's labor policy.

Under these procedures, the NLRB holds that it is unable to deny bargaining rights to any labor union, so long as its officers sign the non-Communist oath required by the Taft-Hartley Act and the union is otherwise qualified.

Witt and Edwin S. Smith, members of the Board in those early years, have been described to the subcommittee in sworn testimony as the dominant elements in this agency during their terms of service. Both refused to tell the subcommittee whether they were Communists while in Government employ.

Senator William E. Jenner (R., Ind.), subcommittee chairman, made Witt's testimony available today for public distribution. Smith had testified earlier.

Witt, in his testimony, minimized the part he and Smith played in shaping the legislation and procedure.

"It was the Congress that set up this machinery and not Nathan Witt or anybody else," he declared.

Senator Jenner, however, commented that the Act, as passed by Congress, provided for a wide area of administrative choice, over which the Board and staff had the decisive power.

Board members also told the subcommittee that they do not have authority to establish the truth or falsity of the non-Communist declaration. However, more recently, the NLRB chairman announced that if any union official is formally indicted, the request of his union for a collective bargaining election will be deferred until a determination of his case by the courts.

Witt told the subcommittee he is counsel for the International Union of Mine, Mill and Smelter Workers, whose president, secretary and several other officers refused, at an earlier hearing, to deny that they are Communists. He also said he "wouldn't be surprised" to find that he had filed a brief in behalf of the American Communications Association, several of whose officers also have refused while under oath to answer the subcommittee's questions regarding their Communist affiliations.

The volume released today also contains the testimony of John Abt, who, among other federal assignments, was counsel for the Civil Liberties Subcommittee of the Senate Committee on Labor and Education, and Julius J. Joseph, whose federal service included a period with the War Manpower Commission. All three were witnesses in the subcommittee's investigation of Interlocking Subversion in Government Departments.

"The testimony of these three men as to their relationships with the Communist Party is shocking," Senator Jenner declared.

Witt wrote a letter in 1940 to Representative Howard W. Smith (D., Va.), then chairman of the House Labor Committee, denying that he was a member of the Communist Party. In accepting Government appointments, Abt swore to support and defend the Constitution against all enemies. Joseph testified before the subcommittee that he never, to his knowledge, was a member of an organization dedicated to the overthrow of this Government by force and violence.

Yet each of these three, when under oath, refused to answer the question whether he was a member of the Communist Party, on the ground that to answer would tend to incriminate him.

Furthermore, Abt claimed the Constitutional privilege to refuse to answer, because of possible self-incrimination on all questions about his participation in a Soviet espionage plot with Elizabeth Bentley and Victor Perlo. Joseph, while he made a show of denying that he had ever engaged in espionage, refused to answer, under the Fifth Amendment protection against self-incrimination, whether he had ever furnished classified Government information to Miss Bentley, a former Soviet agent who has testified about her part in the espionage plot.

RED HIGHLIGHTS

Harry (the front-man) Truman is in the headlines again and this time we guess that he wished he had been fishing when the Harry Dexter White case came up. Harry Dexter White, the "Jew" spy, and David Niles (born Neyhus), "Jew", White House Advisor for F. D. R. and Harry, along with thousands of "Jew" spies have been working in the government for years. What is everybody getting so excited about all of a sudden. COMMON SENSE told its readers 3 years ago about this set up. Incidentally, Harry, who received the Hebrew University Bulbick Award for 1953, is to speak before at least three "Jewish" organizations during November and December of this year. The groups that will hear him at elaborate dinner functions are, the Friends of the Hebrew University, The American Jewish Congress, and the American Committee of the Weizmann Institute. These groups like to hear their Harry make such remarks as he did at a recent dinner given by the American Jewish Congress. We quote: "Fear of Communism is being manipulated by a few so as to cause a wave of hysteria." Good boy, you served the "Chosen People" well Harry . . . This is a hot one, and remember that a "Jew" is behind it. Representative Louis G. Heller (D., N. Y.) will introduce a bill at the next session of Congress making it obligatory for every adult to donate at least one pint of blood to the American Red Cross.

* * * * *

A casual investigation into the labor unions will prove that the majority of executive positions are held by "Jews". The latest example of this is the much publicized milk strike. The union representative for the Milk Drivers Union of New York and vicinity is Samuel Cohen, "Jew" . . . The government has announced that it is going to build the world's first atom power plant, and guess who is going to be in charge as Chief of the new project? Hyman G. Rickover. "Jew" . . . The new U. S. Solicitor General recommended to take Phillip Perlman's place is another "Jew" Simon Sobeloff. . . . Governor Dewey's legal counsel is George Shapiro, "Jew". . . . Henry Epstein, "Jew", former N. Y. State Solicitor General, was retained by Robert Wagner to institute suit against Governor Dewey. . . . Senator Lehman, back from a trip to Europe presented a blistering attack on "McCarthyism and McCarranism" and urged community efforts to bring information to the people so they may understand the grave issues facing the nation and may act accordingly to defeat the demagogues" (Patriots).

* * * * *

According to inside information from within the ranks of the "Jewish" Gestapo the State Department had to make a strong good will gesture towards the Arabs before opening up our supply of finance to the Israelis. In other words the State Department, which is controlled by the "Jews", put on a floor show for the Arab nations who the "Jews" intend to push into the Indian ocean. Evidence of this fact is the latest World "Jewish" meeting in Jerusalem where 150 "Jewish" leaders met, more than 100 of whom were from the United States. This group visualizes the population of Israel reaching 2,000,000 "Jews" by 1960 and proposes reducing the foreign exchange gap by increasing exports and decreasing imports. They also propose to continue decreasing Christians and Arabs while they increase the "Jewish" population to 2,000,000

According to the news reports, both Eisenhower and Truman lied regarding their association with the "Jewish" spy Harry Dexter White . . . Cincinnati and seven other cities recently have voted against fluoridation.

WHO OWNS THE JEWS? WHY GERMANY FORGES AHEAD

By HENRY H. KLEIN
(Attorney and Former Jew)

I often wondered. When Jacob H. Schiff was alive, he was known as king of the Jews. Delancey Street, New York City, was known as Schiff Parkway. The functioning of the United Hebrew Charities in New York City was credited to Schiff's generosity. When Schiff died in 1931, the Warburgs stepped into his shoes. Felix and Paul are dead, but their sons, James P. and Edward, are alive and running the banking firm of Kuhn, Loeb and Company.

Who owns the Jews? The question is pertinent because Jews are credited with controlling the United States and most of the world. Do Jews control or do only a handful control? Not one Jew in a thousand knows what the handful is doing, but they are all held responsible. Jews have been bulldozed into accepting what their self-imposed leaders are doing.

What are their leaders doing? They are trying to conquer the world. During 20 years of Roosevelt and Truman and now of Eisenhower, Jewish leaders have controlled the White House and Congress, through Frankfurter and Baruch. The Warburgs, Lehmanns and a few others control in finance and the American Jewish Congress and American Jewish Committee control in world affairs. Many agencies work with them.

Judaism is a lucrative racket though largely displaced by Zionism. Not one Jew in a hundred knows that Zionism is a political program for the fulfillment of the protocol plan for world conquest through world destruction, as explained by Waldo Frank in the Contemporary Jewish Record of February, 1944. Through Zionism and Judaism, self-constituted leaders have collected hundreds of millions of dollars.

What have they done with the money? Did they buy control of large industries. Did they buy control of newspapers, magazines, movies, radio and television? Is that why pro-Zionists and pro-Communists get favorable publicity? Is that why we are afflicted with hypocrisy, humbug and lying? Is that why the state of society is upside down? Is that why we had two world wars, a collapse in Wall Street and a war in Korea and elsewhere in Asia? Is that why civilization is dying?

It is time to end the war with God.

MORE SPIES IN WASHINGTON

—(Continued from Page 3)—

"In other words, these men were quite willing to make a general denial, for which they could not be indicted but on any specific question about espionage or other association with Elizabeth Bentley, they invoked the Fifth Amendment which protects witnesses against any answers which might incriminate them.

"Yet, such men were permitted to serve in responsible and highly paid federal posts for a number of years."

Abt was chief of the litigation section of the Agricultural Adjustment Administration, later assistant to the Attorney General in the anti-trust division. He refused on the ground of self-incrimination, to say whether he was a member of a Communist cell when he was in AAA or whether he met with Elizabeth Bentley, Victor Perlo and other federal workers in his home to make arrangements for supplying confidential information to Miss Bentley, who was then head of a Soviet espionage ring in Washington. He refused to say whether he knew either Miss Bentley or Perlo.

Joseph's first federal employment was as an economist with the National Resources Planning Board in the executive offices of the President. He invoked the Fifth Amendment on all questions as to Communist affiliations then or during the remainder of his federal employment.

He went from the Planning Board to the Federal Security Agency, thence to the War Relocation Commission and, in 1943, was inducted into the Army.

After only a few weeks of active service, Joseph was assigned to the Office of Strategic Services, wartime intelligence service of the United States. Elizabeth Bentley testified that "someone pulled strings" and got him into the "hush-hush" Japanese division of that agency where "in addition to things on Japan he offered information on what they were doing about Russian activities."

Joseph said he had read of that testimony but had made no reply to it.

"Why should she pick you out of all the people in this country to testify about?" Chairman Jenner asked.

"I don't know," Joseph replied. He later declared, "I want you and this committee and anyone else to understand this, that I have never engaged in espionage."

Nevertheless, when Counsel Morris asked Joseph if he had ever transmitted secret material to Miss Bentley, the witness invoked the privilege of refusing to answer where the answer involved possible self-incrimination.

The Churchill Government appears to have done little to change this vicious provision. About two years ago, a group of farmers, under the leadership of Sir Waldron Smithers, M. P., an old personal friend of mine, formed the Farmers and Smallholders Association (offices at 24, Austin Friars, London E.C.2), to take up the cudgels on behalf of any farmer threatened with dispossession or other serious difficulties. Already the movement has achieved some success.

SOME IMPROVEMENT IN BRITAIN

There are some signs of improvement in Britain—the changing attitude of the Labor Party is one. But Britain's situation seems rather desperate, largely because so little incentive remains.

Three courses seem open to Britain:

- (1) To continue in relative stagnation.
- (2) To transfer 20 million of her population to her colonies or dominions, since she apparently cannot produce food for more than three-fifths of her present 50 million.
- (3) Or go back to work—meaning by that, to work as hard as their neighbors, the Germans, seem willing to work.

The first course will be easiest and most dangerous. The second will be difficult, partly because Britain has no money to pay the cost, but mostly because so many British have come to lean on the State, rather than on their own effort and resourcefulness—and to like it. The pioneer spirit is largely gone.

The third course would be the hardest of all, for it involves undoing most of the evil philosophy of Fabian Socialism.

GERMANY SCORES A RECORD

Probably history does not record a more rapid recovery than that of West Germany in the past eight years. In 1945, most of her cities had been bombed. Hamburg, Berlin, Stuttgart, Dresden, Frankfurt, Dusseldorf, Wurzburg and many others being from 50 to 80 per cent destroyed. Germany was bankrupt. Her military losses had been overwhelming. Several million Germans were in the hands of her late enemies. About two-fifths of her entire area, containing 18 million Germans and much of her best agricultural land, was under the heel of Soviet Russia, which was already murdering many of her men or sending them to Siberia, and raping her women and girls.

In addition, vicious influences in the United States forced the utterly unlawful "War Crimes Trials," and began the dreary and vengeful "de-Nazification" proceedings, under which multitudes who had no sympathy with Hitler but had had to fight and work for Germany, were put through a long series of humiliations, together with those who were guilty.

Yet Germany is staging an amazing recovery. Tremendous rebuilding has been accomplished since my last visit in 1950. Though hit materially and in morale far harder than Britain, she has recovered much faster. She has determined to rally, no matter what the cost in personal sacrifice to her people. And her people gladly acquiesce.

On this visit I have had unusual opportunity to talk with Germans, for I have spoken at group meetings in such cities as Bad Driburg, Hamburg, Frankfurt, Stuttgart and Berlin, and have spent some hours in questioning men and women and in trying to answer their questions. Occasional resentment appears, but most Germans like America and most Americans. They feel they have more in common with us than with any other people. They praise America for the material aid our Government and people have given them.

THE REFUGEES

I spent some hours in the refugee camps immediately this side of the Iron Curtain in Berlin.

Some 600 to 1,000 wretched men, women and children stream across the line into the allied sectors of Berlin each day. I saw them as they came and entered the registration camp. They owned only what they could carry in their hands. They ranged from infants to persons past 90. The registration camp, where they were carefully screened, keeps them a day or two and passes them on to temporary camps, of which there are 20 in the Berlin area, where they remain from four to eight weeks. Then those found satisfactory are sent to more permanent camps in Bavaria and jobs are solicited for them.

There are 200,000 "unacknowledged" refugees in camps in Berlin. These are people who have been screened by officials and no real need found for their flight to the Western sector. There are so many "acknowledged" refugees that those "unacknowledged" have no foreseeable future and live a totally separate life.

I talked with many of the active leaders in this great rehabilitation work. Their work is the truest kind of welfare. Practically all of them have themselves been in Russian concentration camps.

These leaders, men and women who are dedicating their lives to this Christian work, include Superintendent Ahme, Gerhard Gant, Frau von Scherstaedt, Dr. Vorwerk and Dr. Hilde Reinartz.

SENATOR MCCARTHY

Nearly everyone I have met in Germany has asked about McCarthy and McCarthyism." The propaganda from America, and from the Paris Herald Tribune and the international edition of The New York Times have painted him just about as the New York Daily Worker has done.

Many Germans have been brought to believe McCarthy is similar to Hitler—I have heard the comparison several times. A Frankfurt newspaper, I am told, stated last winter McCarthy is the "greatest menace in the world today." A few informed Germans tell me they detect in this anti-McCarthy propaganda an attempt to stir up anti-American feeling in Germany.

When I have told audiences that McCarthy is a man of integrity, is one of the most important men in the Senate, and has been perhaps the most powerful campaigner in Senatorial elections, I have detected incredulity, if not total disagreement. Fortunately, at every meeting here have been one or two Germans who have been in America and know the facts, and who confirmed what I said.

THE PRESENT GERMAN GOVERNMENT

Lastly, word about the German Government itself. Germans have been fortunate in having Adenauer as their leader. A devout Catholic himself, his integrity, wisdom and statesmanship have been such as to attract the support of millions of Protestants.

Second only to Adenauer have been Erhart, Minister of Economics, Schaefer, Minister of Finance, and Ehlers, President of the Bundestag. The leadership of these men and the loyalty of their followers have been such that, at the September elections, the Adenauer party (the C.D.U., or Christian Democrats) won an absolute majority in the Bundestag, the Parliament of West Germany. Thus, in the land where Socialism first attained power three-quarters of a century ago, Socialism has now been heavily defeated.

So, Britain lags behind because even her conservative leaders have given the people little relief from Socialism. Germany goes bounding ahead, clearly because Socialism has become largely discredited and cast aside.

All of which both Britain and America will do well to ponder.

HOW MANY JEWS IN AMERICA?

It is a well known fact that among the ancients known as "Jews" today, it was the LEGAL custom to only include in a census MALES OVER THE AGE OF 21 YEARS. Females were NEVER included in the census taken among the tribes referred to today as the "Jews" of that period in Bible history.

The custom described above has become more circumscribed today by self-styled "Jews" throughout the world. Briefly, as can best be ascertained from what appears in print, and what can be read between the lines of what appears in print, the census of self-styled "Jews" in the United States today enumerates ONLY THE HEADS OF FAMILIES.

In this recently published list the number of these self-styled "Jews" are listed as "5,000,000". It must be apparent that there is something false about this recent figure of "5,000,000" for today's population of self-styled "Jews" in the United States because the OFFICIAL FIGURE GIVEN TO THE WORLD ALMANAC FOR 1936 BY THE AMERICAN JEWISH COMMITTEE AND THE SYNAGOGUE COUNCIL OF AMERICA GIVES THE UNITED STATES CENSUS AS ALMOST 5,000,000 FOR THAT YEAR.

It is our opinion, based on study and observation, that today, and for many years and probably centuries, it has been the custom among the self-styled "Jews" living in, and coming from eastern Europe to list ONLY THE HEADS OF FAMILIES WHO ARE REGISTERED WITH A SYNAGOGUE AS A MEMBER OF THAT CONGREGATION IN THE "OFFICIAL" FIGURES GIVEN TO THE PUBLIC FOR THE CENSUS OF MEMBERS OF THAT ALLEGED RELIGIOUS FAITH.

Thus the figure of "5,000,000" is probably the number of HEADS OF FAMILIES, and not the total population as included in the figures of the Christian denominations. Even the figure of "5,000,000" is only a round number without any "official" substantiation.

The approximate actual census of all members of all families included among so-called self-styled "Jews" would total no less than 12,000,000-15,000,000 if noses were counted in the U. S. In manipulating the population figures the Jews are trying to cover up for those they claim were killed in Germany and are now in the United States.

RED PLAN OF POISON WATER REVEALED

Fluoridation-Weapon Of Destruction

In the past few months, we have received hundreds of requests for additional information on this deadly business of adding a poisonous compound — sodium fluoride — to our drinking water. Inasmuch as our paper is dedicated to the task of exposing Marxists we cannot ignore any measures which may prove to be part of their plan for enslavement. The opposition may ridicule the assertion that fluoridation is a security risk of the first order, but can they refute it? We are convinced that the evidence is so strong in favor of this contention, that we urge all citizens to proceed with extreme caution on this subject of water fluoridation. If we are in error, a few years' postponement along with continued study, will not be that detrimental. If, however, we are right, a hasty acceptance of this measure, may well prove to be tantamount to signing our own death warrants.

Recently, a dentist who favors fluoridation, remarked that "those who have graduated from Dental Schools in the past five or ten years are, for the most part, in favor of fluoridation." This is extremely significant when we consider that education is the basic step in the communist mode of operation. The Machiavellian mind of the Communist is painstakingly

methodical. No move is attempted without preparation. Each step leading to the achievement of their goal is extremely well-planned. They know only too well the value of education. Naturally it would be foolhardy to attempt to push a measure, falling in the realm of medicine or dentistry, on the average laymen without a reasonable assurance of authoritative approval of fluoridation.

If dentists as a whole opposed it, there would be very little chance of success. The educational program would have to start in the dental schools. No one who has read of the recent exposes by ex-communists on the subject of red infiltration of the teaching profession could doubt such a possibility.

Having the public health officers on their side would be equally important for success. It is alarming to note that public health education leaders were told the following by Edward L. Bernays, propagandist deluxe: "A united leadership must eliminate lags by the engineering of consent." "You as a leader must get peo-

VITAL QUESTIONS ON FLUORIDATION

The Seattle Committee on Fluoridation has prepared an excellent article entitled "Ten Vital Questions on Fluoridation." The answers to these questions have several sources, one of which is the proceedings of the 4th Annual Conference of State Dental Societies.

Dr. Bull, State Dental Director of Wisconsin, is an ardent promoter of Fluoridation. Following are excerpts from this report:

WHAT ARE SOME OF THE VALID OBJECTIONS TO FLUORIDATION? AND HOW ARE STATE DENTAL DIRECTORS ADVISED TO HANDLE THEM?

1 (1) Mottling of Tooth Enamel (fluorosis of the teeth).

Dr. Bull speaking: "What are some of the objections? The first one is: Isn't fluoride the thing that causes mottled enamel or fluorosis? Are you trying to sell us on the idea of putting that sort of thing in the water? . . . Now we tell them this, that at one part per million dental fluorosis brings about the most beautiful looking teeth that any one ever had. And we show them some pictures of such teeth. We don't try to say there is no such thing as fluorosis even at 1.2 parts per million which we are recommending" (Pages 23-24, 4th Annual Conference)

F. J. Maier, Senior Sanitary Engineer, U. S. Public Health Service, plainly states there is far higher percentage of fluorosis of the teeth in communities where the water is treated with fluoride than has been formerly conceded by fluoridation promoters. He says: "The criterion that we have been using is that if there is some 10 per cent to 20 per cent fluorosis of the community that would not be objectionable . . ." (Page 65—4th Annual Conference)

We ask, then, how "objectionable" is fluorosis of the teeth? Fluorosis of the teeth is anything from chalky, white spots on the teeth which permanently darken and blacken with age to a crumbling away of the tooth structure itself. Regarding the large number of children whose teeth fluoridation of the water supply will permanently damage, Dr. F. B. Exner, M. D., of Seattle makes this statement: "Fluorosed teeth are abnormally hard and brittle, have increased susceptibility to pyorrhea, hidden internal decay, breakage, and are more difficult to repair." And he also states: "Those who control the Public Health Service care nothing about sacrificing 20 per cent of our children if by so doing they can extend their already tremendous power."**

(2) Natural vs. Artificial Fluorides.

Dr. Bull: "They are going to bring up the question of whether fluoride added to the water supply is the same as natural fluoride. And incidentally, we never use the term 'artificial fluoridation.' There is something about that term that means a phoney . . . We call it 'controlled' fluoridation." (Page 41—4th Annual Conference)

Dr. Bull states that "with controlled fluoridation you will get exactly the amount you want." (Page 24—4th Annual Conference). Experience with water fluoridation in Mt. Dora, Florida, shows this statement is not correct; that you do not get "exactly the amount of fluoride in the water you want." IN MT. DORA DAILY TESTS SHOWED SUCH WIDE VARIATION IN THE WATER SUPPLY THE TOWNSPEOPLE WERE ALARMED. UNCERTAINTY AS TO THE AMOUNT OF FLUORIDE CONSUMED DAILY WAS AN IMPORTANT FACTOR IN THROWING OUT FLUORI-

DATION BY POPULAR VOTE THERE AFTER IT HAD BEEN IN THE WATER FOR 18 MONTHS. (August 7, 1952, issue of Mt. Dora newspaper "Topic").

(3) Toxicity of Fluoride Compounds.

Dr. Bull: "Now, in regard to toxicity—I notice that Dr. Bain* used the term 'adding sodium fluoride.' We never do that. That is rat poison. You add fluorides." (Page 25—4th Annual Conference).

However, the next day Dr. Bull admitted it was found "that if we use sodium fluoride or the hydrofluosilicic acid (in small communities) we do not have any trouble," (with the pumping system), (Page 74—4th Annual Conference).

Further advising state dental health officers Dr. Bull says: "If it is a fact that some people are against fluoridation you have got to knock objections down. The question of TOXICITY is on the same order. Lay off it altogether. Just pass it over. We know there is absolutely no effect other than reducing decay," you say and go on." (Page 42—4th Annual Conference).

But Dr. Robert S. Harris** (head of the Nutritional Biochemistry Laboratories at Massachusetts Institute of Technology) warns that "fluorine is a toxic element. The amount which is effective in water supplies has been demonstrated to interfere with important processes in other parts of the body . . ."

Mr. H. E. Wirth, Assistant State Sanitary Engineer, Wisconsin State Board of Health, speaking at the University of Washington Symposium on Fluoridation April 27, 1951, only a few weeks earlier than the Washington, D. C., dental get-together, has this to say about sodium fluoride: "From the very beginning it was understood that sodium fluoride was toxic. . . . Review of the toxicology of fluorides indicated that they rank among the substances whose ingestion in small amounts can cause death within a few hours."

Dr. Bull admits many people do not go along with his view that the question of toxicity should be "just passed over." He says (Page 25—4th Annual Conference): "But this toxicity question is a difficult one. I can't give you the answer on it . . . I can prove to you that we do not know the answer to that one, because we had a city of 18,000 people which was fluoridating its water for six or eight months. Then a campaign was started by organized opposition on the grounds of toxicity. It ended up in a referendum and they threw out fluoridation."

(4) Attitude of Water Works Men and Engineers.

Water works officials and engineers are almost solidly opposed to fluoridation throughout the United States. The Public Health Service knows this too. Dr. Bull warns the dental directors: "Now, every once in a while the engineers, and the water works men particularly are going to give you the business. . . . They have many reasons for stalling and they are all good. But don't pay a bit of attention to a single one of them, because if you do the water works people will stall you from here to doomsday, and don't think we have not

*Dr. Katherine Bain, Associate Chief for Program Development, U. S. Children's Bureau.

**Dr. Robert S. Harris. In addition to Dr. Harris' connection with M.I., he is also special lecturer at the Forsyth Dental Infirmary, Boston, Massachusetts. He has conducted tooth decay studies produced by various sugars, acids and foods. He is also consultant for World Health Organization of United Nations.

C. I. O. PROTESTS WATER FLUORIDATION TEST

Boston — A C. I. O. union charged today that employees at Wrentham state school were being used "as guinea pigs" against their will in experimental use of fluoridated water supplies to reduce dental decay.

In a letter to Governor Christian A. Herter, Robert W. Davis, national representative of the Government and Civic Employees Organizing Committee, demanded the "experiment" be ended. Mr. Davis said employee members of the C. I. O. group at the school for feeble-minded children were "vocal in their protest" and asked for a chance to present their case in person to the Governor.

Mr. Davis said employees had not been told the water was treated with the "poison" and "it is criminal to coerce them into the statue of guinea pigs in a program which may have deleterious effects upon their health."

State Mental Health Commissioner Jack A. Ewalt said he had "no comment."

Fluoridation-Weapon Of Destruction

ple to follow you. You must gain their consent to your health programs by gaining their support through many types of persuasion. BUT ALL THIS MUST BE PLANNED INDOCTRINATION, MUST BE SUBTLE. It should be worked into the every day life of the people—24 hours a day—in hundreds of ways. Public health officers cannot afford the professional modesty professed by physicians. A REDEFINITION OF ETHICS IS NECESSARY . . ." (CAPITALS ADDED)

Emphasizing the threat to our very existence, we reprint the following excerpts from "Fluoridation Unmasked", by Fanchon Battelle: Rena M. Vale, former Communist Party member, who has been an active anti-Communist for over twenty years . . . has stated that FLUORIDATION OF DRINKING WATER IS KNOWN IN COMMUNIST CIRCLES AS A VEHICLE OF RED WARFARE, to be used for outright poisoning of the population and/or reducing the mentality and will of the population so it will not resist communist domination. SHE STATES THIS IS PLANNED FOR AMERICA.

Dr. Nicholas Nyaradi, former Minister of Finance in Hungary's post-war coalition government, an escapee to America, states that Comrade Zhuchovitsky, legal advisor of the Soviet Ministry of Foreign Trade in the United States, told him of the PLAN TO POISON THE WATER RESERVOIRS OF THIS COUNTRY.

Dr. Zdenek V. Moudry, former adviser to the Czechoslovak Ministry of Public Health, another escapee to America, stated the Russians conducted a mass biological warfare experiment on six villages near Prague by injecting poison into the water supplies, which resulted in numerous deaths. Dr. Moudry stated a Russian Colonel Unkrov ordered the human guinea pig experiment on the PRETEXT of stamping out illness." (CAPITALS ADDED).

Fluoridation Promoted in Strategic Areas

Why is it that forces behind fluoridation have attempted to poison the water of so many coastal cities, ports of embarkation and all establishments? Is it a coincidence that Newburgh, N. Y., one of the first cities to have fluoridation forced on them (recent poll shows majority of citizens did not even know fluorides were added to their water!) is the location of Stewart Field, the jet air defense base for New York City? Grand Rapids, Mich. (firms in that city developed the guided missile, and another Michigan City manufactures a gun that "literally sweeps enemy planes from the sky") was an excellent site, from the standpoint of subversion, in which to add poison to the water. Subversive activities have been uncovered at Fort Monmouth, extremely vital radar development center. We suspect that many communities in Monmouth County, N. J., have been secretly fluoridated. The N. J. State Dental Journal, July 1952, page 49, tells us: "Five fluoridation plants of the Monmouth county Consolidated Water Company of New Jersey state 'THERE WILL BE NO ANNOUNCEMENT MADE until the machines have been installed and are in operation a short time.'" (CAPITALS ADDED). Why the secret methods? Actions such as these indicate only too clearly that we have valid reasons for our alarm.

Russian and Fluorine Experiments

In the American Review of Soviet Medicine (1943-48), there are many articles on fluorine by I. Lukonski. Regarding experiments with fluorine, the August 1945 issue (p. 543) says: "In some instances more advanced work was being pursued in Russian laboratories." The article also mentions a fact which caused much speculation, "The Exchange of Literature" on fluoridation between the Russian Bolsheviks and the American Medical Profession!

Fluoridation would provide a most effective weapon for the enemy. An atom bomb would destroy strategic defense areas and valuable buildings, factories, aircraft and the like. It would leave a trail of radiation, making it difficult for an enemy to step right in and take over. There would be none of that with fluoridation. Either the drinking water could be poisoned with an excess of sodium fluorides, or the enemy could depend upon the psychological results of docility, lack of will power, and initiative to enable them to take over.

Fluorine has been used successfully on patients in institutions for the insane in order to destroy the will of the inmates. Wild animal trainers often use it to induce docility in jungle beasts. Fluorine is a desensitizing agent. Fluoride paste can be used by dentists to desensitize unusually sensitive teeth.

In connection with the effect that fluorides have on the brain, we quote the following from FLUORIDATION UNMASKED: "The action of fluorides in paralyzing nerve cells in the brain, referred to as chemical lobotomy, is similar to that produced by surgical lobotomy which is the severing of certain nerves in the front portion of the brain. Over 1,100 such experimental lobotomy operations in thirty state and mental hospitals were performed by one physician, but much opposition has been expressed because of resulting deaths. Lobotomy produces a lackadaisical attitude with over-indulgence in SEX, ALCOHOL, sleep, and food.

In this connection, Grand Rapids, Michigan (fluoridated) reports a felony a day. F. C. Bates, Michigan State Supervisor of Probation, stated, "The volume of criminal work from this court alone is as much as the total criminal work in ten circuit courts covering twenty-five counties!" The increase in gross indecency and child molestation cases is startling."

Experiments performed on rats and mice indicated a lessened mental reaction in those that have had fluorides. Investigations conducted on humans by Dr. Jacob A. Saffir, a member of the American Dental As-

sociation and a Fellow of the American Institute of Chemists reveals a similar reaction. James Rorty, in an article, "The Truth About Fluoridation", published in the FREEMAN, June 9, 1953, reports: "At his own expense Dr. Saffir established an office and laboratory in a locality where the drinking water for miles around contained fluorides. Patients and townspeople who came to him were observed from many angles. Soon he felt that one group of patients seemed to vary from similar groups observed in other surroundings.—THE SCHOOL CHILDREN SEEMED TO HAVE MORE THAN CUSTOMARY DIFFICULTY IN THE EXERCISE OF MEMORY.

"Dr. Saffir decided to concentrate his efforts on determining whether he could establish a connection between this difficulty and the use of fluorides. Consultations were had with school teachers and parents, and other avenues of investigation were explored. As a result of these studies, Dr. Saffir believes that fluorides probably cause some mental retardation in children drinking fluoridated water."

In view of Dr. Saffir's findings, it is significant to note that Grand Rapids newspapers reported an unusually large percentage of its elementary school children failed to pass final tests. From another city that had recently started fluoridating their water, teachers reported that the children were listless and did not study as well as formerly. (Above data from FLUORIDATION UNMASKED)

Who Are the Promoters of Fluoridation?

Fluoridation was sponsored by the United States Public Health Service and more specifically by Oscar Ewing. Known for his socialistic leanings, it is not surprising to find Mr. Ewing promoting a measure which has been termed "mass medication". And perhaps Mr. Ewing had another axe to grind. As Washington counsel for ALCOA, Aluminum Co. of America (See "The Man the Doctors Hate," Saturday Evening Post, July 8, 1950), he would be in a position to realize that Fluoridation would provide a tremendous market for fluorides in the world. In view of this, we cannot help but wonder if Mr. Ewing's "water baby" was not motivated by something other than the desire to care for the nation's teeth.

In connection with this, the following excerpt from "Water Boom for Fluorides" (Chemical Week, July 7, 1951) reveals: "Only 1 per cent of the nation's water is now treated: thus the market potential has fluoride chemical makers goggle-eyed." . . . "But any apathy or opposition on the part of the public is made up for by the USPHS's zeal in drumming up the program. It is asking for FEDERAL money to develop interest, and there is talk of seeking FEDERAL SUBSIDIZATION OF WATER TREATMENT. The article also states: "STANDING TO BENEFIT FROM THE BOOM ARE CHEMICAL COMPANIES AND EQUIPMENT FIRMS." In conclusion, we read, "It adds up to a nice piece of business on all sides, and many firms are cheering the USPHS and similar groups on as they plumb for increasing adoption of fluoridation." (CAPITALS ADDED)

Fluoride "Control" Questioned

Inasmuch as the proponents of fluoridation cannot deny that sodium fluoride is a poison, their defense is that, in controlled amounts, it is harmless. (This assertion is open to debate and has been refuted by many medical authorities). . . . However, the concentration of fluorine and the resulting degree of toxicity is very definitely affected by temperature and humidity. As the temperature rises, the toxic effect of fluorine increases. This is noted in "Fluoridation in the Prevention of Dental Caries," a pamphlet published by the American Dental Association, Feb. 1951. Fluorine advocate, F. J. Maier, a sanitary engineer of the U. S. Public Health Service, states that relative humidity must be watched in regulating fluorine concentration. High humidity increases the toxic effect of fluorine.

Extreme fluctuations of temperature and humidity occurring daily, and even hourly, make proper regulation very difficult to maintain. The margin of error is great when we take into consideration the possibility of mechanical failures and/or human errors on the part of the men who operate the machines. As of August, 1953, Pittsburgh, Pa., after more than seven months of fluoridating, still had not been able to achieve the proper mixture. The Pittsburgh Press, Aug. 2, 1953, under the heading, "Fluoride Program Gives City Trouble", states: "Mr. Devlin (Public Works Directors) said the city has been struggling through a series of difficulties and finally got the fluoride level up to nine-tenths parts per million about a month ago. . . ." The report continues: "Mr. Devlin explained the City has been DUMPING MORE THAN ENOUGH OF THE CHEMICAL into the new raw river water at the Aspinwall filtration plant.

"But somehow, somewhere, some of the material is being held in suspension. As a result, not all of the fluoride that's put into the raw water gets into the household taps. . . . Mr. Devlin explained the City has been moving slowly lest some of the TRAPPED FLUORIDE ESCAPE SUDDENLY AND SWAMP THE DRINKING WATER WITH AN EXCESS OF CHEMICALS." (CAPITALS ADDED)

In the Newburgh area, which has been fluoridating for eight years, it has been admitted that the concentration cannot always be maintained. "John F. Kingsley, Superintendent of Newburgh Water Works, stated, 'Must follow dictates of Public Health officials. Water sometimes exceeds one part per million. Pumps get out of order at times.'" (Report by Max Ginns, D.D.S., Senior Dental Consultant at Worcester City Hospital, Worcester, Mass.) Seems the problem of 'control' is a bit more difficult than they would have us believe. Are you willing to adopt a program whereby the 'controlled' concentration of a poisonous compound in our drinking water is difficult to maintain?

Assuming that the concentration COULD BE CONTROLLED, individual intake or individual susceptibility to fluorine cannot be controlled or ascertained. A great many factors enter into this particular problem. The amount of water consumed varies with each individual. Those who eat fresh vegetables boiled in water containing fluorides ingest a greater amount because boiling has the effect of increasing the concentration of this poison. Have we been given any assurance that those individuals who consume foods with a high fluoride content in addition to drinking fluoridated water will not suffer any ill effects from the increased intake? A measure such as Fluoridation does not allow for the fact that individuals differ as regards their susceptibility to this poisonous compound. What may not seriously harm one, may kill another. This is a far cry from, and a poor substitute for, the patient-doctor relationship in which the patient has the right to choose his doctor, and the doctor prescribes the method of treatment and amount of dosage for each individual case.

Fluoridation Studies Incomplete

It is appalling to note that even some of these who advocate fluoridation admit that conclusions cannot be drawn regarding the over-all effects of fluorides. As the (Washington) Evening Star, Aug. 18, 1953, states in an editorial: "Washington's residents are . . . guinea pigs in a large-scale experiment with fluoridated water."

In 1949, Dr. D. B. Ast stated: "Final conclusions regarding the possible systemic effects of fluorides in the dosage employed should not be drawn before the termination of the 10 year study." (Page 1754 of Congressional hearings conducted by Congressman A. L. Miller). Also during these hearings, Dr. Ast, who is conducting the experiments at Newburgh, N. Y., said: "We have not completed all of our studies on the use of Fluorine."

The Superintendent of Newburgh Water Works, in reference to fluoridation in that area, reveals: "Personal opinion not necessarily in favor and feel procedure is experimental."

On the basis of this, the promoters of fluoridation are in error when they charge that only the Christian Scientists could object on religious grounds. Following are excerpts from the address by His Holiness, Pope Pius XII on Sept. 14, 1952, to delegates attending the First International Congress on the Histopathology of the Nervous System.

"Scientific knowledge has its own value in the domain of medical science. But this does not mean that all methods, or any single method, arrived at by scientific and technical research offers every moral guarantee . . . Sometimes it happens that a method cannot be used WITHOUT INJURING THE RIGHTS OF OTHERS or without violating some moral rule of absolute value. In such a case, although one rightly envisages and pursues the increase of knowledge, MORALLY THE METHOD IS NOT ADMISSIBLE."

Further in his talk, the Pope goes on to say: "In the first place it must be assumed that, as a private person, THE DOCTOR CAN TAKE NO MEASURE OR TRY NO COURSE OF ACTION WITHOUT THE CONSENT OF THE PATIENT. The doctor has no other rights or power over the patient than those which the latter gives him, explicitly or implicitly."

"As for the patient, he is not absolute master of himself, or his body or of his soul. He cannot, therefore, freely dispose of himself as he pleases. . . . The patient, then, has no right TO INVOLVE HIS PHYSICAL OR PSYCHIC INTEGRITY IN MEDICAL EXPERIMENTS OR RESEARCH when they entail serious destruction, mutilation, wounds, or perils."

The Pope continued, "Is there any moral limit to the 'medical interests of the community' in content or extension? Can public authority, on which rests responsibility for the common good, give the doctor the power to experiment on the individual in the interests of science and the community in order to discover and try out new methods and procedures when these experiments transgress the right of the individual to dispose of himself. In the interests of the community, can public authority really limit or even suppress the right of the individual over his body and life, his bodily and psychic integrity?"

In answer, the Pope stated: "It must be noted that in his personal being, MAN IS NOT FINALLY ORDERED TO USEFULNESS TO SOCIETY. ON THE CONTRARY, THE COMMUNITY EXISTS FOR MAN."

Concluding, he remarked: "NOW MEDICAL EXPERIMENTS IMMEDIATELY AND DIRECTLY AFFECT THE PHYSICAL BEING. PUBLIC AUTHORITY HAS NO POWER IN THIS SPHERE. It cannot, therefore, pass it on to research workers and doctors. It is from the State, however, that the doctor must receive authorization when he acts upon the organism of the individual in the 'interests of the community'. For then he does not act as a private individual, but as a mandatory of the public power. The latter cannot, however, pass on a right that it does not possess." (CAPITALS ADDED)

Cities Reject Fluoridation

If fluoridation is so tremendously beneficial to mankind, why have some cities discarded it after having had this "beneficial" poison in their drinking water? The following cities are among this group: Mt. Dora, Fla. (thrown out after years—largest vote ever on a city issue), Northampton, Mass., Springfield, Vt. (people petition their town officials for a special hearing—in order to rescind previous hasty adoption of fluorine—water fluoridated for one year), Stevens Point, Wis. (It was put in secretly. They didn't know it was in their water for 4 days), Kennewick, Wash. (Fluoridation equipment has been disconnected and stored away), Assumption, Ill. (discontinued after local controversy), Williamstown, Mass. (discarded by referendum 1,114 to 415), LaCrosse, Wis. (Council 31 to 0 to discontinue fluoridation, June 11, 1953), Westby, Wis. (thrown out

VITAL QUESTIONS ON FLUORIDATION

had that experience in the form of a postgraduate course.

(5) Industrial Use of Fluoridated Water.

Dr. Bull: "When you get a state coming out with an official policy that reads something like this—'Since there is some indication, although not of a specific nature at the present time, that some interference may be encountered with industrial processes where fluoride treatment is applied, it is recommended strongly that communities considering the adoption of the practice investigate locally to determine whether or not interference with industrial processes will result because of fluoride treatment.' I can kill fluoridation with that", he frankly states. (Page 15—4th Annual Conference).

(6) Fluoridation Is Wasteful.

Dr. Bull: "You also hear of fluoridation's being wasteful. Some of the (water works) engineers will advance that argument. They generally do it in a weak sort of way. If you grab hold of it and squelch them they will forget it. . . . Sure, fluoridation is wasteful, just as lots of things we do are wasteful, but unfortunately we do not know any other way of doing them." (Page 31—4th Annual Conference).

On the contrary, there are a number of practical, cheaper, more effective, and safer ways of giving fluorides to young children for those who desire to do so. Such means are better adjusted to individual needs, and utilize only chemically pure fluorides. In Seattle a prescription pharmacy prepared a list giving the following for home use:

- Capsules for use in salt similar to iodized salt.
- Fluoride milk drops.
- Quick-dissolving tablets for use in water or fruit juice
- Bonemeal capsules or tablets containing fluoride
- Calcium-fluoride tablets
- Fluoride tooth paste
- Fluoride can be painted on the teeth by dentists, a process which has been endorsed by the American Dental Association.

"Many dentists in Seattle give prescriptions free of charge for use of such pharmaceutical methods of obtaining fluorides.

(7) Is Water Fluoridation Necessary At All?

Dr. Bull: "One thing that is a little hard to handle is the charge that fluoridation is not needed. They talk of other methods and when they get through adding up all the percentages of decay that we can reduce by such methods, we end up in a minus. When they take us at our own word they make awful liars of us." (Page 31—4th Annual Conference).

Dr. J. R. Blayne, speaking at the University of Washington Symposium, April 1951, makes the well-established comment that "without the presence of readily fermentable sugars organic acids cannot be forced, therefore caries (tooth decay) will be arrested or prevented."

Diet, not dosage then is the real answer. And good teeth do not depend upon fluorides in the system. Dr. Robert S. Harris says plainly, "Fluorine is not necessary for healthy tooth formation. Many healthy teeth do not contain fluorine."

(8) Professional Support of Fluoridation Programs Far From Unified.

Dr. Bull: "Another thing that will be brought up is that all the dentists, all the physicians, all the public health people, and especially research workers are not for fluoridation. Well, that is a correct thing to say. But you have got to have the answer for it."

The principal technique used by the advocates of fluoridation is to smear or try to discredit all those who oppose it—even when they are nationally recognized scientists.

Is Cost an Important Item?

Cost of fluoridation of water supplies IS an important item, although it is made to appear inconsequential.

Dr. Leonard Scheele concedes that cost is an objection. He says: "The matter of \$60,000 or \$100,000 or \$80,000 is an obstacle." (Page 12—4th Annual Conference)

Regard for taxpayers, however, is always brushed aside. "We think nothing," Dr. Bull declares, "of going to a community and saying 'You should fluoridate your water' when we know it is going to cost them \$50 per capita to get their equipment. So why should we let these big communities stall us?"

Aside from the cost of the fluoride chemical, which has doubled in price since 1950, there are hidden costs which the public does not see, and which are certainly not included in the figures given out for promotional stations, chemists for testing samples of water, constant repairs and replacements in equipment all add to the cost. Some types of equipment need extras such as additional chemicals* as water softeners, timing devices or hopper vibrators.

The Des Moines, Iowa, Messenger News, May 29, 1952, reports some of the expenses for which the \$36,450 grant-in-aid from the United States Public Health Service to the State of Iowa was used for 12 Iowa cities:**

- (1) Pre-fluoridation survey (among children in public schools)
- (2) Fluoridation equipment and installation.
- (3) Laboratory services for water analysis.
- (4) Salary and travel expenses of a "health educator" who will assist in dental examinations made annually to determine the results of fluoridation.
- (5) Cost of laboratory equipment necessary for testing

and analyzing water.

- (6) Protective equipment for operators handling fluoride chemicals.
- (7) Two employees for each of 12 cities (24 people) to be sent to the state hygiene laboratory at Iowa City to be trained in the analysis of fluoridated water.

How Safe Are Controls of Highly Dangerous Fluorides?

There is serious question as to whether industrial chemical fluoride compounds are fit for use in water supplies for human consumption. Until recently government regulation required that barrels of sodium fluoride of the quality to be used in public water supplies be labeled "For Industrial Use Only", which means not fit for human consumption.

Of the commercial sodium fluoride used for water fluoridation, H. E. Wirth, Assistant State Sanitary Engineer, Wisconsin State Board of Health, had this to say at the University of Washington Symposium, April, 1951: "Some operating difficulties have been reported such as clogging of solution piping by accumulated deposits of inert materials, presence of foreign materials in the sodium fluoride resulting in jammed feeders and lumping of the compound while in storage. FOREIGN MATERIAL CONSISTING OF PIECES OF HEAVY PAPER, SLIVERS OF WOOD, NAILS AND STAPLES WERE FOUND IN COMPOUNDS DESCRIBED AS 98 PER CENT PURE WHITE SODIUM FLUORIDE."

Mr. Wirth continues: "In addition to adulteration, excess impurities and moisture content, there is the more difficult problem of incrustation control . . . Sodium fluoride when mixed with water forms a precipitate with the calcium in the water, namely, calcium fluoride, which has plugged injection lines, incrustated tanks and solution chambers."

In Wisconsin, and elsewhere, the liquid feeding system using hydrofluosilicic acid is widely used. This is to be used "only where positive pressure is assured at all times" . . . "The reason for this is the much greater concentration of fluoride ion being fed from the containers."

Although there is a safety device on the chemical feeder, Mr. Wirth states that "failure would result in siphonage of a highly concentrated fluoride solution into the system (the public water supply)."

Madison, Wisconsin, is now drinking hydrofluoric acid daily in the water supply, a substance so potent and deadly "safety trained operators are supplied complete rubber clothing and face mask protection from head to toe and wear such when filling or maintaining the piping." It is an extremely dangerous set-up, Mr. Wirth explains. And "initial costs were high for reason of experiment and parts replacement. . . . Severe corrosion at the point of installation was ever present requiring almost weekly replacement of fittings."

Even after expensive equipment is installed there is often serious mechanical trouble, which is freely admitted, both because of the chemical fluorides used and because smaller communities have no need for trained water works engineers and are not expected to give such service.

Dr. Bull discusses this situation: "In a small community, where the barber is going to operate the feeder, if anything goes wrong, he throws up his hands. . . . We have got to be interested in a community getting something that is fool-proof and that will work. We have found out that in the small communities the dry feeder is no good. It has given us a lot of grief." (Page 42—4th Annual Conference).

Difficulty with control of equipment and the fluoride chemicals is not the only loophole in the safety aspect of fluoridation. We may well ask, How accurate are tests of actual amounts of fluoride in the water supply?

Mr. Maier goes into this question at the Washington Conference. Two methods, he points out, are in general use for testing samples of fluoridated water supplies. One is the "standard" method which is specified in the American Water Works Association Standard Methods for the examination of water and sewage where zirconium alizerin is used as a re-agent. This is the more accurate method, says Mr. Maier, but "this method is laborious in that these standards have to be made up every time a sample is examined." (Page 70—4th Annual Conference).

Then there is the "easy" method. This is the colorimetric system, "a device where the standards are previously made up in sealed glass tubes and it is only necessary to treat a small amount of the sample with the color of the standard." However, Mr. Maier admits, "it is not much more accurate than perhaps one or two tenths part per million." Also, "These operators must not be color blind." (Page 71—4th Annual Conference).

Even this method is not fully sound in determining how much fluoride is being given the population of a community every day. In speaking of this method of testing the water supply for fluoride amounts, W. W. Warnsley, Acting Association in the Chemistry Department of the University of Washington, told the Public Health Symposium in 1951 that "unfortunately, it has been found that certain substances interfere in the determination (of the results). Notably among these are free chlorine and alum."

How Accurate Are Fluoridation Statistics?

Fluoridation statistics that are collected by the Dental Public Health Service, processed and published by the same service, uniformly uphold the dental health prepared position on the value of fluoridation.*

Dr. Bull bluntly states that the statistics gathered by the Prefluoridation Survey among elementary school children — a 'must' in mining a local propaganda field — are for the sole purpose of shoring up the fluoridation program in any given local area. To

*(Page 35—4th Annual Conference)

dental health directors from every state in the Union he puts it this way: "Now, why should we do a pre-fluoridation survey? Is it to find out if fluoridation works? No. We have told the public it works. So we cannot go back on that."

The utter impossibility of regulating dosage for masses of people is shown by the following established facts:

"The crux of the thing is this; nobody yet has determined how much fluorine is good for what sections of the country, how much will cause tooth decay and how much will cause teeth mottling and deformation. For instance, Florence, Arizona, and Maywood, Moline and Aurora, Illinois, all have 1.2 p.p.m. fluorides in their water. Yet 15 per cent of the children in Aurora have fluorosis (discolored teeth), 31 per cent in Moline, 33 per cent in Maywood and 56 per cent in Florence. In Yuma where the fluoride content is 0.4 p.p.m. the children are twice as resistant to tooth decay as in Marion, Ohio, where the content is the same. An argument has been voiced that in Yuma and Florence people drink more water because it is hotter and therefore get more fluoride."

"But in Salida, Colorado, and Joliet, Illinois, which are both cool climates, and which both have a 1.3

after three and a half years of use), Sheridan, Wyo. (Nov. 3rd vote 2732/907—discontinues fluorine after 4 years of trouble and pipes eaten out in fluorine equipment after only 3 weeks!).

As of the last report, approximately 250 cities and towns have rejected or postponed fluoridation. (Write COMMON SENSE for list of these cities.)

Attention—Doctors and Dentists

The medical and dental professions have always been held in high esteem in this country. That is as it should be. America is synonymous with freedom of choice and recognition of the individual. Those who would change this, by any brand of socialism, threaten the foundations on which our heritage rests. We respectfully urge all those in the medical and dental profession, those who hold the country's health in their hands, to make a thorough study of this measure. This article is not intended to be a criticism of all those who advocate fluoridation. Nor do we infer that those favoring this measure are traitors to our country. We realize there are many who have "gone along with the crowd" because of a dearth of information or misinformation. It is to this group that we appeal.

It is impossible for a paper this size to give complete coverage on the numerous facets of this controversy. For those desiring additional information, we give the following sources:

VITAL QUESTIONS ON FLUORIDATION

—(Continued from Page 3)—

p.p.m. fluoride, the Colorado town has a 91 per cent fluorosis record, while in Joliet only 25 per cent of the school children have discolored teeth. Until research discloses a safe tolerance level for fluoride intake in the variable communities, our suggestion is that dentists apply fluoride topically instead of doing a mass job by putting the fluoride in the drinking water supplies.

—Dr. Margaret Smith, world expert on fluorides for 22 years, says in Arizona Republic for February 10, 1953.

The total disregard for accurate statistics by the Public Health Service is indicated by the experience of the town of Chester, Virginia. Here the Public Health Service "built a fire" under a local dentist who enthusiastically promoted fluoridation of the water supply only to find that Chester already had more than the recommended amount of fluoride in the water (1.2 parts per million). The dentist admitted that "tooth decay among Chester children is about as bad as anywhere else." (Albany, New York, Knickerbocker News).

Concerning the Newburgh-Kingston (New York) statistics on the results of fluoridation, and the studies conducted by Grand Rapids, Michigan, and Evanston, Illinois, Dr. Harris testified before the Delaney Committee (February 1951, House of Representatives): "I would say these studies are very excellently designed to show the beneficial effects of fluorine. I feel that some observations have been omitted from these studies which might have given more information on the adverse effects of fluorine."

Is Water Fluoridation Compulsory Mass Medication?

Paul Manning, D.M.B., LL.B., of Springfield, Mass., writes in the New York Times, October 2, 1949: "Fluoridation is the mass medication of entire populations by impregnation of entire water supplies of whole communities with metallic compounds incapable of being assimilated as food, under conditions of duress, without cessation or reasonable chance of escape."

In testimony before a Congressional Hearing February 28, 1952 (page 154 of Hearings, Part 3) Bruce D. Forsyth, D.D.S., Assistant Surgeon General, Chief Dental Officer, Public Health Service, admitted under questioning by Representative A. L. Miller (Nebraska) that since medication is treatment, cure, and prevention of disease, putting fluorine in the water, which is a poison, is mass medication through water because "it is put there for the prevention of dental caries."

Dr. Bull and the Public Health Service know water fluoridation is mass medication. Speaking before the Fluoridation Symposium (Seattle 1951) he is frank to say: "This fluoridation program has given us our first opportunity to offer preventative for dental caries which lends itself to mass control in a large segment of our population."

In the leading editorial of March 1952, Consumer's Research Bulletin*, makes this statement: "It is one thing to drink fluoridated water because you want to and choose to drink from a chemicalized water supply: it's quite another matter to have to drink it because some official and his colleagues on the basis of very limited and incomplete knowledge of the subject has determined that it was best for you and a hundred million other people to do so."

In Northwest Medicine, February 1952, Dr. F. B. Exner (M. D.), one of the best informed men in the United States on the subject of fluoridation, writes: "People have a right to an unadulterated water supply, and to decide for themselves what medicines they will take . . . The right to determine what shall be done to one's own body is one of the most fundamental human rights. . . ."

It is significant of the whole trend of public health service thinking that any reference to the right to medicate the public water supplies of the United States was entirely omitted from the 4th Annual Conference of State Dental Directors. In fact, a search of almost every report of the many public health meetings on the subject of fluoridation shows a complete absence of consideration of the moral and constitutional issues involved.

Is Fluoridation the Beginning of "Tap Water Medicine" or Other Compulsory Mass Control Programs?

Dr. Bull, himself, frankly stated the totalitarian approach of the United States Public Health Service to the whole fluoridation program when he said at Seattle (Fluoridation Symposium, April 27, 1951): "If we are going to present this fluoridation program to the public with a lot of indecision such as—if you care to; maybe you should; we are permitting you to; perhaps it would be well to; or it appears to be all right but look out for this or that—then we had better forget all about a fluoridation program."

He continues: "When through our collective research, thinking and judgment we have decided that fluoridation or any other procedure is a public health measure then we must tell the public that they should adopt that program and explain to them how and why we arrived at these conclusions without creating unnecessary doubt or suspicion."

And Mr. Maier, Chief Sanitary Engineer of the United States Public Health Service makes this statement before the Southwest Section of the American Water Works Association (October 17, 1950): "The discovery of the role of optimum amounts of fluorides in water has led to the concept that the treatment of drinking

water might include the addition of specific substances to prevent disease."

The Citizens Medical Reference Bureau of New York sees in the fluoridation program a present, engulfing threat to individual freedom. "The campaign now being carried on by the Public Health Service in cooperation with various commercial interests for fluoridation of the public water supply offers a striking illustration of the evils of centralizing public health activities in a powerful medical and political machine at the Nation's Capital instead of having these activities localized in the respective states as contemplated under the Tenth Amendment to the United States Constitution," writes H. B. Anderson, Secretary of the Bureau, in his booklet "Fluoridation."

He states, "The facts contained in this brochure reveal that the proposed fluoridation of water supply is directly contrary to the principles enunciated in the Bill of Rights. . . ."

Republished from "The Defender Magazine", July, 1953, page 7

In 1952, Senator John W. Bricker of Ohio, supported by 59 other members of the Senate, introduced a Bill to amend the Constitution, a way to prevent catastrophe through collaboration with the United Nations. It was favored by the Senate Judiciary Committee by a 10 to 3 vote. But it was blocked by Harry S. Truman and Dean Acheson. The Bill was reintroduced in the Eighty-third Congress and is presently a subject of debate.

Thereupon Senator McCarran made the following statesmanlike utterance, which produced a cry of anguish among the "One Worlders" everywhere: "You gentlemen need not be concerned about this matter. We Senators want a Constitutional Amendment to protect us as well as the American people, and I am compelled to admit here, publicly, that I have been so busy that I have voted for a number of treaties that I have never read And if I had known how these provisions of the United Nations Charter were going to be used to make domestic laws, I never would have voted for the United Nations Charter."

And then he added, "I am sure I will regret to my dying days, that I ever voted for the United Nations Charter"

The internationalists are trapping us into the United Nations

The World Federalists are pressuring us into the United Nations.

We will be policed by Allen armies, these Allen armies will collect taxes.

We will be flooded by Alien peoples exercising their right of asylum.

We will have no free speech as we know it, nor freedom of movement, anything.

We will be regimented, men and WOMEN, from 17 to 70, under our already existing Universal Training Act.

We will work and live as we are told.

We will be tried in world courts, which same are already set up, tried where that court may elect, with habeas corpus, with right of appeal, and without council—to receive punishment as and where the court judges. Trial will not be by a court of our peers, and it may not be at a place adjacent to the place of the crime.

Private property, and enjoying the fruits of one's labor will be abolished.

It will come about at the time of Revision of the Charter of the United Nations in 1955. Congress will soon pass SCR No. 32 to study enforceable disarmament and SR No. 126 to study the anticipated changes in U. N., already on the drawing board—the real purpose of both to propagandize the people of this nation with the publicity involved. Sitting in on the revision, the change from a Debating Society to a full-fledged government, we will not be able to retire from it.

MOURN NOT

(By Rev. Charles T. Murdock, Los Angeles, Calif.)

Mourn not for the dead who in the cool earth lie.

Dust unto dust,

The calm, sweet earth that mothers all who die,

As all men must.

Mourn not the comrades brave who fell, Too strong to survive,

Each in his steel-lined coffin of a cell,

Buried alive.

But rather mourn the apathetic throng, The cowed and meek,

Who see the earth's anguish and it's wrong, And dare not speak.

THE OBJECTIVES OF THE INVISIBLE RULERS

1. The Federal Reserve System, owned and operated by the International Bankers, who thus control the finances of our country. Constitution, Article 1, section 8—"Congress shall have power to coin the money and regulate the value thereof." Anselm Rothchild declared: "Let me control the finances of a country and I care not who makes the laws."

2. Universal Military Service, intended to destroy the mental independence of our youth by militarizing their minds.

3. To destroy separation of church and state and so to bring the church under government direction. "Congress shall make no law regarding the establishment of religion."

4. Socialized medicine, which would give power to the government over the health of the people.

5. Fluoridation of the public water supply for the purpose of destroying the health, mental and physical, of our people — under pretence of benefit to children's teeth. Also, to provide the way for mass destruction of our people by means of turning in a lethal amount of the poisonous sodium fluoride by tempering with the machine.

6. Excessive taxation—to annoy us with ever increasing tax levies.

7. United Nations—which deceived the people with promises of world harmony but is actually carrying on war under its own flag. Both Generals MacArthur and Ridgeway were forbidden to end the war. Would also destroy our National sovereignty by bringing our government under dictation of other nations.

8. State Socialism—to destroy freedom of choice by building up ever more and more power in the government.

9. Continued war to build up militarism and imperialism, destroying lives in mass numbers and debauching morality.

All these are part of the intention to destroy the freedoms guaranteed to us by our Federal Constitution and establish totalitarianism — the aim of the Marxists.

ATOMIC GIFT TO UN A DEATH STROKE TO OUR UNITED STATES -

This article deals with President Eisenhower's speech to the United Nations on Tuesday, December 8, 1953.

When it was first announced that the Big Three meeting would be held in Bermuda, papers stated that Bernard Baruch would accompany President Eisenhower. As we understand it, there was some criticism, and at this time we do not know if Baruch was in actual attendance, but it is generally known that Winston Churchill takes his orders from Baruch and certainly Lewis L. Strauss head of the Atomic Energy Commission is Baruch's man and part of the Invisible Government.

LEWIS L. STRAUSS
Chairman, Atomic
Energy Commission

John Foster Dulles, Secretary of State, as well as his brother, Allan Dulles, head of the Central Intelligence Agency, is a Gentile front or stooge for the Invisible Government. Dulles is more cunning, therefore more dangerous, than Dean Acheson. Dulles, Strauss and Churchill were with Eisenhower and no doubt later it will be learned that the Invisible Government was represented by other sinister figures at this conference.

During Eisenhower's campaign for election during October 1952, he stated in a speech in California "for many years I have sat at the feet of Bernard Baruch and listened to his words of wisdom" and there is no question but that he is still listening to these same words of wisdom that have been given to our Presidents starting with Woodrow Wilson and which resulted in two and a half wars, millions of American casualties, and an increased National debt from one billion dollars when Woodrow Wilson was elected to the present two hundred eighty billion dollars. These "words of wisdom" started flowing at a time that our country was really America and we had no fear. These "words of wisdom" have caused this country to start on a crusade to regulate the world. Today our boys are stationed in fifty countries, any one of which could be a powder keg. Thousands of others of our boys have been shot with their hands tied, burned alive, or are prisoners of Communists in Siberia.

When Franklin D. Roosevelt and Winston Churchill, at the direction of Baruch, had conferences before and during the last world war, those of us who are informed knew that world-shaking events were about to take place. At one conference Churchill persuaded F. D. R. to force the Japs to attack us at Pearl Harbor at which time 2,000 of our boys were killed and we were in open war. Eisenhower has taken F. D. R.'s place and conferred with Churchill and announced from Bermuda that he would fly directly to the United Nations and deliver this speech.

For some time the United World Federalists and other World Government propagandists have been using the atomic bomb scare to drive fear into the people so that they would surrender to the

MY EXPERIENCE AT SCOTLAND YARD

From Basil Thomson's: "MY EXPERIENCES AT SCOTLAND YARD. Pp. 319-20: Garden City, N. Y., 1922.

Some months before the Bolsheviks came into power a curious document which has since received much attention in England was brought to the notice of the State Department in Washington. THE PROTOCOLS OF THE WISE MEN OF ZION, first published in Russian in 1897 by a Russian named Nilus, purported to set forth the details of a secret Jewish conspiracy for the domination of the world. A committee of Americans were preparing a report upon the document, and I was asked unofficially to give my opinion upon its authenticity. Besides the internal evidence there was very little to go upon, but I reported that the "protocols" were almost certainly fabricated by some anti-Semitic organization, and I heard afterwards that the American Committee had reported in the same sense.

It was quite natural that when the Bolsheviks came into power and it was seen that nearly all the people's commissaries were Jews, so obvious a fulfillment of the Protocols should not pass unnoticed. It was useless to point out that, protocols or no protocols, it was inevitable in a country like Russia, when the dregs of the population had boiled up to the top, a preponderance of Jews would be found among the scum: people would have it that the first art of this sinister program had been realized, and that worse was still to come. No doubt, the famous PROTOCOLS did faithfully reflect the kind of talk that has been current among fanatically Nationalist Jews among themselves for more than a century.

How the Russians themselves regard their Jewish masters is shown of a popular story now current in Russia. At a Soviet meeting the list of elected delegates was read over. The secretary came to the name "Ivan Ivanowitch Petroff".

"But what's his real name?" asked a delegate. "Ivan Ivanowitch Petroff. He has no other name."

"Bah!" said the Jewish delegate, "these Russians will push in everywhere."

DAILY WORKER LAUDS TELFORD TAYLOR

By EUSTACE MULLINS

The Sunday edition of the Communist Daily Worker on December 6, 1953, printed a feature article of fulsome praise of General Telford Taylor. General Taylor's speech at West Point denounced Senator McCarthy's exposure of Communist traitors. Naturally the Communist Daily Worker praised Taylor as a "genuine anti-fascist". The Daily Worker devotes at least half of each issue to denouncing Senator McCarthy. General Taylor denounces Senator McCarthy. Then the Daily Worker praises General Taylor, who has many times before received the wholehearted gratitude of the Communists. Then, whose side is General Taylor on? Why is he allowed to wear the United States Army uniform when he attacks American ideals and American patriots?

More important, this diatribe against the anti-Communist work of Senator McCarthy was delivered at West Point to the future officers of the United States Army. Why was this hero of the Communist Daily Worker, General Telford Taylor, invited to express his anti-American views to impressionable young Americans who will be in charge of our national security in a few years? In all fairness, the Administration at West Point should invite Senator Joseph McCarthy to come there and defend himself against this Communist-type smear, at which his enemies have proven themselves so adept. The American way is open debate on public issues, not this stabbing in the back, this Marxist treachery. Let Senator McCarthy explain to our young cadets why he has fought Communists in government.

Who is this General Telford Taylor? He is a partner in the multi-millionaire Wall Street law firm of Weiss, Paul, and Rifkind, one of the richest corporation law firms in America, handling business for such families as the Guggenheims. But Taylor is a nice, clean-looking American type, like Alger Hiss. What is he doing in this Jewish law firm?

The answer is that Taylor is the Gentile out in front, to serve as a convenient mask for Jewish machinations. Judge Samuel Rifkind, Taylor's law partner, served as Special Assistant on Jewish Affairs with General Eisenhower in London during the Second World War. Rifkind was one of the horde of Jews surrounding Eisenhower during this critical period in American history. This is sufficient explanation of the fact that the Jewish Gestapo, the Anti-Defamation League of B'nai B'rith, started the ball rolling for Eisenhower's Presidential campaign.

role of World Government by Jews rather than be burned to cinders, as they put it. This has been to prepare the people for just such an announcement as Eisenhower has made.

These Zionist Marxist Jews realize the people have become conscious of the fact that the whole Marxist plan is Jewish. They fear the consequences and are pushing us into war with the Russian people (not Communism) or trying to scare us into accepting World Government in order to save themselves.

The Zionist, Trotsky, Fourth International Jews were behind Beria to overthrow Malenkov and take over the Stalin Communists. David Dubinsky, with the aid of the Central Intelligence Agency, were behind the strikes and uprisings in East Germany. When this uprising failed and Beria and many of his men were arrested or killed, the Trotskyite Jews in the United States increased their efforts to get complete control of all atomic power in the world. Beria had charge of the atomic program in the Soviet Union; Lewis L. Strauss has control of the Atomic Energy Commission (atomic bombs) in the United States; and Rear Admiral Hyman G. Rickover has recently been appointed by Eisenhower to control peace time atomic energy. Bernard Baruch directs the overall atomic energy program.

Contemplate the powerful positions held by these three Jews. The plan is to put the entire world atomic bomb project into the hands of the Jews under the front of the United Nations.

Soon after the atom bomb is handed over to the Jewish controlled U. N., all Federal, State, County and City Police along with the National Guard will be replaced with a World Government Police Force and we will wake up under World Government without a struggle. We understand the governing police forces for World Government in each country will be of a different nationality.

Read carefully the highlights in Eisenhower's speech and you will see how ridiculous and impossible a program this is. It is a sugar-coated speech designed to slip this over on our good people. If we are willing to live under this kind of government, let us keep quiet and not protest and go along as sheep to the slaughter.

EINSTEIN MYTH MATH WIZARDS ARE BUGGY

By CUTHBERT RITTENHOUSE

The Reds brought Albert Einstein over from Germany. He is a Talmud Jew. He is supposed to be a wizard in math. His reputation by propaganda has been built up until most people think that he is the wisest man of our times. The alpha and omega of knowledge.

He is a Zionist. He gets by with murder and treason because propaganda has made him a "super-Solomon". I do not know what he is in math but I know he is a super fool in government and a plu-perfect ass in all that pertains to political science and social relations. The many antics he indulges in shows it. He spouts treason as glibly as a duck quacks, but all wizards in math have been buggy. They know only math and in everything else they are wacky. This is true since the world began. The math wizards in some sections were illiterate.

You can take a peek at these math prodigies outside of Albert, the wacky Thomas Fuller, born in Africa in 1710. He was kidnapped at the age of 14 and sold to a Virginia planter. He couldn't read nor write. He became known as the Virginia Calculator. At 20, he was asked "How many seconds in a year and a half?" In two seconds he replied "47,344,000." All through his life in matters of seconds and minutes he could answer questions like this "How many seconds has a man lived who is 70 years, 17 days and 12 hours old?" He had the power from a child until 80, when he died, but he never could learn to read or write and was pretty much of a fool. He was a black.

There was Jerediah Buxton, a white man, born in Elinton, Derbyshire, England, in 1702. He could in a few seconds tell how many barley, corn, peas, wheat, oats, rye, beans would fill a space 202,460,860 cubic miles and questions of a similar nature. In 1754 he was presented to the Royal Society of London and passed an astounding examination. He could do the impossible in math. He was a moron. His intelligence in everything except math could never rise above a child of 10. He couldn't make a living.

There was Zerah Colburn of Vermont, Truman Henry Saffold and many more. Now, there is Albert Einstein. Fools all in every field but math. The reputation of Einstein outside of math is purely phony. It is maintained by the Reds. The world wouldn't lose anything if he received the same medical treatment which the Rosenbergs received.

Every wife, perhaps, has said to her husband many times: "If it had been a snake it would have bitten you," when he has yelled at her for his socks, his tie or something else which was right before him.

It would seem in the last three decades that the American people have fallen prey to such a mass hallucination. They can't see the failures of Socialism, New Dealism, progressive education and all the fool tommyrot which the leftists have dug up from the graves of the past. A negative hallucination against all that made the United States great. Maybe we are showing some signs of recovery, but its slight.

THE MOST BEAUTIFUL FLAG

By Mrs. M. Conan

The most beautiful flag to me,
In all the world — on land or sea,
Is my own, the red, white and blue,
With the stripes running through.

Though we search the world round,
No more beautiful flag can be found,
And only a fool would trade,
After the price we paid!

I think of those men so brave,
Sleeping now in a soldier's grave,
And I see the tears their women shed,
When I gaze on these bars of red.

The white stripes stand, I know,
For National Integrity, pure as snow;
While each star seems to shine
With sweet peace for me and mine.
In that field of navy blue,
Oh, my flag, so beautiful, so true,
Were it not for you we could not share,
Glorious freedom in this land so fair.

What an ungrateful coward I would be,
Did I not prize my costly liberty,
Or love my flag the more,
Because it was birthed in human gore.

So, now let us pledge ourselves anew,
To the most beautiful flag the world ever knew,
And to the Republic for which it stands.
May it never be wrested from our loving hands!

Shall we trade our beautiful flag which was paid for with the lives of our noble forefathers, for a dirty old UN rag. Not if I can prevent it, we won't!

DAILY WORKER LAUDS TELFORD TAYLOR

(Continued from Page 1)

Other Jews with Eisenhower in London were John Schiff, his naval attache, grandson of the financier of the Russian Revolution, Jacob Schiff, and a partner of Kuhn, Loeb Co.; Edward M. M. Warburg, who served as Eisenhower's Special Adviser on Political Affairs; James Paul Warburg, head of the London Office of War Information; Harry Dexter White, the Jew Communist traitor who advised Eisenhower on the Morgenthau Plan to starve the German people and render them helpless before the Communist hords of Russia (yet Eisenhower says he never heard of White).

When it came time to prosecute the legal heads of the German Government for taking away some of the enormous wealth of the Jews, Judge Samuel Rifkind would have been the logical prosecutor. Yet he chose to put the Gentile out in front, General Telford Taylor, his law partner. Taylor served as Chief Allied Prosecutor at the criminal Nuremberg Trials which have been denounced by leading jurists all over the world as a mockery of justice and a flouting of international law.

The Nuremberg Trials was an excellent exhibition of Communist justice, characterized by forced confessions obtained by torture, falsified evidence, and perjured witnesses. They were run exactly like the famous Soviet Purge Trials of 1937-38. And who was in charge of this Soviet justice? General Telford Taylor. No wonder he is the hero of the Daily Worker! No wonder he is the patron saint of American Communists in uniform.

At the same time that the Communist Daily Worker was fulsomely praising General Telford Taylor, Senator Joseph McCarthy was holding a press conference at which he exhibited a copy of Taylor's Civil Service form. That form showed a check in the "flag" square, and carried a notation "unresolved question of loyalty." (Newark Star-Ledger, December 16, 1953). The employee who obtained that evidence for McCarthy was fired from the service of the government for exposing Communism.

Millions of residents in New York City did not receive this information because the newspaper unions called a strike at the very moment when Congress was holding hearings on the slaughter of American boys by Communist butchers in Korea. Was not this a strange time for a newspaper strike to be called? Congress or the Supreme Court are not able to stop the publication of these papers and interfere with the freedom of the press, but some mysterious power behind these unions was able to accomplish what Congress and the Supreme Court could not do. This is rehearsal for the big strike when all newspapers will cease publication, when there will be no electric light, telephone service, transportation, and confusion will reign. By this well-timed strike New York residents would have no chance to be horrified and angered by the story of how the murderers of the Kremlin tied the hands of our American boys behind their backs, shot them in the head or made human bonfires out of them. Nor would they be informed of General Telford Taylor's sorry pro-Soviet record. All in all, it was a good chance to conceal the Communist crimes, while the Communist Daily Worker, UNAFFECTED BY THE STRIKE, went merrily on printing its vicious anti-American propaganda.

UNCONDITIONAL HATRED

By CAPTAIN RUSSELL GRENFELL
(Reviewed by Marilyn Allen)

If you wish to have a preview of what will eventuate from all the "foreign entanglements," pacts, agreements, covenants, conventions, etc., in which America's false leaders have involved her with the UN, NATO, with Europe, in the Pacific and all over the world, read the new book, "UNCONDITIONAL HATRED," by Captain Russell Grenfell, who served in the British Royal Navy for thirty years. This book is a fair, dispassionate analysis of the subject matter, with the British flair for understatement.

This honest Englishman really HATES WAR and desires "peace for as long as possible," even while admitting the inevitability of war so long as human nature remains what it is. He inveighs against the hypocrites (in all countries) who drag their peoples into war. As he says, it is NOT the nations or peoples who want war, but only a few individuals who, in their lust for power or other ulterior motives, drag the innocent into these senseless wars. If the people were more alert and understood these things, they could better judge, evaluate, and STOP their war-making lords.

Captain Grenfell delineates how war-mongering "Sir" Winston Churchill maneuvered and manipulated with our hypocrite, FDR, to bring the U. S. into World War II—while Mr. Roosevelt was assuring our mothers that their sons would not have to go to war. These two old war lords were inflexibly determined that Germany and her regime should be utterly exterminated—including her women and children by savage, ruthless bombing (and incidentally Britain practiced this sort of bombing on German civilians BEFORE Germany retaliated with similar bombings on London). Captain Grenfell quotes this snorting old war-horse, Churchill, speaking to Parliament on September 21st, 1943: "The twin roots of all our evils, Nazi tyranny and Prussian militarism, must be extirpated. Until this is achieved, there are no sacrifices we will not make and NO LENGTHS IN VIOLENCE to which we will not go." (Which statement as to the root of all evil was, of course, a figment of the imagination!) So-o-o war-monger, FDR (who ordered a million caskets for our boys, while publicly saying they would not be sent to foreign war) coined his vicious phrase, "Unconditional Surrender," with the hope of utterly annihilating the Germans—even as they sued for peace: just as we did similarly in Hiroshima. Both of these infamous politicians (who fancied themselves as great military strategists—which Captain Grenfell says they were not) were so dumb or else so purposely conniving that they shut their eyes to the threat of Communism-Bolshevism-Sovietism (of which there was already plenty of evidence): they refused to see or comprehend the vacuum they would thus intentionally create in Europe through the destruction of the ONLY fine fighting machine against the evil of Marxism-Bolshevism-Germany. Rather, each in his own Country, took control of the Press and set the flame of UNCONDITIONAL SURRENDER HATRED burning against Germany (which certain American commentators and newspapers keep fanning briskly to this day) with all sorts of contorted lies and false charges against her. Lord Vansittart in England together with his henchmen coined a slanderous epithet against Germany: "Butcher-bird," (meaning that she started all the wars), while FDR and his henchmen sought to blacken their record in America.

Even after Yalta, superannuated Mr. Churchill brusquely disposed of Parliamentary criticism by saying that the Soviet leaders were "honourable and trustworthy men" and that he "declined absolutely to embark here on a discussion about Russian good faith." (From London Times, Feb. 28, 1945). He told the House of Commons that, "The impression I brought back from the Crimea and from all other contacts is Marshal Stalin and the Soviet leaders wish to live in honourable friendship and equality with the western democracies. I KNOW OF NO GOVERNMENT WHICH STANDS TO ITS OBLIGATIONS EVEN IN ITS OWN DESPITE MORE SOLIDLY THAN THE RUSSIAN SOVIET GOVERNMENT." Inasmuch as the Soviets were and are notorious for NEVER having honored their agreements or undertakings with the Western Nations, it is amazing how the astute Mr. Churchill arrived at this completely false conclusion. It is most peculiar that doddering Mr. Churchill should not have had access to information disproving this theory (just as some of the rest of us did), especially when, soon after World War I, British and American troops were endeavoring to put DOWN

the Bolshevik-engineered revolution in Russia. There's no other answer, but that such men are dumb for a price!

With amazing candor and honesty, Captain Grenfell proceeds to show that anything which Germany may have done, under provocation, has only been exceeded in villainess and ferocity and torture by Britain and America, not only against Germany, but others as well. He documents the war-making score from 1815 to the year 1907, by the nations named, as follows:

Britain	10
Russia	7
France	5
Austria	3
Prussia-Germany	3

Captain Grenfell documents these endless wars in Europe, (and gives his reference works), showing how today's "friend" or ally is tomorrow's enemy, for greed and profit and ulterior motives. He proves how endless, malicious lies and propaganda have been circulated about Germany, falsely accusing her of being the "Butcher-bird" of Europe, even though Britain, France and Russia, as shown by the record, were more truly war-mongering than Germany. Other less virile and less intelligent peoples have always been jealous of the Germans. Virtually all this sort of lying propaganda emanates from the same international cabal, whether in Britain or America—merely because Hitler's Germany sought to throw off the Marxist yoke of slavery. Captain Grenfell claims that many thousands of innocent young Britishers have been uselessly slaughtered—just as have American youth. Why don't the fathers and mothers of these innocent massacred young men WAKE UP, and go after the REAL war criminals?

If it were not so tragic, it would be humorous the way the ignorant idolize and lionize these two "butcher-birds," Churchill and FDR, who caused so much death, destruction and torture of human beings. Willy old Churchill never did save US (nor his own people) FROM anything, because the true record proves that Hitler never intended to invade either Britain or America; in fact, he HELD BACK the victorious German Army from invading Britain, when France fell. All Churchill has ever done is to involve US in the catastrophes which he first created, through his own stupidity and serving of alien interests. You can't consort with Machiavellians without some of the pitch rubbing off onto you. This old discredited "butcher-bird" now turns and twists every which way to involve US AGAIN in one of those disastrous International Conferences with the Bolshevik Russians, because he thinks Britain will gain (and he himself will wear a halo as a "peace-maker") while WE pay the bills, as usual, and lose our shirt.

Because of his candor in writing this documented book against war and war-making politicians who knew nothing, actually, of the correct arts and strategy of war, Captain Grenfell was compelled to have his book published in America. Even then, he has not dared to expose the true war-making criminals or the International Conspiracy which seeks the destruction of the White Christian Race in every country, and pits them against each other.

Any decent, honest American who loves his own Country should read this book and WEEP that we have permitted our so-called leaders and Internationalists to take America down this same road to hell; paved with smooth slogans, false propaganda, and half-truths which "tickle the ears" and deceive the minds of the unsuspecting and uninformed. America will continue to be bled of men and money and her natural resources so long as she follows this chimera of Foreignism, as represented by the International Interventionists, the false Liberals, the UN, NATO, the World Federalists, Union Now, and all the other One Worlders—who care nothing for America's welfare or interests, and who would destroy the CONSTITUTION, and thereby the very soul and Freedom of Americans.

Actually, anarchy, lawlessness, and every manner of horrible crime runs riot and rampant in America today. Women and children are no longer safe in their homes, their schools, or on the streets: our youngsters are criminals and dope addicts. Yet WE disperse our young men all over the globe, for the purpose of fighting wars for others: meddling with the governments of other nations, and presumably teaching THEM how to live, so as to prevent them from minding their own business—just as WE should be minding ours. We are infested with Crime, Communism and Corruption here at home. Why not concentrate on our OWN evils, for a change, and eradicate them, rather than encouraging this abomination of international meddling on a global scale? Through these senseless and worse than useless wars, we have not yet attained a single desirable objective. Are we Americans crazy, or just dumb beyond all imagination?

And that nice fire-breathing Communist, Comrade Tito of Yugoslavia, now threatens war with Italy over Trieste (perhaps sparking another worldwide conflict, such as jet bombers and stuff? None other than the good old war-mongering and meddling USA, who always believes in helping

RED HIGHLIGHTS

Bernard M. Baruch, Louis L. Strauss and C. D. Jackson, three prominent members of the Invisible Government, after spending three weeks preparing President Eisenhower's Big Three talk sent Ike off to Bermuda. And since a Charlie McCarthy without an Edgar Bergen would have little results, Louis L. Strauss accompanied Ike to Bermuda where the Baruch, Strauss, Jackson plans were approved by England (the benefactor of Communist countries) and bankrupt France. After deciding what was to be done with the world Strauss and his mouthpiece flew to New York to tell the word before the UN what World Jewry had decided. The result is that we are to give our atomic works to the United Nations which is controlled by World Jewry and Communism. Eisenhower is not a dupe or dope for he represents the Invisible Government too often not to know what the motives and plans are he is representing. One of his last appearances was before the Anti-Defamation League of the B'nai B'rith in Washington where he told the Learned Elders of Zion that he never knew how efficient his White House staff was until he was preparing for that talk. He stated that they briefed, briefed, and rebriefed him.

Hundreds of American boys have been abandoned in the miserable slave camps of China and Russia for the sake of a trumped-up political truce and nobody but the mothers and fathers are concerned.... The "Jewish" organizations and institutions such as the Yeshiva University honors Anna M. Rosenberg, Harry Truman, Adlai Stevenson, and the like, but notice who they fight. McCarthy, McCarran, Jenner, Velde, and all patriots who are giving America healthy legislation... After many years of concealment news is breaking through the Iron Curtain of secrecy of what the "Jew"-infested State Department in Germany is doing to enhance the success of Communism. Appeals Judge William Clark, who has been fired by the State Department, gave the McCarthy Committee 125 names of Communists who have been working for the High Commissioner of Germany since General Lucius Clay became the first Commissioner of Germany. Further, Judge Clark's fight against the State Department brings out the news of orders for nonprosecution of Communist spies.

FROM BEHIND THE IRON CURTAIN: Average day's pay for a peasant is a half loaf of bread and half-pound of potatoes, or bowl of soup. Nothing to take home to the family. People must rob to survive. Heavy penalty for crime of robbing food. Thousands die every day of famine... Many hundreds killed every day fighting for and against Communism. Isolated cases of "Jews" being killed by peasants and not getting caught. Every automobile is a temptation for the starved peasantry to attack, for only "Jews" own automobiles in the Soviet Union... Mountains of the Soviet Union contain thousands of run-away Russians who are thoroughly checked by guerilla officers. Three big leaders command the vast army of anti Communists, Mr. Taras, Mr. Tehan, and the Black Cat. These three guerilla commanders direct operations of their army from secret hideouts, and no one who is not thoroughly trusted knows even the vicinity of their headquarters. It has been estimated in 1947 that the Black Cat alone has over 70,000 men in the Urals and Caucasian Mountains. The mountains in the Soviet Union are so dense that all the Communist armies combined could not penetrate them... Immigration out of Germany to the United States is majority "Jewish".

UNCONDITIONAL HATRED

—(Continued from Page 3)—

Communists building them UP, and THEN fighting them — just as we did China. Yugoslavia shot down our fliers in cold blood—remember? And even now the Yugoslavs riot against us and beat up our nationals, and our newspaper headlines (10-12-58): "U. S. Warships Steam to Trieste Harbor," while "Yugoslavia Threatens Invasion of Zone A." Does anybody know which side we are on?

As Captain Grenfell rightly said, no nation (in its right mind) fights a war unless for ITS OWN VITAL INTERESTS and that of its people: it has no right to fight for "abstract things" or slogans or ideals impossible of realization. He speaks of the "splendid isolation" of America — which we obviously have not the sense to utilize or appreciate. The narrow English Channel has always protected England from invasion, he says, while we have 3,000 miles of ocean protecting us: yet the Americans are the most scared of being "attacked." Well, it serves us right if we are; if we had minded our own business and kept our fighting men at home, and built up a huge, impregnable AIR FORCE with all the billions we have squandered abroad, we would not now be sweating it out. Nobody would have dared to attack us. BUT — the "former strong American instinct for the strict avoidance of foreign entanglements seems to have given place to the almost opposite urge for the United States to push its way into any outside trouble wherever in the world it may occur. Thus, although American troops are garrisoning Europe, and campaigning in Korea, there seems to be an anxiety in American governmental quarters for them to be fighting in Indo-China and Malaya as well. But it is hard to see what vital American interests require such action in the latter areas; or, for that matter, in Korea either." Isn't it tragic beyond words that America seems to have NO STATESMEN of clear vision to thus dispassionately analyze and assess these things with candor and courage, IN HER OWN INTERESTS — and thus help to "preserve, protect and defend the American CONSTITUTION," as well as the priceless lives of our youth?

The United States now has soldiers in fifty countries.

THE OBJECTIVES OF OUR INVISIBLE GOVERNMENT

—The International Bankers

1. The Federal Reserve System, owned and operated by the International Bankers, who thus control the finances of our country.

Constitution, Article 1, section 8" Congress shall have power to coin the money and regulate the value thereof."

Anselm Rothchild declared: "Let me control the finances of a country and I care not who makes the laws

2. Universal Military Service, intended to destroy the mental independence and initiative of your youth by militarizing their minds

3 To destroy separation of church and state and so bring the church under government direction.

"Congress shall make no law regarding the establishment of religion."

4. Socialized medicine, which would give power to the government over the health of the people.

5. Fluoridation of the public water supply for the purpose of destroying the health, mental and physical, of our people—under pretense of benefit to children's teeth. Also, to provide the way for mass destruction of our people by means of turning in a lethal amount of the poisonous sodium fluoride by tampering with the machine.

7. United Nations—which deceived the people with promises of world harmony but is actually carrying on war under its own flag. Both Generals MacArthur and Ridgeway were forbidden to end the war. Would also destroy our national sovereignty by bringing our government under dictation by other nations.

8. State Socialism—to destroy freedom of choice by building up ever more and more power in the government.

9. Continued war to build up militarism and imperialism, destroying lives in mass numbers and debauching morality.

All these are part of the intention to destroy the freedoms guaranteed to us by our Federal Constitution and establish totalitarianism — the aim of the Marxists.

TO THE U S CONGRESS

Congress of the United States,
The House of Representatives,
Washington, D. C.

Dear Congressmen:

May we call to your attention one more evidence of the Jewish power which has received very little notice in the press or over the air.

It concerns the demand made by the Zionist State of Israel for \$300,000,000 to be paid to it by West Germany as compensation for the alleged crimes committed against Jews under the Hitler regime.

Several points should not be overlooked: Regardless of the fact that there never were, at any time, six million Jews in or around Germany), notwithstanding the absurdly exaggerated numbers of so-called atrocities claimed by Jewish leaders how can the State of Israel claim the compensation from West Germany? Secondly, the Jewish population in Palestine under the Israel State is not made up of German Jews, in whose favor the claim is made but is a heteroclit and mongrel amalgamation of nondescript beings gathered from all corners of the earth.

How can it be claimed that Germany has any debt toward them or owes them reparations? . . . And is it to satisfy this false claim that the German people are being bled white . . . and with the sanction of the U. S. Government and former allies?

But in addition to this outrageous situation, there is yet another important consideration. Does the Zionist State of Israel claim anything from the population of East Germany as compensation for the murder of those six million Jews who never existed? If guilt is to be admitted, are only the Germans of West Germany to be held responsible? Were not the East Germans members of the Hitler regime? Were there two Nazi armies . . . one trained for persecution and hatred of the Jews, the other trained to love and respect the same Jews?

Then what is the difference between the East and west German people? . . . There is no difference in the national origin, none in the language, none in the climate or the dress. There is ONE difference, one . . . that is all, just one! OF COURSE COMMUNISM IS THE DIFFERENCE! West Germany does not have a Communist Government and therein lies the sole reason why West Germany must pay reparations to the Zionist State of Israel!

Let us assume Communism did not control EITHER of the two halves of Germany . . . by what stretch of imagination and by what degenerated mental process could Israel Zionist claim reparation from the East? Assuredly, reparations to the State of Israel would be demanded of ALL Germany!

How glorious must be the Communistic State of East Germany (in the eyes of the Zionist State of Israel). Just think, for East Germany—no criticism, no animosity, no reparations! The

Jews and the Germans surely love one another and all is forgiven . . . provided the Germans are saddled with Communism!

Is it not reasonable and logical to assume that what is asked from the Bonn Government of Adenauer should be requested from the Soviet Administration ruling East Germany? Why the difference in the treatment of German Nazis by the erstwhile Allies?

Who in the American Government ever condoned and still condones such a wicked and anomalous situation?

If ever evidence was required to show the "national tie" linking Zionism of the State of Israel and Communism of Soviet Russia, the existing policy of "reparations" being collected from West Germany only clearly demonstrates the inevitable conclusion, namely: very little difference between Zionism and Communism.

If any one can explain this situation, as well as the U. S. State Department's hand in this intolerable state of affairs, we will be grateful for any clarification that can be offered!

Sincerely,

CHARLES J. SCHREIBER,
Director,

U. S. MAJOR REPORTS FROM SIBERIA

U. S. Major M. Schuyler made a report on Jewry's connection with organized revolutionists, subsequent to his return from the American Expedition to Siberia in 1920. A. S. Leese's "Bolshevism Is Jewish, on page 7, quotes the Major as follows:

"The government of Russia is almost entirely Jewish, and our United States Army in Siberia was full of Bolshevik Jews straight from Moscow. They had entered the United States and enlisted in the U. S. Army going to Siberia. General Graves, the commander, had a staff that was almost entirely Jewish. Owing to the Bolshevik Jews in our army, all the information that should have reached Kolchak went straight to Moscow.

THERE IS A NEW PLAN

There's a new PLAN to HARNESS McCarthy, gently persuading him to investigate thoroughly, but to hold his fire until the case is tied up. Also to lay off Republicans, attack only Democrats. Top Republican leaders talking to him — very timidly. He hasn't said yes.

That's not the American way of doing things, and we'll bet that
